

This yearbook may contain images, language, or other content that could be offensive to modern users. The content may be disturbing and offensive, but should be viewed within the context of that period. The material is being presented as part of a historical record and in no way reflects the values of Missouri Western State University.

This annual of the Saint Joseph Junior College is dedicated to helping you, the student, relive and enjoy all the happy times you have spent here. Cast your glance on any page and you will see a reflection of a happy day gone by. Treasure this annual, for in the years to come it will be a milestone along your memory lane.

Hope you dont pass out before in any of
year from your Chemistry & Botany or whatever
it is you've been dying over all year. Good
luck to a beautiful good with a great sense

Let's of all that
luck,

Dear Paulette,

I am very glad to be able to get this opportunity to tell you how enjoyable it has been to know you, to associate with you, and most of all to analyze your personality (I still think your personality is directly connected to your mother's). I want also to tell you how much I appreciate your deep concern for my loneliness in as much as you have gone out with me and you've only stood me up, let me see now only twice I think; very thoughtful aren't you? All kidding aside, I have enjoyed your company and our dates very much and maybe some day when I get out on parole maybe your mother will let you talk to me again and if she doesn't I guess John and I will have to

STUDENT BODY

resort to taking terms with Donna. I guess all kidding isn't aside but I'll try to get serious. I want to wish you the best of luck in the future and in all you attempt and I am sure with your pleasing smile and irresistible manner not to speak of your physical tools, you will be a tremendous success. Stay beautiful and as witty as you're now and the world cannot help but love you.

May God Bless and Keep You

Love
