

Foreword

I exist for only one reason, to present Junior College as it really is. I have no theme to draw your attention elsewhere, and I have no fancy stories to lead you from the truth.

I show you the true picture in black and white and will let you see for yourself why I and the students are proud to be a part of J.C.

This yearbook may contain images, language, or other content that could be offensive to modern users. The content may be disturbing and offensive, but should be viewed within the context of that period.
