# The University

With its roots in a five-county region of northwest Missouri, Missouri Western State University has proudly served the higher education needs of its constituencies since 1915. Originally founded as St. Joseph Junior College, Western was transformed into a four-year college in 1969 and became a full member of the State of Missouri system in 1977. In 2005, it was designated a university. Today, over 180 faculty members teach in technologically up-to-date instructional facilities, and excellent recreational facilities are complemented by a beautifully landscaped campus. Enrollment is approximately 5,200.

Western is a four-year, state-supported institution providing a variety of degree programs through the colleges of liberal arts and sciences, and professional studies. The university is authorized under Missouri statutes to offer professional master's degrees, four-year baccalaureate programs, two-year associate degrees, preprofessional transfer programs and one-year certificates. In addition, the university offers continuing education courses, seminars, conferences and workshops suited to the needs of the community and serving groups throughout the nation.

# THE WESTERN ADVANTAGE: VISION, MISSION AND VALUES

# Vision

Missouri Western State University will set the standard for excellence in student development and community leadership.

# Mission

Missouri Western State University is a learning community focused on students as individuals and as members of society. Western offers students at all stages of life the opportunity to achieve excellence in the classroom and beyond, as they prepare to be leaders in their work and in their communities. As a leader itself, Western is committed to the educational, economic, cultural and social development of the people and the region that it serves.

# Values

In fulfilling our mission and pursuing our vision, we the people of Missouri Western State University hold in common these values:

# Service

We share the common purpose of serving students, one another and the people of the region.

# Quality

We are committed to the quality of our programs, our students, and our partnership with the people of the region.

# Enthusiasm

We are enthusiastic about learning and confident that we can make a difference in the lives of students through their learning.

#### Freedom

We promote the free exchange of ideas that makes education liberating and democracy unique.

# Respect

We act as individuals and as a campus community with respect for diversity and for the best in human potential.

# Courage

We seek the challenge and adventure of shaping the future with an increasingly global perspective.

# THE GRIFFON

A griffon, which is half lion and half eagle, was chosen in 1918 as the mascot of St. Joseph Junior College, the institution which later became Missouri Western State University. The mythical creature was selected because it was considered a guardian of riches, and education was viewed as a precious treasure. Its wings are spread in the shape of the state of Missouri to signify the union of the college with the state university system in 1977.

# FOUNDATION

The Missouri Western State University Foundation was established in 1969 as a separate entity to promote private giving to help the university move into the forefront of public higher education. The Foundation encourages, holds, invests and disburses private gifts of cash, securities, appreciated assets and personal property, all toward the goal of providing services, programs and facilities that strengthen the mission of the university.

Donations and gifts may be restricted to target specific interests of the university including scholarships, awards, equipment grants, program funding and capital improvements or may be unrestricted to assist with the future needs that meet the goals of the institution.

Major gifts to the Foundation have contributed substantially toward the growth of the university and its continuous goal of excellence in such projects as the Fulkerson Center, the Helene G. Droher Business Development Program, SprattStadium, the Fine Arts Gallery, improvements to the Hearnes Learning Resources Center, the Biology Field Station, the Leah Spratt Multipurpose Classroom Building, the Glenn E. Marion Memorial Clock Tower, the University Plaza, and the Agenstein/Remington Hall project.

Capital campaigns allow the Foundation to secure private sector resources to perpetuate the distinctive values and contributions of Missouri Western State University. Funding for the Fulkerson Center was secured through Western's last capital campaign, and funding for the Agenstein/Remington Hall project will be secured through our current capital campaign.

The MWSU Foundation is a tax-exempt corporation; therefore, gifts made through it are tax deductible as appropriate. Its activities are directed by an independent, volunteer board of 32 persons who work closely with the university administration to identify needs and allocate funds.

# THE WESTERN ALUMNI ASSOCIATION

The Western Alumni Association was established in 1970 to advance the educational interests of the university. The Association provides opportunities for alumni to stay connected to Western, and offers student scholarships each year.

The Alumni Association hosts Homecoming activities, Commencement receptions for graduating seniors and their families, the St. Joseph Junior College brunch, and several alumni social events.

Every Homecoming weekend, the Association recognizes outstanding alumni and a current faculty member with Distinguished Service Awards. Nominations for the awards may be submitted year round on the university website.

The Association serves Western's approximately 18,000 alumni who reside in all 50 states as well as several foreign countries and territories.

# MISSOURI WESTERN AMBASSADORS

The Missouri Western State University Ambassadors are composed of community and university members who are interested in the university and what it offers to the community at large. The Ambassadors are an important bridge in providing information about the university and its programs.

Through their activities, the Ambassadors provide information about and access to the campus. In particular, they strive to make St. Joseph and surrounding communities aware of the educational, cultural and financial benefits of the institution. Presently, the major focus of the Ambassadors is support of a scholarship that serves non-traditional students. One fundraiser is held every spring and four luncheon/meetings are held every year.

You are invited to join the Ambassadors and help both the university and the community. If you have questions, please contact the Non-Traditional Student Center (<u>www.missouriwestern.edu/nontrad/</u>) at 271-4280, located in Eder Hall 200A.

Admission

# Admission

Howard McCauley, Director of Admissions

271-4266

# NEW STUDENT REGISTRATION PROGRAM

The Office of Admissions offers New Student Registration Programs throughout the summer and one in January that focus on academic advising. These programs assist freshman and transfer students as they make the transition from their previous environment to Western.

# **GRIFFON EDGE**

Griffon Edge Orientation (CED 131) is a one credit hour, 3 1/2 day comprehensive orientation program for new students at Western. This program occurs on the Wednesday-Saturday prior to the first week of school. Griffon Edge equips new students with comprehensive information about Western and its services to ease students' transition to higher education and the Western community.

Programs and topics of Griffon Edge include academic expectation, classroom etiquette, academic program advising, academic support services, library services, expectations with the Code of Conduct, all department service providers, University Police, healthy lifestyles, student involvement, motivational speakers, student employment, a campus tour, a campus department and student organization fair, Western traditions and a matriculation ceremony at the beginning of Griffon Edge.

# GENERAL INFORMATION

# **High School Core Classes**

Missouri Western State University wants its students to succeed, so students need to prepare themselves academically for college and university level classes. Experience has shown that students who have completed the following high school program are most likely to succeed in college. Listed below are the high school courses required for college-bound students:

4 units of English, one of which may be speech or debate; two units must emphasize composition or writing

- 3 units of mathematics, including Algebra I, II and Geometry
- 2 units of sciences, including at least one lab science
- 3 units of social sciences
- 1 unit of visual/performing arts
- 3 units of electives, selected from foreign language and combinations of the above courses. Two units of foreign language are strongly recommended.

# Admission

# Early Application is Strongly Encouraged

Only new students who have submitted a complete application file\* will be invited to a Summer Registration Program.

New students enrolling for the first time must submit a complete application file\* at least three weeks before registration begins or they must pay a \$20 late application fee.

\* A complete application file (with \$15 application fee) for FIRST-TIME FRESHMAN students consists of: MWSU Application, ACT scores, high school transcripts or official GED, and the Missouri Minimum Core Curriculum-Student Reporting Form (if you graduated after 5/95). A complete application file (with \$15 application fee) for TRANSFER students consists of: MWSU application and transcripts of all college and university work to date.

# Limited Course Loads for Some Students

New students with enhanced ACT composite scores below 17 can only enroll in 14 credits their first semester. Other restrictions may apply on an individual basis, based on a student's academic record.

#### Early Completion of Math and English Composition Classes The Continuous Enrollment Rule

Effective the fall semester of 2004, all students who are required to take developmental course work (mathematics-MAT 081,082,083 or equivalent; English-ENG 100; or reading-RDG 095) will continuously enroll in required developmental course work until they have been satisfactorily completed. In addition, after students complete developmental courses they will continuously enroll in the corresponding discipline general education courses until those courses are satisfactorily completed. This policy does not negate the twice enrollment rule.

#### The 60-Credit Hour Rule

All new students must successfully complete ENG 108 and MAT 110 (or any higher level math course of three or more credits excluding MAT 132), as required in their degree programs, within their first sixty (60) credit hours earned at MWSU.

Students who do not successfully complete ENG 108 and MAT 110 (or its general studies math equivalent as listed in the college catalog) as required in their degree programs, within their first sixty credits earned at MWSU may *only* enroll in those class/classes until they are successfully completed. NOTE: See "Repeating Courses" in this catalog for rules regarding course repeat.

# ADMISSION CATEGORIES

Missouri Western State University serves students from a variety of educational backgrounds. Interested prospective students can identify the category under which they wish to seek admission. Specified items under the appropriate category must be submitted and on file in the Office of Admissions before students can be officially admitted. Any student desiring to take credit courses must first be admitted to the University under one of the following categories.

- 1. First Time In College students seeking a degree who have not previously attended any college or university.
- College Transfer-students transferring to MWSU from another college or university.
- **3. Special Student -** students who are not seeking a degree at Missouri Western State University.
- Returning or Certification students whose last attendance at MWSU was other than in the semester prior to application or students seeking post-graduate professional certification.
- **5. International Students -** students with a F1 visa status who seek a degree and have not previously attended any college or university or students with a F1 visa status transferring to MWSU from another college or university.

# **First Time In College**

To be admitted in this category, applicants must provide:

- 1. Completed application for admission form.
- 2. Missouri Minimum Core Curriculum (if graduated after 5/95).
- American College Test (ACT) results and profile. Students age 20 and older are not required to submit ACT scores to complete their admissions file; however, placement tests will be required in some subjects.
- 4. A high school transcript with a minimum of six semesters of work.
- High school transcript documenting graduation or official General Education Development (GED) equivalency certificate.
- 6. \$15 nonrefundable application processing fee (this is a one-time fee required only with the initial application to MWSU).

# **College Transfer**

To be admitted in this category, applicants must provide:

- 1. Completed application for admission form.
- Official transcript from each undergraduate college and university attended. Student transcripts received from other colleges and universities become the property of MWSU, and are not reissued to the student or to another institution.
- 3. \$15 nonrefundable application processing fee (this is a one-time fee required only with the initial application to MWSU).
- 4. Transfer students who hold an Associate of Arts (A.A.) degree from an accredited Missouri public institution are considered to have satisfactorily completed MWSU's general studies requirements, and will be admitted at the junior-year level. There are some exceptions which will be evaluated course by course.

Missouri Western transfer students must meet the minimum residency, upper-division course and graduation requirements. Students with A.A. degrees will typically transfer sixty-four (64) credit hours. Lower division credit hours completed beyond the A.A. degree will be evaluated for transfer on a course by course basis.

MWSU adheres to the guidelines of the Missouri Articulation Agreement. Transfer course work is evaluated and awarded on the same basis as credit awarded at MWSU. Consequently, criteria used to evaluate currently enrolled MWSU students is equally applicable to transfer students. Applicants who are considering transferring to MWSU may refer to the Table of Academic Standards contained in this catalog to determine their academic status for transfer admission purposes.

# **Appeal Procedure for Transfer Credits**

A student has the right to appeal a denial of transfer credit at MWSU. If a transfer student's appeal is denied by MWSU, after all appeal steps internal to MWSU have been exhausted, transfer students can appeal to the state-level committee on transfer and articulation. The student wishing to appeal his or her case at the state level must:

1. File a written appeal with the Admissions and Graduation Committee (see Registrar).

2. Explain in writing the reason for the appeal to the committee on transfer and articulation. Send appeal requests to: Commissioner of Higher Education, Coordinating Board for Higher Education, 3515 Amazonas Drive, Jefferson City, MO 65109.

# **Special Student**

This category is for the student who is not seeking a degree or certificate at MWSU. Students under suspension are ineligible to be admitted under this category.

Students admitted under this category who later decide to seek a degree at MWSU must re-apply for admission in the appropriate admission category. Consult with the Office of Admissions with any questions concerning your admission status. All applicable credits earned while a special student will be applied to the new admission status.

Students who apply and are admitted as a special student are not eligible for financial assistance through the University. Additionally, a student will not be permitted to switch to a Special Student Status to avoid penalties imposed by the University.

#### Self-Enrichment

To be admitted in this category, applicants must provide:

- 1. Completed application for admission form.
- 2. \$15 nonrefundable application processing fee (this is a one-time fee required only with the initial application to MWSU).

#### Visiting High School Student

Students currently enrolled in high school who are seeking admittance to MWSU on a part-time basis concurrent with high school attendance must provide:

- 1. Completed application for admission form.
- 2. Certification and approval from the high school principal or counselor (required each semester prior to enrollment).
- 3. \$15 nonrefundable application processing fee (this is a one-time fee required only with the initial application to MWSU).
- 4. Evidence of completion of junior year in high school.

#### Visiting College Student

Students who are attending another college or university and wish to take courses at Missouri Western and then transfer the MWSU course work to the parent institution for degree applicability must provide:

- 1. Completed application for admission form.
- 2. Unofficial transcript or Letter of Good Standing from the parent institution which reflects the student is academically eligible.
- 3. \$15 nonrefundable application processing fee (this is a one-time fee required only with the initial application to MWSU).

# **Returning to MWSU or Seeking Certification**

#### **Returning to MWSU**

Students whose last attendance at Missouri Western State University was other than in the semester prior to that for which application is being made must provide:

- 1. Completed application for admission form to reactivate the file.
- 2. Official transcript from each undergraduate college and university which has been attended since last enrolled at MWSU.
- 3. Payment of any prior financial obligation to MWSU.

# **Purposes of Certification**

Students seeking postgraduate teacher certification, or other forms of professional certification for which MWSU has an academic program, are required to provide information as a college transfer or returning MWSU student as indicated previously.

# **International Students (F1)**

To be admitted in this category, applicants must provide:

- 1. Application and Application Fee of \$50.00 U.S. dollars (may be paid by an international money order).
- Official secondary school transcripts with English translation of all course work. The records must indicate secondary education completion and graduation.
- 3. Official TOEFL (Test of English as a Foreign Language) scores with a minimum of 500 on the written examination, 173 on the computerized examination, or 61 on the Internet based exam.
- 4. Completion of supplemental forms:
  - a. Éducational Background Form
  - b. International Student Informational Form
- 5. International Student Financial Statement and Affidavit of Support
- 6. International students transferring from other U.S. colleges or universities must submit official and complete transcripts from each institution to determine eligibility. Transfer credits from post secondary institutions outside of the United States must have a Course-By-Course Credentials Evaluation from World Education Services. The application for the evaluation and the cost incurred is the responsibility of the prospective student and payable to World Education Services.
- Official Student Visa (F1 status) must be presented to the Admissions Coordinator prior to registration for coursework.
- 8. Health Insurance is required of all International Students with a F1 visa status. Students must enroll in MWSU's International Student Health Plan. The cost of the required coverage must be paid by the student and will be applied to the student's account upon registration.
- Applicants must submit Mumps, Measles, & Rubella Immunization Certificate and be tested for Tuberculosis.

Missouri Western will only issue an I-20 form when all requirements for admission have been met. Accepted International Students must be enrolled as a full-time student (twelve semester hours) during each semester in order to maintain their student F1 visa status. MWSU will report to the INS, all international students who have been issued an I-20 form who have not reported to the campus within thirty (30) days of the deadline for registration. The deadline for submission of all requirements for admission and I-20 issuance is forty-five (45) days prior to the first day of classes. MWSU strongly recommends ninety (90) days to ensure timely receipt of the Student Visa.

# **Exchange Students (J1)**

- Complete the Exchange Application
- \$50 Application fee
- Official TOEFL-Score of 173 on the computerized exam, 500 on the written exam, or 61 on the internet based exam. This must be an official report; it must be sent directly to the Admissions Office at Missouri Western State University.
- Official transcript from home institution.
- Letter of good standing and verification of enrollment in a Bachelor program.
- Two letters of recommendation from professors that can certify applicant's English ability.
- Documentation of financial ability
- Official student visa (J1 status) must be presented to the Admissions Coordinator prior to registration for course work.

- Admission
- Health Insurance is required of all International students with a J1 visa status. Students must enroll in MWSU's International student health plan. The cost of the required coverage must be paid by the student and will be applied to the student's account upon registraton.
- Applicants must submit Mumps, Measles, & Rubella Immunization Certificate and be tested for Tuberculosis.

# SENIOR CITIZEN REGISTRATION

Persons 60 years of age or older may register without payment of tuition, but may be subject to fees and other expenses. Time of actual enrollment will be determined by the category of admissions (Degree Seeking or Special Student). All Senior Citizens should make their status known at the Financial Aid Office during registration to assure correct fee assessment. Senior Citizens desiring to register for continuing education courses should contact the Western Institute Office regarding fee assessment.

- 1. Completed application for admission form.
- 2. \$15 nonrefundable application processing fee. (This is a one-time fee required only with the initial application to MWSU.)
- 3. \$15 matriculation processing fee. (This is a one-time fee required only with the initial registration at MWSU.)
- 4. Course specific fees will not be waived.
- 5. Recreational/Fitness fees will not be waived.

# NON-TRADITIONAL CREDIT

Missouri Western State University may accept a total of 30 hours work (maximum applicable to a degree) obtained through non-traditional credit or credit by examination.

Credit earned through the United States Armed Forces Institute (USAFI) in accordance with the recommendation of the Commission on Accreditation of Service Experiences of the American Council on Education, extension work from regionally accredited institutions of higher education, and correspondence work from regionally accredited institutions of higher education are generally recognized if documented by written records from the U.S. government and institutions of higher education.

# CREDIT BY EXAMINATION

If travel, employment, extensive reading, or other unique educational experience appears to have given proficiency in courses required in the curriculum equivalent to that ordinarily attained through the traditional classroom manner, the applicant may be granted permission to attempt college credit through examination. College credit by examination is available for most courses required in general studies and in some courses required by majors.

Credit for general studies courses and major field courses may be obtained by taking a CLEP exam (College-Level Examinations Program) or a comprehensive test designed by the academic department which administers the course. The department determines which courses are appropriate for credit by examination and the test instrument to be used.

# Applicants are eligible to receive credit by examination only if they:

- Have earned traditional college credit at MWSU before credit by examination is entered on the transcript,
- Are not enrolled in a course for which an examination is requested,
- Are granted written permission by the Testing Coordinator or the chairperson of the department to which the test would be applicable.

# Students are not eligible to receive credit by examination if they

#### have:

- · Earned prior credit in the course,
- Audited the course,
- Attempted the course and received a grade assessment of W or F, or taken a college course or courses which contain the same basic material,
- Applied for credit which would make the student eligible for graduation at the end of the semester.

If the student is a transfer, he or she must have complete transcripts of previous college credit in the Registrar's office before written permission for the test-out will be granted. Students are ineligible to take a test for credit by examination if the credit they would earn on that test makes them eligible for graduation at the end of that semester.

Normally, students request credit by examination early in their college career to avoid ineligibility at a later date. Transfer students must earn a minimum of 30 credit hours of institutional credit excluding any credit by examination.

The CLEP Examinations are administered through the Testing Center on the Missouri Western State University campus. In addition to this on-campus test site, the CLEP is administered at various locations throughout the nation. Applications should be completed and returned to the Testing Center (for fee information, contact Missouri Western State University, Testing Center, Eder Hall 203).

CLEP exams are accepted by some departments, however, for many courses they are not available or may be considered inappropriate. In such cases, a college examination is used (Department Test-Out). Students should contact the Testing Center before taking a CLEP examination to determine whether or not that particular examination is acceptable for obtaining credit.

A brochure listing CLEP exams and departmental test-out exams is available in the Testing Center, along with test dates and applications.

#### The two types of subject examinations are:

- Single-level subject-matter tests: The student is required to take a separate test for each course for which he or she desires to obtain credit. For additional information, the student should contact the Testing Center.
- Multi-level subject-matter tests: In the case of sequence courses, an
  academic department may offer a single test to determine proficiency in the skills
  and knowledge demanded by the courses in that sequence. The student will be
  given credit for each course in the sequence for which he or she demonstrates
  the minimum standards of proficiency as designated by the academic department.

If the student should decide not to take a test after the petition for test-out has been processed, a refund request may be initiated in the Testing Center. However, \$10 of the original fee paid will be retained for processing.

# **Procedures for Test Out**

**1.** Every course available for Test Out must be listed in the Credit by Examination brochure distributed by the Testing Center. Any exceptions to this procedure must be approved by the Admissions and Graduation Committee.

**2.** Tests will be administered on an individual basis. Contact the Testing Center to set up an examination appointment.

3. Tests should be CLEP in nature or developed by the individual MWSU academic department when such a test is not available or applicable. It is recommended that the preparing and scoring of each Test Out examination be done by at least three members of the departmental faculty. All Test Out examinations will be coordinated through the Testing Center. In the case where specific equipment is needed for a performancebased Test Out (such as Foreign Language, Computer Science), the Test Out will consist of a performance portion and an objective portion, each being weighted equally. The performance portion of the Test Out will be administered and scored in the academic department and the objective portion of the Test Out will be administered and scored by the Testing Center. If specific expertise is needed in grading the Test Out, then the Test Out will consist of two equally weighted portions both administered by the Testing Center. One portion must be designed so it can be graded by the Testing Center, with the academic department providing the key; the other portion is graded by the academic department. In each case, where there are two portions to the Test Out, the student must receive a 70% on each portion to pass the test. All the test forms and statements of performance level expectations will be on file in the Testing Center before the Test Out is administered. Instructors of classes for which Test Outs are being administered will provide the Testing Center with three equated forms of the Test Out examination.

The following guidelines for Test Out must be strictly adhered to:

- 1. Complete the Petition for Test Out form, available in the Testing Center, and return the form to the Testing Center, prior to the test date.
- Test-out fee is payable in the Testing Center only. The fee should accompany the completed petition. Check or money order is the preferred method of payment.
- 3. The student will receive further information about time and location of testing from the Testing Center.
- Test Outs which are originated on the MWSU campus in any other manner than the above procedure will be considered invalid.

The approved procedures and guidelines for Test Out should include a statement of expectation from the Vice President for Academic and Student Affairs. The nature of this statement of expectation should reflect that Test Out procedures in MWSU academic departments are expected to include student performance in the Test Out at or above the "C" grade level. The academic departments are expected to monitor their procedures and operate in the spirit of this expectation.

# ADVANCED PLACEMENT PROGRAM TESTS

Several departments at MWSU give credit for Advanced Placement Program Tests. They include Art; Biology; Business; Chemistry; Computer Science, Mathematics and Physics; English, Foreign Languages and Journalism; Government, Social Work and Sociology; History, Philosophy and Geography; Music; and Psychology. Information regarding specific course credit should be obtained from the department housing the course.

# **INTERNATIONAL BACCALAUREATE (IB)**

Missouri Western State University will grant credit for International Baccalaureate subject examinations at the discretion of the University. Students must contact International Baccalaureate to request that an official copy of their score report be sent directly to the Office of Admissions. Specific awarding criteria are being developed; in the meantime please contact the Dean of Liberal Arts and Sciences for further evaluation.

# REQUIRED PLACEMENT TESTS FOR

# NEW COLLEGE STUDENTS

New students must submit a complete application (including ACT scores and at least a sixth-semester high school transcript) at least three weeks before registering for classes or they must pay a \$20 late application fee. New students who do not have a complete application file at that time must also take appropriate placement tests (ACT residual, writing, and/or math) before registering for classes.

Admission

# ACT Test Schedule 2008 - 2009

*Test dates* September 13, 2008 October 25, 2008 December 13, 2008

February 7, 2009 April 4, 2009 June 13, 2009

# **Additional Required Tests**

In order to measure student progress toward educational goals, graduating students will be asked to participate in periodic assessment efforts at MWSU (exit exams). Registration, grades, transcripts, and graduation will be held if a student does not participate in this required testing. Contact the Office of Academic and Student Affairs for more information (816-271-4364).

# NON-RESIDENT CREDIT

Transfer, test-out, and extension credit may be evaluated and recorded on a transcript only during the time a student is enrolled as degree seeking at Missouri Western State University, except when special arrangements have been made with the Provost and Vice President for Academic and Student Affairs, Dean of the College, or department chairperson and a copy of the agreement must also be on file in the Registrar's Office.

Students who plan to take coursework at other institutions prior to their graduation are required to secure approval before attempting the work. Information and appropriate forms are available in the Registrar's Office.

# FRESHMAN LEARNING COMMUNITIES (LCs)

Learning Communities are small groups of students who generally take two to three courses together. Class size for each of the Communities is kept small to allow for a more personal educational experience for the student.

Learning Communities allow students to make connections with other students and faculty quicker. LC students have reported greater satisfaction with learning their course material due to closer interaction with faculty, participating in peer study groups, and applying their learning to real world problems.

# **ENGLISH HONORS**

Entering students who score highly on the Writing Placement Examination administered by the Department of English, Foreign Languages, and Journalism or who score 27 or higher on the English section of the American College Test (ACT) are ordinarily placed in ENG 112 Honors Composition and Rhetoric, and upon its successful completion are also awarded 3 credit hours in ENG 104 College Writing and Rhetoric. This process fulfills the college's written composition requirements in general studies. The English major who successfully completes this program enters ENG 301 Advanced Composition, a course required of all English majors.

# **TEN-YEAR OLD CREDIT**

College credit more than ten years old cannot be used as part of the student's major requirement unless approved by the department where the student has declared that major. College credit more than ten years old can be used to fulfill general education or elective requirements for a degree if any of the credit is applicable. This determination will be made by the Registrar's Office.

# FALSE/MISLEADING INFORMATION

Any student who misrepresents, falsifies, or withholds required information will be referred to the Admissions and Graduation Committee for review and appropriate action. Such action may result in dismissal from MWSU.

# **Financial Aid**

The Missouri Western financial aid program is designed to assist degree seeking students in their pursuit of a higher education. This chapter is organized to provide the basic information about sources of financial aid, the procedure for applying, appropriate forms, and information about specific financial aid opportunities at Missouri Western. The value of a higher education will enrich your life in many tangible and intangible ways. At Missouri Western, we stand ready to assist you in arranging for financial access to that most important goal. However, the major responsibility rests with you. We hope that if you desire to pursue a college education, you will not let costs deter you from your goal.

# APPLICATION

# Who Should Apply?

If you feel you might need financial aid to pursue a degree program, you should read this section carefully and inquire further for details on aid programs. Frequently, students find themselves short of the financial resources required to pursue a college degree.

# Who Do I Ask?

Start by reading this chapter thoroughly. We have provided a lot of information in these pages and the answers to most questions will be found right here. However, two other sources of information are available to assist as well:

**MWSU Office of Financial Aid:** The staff of the Missouri Western State University Office of Financial Aid understands financial aid in all of its varied forms. They will answer questions and help you plan the best package of financial aid to meet your needs. (See the section on Financial Aid Packaging.) The office is located on campus in room 103, Eder Hall. The office telephone is (816) 271-4361. Read this chapter carefully, gather as much of the information as you can, have your questions ready, and contact the office.

Your Counseling or Guidance Office: If you are in high school, your school counseling or guidance personnel are prepared to assist in the financial aid process. They will have the right forms to complete for Federal and college aid programs. They can either answer most of your questions or direct you to other sources for the answers.

# FINANCIAL ACCESS

# The Cost of a College Education

Missouri Western provides a quality higher education. Cost is a part of the process. The following simplified budgets represent average costs to attend Missouri Western. Actual costs will vary due to differing personal circumstances.

For additional information regarding scholarships and to receive a detailed description of financial aid opportunities, please contact the Financial Aid Office, Eder Hall 103, or view our Web Page:

www://missouriwestern.edu/finaid

# Sample Annual Budgets for Two Semesters

The following budgets represent the estimated average costs for attending Missouri Western State University for the current school year. These figures are used as references in calculating need for financial aid assistance.

Missouri Residents	Living at home	All Other housing	
Tuition and fees Room and Board	\$5,250 2,800	\$5,250 6,178	
Books and Supplies	800	800	
Transportation	1,000	1,000	
Personal/Miscellaneous	2,099	3,184	
Total	\$11,949	\$16,412	
Non-Residents	Living at home	All Other housing	
Tuition and fees	\$9,448	\$9,448	
Room and Board	2,800	6,178	
Books and Supplies	800	800	
Transportation	1,000	1,000	
Personal/Miscellaneous	2,099	3,184	
Total	\$16,147	\$20,610	

# **Paying For It**

Students are expected to assist in financing their Western education to the extent possible using previous savings, earnings from summer employment and, if necessary, a part-time job in conjunction with other financial aid opportunities. Parents are expected to contribute funds from their income and other assets as well. The amount expected from parents is the difference between the student's total expenses and the amount of anticipated student earnings and financial aid.

# **Financial Access**

Financial Access is a short way of saying that Missouri Western understands that it is critical to have the funds needed to attend college. Many potential students who have the ability, desire, and need to acquire a college education find themselves without sufficient financial resources to pursue their degree goals. Missouri Western is making a serious, concerted effort to ensure that students of ability and desire have financial access to a higher education.

# SOURCES OF FINANCIAL AID

Several major categories of student aid are available. Following is a brief listing of the sources of financial aid available. Additional scholarship information can be found on the Financial Aid web page <u>www.missouriwestern.edu/finaid</u>. We recommend that you seek funds from a variety of sources of aid as appropriate to your situation.

# Federal

FEDERAL GRANTS: Funds from the following programs are based on need and merit and do not have to be repaid.

- Federal Pell Grants
- Federal Supplemental Education Opportunity Grants (FSEOG)
- Academic Competitiveness Grants (ACG)
- National SMART Grants

**FEDERAL COLLEGE WORK STUDY:** This cooperative program with colleges and universities provides flexible part-time work for students both on and off-campus. Students qualify on the basis of need and these earnings do not have to be repaid.

FEDERAL LOAN PROGRAMS: Funds obtained through these major federal loan programs must be repaid to the lending source.

- Federal Perkins Loans
- Federal Subsidized Stafford Loan Program
- Federal Plus Loans (Federal Parent Loans)
- Federal Unsubsidized Stafford Loans

# State

**STATE GRANTS:** Funds from the following Missouri grant programs assist qualified students with tuition and fees. These funds do not have to be repaid.

- Marguerite Ross Barnett Memorial Scholarship Program
- Midwest Student Exchange Program
- Missouri Council on Public Higher Education (COPHE) Scholarships
- Missouri Higher Education Academic Scholarship Program (Bright Flight)
- Missouri Professional and Practical Nurse Loan Program
- Missouri Teacher Education Scholarships
- Robert C. Byrd Honors Scholarship
- Vietnam Veterans Survivor Grant
- Public Service Survivor Grant
- Missouri National Guard Educational Assistance Program
- Access Missouri Grant

# **Aid Programs**

**LOANS:** The University offers limited short-term emergency loans. These loans must be repaid within the same semester. Contact the Missouri Western Business Office.

**WORK:** The University provides opportunities for part-time work and assists in the location of part-time work in the community.

**INSTITUTIONAL SCHOLARSHIPS:** The University grants institutional scholarships to full-time students who qualify through high academic achievement at their high school, community college, or through the GED test. These funds do not have to be repaid.

**DEPARTMENTALSCHOLARSHIPS:** Numerousscholarships originating from Missouri Western and various sources of support provide a wide range of awards for students in many programs. These funds do not have to be repaid. Refer to the financial aid web page for application procedures.

# **Graduate Fellowship Program**

Missouri Western is most fortunate to have privately supported funds to provide assistance to our graduates who qualify and go on to pursue graduate study. These funds do not have to be repaid.

# HOW TO APPLY

Applicants for Federal, State and Western financial aid opportunities must complete the Free Application for Federal Student Aid (FAFSA).

Students who wish to be considered for aid opportunities through Western should obtain specific application procedures from the Financial Aid web page at <u>www.missouriwestern.edu/finaid/</u> from October 1st to March 1st each year.

# **Application Procedure**

• **The first step** in applying for financial aid is to request a PIN (Personal Identification Number) at <u>www.pin.ed.gov</u>. PINs are used to electronically sign the FAFSA application. The student and parent (if applicable) should each request a PIN.

• The second step in the process is to complete the FAFSA (Free Application for Federal Student Aid) on-line at <u>www.fafsa.ed.gov</u>. Please be sure to indicate that you want the results forwarded to Missouri Western (Federal Code 002490).

• **The priority deadline** for completing the FAFSA is March 1st each year. This deadline includes completion of the Verification process (if applicable). Applicants selected for Verification will be notified in writing of the steps necessary to complete the process.

• Students are encouraged to apply for **additional aid opportunities** available through Western. Application procedures may be obtained at <u>www.missouriwestern.edu/finaid/</u>from October 1st to March 1st each year.

• Students are also encouraged to apply for aid opportunities outside of Missouri Western. There are several reputable scholarship search sites including <u>fastweb.com</u> that assist students in locating assistance free of charge. Beware of scholarship scams! For more information on avoiding scams, visit the Federal Trade Commission's "Scholarship Scams" page at <u>http://www.ftc.gov/bcp/conline/edscams/scholarship/index.html</u>.

# Renewal

Returning students must complete the FAFSA application each year to be eligible for aid. In many cases, students must reapply for scholarship opportunities yearly as well. These applications must be complete by the March 1st deadline date each year. Students should begin the renewal process early in the spring prior to the school year for which financial aid is needed. Four weeks should be allowed for processing.

# **Student Eligibility**

Two areas of eligibility must be stressed:

1. Students must be enrolled or accepted for enrollment as a <u>Regular Student</u> working toward a degree or certificate in an <u>Eligible Program</u> to receive aid.

Only classes that count toward a degree or certificate can be used in calculating financial aid eligibility. Audited classes and most continuing education classes do not count toward a degree or certificate, and may not be used in calculating student eligibility for financial aid.

2. Students must be making <u>Satisfactory Academic Progress</u> (SAP). The requirements of Satisfactory Academic Progress appears at the end of this section.

# CALCULATING AND PACKAGING FINANCIAL AID

The Office of Financial Aid at Missouri Western is responsible for calculating and packaging financial aid. Their goal is to assist students in meeting their Financial Need whenever possible. To calculate Financial Need, the following formula is used:

Cost of Attendance (COA) Less the Expected Family Contribution (EFC) Equals the Student's Financial Need

COA includes: Tuition/Fees, Room/Board, Books/Supplies, Transportation, etc. EFC: Determined by FAFSA results.

In packaging financial aid, the Office of Financial Aid considers grants, scholarships, work-study, and finally loans.

The base of all packaging is the Federal Pell Grant. Students who are eligible for this grant will be notified by the Federal Government using the Student Aid Report (SAR). Your eligibility information will also be forwarded to each institution you list on the FAFSA application. The Pell Grant will be applied to your account (not to exceed one-half of the total award each semester).

Scholarships and tuition waivers, from both MWSU and private sources are considered next in the award package. Although these awards are generally not determined by the Office of Financial Aid, they must be considered in the overall package.

Next is the Federal Supplemental Education Opportunity Grant (FSEOG). These funds are limited and are awarded to eligible students demonstrating the greatest financial need.

The next programs considered are Federal Work-Study (FWS) and Federal Perkins Loans. Work-Study enables eligible students to receive both financial assistance and job experience while in school. Perkins Loans enable eligible students to borrow funds needed to cover educational costs.

Federal Stafford Student Loans are considered last in the process. Western attempts to meet the financial need of students without the use of loans whenever possible. However, if loans are the only option, students are encouraged to borrow only what is absolutely necessary.

ALL financial aid awarded will first be credited against the student's institutional charges at Missouri Western.

Students may request changes to their Financial Aid Package, by contacting the Office of Financial Aid.

# AWARDING OF FINANCIAL AID

March 1st of each year is the priority deadline for all Federal college administered financial aid; this is the date when the completed FAFSA application must be in the Office of Financial Aid at Missouri Western State University. At that time awards are calculated and students are notified. Applications will be accepted after March 1st, but chances of receiving financial assistance will be greatly reduced since most institutionally awarded aid will have already been awarded.

Since the amount of aid awarded is a reflection of the financial position of the student's family, it is regarded as confidential. The amount awarded is determined on the basis of need. Therefore, any additional funds or awards received from outside agencies must be reported to the Office of Financial Aid.

Your application file should contain the following:

- Appropriate application forms and any other information requested by the Office
  of Financial Aid; and the
- Free Application for Federal Student Aid (FAFSA).

You are responsible for insuring that your file is complete. Unfortunately, the staff of the Office of Financial Aid is unable to follow up individually to remind you of missing parts to your application.

You should begin the application process in the early spring before the school year for which financial aid is needed. Four weeks should be allowed for processing. Financial aid is packaged for the academic year. Aid is therefore distributed in equal amounts at the beginning of each semester unless otherwise indicated. **Satisfactory academic progress must be maintained to remain eligible for financial aid.** 

# SATISFACTORY ACADEMIC PROGRESS

In order to remain eligible to receive Federal student aid, a student must be making satisfactory academic progress. Both grade-point average and the time frame that a student takes to complete an educational degree program are factors which must be evaluated when measuring satisfactory academic progress.

Students who fail to maintain a 2.0 grade point average or fail to successfully complete 70% of the courses they have attempted to date will become ineligible for Federal financial assistance. Attempted hours include hours earned, hours transferred in from other schools, hours withdrawn, hours audited, repeated courses, failed courses, and pass/fail credit courses.

Although students will be notified in writing should they fall below these standards, it is the student's responsibility to know their academic standing in regards to this policy. Students will be granted a one semester probationary period upon completion and return of the SAP probationary contract. Students who fail to make progress during the probationary period will be ineligible to receive assistance until both the GPA and completion percentage meet the policy standards.

Once a student exceeds the maximum time frame allowed of 93 attempted hours for an associate's degree program or 186 hours for a baccalaureate degree program, the student is no longer eligible for Federal Title IV and state financial assistance. Title IV funds consists of Federal Pell Grant, Federal ACG, Federal SMART Grant, Federal College Work-study, Federal Subsidized and Unsubsidized Stafford Loans, Federal Perkins Loan, Federal Parent Loans, Federal SEOG, and most State Aid Programs.

Contact the financial aid office for additional information regarding this policy including the appeal process for extenuating circumstances.

# IT'S WORTH IT

For all the hard work, trauma, time and costs, when you finish, nothing equals the lifelong value or the feeling of accomplishment for having completed your college degree. On the previous pages, we have listed brief summaries of the financial aid opportunities available to you. Best regards.

# **Academic Policies**

# Academic Policies and Regulations

# SPECIAL POLICIES: THE CONTINUOUS ENROLLMENT AND 60 CREDIT HOUR RULES AND THE TWICE ENROLLMENT POLICY

# Early Completion of Math and English Composition Classes The Continuous Enrollment Rule

Effective the fall semester of 2004, all students who are required to take developmental course work (mathematics-MAT 081, 082, 083, or equivalent; English-ENG 100; or reading-RDG 095) will continously enroll in required developmental course work until they have been satisfactorily completed. In addition, after students complete developmental courses they will continously enroll in the corresponding discipline general education courses until those courses are satisfactorily completed. This policy does not negate the twice enrollment rule.

Signature of the advisor or the English/Math instructor is required to drop ENG 100 or MAT 081/082/083 or equivalent.

# The 60-Credit Hour Rule

Effective the fall semester of 1993, all new students must successfully complete ENG 108 and MAT 110 (or any higher level math course of three or more credits excluding MAT 127 and 132), as required in their degree programs, within the first sixty (60) credit hours earned at MWSU.

Students who do not successfully complete ENG 108 and MAT 110 (or its general studies math equivalent as listed in the Western catalog) as required in their degree programs, within the first sixty credits earned at MWSU may *only* enroll in those class/classes until ENG 108 and MAT 110 (or its general studies equivalent) are successfully completed. Students will be restricted to only the English and/or math class(es) and will not be allowed to enroll in additional college coursework until ENG 108 and MAT 110/equivalent are successfully completed.

# The Twice Enrollment Policy

Beginning in Fall 1993, students may enroll in a class at MWSU no more than two times; this is referred to as the "Twice Enrollment Policy". Everyone starts with a "clean slate" in Fall 1993; no previous attempts are counted on classes taken prior to Fall 1993. (Certain classes <u>can</u> be repeated, according to the college catalog; those special classes are exempt from this rule.) Note that this policy indicates an ENROLLMENT limit. A grade of W or audit counts as an enrollment; only one additional enrollment at MWSU in that class would be allowed. (Dropping/adding during late registration, when Ws are not yet given, does not count as an enrollment.)

# **Repeating Courses**

Students are permitted to repeat any course. (The A/Cr/U option cannot be used to repeat a course in which a prior letter grade of D or F was earned.) When a course is repeated, the original grade remains on the transcript but is excluded (E) from the GPA calculation and the most recent grade is included in the the GPA. Topics and related format courses which change in content on a semester to semester basis do not apply in this regard.

# ACADEMIC ADVISEMENT

Academic advisement of students is an integral part of academics at Missouri Western. All degree-seeking students are assigned an advisor who helps provide information regarding degree requirements, semester class selection, and career direction. Semester advisement is mandatory for students who have attempted fewer than 24 credit hours and for students whose GPA is less than 2.0. Some departments require academic advising each semester for all majors.

As part of the procedure for the academic advisement/preregistration system at Missouri Western, students should meet with their respective advisors each semester to work out their schedules for the next semester of study. However, students are encouraged to meet with their advisors on a regular basis to develop the type of meaningful faculty-student relationship that we at Missouri Western prize as one of the hallmarks of our institution.

All degree-seeking students should declare a major or pre-major once 24 credit hours of course work has been attempted. Owing to the nature of the one-year certificate and two-year associate degrees, students in these programs are advised to consult with the chairpersons of the appropriate departments as early as possible.

# DECLARING A MAJOR

After admission and enrollment, a student officially declares a major by procuring the Major-Minor Declaration Form from the academic department in which the major is housed. The chairperson will assign a department advisor and assist the student in completing the Major-Minor Declaration Form. The completed document, with appropriate signatures, must be received in the Office of the Registrar in order for the process to be complete. The declaration of major should be made once 24 credit hours of course work has been attempted. If the student is unable to declare a major, a premajor should be declared.

The university catalog in effect at the time of completion of the appropriate major-minor declaration form will be used to determine major course requirements. The degree program remains effective for no more than six years following its approval date. Students are responsible for the requirements of their educational programs and should work closely with their faculty advisors to see that those requirements are met.

In the process of earning a degree, students must complete requirements for that degree and sometimes, as in the case of teacher education programs, must also meet state certification requirements. If certification or statutory requirements change and additional requirements become effective during the time a student is enrolled in a program, the new requirements take precedence over previously existing degree or certification standards.

Students who are not sure of their degree plans should consult with the Student Services Office for career planning assistance and with those departments in which they are likely to major.

# CLASS ATTENDANCE

Regular class attendance is considered an essential part of the educational experience and a requirement for an adequate evaluation of academic progress. Each instructor will determine and make known to the class the requirement for attendance.

# Western Attendance Policy for All 100- and 200-Level Courses

In order to improve student learning and retention, as well as to achieve compliance with federal Financial Aid policies, Western has implemented a mandatory attendance policy for students in all 100- and 200-level courses. Instructors are required to monitor

**Academic Policies** 

and track student attendance. A student will be given an excused absence when acting as an official representative of the university, provided the student gives prior written verification from the faculty/staff supervisor of the event. Any additional excused absences are at the complete discretion of the instructor.

When a student exceeds the maximum number of unexcused absences, instructors will report the student to the Registrar's Office, who will administratively withdraw the student from the course and notify the Financial Aid Office to reduce financial aid as appropriate. (Please see course syllabi for maximum allowable unexcused absences.)

# STUDENT CLASSIFICATION SYSTEM

Students are classified according to the number of semester credit hours completed satisfactorily.

		10urs	
30	- 59	hours	Sophomore
60	- 89	hours	Junior
90	+	hours	Senior

# **COURSE LOAD**

New first-time college students with enhanced ACT composite scores below 17 can only enroll in 14 credits their first semester.

The maximum number of credits a student may take is 18 credits per semester or 9 credits in a summer term. This includes day and evening enrollment combined. Upon approval of the College Dean, a student who has a 3.0 overall GPA or a 3.0 GPA for the previous semester or term may take additional credit for the following semester or term.

Students who find it necessary to work in order to attend college should adjust their course load to their work load. The following is a guideline which students may use to determine their course load:

Hours worked per week 15-20 hours 20-30 hours 30-35 hours

30-35 hours 35-40 hours

# **GRADING SYSTEM**

Grades used in evaluating the work of students are as follows:

Level of Performance and Letter Grade		Grad
Superior	Α	
Good, above average	В	
Average	С	
Minimum (passing below average),	D	
Failing	F	
Failing-Not Attending	FA	
Incomplete	Ι	
Withdraw (no grade assessment)	W	
Audit	AU	
Credit	CR	
No credit	U	

Grade Points Earned 4 per credit 3 per credit 2 per credit 1 per credit 0 per credit 0 per credit

Course load

12 credits

9 credits

6 credits

3 credits

# Pass-Fail Grading

Courses evaluated by pass-fail criteria receive the number of credits for that course with a grade of CR. A failure will result in a grade of F and no credit. Credits earned in courses that are stipulated in the catalog as being graded on a pass-fail basis will not be used in computing grade-point-averages for honors.

# A/Credit/Unsatisfactory Grading

The major objective of the A/Cr/U option is to encourage students to explore challenging elective courses they might not otherwise select. Only courses which are normally graded A through F may be taken A/Cr/U. The following guidelines apply for the A/Cr/U option:

- 1. Students must have satisfactorily completed at least twelve (12) credit hours to be eligible.
- 2. Students must have a premajor or major-minor form on file with their chosen department.
- 3. Students on scholastic probation are not eligible.
- 4. Coursework may not be taken in the major and minor fields. This includes cognate courses stipulated by the major and minor degree programs.
- 5. Only one course per semester or summer session may be taken A/Cr/U.
- 6. All level courses may be taken.
- 7. A grade of A received in a A/Cr/U course will be recorded as an A. A grade of B or C will be recorded as a Cr. A grade of D or F will be recorded as a U and will not receive course credit or be included in any GPA calculation.
- 8. The number of credit hours completed under this option will number no more than twelve (12) for any degree. Exception: Hours attempted in a course taken under the A/Cr/U option and graded as an A will not be deducted from the twelve (12) hours allowed to a student under this grading system.
- 9. Students are expected to meet all course prerequisites.
- Students must designate the A/Cr/U option at the Registrar's Office before the end of the fourth week after the first day of classes (second week of summer session).
- 11. Instructors will not be informed that students are enrolled under the A/Cr/U option. Regular procedures will be followed in the submission of final grades by the instructor to the Registrar. Grades will be assigned A, Cr, or U in the Registrar's Office.
- 12. A course completed under the letter grade system in which D or F was earned may not be repeated on an A/Cr/U.

Students should be aware that some schools, scholarship committees and honorary societies do not accept work taken on a non-graded basis. Furthermore many employers do not view non-graded coursework favorably. All students should be very cautious in using the A/Cr/U option.

# **Grade-Point Averages**

Grade-point averages are used to determine class standing and eligibility for graduation, the Dean's and President's Honor Lists, and membership in honor societies.

The grade-point average (GPA) is a numerical ratio of total credits attempted and total grade points received. The following are examples of the method of computing the grade-point average:

- A student who receives 16 credits of B has earned 48 grade points. The GPA is  $48 \div 16 = 3.0$
- A student who receives 16 credits of which 8 credits are B and 8 credits are C has earned 40 grade points. The GPA is  $40 \div 16 = 2.5$ .

**Academic Policies** 

Credits earned in courses in which a grade of CR is given are not included in the computation of the GPA. When a course is repeated, only the last grade is included in the calculation. Grades of Inc, W, U or AU do not represent credit earned and are not included in the computation of the GPA. When a grade of F or FA is received, the credits attempted are included in the computation of the GPA. Under the A/Cr/U option, a grade of A is the only grade which will be used in GPA and honors calculations.

The overall grade-point average is calculated in the same fashion as the GPA and includes all undergraduate credit earned at institutions accredited by the North Central Association or a similar regional agency.

# Auditing a Class

A class auditor is a student registered for a course only for informational instruction, not to earn credit. A student may audit a course for a number of reasons, ranging from skills improvement to a review before registering for credit. Regardless of the purpose, it is important that students get a meaningful experience from instruction and make satisfactory progress toward their purpose. It is the role of the instructor to aid students in this determination. Therefore, audit students should expect to work closely with their instructor.

Students enrolling in a class for credit may choose to change that registration to audit before the end of the tenth week of the semester (fifth week of 8-week summer session; third week of 4-week summer session.) A change from audit to credit must be completed by the end of the first week of classes. Credit by examination is not available for any student who has audited the course.

Note that auditing a class counts as an enrollment according to the Twice Enrollment Policy.

# **Incomplete Grades**

Under certain circumstances, incomplete grades may be given at the discretion of the instructor. An incomplete grade may be given when accident, illness, death in the immediate family, or other documented circumstances beyond the student's control, prevent the student from completing some course requirements. An incomplete grade should only be considered when the majority of course requirements have been satisfied. An incomplete grade must be removed within six weeks after the first day of the next term (fall, spring, summer) of the semester in which it was received; otherwise, the grade will be recorded as "F". No extension of time beyond the allotted six weeks will be permitted. Under some conditions, however, the "F" may be changed by processing a grade change.

Any instructor recording an incomplete grade should notify his or her department chairperson along with sufficient information, so that should for any reason the instructor not be available during the six week period, the department chairperson could assign the correct earned grade.

# Grade Change

A course grade change must be approved by the chairperson and dean. The approved grade change must be submitted to the registrar prior to the end of the next regular (Fall/Spring) term after the close of the semester in which the original grade or incomplete was awarded. After this time period, a grade change must be approved by the Admissions and Graduation Committee.

# GENERAL REQUIREMENTS FOR DEGREES Major-Minor Application

Every degree candidate must have on file in the Office of the Registrar an approved Major-Minor Declaration Form. Students negotiate this form with the chairperson and faculty advisor in the department in which the major is declared. The Major-Minor Declaration form is valid for six years.

If necessary, during the sixth year, the student may request an extension of the degree requirements in effect by consulting with the academic advisor and petitioning the Admissions and Graduation Committee through the Office of the Registrar. In all cases, a request for an extension must be accompanied by a recommendation from the academic advisor and from the chairperson of the major department.

In the process of earning a degree, students must complete requirements for that degree and sometimes, as in the case of teacher education programs, must also meet state certification requirements. If certification or statutory requirements change and additional requirements become effective during the time a student is enrolled in a program, the new requirements take precedence over previously existing degree or certification standards.

Exit exams are required of all graduating students; contact the Office of Academic and Student Affairs for more information (271-4364).

# **Ten-Year Old Credit**

College credit more than ten years old cannot be used as part of the student's major requirement unless approved by the department of the declared major. College credit more than ten years old can be used to fulfill general education or elective requirements for a degree if any of the credit is applicable. This determination will be made by the Registrar's Office.

# **State Legislation Requirement**

Sections 10370, 10374, 1037a, 1037b, 1037c (SCS for SB4) of the laws of Missouri, 1947 (Sixth General Assembly), prescribe that all candidates for a degree issued by the colleges and universities of Missouri must have completed courses of instruction in and "satisfactorily passed an examination on the provisions and principles of the Constitution of the United States and of the State of Missouri, and in American History, including the study of American Institutions." Students may comply with the law by successfully completing *one* of the following courses at MWSU: HIS 140, American History to 1865; HIS 150, American History since 1865; or GOV 101, American National Government; or by completion of an equivalent course (as evaluated at MWSU) from another institution.

# **Additional Required Tests**

In order to measure student progress toward educational goals, students are required to participate in periodic assessment efforts at MWSU. College-wide assessment efforts include, but are not limited to, a university exit exam, and departmental exit tests (see department for more information). Registration, grades, transcripts, and graduation will be held if a student does not participate in this required testing.

# **Misrepresenting or Falsifying Information**

Any student who misrepresents, falsifies, or withholds required information will be referred to the Admissions and Graduation Committee for review and appropriate action. Such action may result in dismissal from MWSU.

# **ONE-YEAR CERTIFICATE PROGRAMS**

Missouri Western State University offers a certificate program with a major in Legal Assistant and in Health Information Technology. To earn the certificate, students must complete a minimum of 30 credits with a minimum overall GPA of 2.0 (Caverage). Specific course requirements are listed under the department administering the program.

# **General Requirements for One-Year Certificate Programs**

A student must:

- Complete the required courses for the certificate program;
- Earn an overall grade-point average of at least 2.0;
- Earn 9 of the last 15 credits of the certificate program at MWSU (the major department must approve any transfer credits); and
- Earn an overall GPA of at least 2.0 in those courses needed to satisfy the requirements of the selected major.

# ASSOCIATE DEGREE PROGRAMS

The Associate of Science degree is designed for the student who desires a concentrated program (usually technical in nature) in preparation for employment in business, health care, industry, or public service. The degree is available with majors in Electronics and Computer Engineering Technology, Construction Engineering Technology, Criminal Justice, Electronic Engineering Technology, Legal Assistant, and Business.

An Associate of Applied Science degree is available with majors in Health Information Technology, Manufacturing Engineering Technology, Paramedic Technology and in Physical Therapist Assistant.

# **General Requirements for Associate Programs**

A student must\*:

- · Complete the general studies requirements;
- Earn a minimum of 62 credits;
- Earn an overall grade-point average of at least 2.0;
- Earn 20 of the last 30 credits of the associate degree at MWSU;
- Have an overall GPA of at least 2.0 in those courses needed to satisfy the requirements of the selected major; and
- Participate in the departmental and campus-wide assessment efforts. Grades, transcripts, and graduation will be held if the student does not participate in this required testing.

Transfer students seeking the associate degree must complete 20 of the last 30 credits at MWSU (exclusive of credit by examination). A minimum of 6 credits of the residence requirements must be in the major field.

\*Some associate degree programs may require a higher GPA. (See actual degree program for specific grade requirements.)

# **Two-Year General Studies Program**

The required general studies curriculum consists of a common core which assures that all associate degree-seeking students will be provided the opportunity to acquire knowledge and skills to:

	k critically and reason analytically;	
• Write	e and speak clearly and effectively;	
• Func	tion as an enlightened citizen of our democratic society ;	
• Deve	elop an appreciation of the cultural aspects of civilization;	
• Appr healt	reciate the means for gaining and maintaining mental and p th.	hysical

# **BACCALAUREATE DEGREE PROGRAMS**

Missouri Western State University offers nine baccalaureate degrees, with majors in various fields. The baccalaureate degrees offered are:

15

Bachelor of Arts Bachelor of Fine Arts Bachelor of Interdisciplinary Studies Bachelor of Science Bachelor of Science in Business Administration Bachelor of Science in Education Bachelor of Science in Nursing Bachelor of Science in Technology (Two Plus Two) Bachelor of Science Nursing

The **Bachelor of Arts (BA)** degree is broadly based in the liberal arts and sciences. It is usually pursued by students who plan, upon graduation, to enter graduate school or a professional school such as law, medicine, or dentistry, and by students who plan to seek employment in the areas of the arts, languages, social work, and government service.

The **Bachelor of Fine Arts (BFA)** degree is considered a professional major degree and is recommended to anyone intending to enroll in graduate study (MFA) or work in the professional world of art.

36

egree Programs

Degree Programs

The **Bachelor of Interdisciplinary Studies (BIS)** degree is focused on the development of broad intellectual abilities and skills rather than a large concentration within a traditional academic discipline. This degree option may be of special interest to students seeking a degree tailored to specific interest not accommodated in an established MWSU major, students who plan, upon graduation, to enter graduate or professional school and/or students transferring in MWSU with an AS or AAS degree.

The **Bachelor of Science (BS)** degree is based on more concentrated and specialized areas of study in one or more fields and is usually pursued by students who want to pursue a professional area of study or studies in the natural or social sciences.

The **Bachelor of Science in Business Administration (BSBA)** degree is designed for the student who desires a broad foundation in several areas related to business principles as applied in business, industry, or government.

The **Bachelor of Science in Education (BSE)** degree is designed to prepare individuals for careers in teaching.

The **Bachelor of Science in Nursing (BSN)** degree is designed to prepare individuals to practice professional nursing. The graduate is eligible to take the National Council Licensure Examination to qualify for licensure as a registered nurse.

The **Bachelor of Science in Technology "Two Plus Two"** degree is designed for the student who has completed a career-oriented associate degree program (AAS or AS) and desires the bachelor's degree with an additional concentration in an approved area of study.

The **Bachelor of Social Work** degree is designed for the student whose goal is preparation for professional social work practice.

# Four-Year General Studies Program

General Education at Missouri Western State University consists of a common core of curriculum offerings necessary to equip students for successful and fulfilled lives as educated and active citizens. The required general education curriculum consists of a broad range of courses that assures that all baccalaureate-degree-seeking students acquire academic skills and knowledge necessary for understanding, communicating, and performing in a diverse and complex world. Students completing courses in the general education program will be provided the opportunity to acquire knowledge and skills to:

- Write and speak clearly and effectively;
- Think critically and reason analytically;
- Locate, organize, evaluate, and synthesize information from print and electronic sources;
- Understand and appreciate moral values and ethical choices;
- Gain a greater awareness of the present by understanding other cultures and times;
- Understand and enjoy aesthetic experiences and share in related creative activities;
- Develop an understanding of fundamental mathematical concepts and their applications;
- Understand common phenomena in the physical and natural environment and understand the methods by which they are studied;
- Understand and appreciate the means of gaining and maintaining mental and physical health.

Courses meeting the first four goals concentrate on the development of basic learning skills such as communicating, higher order thinking, managing information and valuing. Other courses in the general education curriculum meet the remaining goals of knowledge acquisition in the areas of social and behavioral sciences, humanities and fine arts, mathematics, life and physical sciences, and health and physical education.

A student may attempt credit by examination in most of the general studies courses.

Most students earning a baccalaureate degree may select from the following general studies courses. There are a few exceptions (such as in the B.S.E. degree), so students should check the requirements in their specific degree.

### **General Degree Requirements**

### for Baccalaureate Programs

A student must\*:

- Complete the general studies requirements;
- Earn a minimum of 124 credits (including 60 from a senior college);
- Earn an overall GPA of at least 2.0;
- Earn an overall GPA of at least 2.0 in those courses needed to satisfy the requirements of the selected major;
- Earn a minimum of 30 credits in upper-division courses (numbers in the 300s and 400s). Lower-division transfer courses accepted as meeting upper division departmental course requirements cannot be used to fulfill this requirement;
- Earn 30 of the last 45 credits at MWSU in institutional course work;
- Participate in the departmental and campus wide assessment efforts. Grades, transcripts, and graduation will be held if the student does not participate in this required testing.
- Refer to Department of Education for additional B.S.E. degree requirements.

\*Some baccalaureate degree programs may require more than 124 credits and may require a higher GPA. (See actual degree program for specific credit hours and GPA required.)

Transfer students seeking a bachelor's degree must complete at least 30 of the last 45 credits at MWSU (exclusive of credit by examination). A minimum of 9 credit hours of the residence requirements must be in the major field. Education majors must also include student teaching in the residence requirement.

### State Certification or Statutory Requirements

In the process of earning a degree, students must complete requirements for that degree and sometimes, as in the case of teacher education programs, must also meet state certification requirements. If certification or statutory requirements change and additional requirements become effective during the time a student is enrolled in a program, the new requirements take precedence over previously existing degree or certification standards.

### Liberal Arts and Sciences Areas of Focus

A student graduating with a major in any of the disciplines within the School of Liberal Arts and Sciences (except Medical Technology) is required to take one course designated as **LAS Writing** and a second course designated as **LAS Computer Literacy**. In addition, students with majors in the departments of Art, Communication Studies/Theatre, Economics, English/Foreign Languages/Journalism, Government/Social Work/Sociology, History/Philosophy/Geography, Music, and Psychology are required to take one course designated LAS Ethics, and another course designated LAS International/Intercultural. For students with majors in other LAS departments, it is only recommended that students take a LAS Ethics and a LAS International/Intercultural course. If a course is designated in more than one area, the student must choose which one of the four area requirements it will satisfy.

1. LAS Writing. A course in which faculty assign students both formal and informal writing in order to increase student learning, improve student writing, and initiate students into discipline-specific forms of written communication.

2. LAS Computer Literacy. A course designed to teach discipline-specific computer software and hardware. A partial list of skills which may be taught include: data collection and analysis, word processing, desktop publishing, ethical or human issues of computing, discipline-specific applications of computer technology.

3. LAS Ethics. A course in which issues of ethical concern to professionals in their major field of study are addressed. These courses will give significant attention to professional codes of ethics, case studies identifying ethical dilemmas, or issues of contemporary (or historical) social concern.

4. LAS International/Intercultural. A course which presents a significant recognition, awareness, and understanding of cultural or international diversity.

These courses are designated (by previous labels) in the course descriptions listed with each academic department. Preferably, students will take these courses within their major; however, students may choose to fulfill this requirement with courses outside their major.

### MULTIPLE DEGREES AND DOUBLE MAJORS

### **Two-Year Associate Degrees**

1. Prior to graduation, a student may earn a double major within an associate degree.

2. After the original associate degree has been awarded, the student is not eligible to earn an additional major. However, a second Associate degree may be earned by completing a minimum of twenty (20) additional credits beyond the original graduation credits, and satisfactorily fulfilling all requirements of the second degree program.

### Four-Year Baccalaureate Degrees

1. Prior to graduation, a student may earn a double major or a double degree.

- The university will confer two baccalaureate degrees during the same semester, provided the student meets graduation requirements for each degree and has earned a minimum of 144 credits.
- 3. After the original baccalaureate degree(s) has been awarded, the student is not able to earn an additional major. However, a second degree (baccalaureate or associate) may be earned by satisfactorily fulfilling all requirements of the second degree program and, in doing so, completing a minimum of twenty (20) additional credits beyond the original graduation hours.

### MINORS

A minor is a subject or course of study that provides the essence of a major discipline, but requires less intensive concentration than a major field of study. Minors are available in a variety of academic subject areas and those officially-recognized minors, as listed in the *MWSU Undergraduate Catalog*, will be placed on a transcript. Students must declare and successfully complete a four-year major program in order to receive credit for a minor. Upon graduation, however, students may not complete or declare an additional minor unless that minor is accompanied by an additional degree and major. Students cannot be awarded a minor in a field in which they have earned an associate or bachelors degree.

### Minors at MWSU

Athletic Coaching (Department of Health/Physical Education/Recreation) Biology Chemistry Childhood Studies (Departments of Criminal Justice and Legal Studies, Education, Health/Physical Education/Recreation, Nursing, English/Foreign Lan guages/Journalism, Government/Social Work/Sociology, Psychology) Computer Technology (Department of Engineering Technology) **Computer Information Systems** Computer Science Construction Management (Department of Engineering Technology) Criminal Justice **Economics English Education English** Literature **English Technical Communication** Finance (Accounting majors only) French General Business (Non-business majors only) Geography German Government and Public Affairs History Humanities International Studies (Departments of Business, English/Foreign Languages/Journalism, Government/Social Work/Sociology, History/Philosophy/Geography) Journalism Legal Studies Manufacturing Technology Mathematics **Military Science** Music Musical Theatre (Speech/Theatre majors and Vocal Music majors only) Philosophy (Department of History/Philosophy/Geography) Physics Psychology **Recreation Sport Management** Sociology Spanish Speech and Theatre (Department of Communication Studies/Theatre) Speech Communication (Department of Communication Studies/Theatre) Theatre Video Production (Department of Communication Studies/Theatre) Wellness (Non-physical education majors)

### GRADUATION AND COMMENCEMENT

### **Application for Graduation**

To be considered as a candidate for graduation, the student must declare candidacy by filing an Application for Graduation in the Office of the Registrar. To assure the candidates' records are reviewed prior to the final semester by the graduate records coordinator in the Registrar's Office, the following deadlines must be observed:

Fall graduates—July 1 Spring graduates—November 1 Summer graduates—March 1

Students must submit documentation showing that all requirements have been met (i.e. submission of transcripts with transfer work completed, exit exams, makeup of incomplete grades) within 60 days of the end of the semester in which they plan to graduate. Students not submitting documentation by this deadline, must file a new application for graduation along with required official transcripts and any other required documentation. The student will be graduated in the semester during which the application and documentation is submitted.

### **Graduate Honors**

Students completing degree requirements with an overall GPA of 3.9 or higher will be graduated with Highest Honors (summa cum laude). Those who have earned an overall GPA of 3.75 or higher but below 3.9 will be graduated with High Honors (magna cum laude). Those who have earned an overall GPA of 3.5 or higher but below 3.75 will be graduated with Honors (cum laude). A student earning an MWSU certificate with an overall GPA of 3.5 or above will be awarded the certificate with honors.

### Commencement

Commencement is held in December and May. Participation in commencement is voluntary on the part of the student.

Students who complete all degree requirements in the fall will be eligible to attend the DECEMBER commencement ceremony. Students who complete all degree requirements in the spring and summer will be eligible to attend the MAY commencement ceremony.

Commencement attendance information is required on the application for graduation form found in the Registrar's Office.

# Degree Programs

### TRANSFER PROGRAMS

Pre-professional programs in specialized fields are offered for students who plan to transfer to a university for the completion of their studies. Students choosing these programs should select a transfer institution early and should work closely with their academic advisor and counselor. The following areas are those in which most students concerned with transfer programs express an interest: architecture, dentistry, engineering, journalism, law, medicine, optometry, pharmacy, physical therapy, veterinary medicine.

Missouri Western State University participates in professional school programs that allow students to use credit from their professional school for credit at MWSU. The following guidelines must be followed: (1) MWSU will accept a maximum of 30 semester credit hours earned in a professional school as credit toward the baccalaureate degree and thus waive the resident requirement for graduation. (2) General education requirements must be completed before the student transfers to the profressional school. (3) Degree requirements in the student's major field for the baccalaureate degree must be substantially completed at Missouri Western State University with limited substitutions from the professional program as approved by the department. (4) The last 60 credit hours prior to the professional school transfer must have been completed at MWSU. (5) MWSU will grant the baccalaureate degree upon of the student's completion of the necessary coursework.

Missouri Western students have the opportunity to be selected into the Partners Program between the Kansas City University of Medicine and Biosciences and MWSU. Detailed information on this program can be found in the Biology section of the catalog.

## **Registration and Fees**

### THE REGISTRATION PROCESS

Refer to the current *Class Schedule* for more detailed information on registration. *Class Schedules* are available in the Office of the Registrar and on-line from the Missouri Western website. *Class Schedules* are published for the Fall, Spring, and Summer Sessions.

### **Registration/Walk-in Registration/Late Registration**

Currently enrolled students are encouraged to register early for classes. An alternate PIN is required at the Web registration site for registration. The registration period is announced in the *Class Schedule* and on the inside back cover of this *University Catalog*.

Any student in good standing may register during Walk-in Registration; Walk-in Registration for the spring and fall semesters is held prior to the first day of classes (refer to inside back cover of this *University Catalog*). Registered students may, at anytime prior to the first day of classes, **drop any class** or **cancel all classes** resulting in a reduced fee assessment. Registered students may also add classes according to the schedule listed below using the Web registration system. A special fee is assessed for adding classes once the term has started.

Late Registration for the spring and fall semesters is held during the first five days of classes. A special fee is assessed for Late Registration.

### **CHANGE OF SCHEDULE**

**Regular Semester:** 

Add - During first five days only Drop - First day through fifth day (no transcript entry) Withdrawal - 2nd week through Friday of 10th week ("W" entry on transcript)

Courses dropped during the first week will not appear on the transcript as attempted classes. Courses dropped after the first week through the tenth week will be assigned a grade of W. No course drop(s) or complete withdrawal from class(es) may occur after the tenth week of the semester. No course may be dropped once officially completed. Please refer to the current class schedule or the Registrar's Office for specific dates.

Summer Session (8-week): Add - First two days only

Drop - First day through second day (no transcript entry) Withdrawal - 2nd week through Thursday of 5th week ("W" entry on transcript)

Courses dropped during the first two days will not appear on the transcript as attempted classes. Courses dropped from the third day through the fifth week will be assigned a grade of W. No course drop(s) or complete withdrawals from class(es) may occur after the fifth week of the eight-week summer session. No course may be dropped once officially completed.

### Summer Session (4-week): Add - First day only

Drop - First day only (no transcript entry) Withdrawal - 2nd day through Thursday of 3rd week ("W" entry on transcript)

Courses dropped on the first day of the four week session will not appear on the transcript as attempted classes. Courses dropped from the second day through the third week will be assigned a grade of W. No course drop(s) or complete withdrawals from class(es) may occur after the third week of the four-week summer session. No course may be dropped once officially completed. Please refer to the current *Class Schedule* or the Registrar's Office for specific dates.

### Intersession/Winter Session: Add - First day of class Drop - First day through 50% of class completion.

Courses dropped before second class meeting will not appear on the transcript as attempted classes. Courses dropped prior to completion of 50% of class will be assigned a grade of W. No course drop(s) or complete withdrawal from class(es) may occur after this point. No course may be dropped once officially completed. Please refer to the current Class Schedule or the Registrar's Office for specific dates.

### Dropping RDG 095, ENG 100 or MAT 081/082/083

Signature of the advisor or of the English/Math instructor is required to drop RDG 095, ENG 100 or MAT 081/082/083 or equivalent.

### Withdrawal from the University

A student will be given a failing grade in each subject if a formal notification of withdrawal has not been made. A student must notify the Registrar in writing. The effective date of withdrawal will be the date on which the written notification is received by the Office of the Registrar. After the stated semester deadline, a student must petition the Admissions and Graduation Committee, through the Office of the Registrar, to withdraw from all or individual classes. Only documented situations, beyond the control of the student, will be considered.

### SELECTING A COURSE OF STUDY/USING THE CATALOG

Students should select a course of study in consultation with an academic advisor. Students should consider the following information when selecting a course of study.

### **Credit Units**

The unit of credit is the semester hour, which represents a period of weekly study for a semester. In general, a course carrying 3 credits meets for three periods weekly for one semester. In the catalog, the number of credits is shown in parentheses after the course title.

### **Course Numbering System**

Each course bears a number that identifies its level, as follows:

000-099 - courses that do not apply toward a degree 100-199 - freshman-level courses 200-299 - sophomore-level courses 300-399 - junior-level courses 400-499 - senior-level courses

Normally, courses numbered 100-299 are considered lower-division courses, and those numbered 300-499 are considered upper-division courses.

Departments may offer special topics courses without prior approval of the Curriculum Committee on a single-offering basis, in order to experiment with innovative methods, content or to take advantage of visiting staff. Course numbers 196-199, 296-299, 396-399, and 496-499 are reserved for assignment to special topics courses. These offerings require approval by the Provost/Vice President for Academic and Student Affairs.

### **Description of Course**

All courses offered at the university are listed in the *University Catalog* by schools and departments. Before the opening of each term, a *Class Schedule* is published which lists the specific courses to be offered that term with the time of meeting, the building, and the room number. The university reserves the right to cancel, without notice, any course listed in the catalog or in the class schedule for any term, or to withdraw any course that does not have adequate student enrollment at the close of the registration period.

### **Semester Designation**

The abbreviations listed below following the title of the course and the credit (shown in parentheses) indicate the semesters in which the course is normally offered, however course availability is subject to staffing changes and student enrollment.

- F the course is offered in the fall semester
- Sp the course is offered in the spring semester
- Su the course is offered in the summer session
- DD the course is offered at the discretion of the department

### PERSONAL INDENTIFICATION NUMBERS

### **Alternate PIN**

A 4-digit Alternate Personal Identification Number (PIN) is distributed by advisors and academic departments to currently enrolled degree seeking students for the purpose of registration. The Alternate PIN changes before each registration period. Please refer to the current *Class Schedule*, the inside back cover of this *University Catalog*, or the Registrar's Office for specific advisement and registration dates.

### My Western PIN

Students may access university and personal information by viewing My Western from the MWSU website (www.missouriwestern.edu). A unique PIN, chosen by the student, will provide secure entry to view grades, schedule of classes, unofficial transcript, financial statements, address, and other personal and confidential information. Students who lose their PIN may contact the Office of the Registrar in Eder Hall 102 or by e-mail at <u>registrar@missouriwestern.edu</u> (include name, student I.D. number and birthdate).

### TRANSCRIPTS AND RECORDS OF ACADEMIC WORK

Official transcripts will have a certifying signature, date of issue, and university seal. Requests for official transcripts require the student's signature and will be processed within 48 hours. A fee of \$5 per copy will be charged. Graduates can receive their transcripts free for one year following their graduation date. Official transcripts will not be issued to or for students who are indebted to the university until such indebtedness has been paid in full, or to students who have failed to participate in required entrance or exit testing. Unofficial transcripts may be obtained by a student through the My Western link on the MWSU website. Student transcripts received from other colleges and universities become the property of MWSU, and are not reissued to the student or to another institution.

### RESIDENCE

It is the student's responsibility to register under the proper residence and pay proper fees. Petition forms and rules of residency are available in the Registrar's Office. A student requesting a change of residency classification for fee purposes must complete paperwork in the Registrar's Office by the end of the first week of each semester. Students filing a residency petition will be required to furnish evidence in support of the claim.

# Registration & Fees

### **SCHEDULE OF 2008 - 2009 FEES** Fees are subject to change without notice.

Fees are payable at registration, and registration will not be considered complete unless all fees have been paid.

The fees listed are per semester and include the required Student Government Association fee and Yearbook fee as appropriate for the number of hours taken.

### Fall and Spring Semesters:

State Residents:

Non-Residents:

\$292 per hour plus \$50 SGA fee for 1

thru 11 hours plus facilities access fee

\$12 per credit hour for 1 thru 12 hours

16	2,826.00	16	4,937.00

As of the printing date, 2008-2009 tuition rates had not been set by the University.

Please refer to www.missouriwestern.edu for the current rates.

### **OTHER FEES**

Orientation Fee....

(Subject to change without notice)
One-time application fee (non refundable) \$15
One-time matriculation fee (non refundable)\$15
Late application fee, non refundable (if complete application package not received
two weeks prior to registration) \$20
English 100 surcharge
Mathematics 090 or 095 surcharge (per course)\$ 50
Reading Skills Improvement 095 surcharge \$ 50
Applied Music-Secondary Instrument fee (per credit hour) \$ 100
Applied Music-Major Instrument fee (per credit hour)\$ 50
Griffon Edge Programcost of 1 credit hour
Audit feesame as regular fee
College credit by examination (single-level, per test) \$ 95
Student Housing-Suite Complex double occupancy \$ 2,934
(room and board, per semester, double room, 20 meals)
Student Housing-Apartment Complex double occupancy \$ 3,164
(room and board, per semester, double room, 20 meals)
Student Housing-Living Learning Center double occupancy\$2,934
(room and board, per semester, double room, 20 meals)
Student Housing security deposit (subject to refund) \$ 100
Graduation fee (all candidates) \$40
Laboratory materials and/or breakage
Transcript fee
Late Registration fee
* Tuition Payment Plan Enrollment Fee\$ 50
* Late Tuition Payment Plan Enrollment Fee\$50
Late Payment Fee\$20
Non-sufficient Funds Fee \$20
Motor Vehicle Registration fee (non refundable)
One vehicle
Each additional vehicle \$ 10
Replacements \$ 5
Orientation Fee

Students who complete the registration process must agree to pay the University according to an agreed upon payment schedule with the Business Office in Eder Hall 104. Students that fail to meet the requirements of the payment schedule may have a hold placed on their records, which will prevent them from registering for future semesters, making schedule adjustments and/or receiving an academic transcript.

\* Should there be a default or withdrawal from the University, the balance of the account must be paid within thirty (30) days after the default. Students who default on their tuition payment plan will be assessed an additional INTEREST RATE OF 10% PER ANNUM. All attorney's fees, other costs and charges necessary for the collection of the unpaid balance on defaulted accounts shall be assessed against the student.

### **REFUND POLICY**

 Students who make schedule changes during the add/drop period will be charged for the added class and/or credited the cost of the dropped class.

 Students who make schedule changes during the add/drop period will be assessed a late registration fee of \$50.00.

 No refunds are given to students who make schedule changes after the first week of classes, but remain in school.

• Students completely withdrawing from school within the add/drop period will receive a refund of tuition and fees assessed, based on the withdrawal refund schedule. Withdrawal refunds are computed based upon the date the Registrar **receives** the completed/correctly executed withdrawal form. Withdrawal computations are **not** effective the date the student stops attending classes. The refund must be claimed during the semester in which the refund applies.

* Fall and Spring Semester	Percent of Fee
Withdrawal during first week of classes	
Withdrawal during second or third week of classes	
Withdrawal after third week of classes	no refund

Summer Session	Percent of Fee
Withdrawal during first week of classes	
Withdrawal during second or third week of classes	
Withdrawal after third week of classes	no refund

\* The fall and spring refund policy as stated above assumes the student is enrolled for the sixteenweek term only. The summer refund policy as stated above assumes the student is enrolled for the eight-week session only. Please check with the Business Office for all other classes.

Failure to attend classes does not constitute a withdrawal. Students must officially withdraw in the Registrar's office to be eligible for a refund.

If it is determined the student is eligible for a refund, the funds will be refunded directly to the student only after all charges have been applied to the account. If, however, payment has been made either partially or fully by financial aid (scholarships, grants, or loans) or another source (i.e., Vocational Rehabilitation), the refund will be refunded to the financial aid source(s) up to 100 percent of the original aid amount. After restoring the financial aid or other source to its original amount, any excess of refund monies will be returned to the student.

Students who feel that individual circumstances warrant exceptions from this policy may appeal in writing to the University Bursar. This appeal must be made during the semester which the refund applies.

### VETERANS

Missouri Western State University is approved for training veterans and eligible persons. Application forms for educational assistance (G.I. Bill) and general information for veterans are available in the Office of Veterans Affairs. Also refer to: www.missouriwestern.edu/registrar/veterans.

Students who have completed a minimum of one year of active military service or have completed three years in the Guard/Reserves will be granted 4 hours of physical education credit. The general education credit will be granted by the Registrar's Office upon presentation of the DD 214 or a letter from Commanding Officer stating initial enlistment date and current military status.

# ACADEMIC AND STUDENT AFFAIRS PROGRAMS

Acad. & Student Affairs

# Office of Academic and Student Affairs

Dr. Joseph Bragin, Provost and Vice President www.missouriwestern.edu/acadaff

271-4364

The Division of Academic and Student Affairs includes the College of Liberal Arts and Sciences, the College of Professional Studies, the Western Institute, the Instructional Media Center, the Library, Scheduling Services, and Student Affairs, and the offices of Admissions, Grants and Special Programs, the Registrar and Graduate Studies.

### **GRADUATE STUDIES**

Dr. Jeanne Daffron, <u>www.missouriwestern.edu/graduate</u> Associate Vice President and Interim Graduate Dean 271-4364

Missouri Western State University offers professional master's degree programs designed to respond to changing workforce needs and to prepare graduates for present and future professional opportunities. The degrees will provide graduates with the appropriate knowledge and skills required by the professions and industries. These degrees have been developed in concert with practicing career professionals and will prepare graduates for work in various professional fields.

Western offers the following Master's Degree Programs:

### Master of Applied Science

- Chemistry Option
- Human Factors and Usability Testing Option
- Information Technology Management Option

### Master of Applied Science in Assessment

- Learning Improvement Option
- Writing Option

### Master of Applied Arts in Integrated Media

- Applied Integrated Media Option
  - Convergent Media Option

### Master of Applied Arts in Written Communication

(pending approval from the Missouri Department of Higher Education)

- Writing Studies Option
- Technical Communication Option

### Graduate Certificate in the Teaching of Writing

For more information regarding graduate programs, contact the Graduate Office.

### **COLLEGE ORIENTATION COURSES**

**COL 101 Foundations of University Experience (3) F, Sp, Su.** Introduces students to the vocabulary and processes of critical thinking and their application to reading and writing, academic and personal skills critical for success in college and the practical application of those skills within a seminar setting. Students develop study skills, learn about campus resources and policies, and explore career options. Each section focuses upon a different seminar topic which serves as the basis for assignments and class discussions.

271-4535

**RESTRICTIONS**: Course admission is limited to students with fewer than 24 hours of college credit from Missouri Western, including those in progress. Furthermore, this course is not open to students with credit for or currently enrolled in COL 151.

**COL 151 Introduction to Critical Thinking (1) F, Sp.** Introduces students to the vocabulary and processes of critical thinking and their application to reading and writing within a seminar setting.

**RESTRICTIONS**: This course is not open to students with credit for or currently enrolled in COL 101.

COL 205 Library Resources and Research (1) F, Sp. Develops general library skills, research techniques, and strategies for effectively accessing information. Prerequisite: COL 101.

### HONORS PROGRAM

Dr. Elizabeth Latosi-Sawin, Director www.missouriwestern.edu/Honors/

Dedicated to academic excellence, the nationally affiliated Honors Program at Missouri Western State University provides an enriched educational experience for the exceptional student. The program is designed for the student who enjoys learning, and whose personal goals emphasize the pursuit of understanding and knowledge. Ultimately, the program provides students with academic training and skills which will serve them well in both their chosen careers and their personal lives.

Goals of the program are to foster the growth of intellectual inquiry, independence, and initiative in honors participants with an array of learning experiences including special courses, colloquia, and independent research and study. Each honors experience is simultaneously challenging, exciting, and enjoyable.

Applications from students wishing to participate in the Honors Program are encouraged and require the satisfaction of the following admissions requirements:

**Incoming Students** - Incoming students should have an ACT composite score of 26 or above and have a high school GPA of 3.5 or above (on a 4.0 scale).

**Current Students**-Currently matriculated students, who have completed at least 15 but not more than 32 hours of course work with a GPA of 3.5 or above at MWSU or any accredited college or university, are also invited to apply for admissions into General Studies Honors. Students who have completed at least 32 hours of course work with a GPA of 3.5 or above at MWSU or at any accredited college or university are invited to apply for admission to Major Honors.

Further information may be obtained in the Honors Program Office, Spratt Hall 202, or by consulting our website at <u>www.missouriwestern.edu/honors</u>.

To earn General Studies Honors, a student must take:

- 6 General Studies Honors courses (18-24 credit hours), earning an A or a B in each course AND
- · 6 credit hours of Honors Colloquia, earning an A or a B in each colloquia
- Earn an overall GPA of 3.2 (freshmen) or 3.5 (non-freshmen)

General Studies Honors courses must be taken from faculty at Missouri Western.

The Honors Program is composed of two areas: General Studies Honors and Majors Honors. The following programs offer Major Honors Programs and courses: Art; Biology; Business; Chemistry; Communications; Economics; Education-Elementary Education; English, Foreign Languages & Journalism; Health, Physical Education & Recreation; History; Music; Mathematics; Nursing; Government; Psychology; and Social Work. Check with the department chairperson or the Honors Director for specifics about these programs.

**Note:** Declared majors in programs other than the above mentioned, are requested to contact their academic advisor for the Major Honors courses planned for these other major disciplines.

### Tentative Two-Year Cycle of General Studies Honors Courses

The following two-year cycle of general studies courses ensures that courses from the various categories and subcategories of the General Studies Program are available to the students. Courses from the General Studies Honors Program will be available at least once in every four-year cycle. Highly enrolled courses such as BIO 105, CHE 111, COM 104, ENG 112, ENG 210, MAT 167, and PED 101 are offered each year.

 all of Even- mbered Years	Spring of Odd- Numbered Years	Fall of Odd- Numbered Years	Spring of Even- Numbered Years
BIO 105	ART 100	BIO 105	COM 104
CHE 111	COM 104	CHE 111	ECO 101
ENG 112	ECO 101	ENG 112	ENG 112
ENG 210	ENG 112	HIS 140	ENG 210
HUM 203	HIS 100/150	HUM 205	HIS 110
MAT 167	PED 101	MAT 167	<b>PED 101</b>
GOV 101	PHL 230	MUS 101	PHL 210/230
COM 104	PHY 107	COM 104	PHY 101/104
MUS 101	PSY 101	PED 101	PSY 101
PED 101	HUM 210/250 SOC 110/120	GOV 101	THR 113

Any student who is not in the Honors Program and who has a GPA of at least 3.0, may petition the Honors Committee to enroll in any honors course.

HON 195 Honors Colloquium (2) F. A selected topics course designed for students participating in General Studies Honors. Elements of General Studies courses will be interrelated. This course is restricted to first semester freshmen accepted into the Honors Program.

HON 395 Honors Colloquium (2) F, Sp. A selected topics course designed for students participating in Majors or Interdisciplinary Honors. Elements of General Studies will be interrelated. This course may be repeated for credit.

HON 490 Honors Research (1-3) F, Sp. Original student research in a discipline or combined disciplines. Students enrolled in this course must be working toward Majors Honors. This course cannot be used in disciplines where research courses already exist. Prerequisite: junior or senior student and consent of instructor and Honors Director.

### STUDY AWAY PROGRAM

Dr. Karen U. Fulton, Director

271-5995

The Study Away office exists to offer Missouri Western students the opportunity to enrich their educational experience through courses or semesters away from the St. Joseph Campus. The program is designed for students who wish to see the world from a perspective other than St. Joseph, Missouri. Ultimately Study Away students return to the campus with a deeper, richer, and broader understanding of today's world.

The Study Away program is affiliated with the Missouri Consortium for International Study, the College Consortium for International Study, and the Maastrich program. These three bodies provide semester opportunities for Missouri Western students in urban and rural international environments. In addition, Missouri Western sponsors approximately twelve study trips of its own each year - some in the United States, some abroad.

Students wishing to participate in Study Away are encouraged to discuss the type and duration of their study. Further information may be obtained in the Study Away office, Hearnes 101. Our email address is <u>studyaway@missouriwestern.edu</u>.

**INT 100 International Study-Lower Division (3-12) DD.** Students studying in a semester abroad program recognized by Missouri Western State University may receive INT 100 credit if hours taken off campus are equivalent to a Western lower level course. By enrolling in INT 100, the student maintains MWSU enrollment and upon return to the campus facilitates the translation of courses taken abroad into Western credit. All credits receiveed in INT 100 are subject to the pre-approval of the Study Away Director.

INT 200 International Study-Cultural Experience (3-12) DD. Students studying in a semester abroad program recognized by Missouri Western State University may receive INT 200 credit if hours have no equivalent in Missouri Western's curriculum. INT 200 allows credit for a cultural experience for which there is no MWSU equivalent. By enrolling in INT 200, the student maintains MWSU enrollment and upon return to the campus facilitates the translation of courses taken abroad into Western credit. All credits received in INT 200 are subject to the pre-approval of the Study Away Director.

**INT 300 International Study-Upper Division (3-12) DD.** Students studying in a semester abroad program recognized by Missouri Western State University may receive INT 300 credit if hours taken off campus are equivalent to upper division Missouri Western courses. By enrolling in INT 300, the student maintains MWSU enrollment and upon return to the campus facilitates the translation of courses taken abroad into Western credit. All credits received in INT 300 are subject to the pre-approval of the Study Away Director.

### WRITING ACROSS THE CURRICULUM

Many faculty at Missouri Western are associated with *Writing Across the Curriculum*. The purpose of this effort is to assert the importance of writing to the process of learning. As students move through their courses, they are asked to write in a variety of ways in order to learn the material at hand. Students might be asked to write down questions after a lecture, anticipate the meaning of new concepts before they are presented formally in class, write personal response papers that apply course concepts to their own lives, maintain scientific logs that require careful recording of observations, or keep journals in which they investigate their own values. In all of these opportunities to write, it is the intent of the faculty at Missouri Western to increase dialogue with their students and to help them learn how to discover, record, compare, synthesize, and evaluate new ideas.

### APPLIED LEARNING

In August of 2005, Western achieved university status and was designated as the state's applied learning institution. Applied learning refers to student learning that occurs in non-traditional contexts on or off the university campus, involves "hands-on learning," and can be either credit-bearing or non-credit bearing. Over 75% of Western students experience a credit-bearing applied learning course during their tenure at Western, and some departments require that all students complete such an experience.

Common examples of credit-bearing applied learning at Western include undergraduate research (typically by enrolling in the research course for a given discipline), internships, practica, service-learning and study away experiences. The common thread among all of these experiences is that they take place outside of the typical classroom setting. Even undergraduate research, which may occur in a laboratory setting, involves presenting ones' findings in a conference-type setting. Internships and practica typically take place off of campus. Service-learning integrates academic content with community need in ways that enhance both student learning and community outcomes. Study away experiences broaden our students' perspectives to provide a richer context for the academic knowledge they are acquiring. Each form of applied learning involves moving beyond the classroom walls to apply and understand content in context.

Non-credit bearing applied learning occurs through portions of the co-curriculum, and includes cultural events and some short field trips known as the Urban Plunge. Participation in the co-curriculum is not required, but encouraged, for all students.

### **BACHELOR OF INTERDISCIPLINARY STUDIES (BIS)**

The Bachelor of Interdisciplinary Studies (BIS) degree focuses on the development of broad intellectual abilities and skills rather than a large concentration within a traditional academic discipline. This degree option may be of special interest to: (1) students seeking a degree tailored to specific interests not accommodated in an established MWSU major; (2) students who plan, upon graduation, to enter graduate or professional school; and (3) students transferring into MWSU with an AS or AAS degree.

Specific degree requirements include: (1) a minimum of 45 credits of upper division (300- and 400-level) courses; (2) a minimum of 24 credits (12 upper division) in a single discipline, including at least one course which gives an in-depth study of the methods of investigation for that discipline<sup>\*</sup>; (3) a minimum of 12 credits (9 upper division) from a second discipline, or 12 credits in one foreign language; and, (4) at least one course from each of the seven areas listed below. *No more than two courses designated to satisfy the seven area course requirements may be used in the 24- or 12-credit concentrations*. A minimum of 124 credit hours is required for receipt of a baccalaureate degree from Missouri Western State University.

Students who choose this degree option will work with three faculty members to determine the courses that will constitute their BIS-degree programs. This three-person faculty committee will be selected by the chairperson of the department with the 24credit concentration in consultation with the student. The committee must include: (1) one representative from the department with the 24-credit concentration; (2) one representative from the department with the 12-credit concentration; and (3) one other faculty member. The faculty member from the department of the 24-credit concentration will serve as the chairperson of the committee, will be responsible for scheduling necessary meetings, and will submit the BIS-degree proposal to the college dean. BIS-degree program proposals must be submitted to the college dean responsible for the department offering the 24-credit concentration. Submission deadlines are: the first Friday in October, the last class day of the Fall Semester, the Friday before Spring break, and the last class day of the Spring Semester. Prior to receiving final approval by the college dean, a committee composed of the Dean of the Liberal Arts and Sciences, the Dean of Professional Studies, and a total of four faculty, with at least two representatives from each college, will review and approve all proposed degree programs. Notice of program acceptance will be returned within three weeks of the submission deadline, prior to the next scheduled pre-registration or regular registration session.

### Area One - Writing

COM	345	Nonverbal Communication (3)

PSY	210	Mental Hygiene (3)
SOC	360	Sociology of Health and Illness (3)

Key: Arabic numbers in parentheses indicate credit hours. Prerequisites exist for most of the courses included in each of the seven areas. Please consult course descriptions for course prerequisites.

\*Students may substitute an AS, or AAS degree, for the 24 credit concentration. Students using this option must consult with their Dean to work out the procedure for developing the BIS-degree program.

# Acad. & Student Affairs

### **HEARNES CENTER**

Three important campus resources are located in the Hearnes Center: the Library, the Instructional Media Center (IMC), and the Center for Academic Support. These units are linked in a philosophy of service to students, but each is unique in what it offers. The Library provides access to print materials, some non-print materials, electronic databases, and the Internet and WWW; the Instructional Media Center provides classroom presentation, video/web-based production and distance education support; and the Center for Academic Support provides individualized instruction and tutoring.

### LIBRARY

The Library maintains over 218,000 volumes and holds more than 1,150 journal titles. It is also a State Government Documents Depository. Microfilm, company annual reports, CD-ROM products, pamphlet files, newspapers, and Internet resources provide additional unique information for users. Through its computer-based catalog and circulation system, students can gain quick access to the Library's collection. The TOWERS online catalog and 60 plus online databases are also available via the WWW. Service to clients is of the highest importance to the Library staff. Professionally trained librarians provide individual assistance to students and other users. These librarians help locate information and materials via interlibrary loan or computerized reference data base services. The Library has access to a national data base of over 100 million items, assuring that clients can usually obtain the specific item needed. Group information instruction is enhanced by the availability of a specially equipped computer classroom within the library.

Comfortable surroundings are conducive to study or leisure reading. Individual carrels and small study rooms are available for quiet study while lounge seating and a coffee bar provide a pleasant setting for relaxation and recreational reading. A wireless network is available throughout the Library.

The library houses a 21-workstation general use computer lab which enhances accessibility to a variety of information resources. The Library is a member of the MOBIUS consortium of 60 Missouri academic libraries; membership in the consortium enhances access and distribution of materials among member libraries. Students may request materials directly online through MOBIUS.

### INSTRUCTIONAL MEDIA CENTER

The Instructional Media Center (IMC) is an instructional technology services group providing versatile presentation, video production, video/telecommunications, computer-based multimedia, website support and nonprint copyright permissions services for a variety of campus needs. The IMC is comprised of several service sections that are located in Hearnes 150 (x5880). Classroom Services facilitates the use of multimedia-based presentation technology in all campus class/meeting rooms. Educational Television Services facilitates the technical aspects of televised distance education, trains facultystaff to teach in the television environment, programs all Western operated television systems and provides video production and videoconferencing services to meet campus instructional/administrative needs. Instructional Design & Web Development Services provide web page design and programming services for general informational and course-related websites, produces the Campus Website, offers training and support for WebCT among other web-based instructional tools and assists faculty to produce and integrate computer-based multimedia into coursework. Individual assistance or training is available in all aspects of IMC responsibilities... please don't hesitate to call about any of your needs or ideas.

# **Student Affairs**

Dr. Judith W. Grimes, Dean of Student Affairs grimes@missouriwestern.edu 271-5991

Student Affairs

Student Affairs at Western is committed to the growth and development of all Missouri Western students. Student Affairs supports the educational mission of the university and assists with the educational maturity of students through academic support services, career development, student employment, international student advisement, counseling, testing, residence life, health services, recreation services, multicultural education, student engagement and student government.

### STUDENT SERVICES

### ACADEMIC AND CAREER PLANNING CENTER

The Academic and Career Planning Center is located in Eder Hall 209. Resources are available for students in the process of choosing a major, changing their major or studying options following graduation either in the work force or in graduate school. Transitional students may come by and access a number of computerized instruments designed to assist them in their search. Staff can assist students in exploring the variety of majors at Western and in making arrangements for students to connect with faculty advisors. Assistance is also available for students who need to improve their ACT scores for admittance into certain academic programs or GRE or GMAT scores for entrance into graduate school. Programs are coordinated with the Career Development staff.

### ADVISEMENT

Student Services provides a variety of interventions aimed at promoting student success and student engagement. Student Services staff also provide academic advisement for special groups of students on campus. Staff are available to answer a variety of general questions related to academic advisement. Stop by Eder Hall 209 for assistance or call 271-5993. For more information see <u>www.missouriwestern.edu/studentservices</u>.

### CAREER DEVELOPMENT AND STUDENT EMPLOYMENT CENTER

Career Development is located in Eder Hall 202. Additional information may be found at <u>www.missouriwestern.edu/careerdevelopment</u> or phone 271-4205. Students register with our office online through NACElink.

Career counseling services are provided to all students. Missouri Western graduates hold prominent positions in major corporations, local businesses, government services, health care and education institutions throughout the United States as well as in foreign countries.

Staff members conduct helpful workshops on writing resumes, interviewing strategies, mock interviews, job search and business etiquette. On-line assistance is available on the web site. Career Development provides on-campus interviews with employers, employer fairs, career days, on-line resume referral, job vacancy bulletins, directories of employers and job search assistance.

Part-time employment opportunities while in college and during the summers are available to all students through the Student Employment Office, Eder Hall 202. These opportunities include all part-time or seasonal work in the St. Joseph and Greater Kansas City area and federal work-study positions, both on and off campus, for those who qualify under financial aid. Internship opportunities are also made available to students who want to gain practical work experience in their major academic area. These positions must be coordinated through the academic departments if the student wants academic credit for the experience. Job listings are posted under the NACElink banner on the student employment web site and all applications are completed online <u>www.missouriwestern.edu/studentemployment</u>.

### CENTER FOR ACADEMIC SUPPORT

The Center for Academic Support is dedicated to helping students excel in college. The primary goal of the Center is to complement students' classroom instruction by providing support in the following areas: 1) tutoring in math, from beginning algebra through first-semester calculus; 2) tutoring in writing for any course on campus; 3) reading assistance; 4) help with learning strategies, including note-taking and test preparation; 5) content tutoring for most courses on campus. The Center also sponsors study groups, Supplemental Instruction (SI), and special workshops including TI-83 calculator training and CBASE preparation. The Center's services are designed to assist students in both their general studies and upper division courses.

Staffed by full-time professionals and trained student tutors, the Center emphasizes individualized attention and flexible services. Most students receive one-on-one tutoring, while others work in small groups or independently with computer software, books and other materials. The Center's web site (<u>www.missouriwestern.edu / cas</u>) contains numerous handouts and study tips that students can download, a list of available content tutors, information about the staff and a detailed explanation of services and hours.

The Center for Academic Support is located in Hearnes Center 213. The services, materials and programs the Center has to offer are free to Western students. For more information or to make an appointment, call 271-4524.

### COUNSELING CENTER

Counselors are available to assist the student in becoming oriented to college, making a career choice and resolving personal difficulties. Areas of difficulty for which students frequently seek counseling include poor concentration, test anxiety, performance anxiety, lack of confidence, depression, time management, stress management and relationship problems. Visits to the Counseling Center are strictly confidential and information from counseling sessions will not be shared on campus or off campus without the written consent of the student. There is no charge for counseling services. The Counseling Center is located in Eder Hall 203. For more information see <u>www.missouriwestern.edu/</u> counseling or phone 271-4327.

### DISABILITY SERVICES

Students with disabilities are provided accommodations and services as mandated by the Americans with Disabilities Act (1990). These services are tailored to their particular disability as stated in their documentation. Services may include testing in a quiet room with extended time, peer notetakers, accessible seating in the classroom, interpreters for the hearing impaired and use of adaptive equipment (including a reading machine, voice-activated computers, etc.). Students who are registered with this office provide each of their professors with a confidential form at the beginning of each semester that details what services they are provided based on their disability. Student documentation must be from within the past three years.

Additional information may be found at: <u>www.missouriwestern.edu/disabilityservices</u> or phone 271-4330. The Disability Services Office is located in Eder Hall 203N.

### INTERNATIONAL STUDENT SERVICES

The International Student Coordinator is located in Eder Hall 209. All international students must meet with the advisor upon arrival at Missouri Western. Students will be invited to an orientation session and provided with a variety of information on the St. Joseph and Kansas City communities. The international advisor can provide answers to a variety of questions including maintaining status, eligibility for employment on and off campus, extension of stay, changing status and concerns regarding post-completion practical training. For more information, phone: 271-5998.

### NON-TRADITIONAL STUDENT CENTER

The Non-Traditional Student Center provides support and assistance for the nontraditional students at Missouri Western and is located in Eder Hall 200. Non-trad students currently comprise 25% of the student population. "Considering College: A Seminar for Adults," designed especially for adults thinking about enrolling in college for the first time or returning to college after several years absence, is scheduled several times each semester. Participants have the opportunity to talk with other adults who are attending Missouri Western. University personnel are available to answer questions, discuss entrance procedures, and provide methods to ease the transition. This program is offered free of charge.

"Coffee & Conversation" is offered during the last week of each month. These informal sessions give non-trad students a chance to meet and visit with each other. The Non-Trad Student Center also sponsors a campus club, the Non-Traditional Student Association, and a national honor society, Omicron Psi, for adult students. There is a lounge for non-traditional students in Eder Hall 200 that students may use for relaxing, visiting, gathering information, eating and studying. See the website at: <u>www.missouriwestern.edu/nontrad</u>

Information about how to enroll in college, as well as information about campus offerings and activities in general, is available year round by contacting the Non-Traditional Student Center at 271-4280.

### TESTING

The Testing Office administers several standardized exams. Major testing programs offered through the university include:

ACT Residual

\* American College Test (ACT)

- College Base Exam (C-Base)
- College-Level Examination Program (CLEP)
- Correspondence Testing
- Departmental Test-Outs
- General Educational Development (GED) test
- Graduate Record Exam (GRÉ)
- \* Major Field Tests (MFT)
- MAPP
- Miller Analogies Test
- \* PRAXIS

The Testing Office maintains a supply of current applications for several other standardized tests which are not administered at Western, such as the SAT, Law School Admissions Services (LSAT), and others. The Testing Center is located in Eder Hall 203. For more information got to <u>www.missouriwestern.edu/testingctr</u> or phone 271-4327.

### STUDENT DEVELOPMENT

Duane Bruce, Associate Dean of Student Development dbruce.missouriwestern.edu

### STUDENT CONDUCT

As a condition of remaining at Missouri Western State University, the university expects all students to conduct themselves so as to maintain an effective environment for learning; to act responsibly in accordance with good taste; to observe the General University Rules and Regulations and the city, state and federal laws; and to respect fully the rights of others. The Student Handbook link, <u>www.missouriwestern.edu/handbook/index.pdf</u>, contains specific information concerning student conduct and related disciplinary action, which may include dismissal in case of serious infraction.

### THE WESTERN CREED

Western Creed

As a member of the Missouri Western State University community, I recognize the following Western values:

service to students, Western, and the greater community; quality education through active participation in the learning process; enthusiasm in all endeavors while maintaining high expectations; freedom through the open exchange of ideas;

**respect** for diversity, the best in human potential, and the rights of others: and

**courage** to explore personal capabilities and strive for academic and personal excellence in a global society.

I hereby pledge to live by these values and honor the policies of Missouri Western State University.

The Western Creed is intended to communicate Western's commitment to the values listed within and to convey Western's expectation that our students also make this same commitment to these values. All members of Western's community are expected to know and aspire to the values set forth in the Western Creed.

### NELLE BLUM STUDENT UNION

The Student Union is the center for co-curricular programs and activities. The Union houses the Barnes and Noble Bookstore, the Dining Hall, Food Court, Catering Services, a Student Computer Lab, technologically advanced event facilities, an ATM, and student commons areas. The following offices are located in the Student Union: Associate Dean of Student Development, Center for Student Engagement, Center for Multicultural Education, Missouri Western State University Police Department, Esry Student Health Center, Student Regent, Student Government Association, Western Activities Council, and Greek Life.

271-4432

# **Student Affairs**

### BOOKSTORE

The University bookstore (Barnes & Noble Bookstore) is located on the first floor of the Student Union. Normal hours are from 8:00 a.m. - 5:00 p.m. Monday through Thursday and 8:00 a.m. - 4:30 p.m. Friday. Hours are extended at the beginning of each semester for your shopping convenience. Mastercard, Discover, Visa and American Express cards are accepted.

All required textbooks are available at the bookstore. Both new and used textbooks are available for purchase. The bookstore also stocks test guides, Sparknotes, bestselling paperbacks, and a wide variety of other books.

A wide selection of other items is also available at the bookstore including school supplies, art supplies, clothing, insignia novelty items, greeting cards, candy, and many other sundry items.

### THE CENTER FOR MULTICULTURAL EDUCATION

### **Mission Statement**

The mission of the Center for Multicultural Education is to provide opportunities for personal and professional growth in the areas of multicultural exploration, sensitivity, emphathy and competency for students, faculty and staff of Missouri Western State University. We will work diligently to provide leadership and support in the area of diversity and building cross-cultural connections within the campus and St. Joseph community through workshops, programs, training and dialogue.

### Vision Statement

The Center for Multicultural Education envisions a campus that is dynamic, challenging and welcoming to its diverse constituents. Toward this end, The Center for Multicultural Education will enhance the student, faculty and staff's understanding and appreciation of peoples, traditions and cultures, while promoting academic inquiry and self-reflection. The Center for Multicultural Education is committed to developing leaders that are culturally competent and poised to create environments and communities that encourages, respects and celebrates diversity.

The Center for Multicultural Education is located in the Nelle Blum Student Union, Room 210. Visitors are always welcome. For more information, contact The Center for Multicultural Education at 271-4150.

# STUDENT ACTIVITIES/ORGANIZATIONS AND LEADERSHIP DEVELOPMENT PROGRAMS

Taking advantage of a wide variety of student activities will develop students intellectually, morally, culturally, emotionally, spiritually, physically and socially. Involvement in student organizations provides opportunities for development in the areas of leadership, personnel management, collaboration, fiduciary management, supervision, organization, communication, networking, and event planning. In addition, involvement exposes students to the larger Western community and affords students direct input as to the management and direction of this institution. For more information, contact the Center for Student Engagement at 271-4159.

Involvement in student activities/organizations enhances the academic mission of Western. Student organizations are offered in the areas of academic/departmental, cultural/ ethnic, governance, Greek life, honorary/scholastic, political/advocacy, religious, service, sports and recreation, special interest. Students not finding an organization that meets their interest are invited to form a new student organization. The process for starting new student organizations can be obtained in the Center for Student Engagement, or from our website: <u>www.missouriwestern.edu/engagement</u> located in the Nelle Blum Student Union, Room 207.

Student Engagement offers several leadership programs. The purpose of these is to prepare Western's top students for leadership roles at Western and beyond graduation.

### **Student Government Association**

Students of Missouri Western State University are members of the Student Union (student body) and encouraged to take part in our system of governing. You can join in any of the four branches: Executive, Legislative, Residential, and Activities.

**THE EXECUTIVE BRANCH:** The Executive Board takes on the responsibility of spending and budgeting, oversees clubs and organizations, and addresses concerns of the students. The SGA officers working for you are: President, Vice-President, President of Western Activities Council, President of Residence Council, Director of Finance, Director of Student Relations, and Director of Communications.

**THE LEGISLATIVE BRANCH:** The Student Senate has legislative powers ensuring the Student Union is being fully represented. Our Senate is composed of forty students, many of which are elected in November. The Senators represent the student body according to grade and the two colleges. You can become involved in legislation by attending three SGA meetings and be voted in as an associate senator.

**THE ACTIVITIES BRANCH:** The Western Activities Council (WAC) plans and sponsors student events on campus, such as movies, dances, concerts, and other cultural events.

**THE RESIDENTIAL BRANCH:** The Residential Branch (RC) is the representative body of the Western students who reside in the residence halls on campus. RC provides entertainment and activities for its students living in the residence halls.

### Organizations

The experiences and interaction encountered in club activities are a very important supplement to the academic experience a student receives.

A list of organizations currently active on the campus appears below. More detailed information regarding all campus organizations listed will be found in the current issue of the Student Handbook. The Center for Student Engagement will assist in answering questions in this area or click on the link <u>www.missouriwestern.edu/engagement/</u><u>stuorgs.asp</u>.

### **RESIDENCE LIFE AND SERVICES**

Michael Speros, Assistant Dean of Residential Life & Services msperos.missouriwestern.edu

### **RESIDENCE HALL LIVING**

The **Office of Residence Life** is an integral part of and exists to support the academic and educational mission of the University. The department provides a variety of living options and joins with students to create and maintain safe and supportive communities that promote the development of life and leadership skills. We further provide meaningful experiences and opportunities for student growth through activities and programs that recognize, address, and appreciate the needs, interests, and diversity in our population. We are committed to continuous improvement in the quality of the residential experience.

In order to fulfill our mission the department of Residential Life employs a variety of professional and student staff including RAs, whose sole purpose is to assist residents in their success at Missouri Western. If you would like to learn more about campus living, please contact the Office of Residential Life at (816) 383-7100, or visit us in the Commons Building or our website at <u>www.missouriwestern.edu/reslife/</u>.

### Top Ten Reasons to Live on Campus

**1. Excel Academically:** National studies show that students living on campus are more likely to persist and graduate, and are more satisfied with their college experience.

2. Ease the Stress: Residents are more likely to be involved in campus activities and interact more frequently with faculty and other students.

**3. Feel Special:** Participate in exclusive opportunities and support services for academic development, including workshops, academic advising and tutoring.

**4. Receive Support:** Interact with dedicated professional staff living in the halls trained to help you realize your academic and personal goals.

5. Convenience: There is convenient access to computer labs, laundry facilities, study lounges, internet access and dining facilities.

6. Become a Leader: We offer a wide array of involvement, leadership, employment and service opportunities that allow you to develop valuable leadership skills for the real world.

7. Live Safely: MWSU places a major emphasis on safety and security. Public Safety and Residential Life staff members are available 24 hours a day and work with students on safety-awareness programs and policies.

8. Prepare for Tomorrow: Personal development programs and activities in a broad range of educational, recreational and social-awareness topics offer you a chance to expand your understanding of the diverse world around you.

9. Stay Connected: Take advantage of all the University has to offer, including on-campus activities, movies, concerts, sporting events, support services, student government and Greek life activities.

**10. Experience Campus Life:** Your undergraduate college experience comes only once in life. "Living on" enables you to maximize this experience and create friends and memories for life.

# **Student Affairs**

### STUDENT HEALTH SERVICES

Esry Student Health Center is located on the second floor of the Blum Student Union in Room 203. Nursing staff are there to provide assistance with health care, immunizations, first aid, health counseling, and referrals. The clinic offers a variety of educational pamphlets and maintains STRICT CONFIDENTIALITY of all health records.

Nurse practitioner services are available in the Health Center, with the hours announced each semester.

Students desiring on-campus housing in the residence halls are required to provide documentation of having received adequate immunization for meningococcal disease (bacterial meningitis), measles, mumps, rubella, tetanus and diphtheria. A health history that includes a risk assessment for tuberculosis is also required for residential students. These must be completed BEFORE a residential student will be allowed to move into housing. The policy and the form for submitting the health history assessment can be found on our web site at <u>www.missouriwestern.edu/healthserv/</u>. A list of services provided by the Health Center is included on the web site.

The Health Center is open 8:00 a.m. - 4:30 p.m. Monday through Friday. Contact the Center for information regarding nurse practitioner hours. Call 271-4495 for appointments.

### **RECREATION SERVICES - INTRAMURALS**

A full intramural sports recreation program is offered to enrolled college students and Western personnel. The program of activities includes individual, dual, team sports and special events for men, women and coed. The intramural program encourages the development of mental, physical, emotional, and social health.

In general, Missouri Western State University provides the opportunity for every individual, regardless of ability, to realize the fun of participation in a favorite sport or activity at various levels of competition. For more information, go to our website at: www.missouriwestern.edu/recreation.

### BAKER FITNESS CENTER

The Baker Fitness Center at Missouri Western State University was completed in September 1994. The facility is open to students, faculty, staff, Gold Coat members, and Alumni who purchase a membership. The Fitness Center has state of the art equipment, which includes Nautilus, free weights, the HQ weight line, and aerobic equipment that consists of stair climbers, rowers, nautilus bikes and treadmills. There are restrictions. Males over 45 and women over 55 must obtain a physicians consent. No one under the age of 12 will be admitted. Individuals aged 12 - 15 will only be allowed to work out under direct supervision of a parent or guardian. If an individual is under 18, he/she must have a liability form and permission for care form signed by his or her parent before being allowed to use the facility. All members must bring a valid MWSU ID. A student cannot be a guest. More information can be found at <u>www.missouriwestern.edu/recreation/fitnesscenter</u> or by calling 271-5946.

# Other Services and Interest Groups

### SCHEDULING SERVICES

Scheduling Services is responsible for oversight of all campus facility usage and reservation and coordination of event support services. Campus facilities may be reserved and used by campus departments and student organizations free of charge (charges may apply for event support services or extensive set-up/tear-down). Event support services include facility set-up and tear-down, campus dining, audio/visual equipment and support, sound and light production (in facilities where available), recreational and athletic equipment, and Public Safety. Information about Scheduling Services may be obtained on-line at <u>www.missouriwestern.edu/scheduling</u>.

Priority for facility usage and governing policies are outlined in the Western Policy Guide that can be found on-line at <u>www.missouriwestern.edu/hr/policyguide.pdf</u>.

### POLICE DEPARTMENT

The Western Police Department is located on the second floor of Blum Union, Room 201. The Police Department is open 8:00 a.m. until 4:30 p.m. Monday through Friday.

The mission of the Police Department is to strive to provide quality service in partnership with the campus community, the city of St. Joseph, and surrounding areas to ensure a safe, secure, and pleasant environment that will support and enhance the educational experience, while helping to fulfill the entire mission of the University.

The Missouri Western campus is patrolled by commissioned police officers 24 hours a day, every day of the year. The officers assist students by responding to calls concerning thefts, vandalism, uninvited guests, fires, vehicle assists, medical assists and any emergency situation. Students may receive assistance by calling 271-4438.

Missouri Western Public Safety Department information also available at <u>www.mis-</u> souriwestern.edu/policedepartment/.

### PARKING & SECURITY SERVICES

The Parking and Security Services Office is located in Blum Union, Room 100 (next to Barnes and Noble Bookstore). The Parking and Security Services Office is open 7:00 a.m. until 11:00 p.m. Monday through Friday.

Students and staff may register their vehicles, receive their Identification Cards and obtain information about parking and other services during our office hours. Parking and Security Services may be reached at 271-5666.

Vehicle operation and parking regulations are also available at <u>www.missouriwestern.</u> <u>edu/policedepartment/services</u>.

# **Other Services**

### GRIFFON PUBLICATIONS

### The Griffon News

<u>The Griffon News</u> is the award-winning official student newspaper and designated campus forum for Missouri Western State University. The paper has won numerous national and state awards and had Missouri College Journalist of the Year and Photojournalist of the Year recipients. It is published weekly during the fall and spring semesters and its weekly content and six years of back issues are available on its website, <u>www.</u> thegriffonnews.com.

The newspaper serves two important functions at Missouri Western. First, it is an important outlet for news, entertainment, and information for the university community. Second, it offers students ample opportunities to practice journalism in a realistic, professional setting.

The newsroom includes Macintosh computers that allow writers to keyboard and editors to edit all copy. Stories, headlines, photographs, and advertising are then electronically arranged in Adobe InDesign and printed out for final paste-up or digital submission. Also housed in the newsroom are a flatbed scanner, a negative scanner, and related production equipment.

Although the university provides some funding for the newspaper, most of the annual budget comes from advertising revenue. Students sell the advertising, design the ads, typeset the copy, and bill the advertisers.

Students working for <u>The Griffon News</u> can earn two hours of college credit for each semester enrolled. Scholarships are available to help defray tuition costs. Students not interested in earning college credit are invited to join the staff as writers, photographers, or business staffers. Advertising sales representatives can earn 20 percent commission on accounts they sell and service. Also, editors receive weekly stipends, ranging from \$25 to \$90. Finally, a limited number of work-study positions are available each semester for those who qualify.

### **Griffon Yearbook**

The Griffon Yearbook is a 250-page, award-winning publication. The yearbook covers all aspects of university life through both color and black and white photography, in-depth interviews, feature stories, and enlightening articles.

Working for the Griffon is a learning experience. Students apply what they have learned in their classrooms to the actual production. Students who want to become journalists learn first hand what journalism is all about.

The Griffon staff is led by a student editor who has had several years' experience in yearbook production. Other editors are: a copy editor, a design editor, a photography editor, and a business manager. Editors and staff work together to produce a high-quality, professional publication. The staff is assisted by a faculty adviser.

All Griffon staff members receive two hours of academic credit. In addition, editors and assistant editors receive stipends for their contribution to the yearbook. Although anyone may apply for these editorial positions, most editors usually have at least one semester of journalism experience on a college publication.

Incoming freshmen with outstanding skills in the areas of photography, copy editing or graphic design and with experience on a high school publication may apply for fee waiver scholarships by contacting the Griffon adviser. Students from all levels and majors are eligible to join the Griffon staff.

### **ATHLETICS... Graduating Champions**

Griffon Athletics consists of ten intercollegiate athletic teams, four for men (football, basketball, baseball, golf) and six for women (volleyball, basketball, softball, tennis, soccer, golf). Missouri Western is affiliated with the National Collegiate Athletic Association (NCAA) at the Division II level and competes within the Mid-America Intercollegiate Athletics Association (MIAA). The MIAA is composed of 11 institutions in Missouri, Nebraska and Kansas and is widely considered the top conference at the Division II level. A varied amount of scholarship aid is available to student-athletes in each sport at Western.

Since joining the MIAA in 1989, Griffon athletics has made a significant impact within the league and the NCAA. In the last seven years, six different head coaches have received MIAA Coach-of-the-Year honors (football, men's and women's basketball, softball, men's golf). The men's and women's basketball teams won dual MIAA regular season titles in 2002. In 2007, women's basketball re-captured the MIAA regular season title. In 2007-08, six griffon teams qualified for post-season competition. Griffon Softball has made three straight appearances in the NCAA Tournament, while Men's Golf has made six straight appearances. Griffon Football played in the 2003, 2005, and 2007 Mineral Water Bowl and won it's first MIAA Championship in school history. Griffon student-athletes have succeeded in the classroom as well. In the spring and fall of 2007, Western had over 200 student-athletes earn above a 3.0 GPA, 37 MIAA Commissioner's Academic Honor Roll Selections, and 9 Academic All-MIAA Selections. Western continues to "Graduate Champions."

Missouri Western, in cooperation with the City of St. Joseph, hosted the 2003 and 2004 NCAA Division II Women's Basketball Championship (Elite Eight) at the St. Joseph Civic Arena and will again host in 2009 and 2010. This quality partnership with the city will continue to pursue other events that will bring national exposure to Western. Griffon athletics strives to be a vital part of both campus and community life. For more information on Griffon athletics, visit its website at <u>www.GoGriffons.com</u>.

### **THEATRE &VIDEO**

The Department of Communication Studies & Theatre currently offers a combined degree in theatre and digital video. This interdisciplinary training provides students with applied learning experiences in faculty-directed stage and state of the art DV film production as well as attendance at the American College Theatre Festival. Alpha Psi Omega, the theatre student honorary society, and Griffon Eye Productions also produce student directed stage and film projects. A wide variety of students from all over the campus community participate in these co-curricular theatre/video activities and productions.

### MUSIC

The Department of Music has numerous instrumental and vocal ensembles in which students may participate. Instrumental ensembles include Marching Band (comprised of the Golden Griffon Band, the Color Guard and the Mystic dancers), Symphonic Band, Wind Ensemble, Jazz Ensembles, Percussion Ensemble, Orchestra, the Monster Piano Ensemble and the Steel Drum Band. Vocal ensembles include Concert Chorale, Renaissance Singers, Chamber Singers, and the Community Chorus. In addition, there are institutional ensembles such as the Pep Band (basketball games). All students must audition for membership in all ensembles, and the Department of Music invites their participation. Participation grants are available for some ensembles.

## The College of Professional Studies

Dr. Steven Estes, Dean

www.missouriwestern.edu/profstudies

271-4207

**Professional Studies** 

Departments of: Business Criminal Justice & Legal Studies Education Engineering Technology

Health, Physical Education & Recreation Military Science Nursing

Programs in the College of Professional Studies provide professional education leading to Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Science in Education, Bachelor of Science in Nursing, and the Bachelor of Science in Technology degrees. Additional programs and degrees include Associate of Science degrees, Associate of Applied Science degrees, certificate programs, and a commission as an officer in the United States Army. Associate of Science degrees are offered with majors in Business, Criminal Justice, Legal Assistant, and Engineering Technology. Associate of Applied Science degrees with majors in Health Information Technology, Paramedic Technology and Manufacturing Engineering Technology and one-year Certificate programs in Legal Assistant and Health Information Technology are also offered through the College of Professional Studies. Programs emphasize professional preparation and academic excellence and provide opportunities for professional, academic, and personal development.

The mission of the College of Professional Studies at Missouri Western State University is to maximize the development of students for roles in the professions and in society through the completion of academic degrees. Programs provide the knowledge, skills and leadership development that are essential for success in the professions or for graduate study. Academic programs incorporate learning that transcends the institutional setting through multiple experiences in the classroom and professional practice environments. Opportunities for development are provided through partnerships with practicing professionals, contributions to society through service to diverse populations, wise use of technology and consideration of ethical standards in problem-solving. Faculty members are experts in their disciplines and apply their expertise through leadership, scholarship, consulting and service in their professions. Graduates of the College of Professional Studies fill essential leadership positions in business and industry, government, education, health care, national defense, legal and service settings.

71

### PREPROFESSIONAL PROGRAMS

Preprofessional programs in specialized fields are offered for students who plan to transfer for the completion of their studies. Students choosing these programs should select a transfer institution early and should work closely with their academic advisor. Contact the academic department listed below for more information. Preprofessional programs in the College of Professional Studies include:

Architecture (Engineering Technology Dept.)

Engineering (construction, electrical, manufacturing, mechanical, etc.) (Engineering Technology Dept.)

Law (Business; Criminal Justice; Communication Studies, Theatre, and Humanities; English, Foreign Languages, Journalism; and Social Sciences Depts.)

Preprofessional programs in Dentistry, Journalism, Law, Medicine, Med-Tech, Physical Therapy, and Vet-Medicine may be found in the College of Liberal Arts and Sciences section of this catalog.

### ALLIED HEALTH PROGRAMS

Health Information Technology - specific information can be found in the Department of Nursing section of this catalog. *Health Information Technology courses are listed immediately after the Nursing classes in this catalog.* 

Physical Therapist Assistant - specific information can be found in the Department of Biology section of this catalog.

### ALLIED HEALTH COURSES

Waiving of any course prerequisites requires prior departmental authorization.

ALH 100 Emergency Medical Technology (9) (DD). Basic course designed to prepare persons for service with emergency medical units; emphasizes the techniques of emergency medical care and rescue operation.

ALH 106 Medical Terminology (2) F, Sp, Su. Medical terms with reference to human anatomy and disease processes for the paramedical professions.

**ALH 200 Mobile Emergency Medical Technology (16) (DD).** Advanced course for emergency medical service personnel; emphasizes knowledge and skills necessary for emergency care personnel to diagnose and treat acutely ill and seriously injured patients under the control and supervision of a licensed physician. Prerequisite: ALH 100 and consent of instructor.

ALH 352 Applied Nutrition (2) F, Sp. Principles of normal nutrition through the life cycle and the role of nutrition in health are considered. Nutrition therapy and its role in the prevention and management of disease are also examined. Prerequisite: BIO 250.

ALH 365 Special Needs of the Elderly (3) F (odd-numbered years). An overview of the special needs of the elderly population. Includes present concerns as well as identifying methods of improving life for the elderly in the future.

### PARAMEDIC TECHNOLOGY

MWSU offers the two-year Associate of Applied Science Degree in Paramedic Technology. Through the performance of patient assessments and provision of medical care, the Paramedic prevents and reduces mortality and morbidity due to illness and injury. Paramedics primarily provide care to emergency patients in an out-of-hospital setting. The goal of the program is to produce competent, entry level Paramedics to serve in career and volunteer positions. Upon successful program completion, the graduate becomes eligible to take the National Registry of EMT-P examination. Students must complete ALH 100 and be licensed as an EMT-A in the state of Missouri prior to formal admission to the program.

An Associate of Applied Science Degree in Paramedic Technology requires completion of General Studies and the following courses:

Requirem	ents
	101

quireme	ents		Credits
BIO	101	Principles of Biology	5
BIO	250	Anatomy and Physiology	5

For more information, contact the College of Professional Studies, 271-4207.

# Department of Business

Carol Roever, *Chairperson* roeverc@missouriwestern.edu <u>http://www.missouriwestern.edu/Business/</u> 271-4338

The Department of Business provides undergraduate majors with relevant business knowledge, critical thinking abilities, and professional skills through classroom and applied learning opportunities. By integrating applied learning into the curriculum, as well as supporting university graduate programs, we contribute to the leadership of Missouri Western State University as the New American Regional University serving a geographic region centered in St. Joseph, Missouri.

The Department of Business prepares professionally-oriented students for the future. To accomplish this, it offers baccalaureate and associate degrees that provide 1) basic skills in written and oral communication, mathematics, and computer usage, 2) broad perspectives on the world through general studies courses, and 3) knowledge of current business decision-making practices and strategic perspectives through major courses.

The most popular degree on campus, the Bachelor of Science in Business Administration (BSBA) graduates about 200 students per year. After graduation, these students use their knowledge and abilities to launch careers in a variety of industries. The education that students acquire in the department enables them to become promotable at their workplaces and to build a solid foundation for lifelong learning.

Business degree recipients learn in the classroom and beyond. A variety of extracurricular activities on campus and applied learning experiences off campus add significantly to the students' learning and enjoyment. These experiences complement the curriculum by providing important opportunities for students to develop interpersonal and leadership skills that will serve them throughout their lives.

The department offers a Bachelor of Science in Business Administration degree with majors in Accounting, Finance, Management, and Marketing. To graduate with a Business Administration degree, students must complete the university baccalaureate degree requirements, the courses listed for the Business Cores, and the courses listed for their major. Graduation requires a minimum grade point average of 2.0 overall, a minimum of 2.0 in the Cores and major courses, and no more than six hours of *D* in the Business Cores and majors courses.

Majors must take at least 18 of the 27 hours in their major beyond the Junior Core and 9 hours in the Senior Core at MWSU.

Business

## **Applied Learning**

Western's Business Department requires three credits of Applied Learning. These learning experiences occur outside of the classroom and further the students' knowledge of the workplace environment. The classes that will count as Applied Learning are ACC 375 Accounting Internship, GBA 370 plus 371 Global Viewpoint and Business Study/ Travel Experience, GBA 375 Business Internship, GBA 445 Business Practicum, GBA 480 Directed Student Research, and GBA 481 Workplace Research. Other course work that is to count as Applied Learning will require approval of the Department Chairperson. A maximum of six hours of the above course work (not including Global Viewpoint) may be counted as Business electives.

#### ADMISSION TO THE MAJOR

The Department of Business has adopted entrance requirements for the BSBA degree program to ensure that capable and committed students are placed in classes with their peers where they can learn together and from each other. Students desiring to major in business administration should declare their intent to the Department of Business by completing a pre-major form if their ACT composite is less than 21 or a major form if their composite is 21 or greater. At that time, students will be assigned a business advisor who can assist them in career planning and selection of a course of study. All students with an ACT composite score of at least 21 or equivalent will be admitted without review upon completion of an application for admission to the program. Students with an ACT composite score below that number must earn a grade point average of at least 2.50 as described below to be admitted.

To reach the required GPA of 2.50 for admission to the Department of Business, students must use the grades from:

- AČC 201 Introductory Financial Accounting
- ACC 202 Introductory Managerial Accounting
- ECO 260 Principles of Macroeconomics
- ECO 261 Principles of Microeconomics
- GBA 211 Business Law I
- GBA 210 Business Statistics I or MAT 132 Elementary Statistics
- GBA 220 Business Communication

Students may retake no more than two of the above seven courses to earn a 2.50 GPA.

Students who are denied acceptance may appeal in writing to the Assistant to the Department Chair. Applications for admittance should be submitted at least one week prior to attempting registration in courses restricted to majors. Applications of transfer students (upon their request) will be given a preliminary review before MWSU's pre- or regular registration sessions.

#### COURSE ADMISSION REQUIREMENTS

All business majors must satisfactorily complete MAT 112 (or 116, 130, 137, 147, 167) as part of the general studies requirement. Enrollment in most 300- or 400- level courses beyond the Junior Core requires admission to the business program and either completion of the Junior Core or completion of selected classes while concurrently enrolled in the last of the Junior Core courses.

## ASSOCIATE OF SCIENCE DEGREE REQUIREMENTS

The department offers an Associate of Science degree with a major in Business. Graduation with an A.S. with a major in Business requires the courses listed below be completed with a 2.0 GPA and no more than three credit hours of *D*. The major requirements for an Associate of Science Degree in Business follow:

			Credits
ENG	108	College Writing & Research	3
MAT	112	Finite Math (or 116, 130, 137, 147, 167)	3-5

#### DEPARTMENTAL MINORS

To graduate with a minor in Business, a student must have completed the requirements for a baccalaureate major and the general degree requirements of the University plus one of the sets of courses listed below. A minimum GPA of 2.00 and no more than three credit hours of *D* in the minor courses are required for the Finance and General Business minors. Only students with a major <u>outside</u> the Department of Business will be granted a minor in General Business. Only Accounting majors may minor in Finance. Any student may qualify for the International Studies minor.

#### **International Studies Minor**

The minor in International Studies is designed to give students exposure to international issues from different perspectives. With the growing globalization of business, governments, and recreation, it is almost certain that today's students will participate in international activities. This minor can help prepare them to maximize the benefit from those interactions. Students who take this minor must take 24 credits from the list below with at least 18 credits outside of their major <u>department</u> and no more than 18 credits from any one group.

#### **Semester Designation**

F -- the course is offered in the fall semester

Sp -- the course is offered in the spring semester

Su -- the course is offered in the summer semester

DD -- the course is offered at the discretion of the department

Waiving of any course prerequisites requires prior departmental authorization.

### ACCOUNTING COURSES

ACC 201 Introductory Financial Accounting (3) F, Sp, Su. An introduction to financial accounting for users of financial accounting information. Accounting's role in the business environment. Accounting information acquisition, processing, reporting, and interpretation. Income statements, balance sheets, statements of cash flow, and statements of stockholders' equity and their related accounts explained from an information content perspective. Prerequisite: General Studies Math. Business majors and minors should take MAT 112 or higher.

ACC 202 Introductory Managerial Accounting (3) F, Sp, Su. An introduction to managerial accounting for users of managerial accounting information. Managerial accounting's functions, uses, users, and behavioral implications. Cost accounting concepts and strategic cost management. Budgeting and profitability analysis. Responsibility accounting and performance assessment. Prerequisite: ACC 201.

ACC 330 Intermediate Accounting I (3) F. Analysis and interpretation of fundamental processes, assets, and equity values with related revenue and expense aspects. Prerequisites: Completion of Junior Core (or concurrent enrollment in any Junior Core courses not yet taken).

ACC 331 Intermediate Accounting II (3) Sp. Continuation of the critical study of balance sheet accounts and intensive analysis of financial statements. Prerequisites: ACC 330, completion of Junior Core, and admission to the business program.

ACC 332 Accounting Information Systems (3) Sp. A survey of computerized accounting systems design, including flowcharting. An analysis of internal controls over the computer process including administrative, operational, documentation, and security controls. This course also illustrates advanced computerized accounting techniques applicable to the financial, cost, and auditing areas. Prerequisites: ACC 330.

ACC 333 Cost Accounting (3) F, Sp. Cost accounting procedures with emphasis on the basic theory and procedures of allocating materials, labor, and manufacturing expenses in job order and process cost systems, including standard costing, variance analysis, and c-v-p analysis. Prerequisites: Completion of Junior Core (or concurrent enrollment in any Junior Core courses not yet taken).

ACC 336 Individual Income Tax (3) F. The basics of individual tax such as gross income, exclusions from income, standard and itemized deductions, personal and dependency exemptions. Specific deductions such as bad debts, casualty losses and depreciation. Includes topics such as alternative minimum tax and computerized tax research. Pre-requisites: Completion of Junior Core and admission to the business program.

ACC 375 Accounting Internship (1-6) F, Sp, Su. An academic course which offers accounting majors an opportunity to integrate theory with actual business practice. Students work full-time or part-time in an accounting-related position. Anticipated learning objectives are established in a contract agreed to by the student, the on-site supervisor, and the departmental internship coordinator. May be repeated for a total of 6 credits. Prerequisites: Junior status, completion of the Sophomore Core, an overall GPA of 2.5, and admission to the business program. ACC 432 Advanced Cost Accounting (3) (DD). Cost accounting as a tool for management in the decision-making process, including quantitative methods, such as linear programming, statistical analysis, quality control, PERT, and queuing, that relate to the total business structure. Prerequisites: ACC 333, completion of Junior Core, and admission to the business program.

ACC 433 Auditing (3) F, Sp. Verification of records, valuation and analysis of accounts, and presentation of conditions. Practical audit cases. Prerequisites: ACC 330 and either ACC 332 or MGT 418.

ACC 434 Advanced Auditing (3) (DD). Continuation of ACC 433, with emphasis on computer applications; not-for-profit organization audits will be examined. The course will be taught on an informal basis allowing the student to independently plan and administer an audit. Audit report writing will be studied. Prerequisites: ACC 433, completion of Junior Core, and admission to the business program.

ACC 435 Advanced Financial and Governmental Accounting (3) F. Accounting principles and procedures relating consolidated statements, partnerships, inflation, and other financial accounting topics. Principles of fund accounting budgeting, auditing and financial reporting in governmental and not-for-profit entities. Problems and case studies required with an emphasis in theory. Prerequisites: ACC 331, completion of Junior Core, and admission to the business program.

ACC 436 Advanced Income Tax (3) Sp. Advanced problems in corporate taxation including tax-free incorporations, treatment of distributions, liquidations, and reorganizations. Partnership issues including partnership formation, basis, distributions, and termination. Qualifications for and operations of S corporations. Wealth transfer taxes such as gift and inheritance taxes. Prerequisites: ACC 336, completion of Junior Core, and admission to the business program.

ACC 450 Independent Research/Project (1-4) F, Sp, Su. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisites: Completion of Junior Core, a minimum of a 2.5 GPA in the major field, admission to the business program, and departmental approval.

#### FINANCE COURSES

FIN 301 Financial Management (3) F, Sp, Su. Introduction to the issues which face the financial manager of a non-financial firm; discusses financial analysis, financial market instruments, profitablility, investment decisions, and capital budgeting. Prerequisite: Completion of Sophomore Core.

FIN 310 Investments (3) F, Sp. A course designed to help students plan and implement a personal investment plan. Topics will include setting investment goals, investing in securities such as stocks and bonds, mutual fund selection, and investing in tangible investments (including home purchases). Prerequisites: Completion of the Sophomore Core.

FIN 321 Financial Markets and Institutions (3) F. An analysis of the theories and practices of financial institutions. Consideration of the financial services industry as a group of risk management institutions. An examination of the relationship between financial institutions and the financial markets within which they operate. Prerequisite: Completion of Junior Core and admission to the business program.

FIN 401 Financial Management II (3) Sp. An extension of FIN 301. Financial analysis, capital budgeting, long-term financing, and mergers and acquisitions are considered at an advanced level. The impact of risk on the above topics will be analyzed. Prerequisites: Completion of Junior Core, and admission to the business program.

Business

FIN 410 Portfolio Management (3) (DD). An analytical and theoretical approach to security valuation concepts, portfolio analysis and management, and options and futures; discusses both traditional and technical techniques. Prerequisites: FIN 310, completion of the Junior Core, and admission to the business program.

**FIN 412 Futures and Options (3) Sp.** Comprehensive study of futures and options markets. History, function, mechanisms, trading techniques; and the use of these markets for price discovery, speculation, and risk avoidance (hedging) are included. Prerequisites: Completion of Junior Core, and admission to the business program.

FIN 431 International Financial Management (3) Sp. An extension of FIN 301. Methods of funds management, risk management, financing, and capital budgeting for operations outside the firm's home country. Techniques for addressing the impacts of currency differences and political risk. Prerequisites: Completion of Junior Core and admission to the business program.

#### GENERAL BUSINESS COURSES

**GBA 110 Introduction to Business (3) F, Sp.** A general survey of business organizations and their activities including accounting, economics, finance, management, and marketing. Content delivery format is designed to introduce students to the basic study skills, writing requirements, testing methods, and information sources most relevant to a business education. RESTRICTION: Course admission will be limited to students with fewer than 24 hours of college credit including those in progress.

**GBA 210 Business Statistics I (3) F, Sp, Su.** Basic course for students in business; data collection and tabulation, graphic representation, measures of central tendency and dispersion, probability, types of distributions, sampling estimation, hypothesis testing, simple linear regression and correlation. Concentration is on interpretation. Course includes microcomputer application. Prerequisite: MAT 112 or higher.

**GBA 211 Business Law I (3) F, Sp.** Introduction to the legal environment of business. Examines the constitutional and historical foundations of the American legal system; emphasizes contracts, personal property, bailments, and sales. Prerequisite: ENG 104.

**GBA 220 Business Communication (3) F, Sp, Su**. Designed to meet the needs of business for better written and oral communications. Covers principles of research, organization, and presentation of written memoranda, letters, and reports. Oral presentations help develop necessary skills required in a business environment. Prerequisite: COM 104 and ENG 108 or 112.

**GBA 283 Introduction to Research Methods in Business (1-2) (DD).** Introduction to basic research in business. Individual and team projects involving methods for solving business-related research problems. Prerequisite: Consent of the department.

**GBA 310 Business Statistics II (3) F, Sp.** A brief review of Business Statistics I followed by theoretical analysis and business applications of the basic multiple regression model, advanced topics in regression analysis, analysis of variance, and selected topics in nonparametric statistics. Prerequisite: Completion of the Sophomore Core.

**GBA 311 Business Law II (3) F, Sp.** A continuation of GBA 211 with emphasis on negotiable instruments and security devices under the Uniform Commercial Code; discusses partnerships, corporations, and other related areas. Prerequisite: Completion of 48 credit hours, the General Studies Category One - Basic Skills courses, and GBA 211. **GBA 370 Global Viewpoint (3) Sp (odd-numbered years).** The study of national and international business topics as well as the history and performance of selected companies. This is done in preparation for travel to cities in the U.S. and abroad. Students attend seminars presented by company officials. Locations, companies and topics vary by trip. May be repeated once to a different geographic location. Students must enroll in GBA 371 for the travel experience. Only students taking both GBA 370 and 371 will receive applied learning credit. Prerequisite: Completion of the Junior Core and admission to the business program.

**GBA 371 Business Study/Travel Experience (1) Su (odd-numbered years).** A continuation of GBA 370. Travel to distant locations to attend seminars presented by company and/or governmental officials from the host location on topics of business issues and practices. This course must accompany GBA 370 to receive applied learning credit. Prerequisites: GBA 370 and departmental approval.

**GBA 375 Business Internship (1-6) F, Sp, Su.** An academic program which offers business majors an opportunity to integrate theory with actual business practice. Students work full-time or part-time in a position related to their major. Anticipated learning objectives are established in a contract agreed to by the student, the on-site supervisor, and the departmental internship coordinator. May be repeated for a total of 6 credits. Prerequisites: Completion of 48 credit hours with Junior Status, completion of the Sophomore Core, anoverall GPA of 2.5, and admission to the business program.

**GBA 445 Business Practicum (3) F, Sp.** The application of business concepts and theories to the problems of regional businesses. Faculty supervision of student problem-solving teams. Repeatable once for credit. Prerequisite: Completion of Junior Core and admission to the business program.

**GBA 447 Employment Law (3)** F. Examination of employment and labor laws including ADA, EEOA, Gender, Age, Race, National Origin, Worker's Compensation, Affirmative Action, Wage-Hour Law, and Privacy Legislation. Prerequisite: MGT 341 and completion of Junior Core.

**GBA 480 Directed Student Research (1-5) F, Sp,Su.** Research on selected topics or problems on a conference basis. Prerequisite: Departmental approval required.

**GBA 481 Workplace Research (3) F, Sp.** Research conducted at the student's workplace under the joint direction of a faculty member and a supervisor/superior. Prerequisite: Completion of 90 credit hours including the Junior Core. Departmental approval required.

#### MANAGEMENT COURSES

MGT 201 Microcomputer Applications (3) F, Sp. Applications of productivity software such as Microsoft Office® Word, Excel, Access, and PowerPoint for careers, school, and home. Impact of technology on society by computer information systems, networks, e-commerce, and the Internet is included. Previous computer experience recommended.

MGT 305 Management of Organizations (3) F, Sp, Su. An introductory study of organizations and their management stressing methods of planning, organizing, leading, and controlling. Examines the impacts of organizations' legal and social environments, leadership, motivation, communication, and structure on organizational outcomes. Prerequisites: Completion of 45 credit hours including the General Studies Category One - Basic Skills courses.

**MGT 310 Agribusiness (3) (DD).** An analysis of profitability, marketing, and risk management of agricultural enterprises with particular emphasis on Midwestern interrelationship between farm production, processing, and food distribution. Trends in growth, integration, and hedging are examined in some detail.

Business

MGT 341 Human Resources Management (3) F, Sp. Policies and practices in personnel management, such as job analysis, selection of employees, placement, training, employee services, and industrial relations. Prerequisites: Completion of ACC 201, ECO 261, GBA 211, MGT 305, and GBA 210 or PSY 300.

MGT 401 Organizational Behavior, Leadership and Change (3) F, Sp. A continuation of MGT 301. Examines the impacts of individual behavior, group behavior, and organizational systems. Studies the relationship between individuals, values, emotions, perceptions, and personality on workplace behavior and productivity. Reviews the effectiveness of alternative forms of motivation, leadership, power, and politics on organizational success. Prerequisites: Completion of Junior Core and admission to the business program.

**MGT 402 Entrepreneurship (3) F, Sp.** The problems, opportunities, and methods of beginning a new business or new type of business. Examines the special needs of entrepreneurs regarding forecasting and planning, venture capital, trade finance, marketing, staffing, budgeting and cost control, and operations. Prerequisites: Completion of Junior Core and admission to the business program.

MGT 416 Production and Operations Management (3) F, Sp. Key management issues in the operations of service and manufacturing firms. Analytical methods are studied for optimization of decision-making in inventory control, planning and scheduling, material requirement planning (MRP), just-in-time (JIT), project management, quality control, etc. Prerequisites: Completion of the Junior Core and admission to the business program.

**MGT 418 Management Information Systems (3) F, Sp.** A comprehensive view of organizations' information requirements and the role of computer information systems in gathering and producing information. Concepts of data resource management, assessing developments in information technology, and information systems impact on organizations. Problems and techniques concerning the development and installation of responsive systems with special attention to managers use of system outputs. Prerequisites: Completion of Junior Core and admission to the business program.

MGT 419 Strategic Management (3) F, Sp, Su. Examines strategic responses to problems and opportunities facing businesses in a changing global environment. Significant writing and speaking requirements. Prerequisite: Completion of the Junior Core, completion of 90 credit hours, and admission to the business program.

MGT 425 International Management (3) F, Sp, Su. The international dimensions of management with emphasis on the environmental, organizational, and cultural challenges to businesses operating on a global stage. Prerequisite: Completion of the Junior Core (or MGT 305 plus concurrent enrollment in any Junior Core courses not yet taken), and admission to the business program.

MGT 431 Management Science (3) (DD). Introduces the quantitative models that support decision making in business administration. Examples of those models are linear programming, integer programming, transportation/assignment, networks, queuing theory, simulation and inventory control. This course focuses on formulating business problems into appropriate quantitative models, solving the models by using computer software and interpreting the results from the managerial point of view. Prerequisites: Completion of Junior Core and admission to the business program.

MGT 444 Organizational Staffing, Training and Safety (3) (DD). This course is grounded in the comprehensive staffing model which focuses on the key components of staffing, external influences affecting staffing decisions and processes, and staffing systems management. Studies cover staffing strategies and planning, job analysis, measurement, external and internal recruitment, testing, selection, training, development, employee health and safety, and OSHA regulations. Prerequisites: Completion of Junior Core, MGT 341, and admission to the business program. MGT 445 Compensation and Benefits Management (3) (DD). The most common types of benefit coverage for employees, the components of total reward and compensation systems, total benefits costs analysis, cafeteria plans, the U.S. Social Security system, and ERISA. Prerequisites: Completion of Junior Core, MGT 341, and admission to the business program.

## MARKETING COURSES

MKT 301 Principles of Marketing (3) F, Sp. Basic course defining marketing and its place within societies. Introduces the marketing concept, the marketing mix, and the marketing components of product, promotion, place, and price. Prerequisite: Completion of 45 credit hours including the General Studies Category One - Basic Skills courses.

MKT 311 Consumer Behavior (3) F, Sp. Considers the consumer's decision process as well as the effects of both internal and external factors upon consumer purchasing behavior. The course emphasizes the application of consumer behavior theory to the development of viable marketing strategies. Completion of General Psychology is recommended prior to taking Consumer Behavior. Prerequisite: Completion of Junior Core (or MKT 301 and concurrent enrollment in any Junior Core courses not yet taken).

MKT 351 Professional Selling and Sales Management (3) F, Sp. An approach to professional selling that emphasizes the partnering aspects of relationship marketing. Includes the strategic planning of sales within a larger account strategy and managing a long-lasting relationship with the customer. The course includes aspects of sales management such as sales force motivation, monitoring and control, target setting, and selling in both consumer and business to business environments. Prerequisite: Completion of the Junior Core (or MKT 301 and concurrent enrollment in any Junior Core courses not yet taken).

MKT 381 Advertising and Promotion (3) F, Sp. The promotion mix: advertising, publicity, sales promotion, and personal selling. Analyzes the management and application of promotional strategies. Prerequisite: Completion of Junior Core and admission to the business program.

MKT 401 Marketing Research (3) F, Sp. Application of scientific research techniques and statistical analyses of information (data) relative to sound marketing management decision-making. Prerequisites: MKT 311, Completion of Junior Core, and admission to the business program.

MKT 431 Retail Management (3) (DD). A strategic approach to retailing which concentrates on planning, implementing, and controlling such retail variables as location, personnel, merchandise, communication, price, and the strategic methods of accomplishing specific objectives. Prerequisites: Completion of Junior Core and admission to the business program.

MKT 451 International Marketing and Trade (3) F, Sp. Applies marketing mix variables to the multinational market. Considers differences in cultural, legal, language, and other environmental factors. The course also familiarizes students with commercial practices in international trade. These include different methods of payment, exchange risk coverage, customs practices, and the use of foreign trade zones. Organizational strategies to enter foreign markets such as joint ventures, foreign subsidiaries, franchising and international tendering through joint bids are also covered. Prerequisite: Completion of Junior Core and admission to the business program.

**MKT 481 Marketing Management (3) F, Sp.** Students integrate all elements of the marketing program to make decisions in actual business situations. The objectives of this course are for students to develop an ability to employ strategic analysis tools and refine problem-solving and decision-making skills. Prerequisites: Completion of Junior Core, MKT 401, and admission to the business program.

## **Department of Criminal Justice and Legal Studies**

David Tushaus, *Chairperson* tushaus@missouriwestern.edu http://www.missouriwestern.edu/CJ\_LS/

271-5627

The Department of Criminal Justice and Legal Studies offers students the option of studying in two separate degree programs: Criminal Justice and Legal Studies.

Students interested in the area of law enforcement, corrections, juvenile delinquency and criminal justice administration may pursue one of two degree options available in the Criminal Justice Program: (1) An associate of science degree with a major in criminal justice or (2) A bachelor of science degree with a major in criminal justice with a concentration in administration, law enforcement, juvenile delinquency, corrections, or legal studies.

Students interested in working in the legal profession may major in the Legal Assistant Program. Missouri Western's Legal Assistant Program is a voting member of the American Association for Paralegal Education. In addition, the Program is approved by the American Bar Association. In the Program, students may pursue a course of study leading to an associate of science degree with a major in legal assistant, a certificate, or a B.S. Degree in Criminal Justice with aa concentration in Legal Studies.

#### CRIMINAL JUSTICE

The Criminal Justice Program offers two separate degrees and a minor.

- Bachelor of Science. Offered with a major in criminal justice.
- Associate of Science. Offered with a major in criminal justice.

The criminal justice program seeks to prepare the student for entry into or advancement within the criminal justice system in any of the many areas existing within the career field. Such areas include:

- Juvenile justice agencies: Most juvenile justice agencies presently require a degree in a related area.
- Investigative agencies: Federal, state, county and local agencies, including private investigative agencies.
- Conservation agencies: These agencies enforce wildlife regulations.
- Correctional agencies: Institutions and probation/parole systems within federal, state and county governmental levels.
- Industrial security: Corporate interests nationwide.
- Legal profession: Corporate, private, government agency, and public interest law offices.

## Admission Requirements for Criminal Justice Majors

Students desiring to major in criminal justice should declare their interest to the Department of Criminal Justice and Legal Studies, so that they may be assigned an advisor within the department. Applications for the B.S. degree in criminal justice will be reviewed upon submission to their advisor. The faculty advisor will review the student's eligibility to file a B.S. degree in criminal justice with their chosen concentration. A student must either have an ACT composite score of 18 or higher OR have completed an A.A. degree or an A.S./A.A. degree prior to admission into the B.S. program for criminal justice. A student must also have earned an overall grade point average of 2.0 or higher to be admitted and allowed to file a major/minor form for the B.S. program.

85

Students with an ACT composite score below 18 who have not completed an A.A. or A.S. degree may seek admission upon demonstration of their likelihood of success in a B.S. degree. These students must have aan overall grade point average of 2.0 or higher. In addition, students must have successfully completed at least five classes in the intended criminal justice major, with at least a 2.50 GPA composite in the five courses. Approval of the department chair is required.

If the student meets the criteria, the advisor will sign both the application and major/minor form and then forward them to the chairperson for review. The major/minor form can then be filed with the Registrar. If admission requirements are *not* met for the B.S. degree in criminal justice, the student will be encouraged to declare a major in the A.S. degree in criminal justice or legal assistant, working towards admission requirements for the B.S. degree in criminal justice.

## **Bachelor of Science Degree Requirements**

The Bachelor of Science degree with a major in Criminal Justice consists of 45 credits from the Core and a concentration area of 15-21 credits in either Law Enforcement, Corrections, Juvenile Delinquency, Administration or Legal Studies. A maximum of 15 credits in LAW 290, 420, 480 and/or 490 will be allowed for the degree.

To graduate with a degree in criminal justice, a major must have a minimum 2.00 GPA in credits comprising the core and concentration. In addition, no more than six hours of *D* will be accepted in courses constituting the core and the concentration for either an A.A. or A.A. / A.S. in criminal justice or legal assistant or a B.S. degree in criminal justice. No transfer courses with a grade below *C* will be accepted for equivalent course credit in the criminal justice major or minor programs, as well as those for legal assistant.

#### Minor in Childhood Studies

Missouri Western State University offers an interdisciplinary minor in Childhood Studies. This minor is intended for those students who have child-related emphases in their major disciplines, such as juvenile delinquency, child psychology, or pediatrics or for those who simply wish to learn more about the subject of childhood. The minor will also provide a foundation of study for those students who intend to go on to professional or graduate school in order to study in child-related areas. This minor does not provide students with certification to teach in the state of Missouri.

Students must successfully complete at least eighteen hours from the following list of classes. To insure that the minor is a truly interdisciplinary experience, at least three disciplines must be represented with no more than nine hours coming from any one discipline:

		- Cr	edits
EDU	315	Psychology and Education of the Exceptional Child	2
		(Declared Childhood Studies minors are exempt from	
		EED 303 and EED 304 as prerequisites for this course.)	
EDU	419	Utilizing Family and Community Resources for Early	2
14 T	· :.*	Childhood Education (Declared Childhood Studies minors

		academic department. May be repeated for credit.	1-3
*Relev	ant Spe	cial Topics Course offered through any academic department.	
		May be repeated for credit.	1-3
*Relev	ant Ind	ependent Study arranged with any full-time faculty member.	1.0
		May be repeated for credit.	1-3

\*Only three credit hours of any one internship (including student teaching), special topics course, or independent study maybe applied to the minor.

Each student interested in this minor should discuss with his or her major academic advisor which courses best fit that student's discipline and concentration area as well as which general studies courses need to be chosen to satisfy prerequisites. Students enrolled in the Minor in Childhood Studies will also be assigned an advisor from the Childhood Studies Committee. Programs of study shall be kept on file by the Director of Childhood Studies.

## **LEGAL STUDIES**

The Legal Studies Program offers a course of study designed to prepare the individual to work in the new and evolving paralegal profession. A student in this program will be taught the skills needed to obtain an entry level position as a legal assistant. The skills the student will learn include legal research, interviewing, investigation, legal drafting, preparation of evidence and witnesses for trial, and assisting in the trial of a lawsuit.

This program prepares individuals for career opportunities in small law firms, large law firms of fifty attorneys or more, legal departments of banks, insurance companies, land title insurance companies and other corporations, legal aid offices, public defender offices, the office of the prosecuting attorney, and municipal legal departments.

Paralegals cannot practice law. Only attorneys, who are licensed in the state by the Supreme Court, can practice law.

To graduate from the program students must:

- Satisfactorily complete all courses required in the program;
- Perform legal research and analysis by using legal research material;
- Draft and prepare legal documents;
- Identify and explain the various functions performed by a legal assistant;
- Explain the role of the legal assistant working in a law office;
- Identify ethical issues, rules and standards that a legal assistant must follow when working under an attorney's supervision (a legal assistant's conduct is expected to conform to these ethical standards); and
- Perform the functions of a legal assistant under the supervision of a practicing attorney.

#### Associate of Science Degree Requirements: Legal Assistant

The Associate of Science degree with a major in Legal Assistant is designed to provide those individuals who have little or no background or training in law with the skills necessary to work in a law office as an assistant to an attorney.

## Legal Assistant Certificate

The specialized Legal Assistant Certificate program enables students to focus on the technical, legal specialty courses that will enable them to work as legal assistants. The program is designed for the student who has already earned a substantial number of college credits, or even a college degree, and by reason of education and experience, only needs selected courses to round out her/his education.

#### **Entrance Requirements**

Students must have earned at least 30 college credits prior to enrolling in the program. Eighteen of these hours must be general education elective credits. General education is defined as post-secondary courses in the following areas: 1) language and composition, 2) mathematics, 3) social and behavioral sciences, 4) physical and biological sciences, and 5) theater and humanities. This must include ENG 104 and ENG 108 (or their equivalents or otherwise demonstrate a proficiency in English).

To earn a Legal Assistant Certificate, the student must complete the following requirements:

- Complete all core requirements (24 credits);
- 2. Complete at least 3 restricted electives (9 credits); and
- 3. Maintain a grade-point average of 2.5 or higher.

#### Semester Designation

F -- the course is offered in the fall semester

Sp -- the course is offered in the spring semester

Su -- the course is offered in the summer semester

DD -- the course is offered at the discretion of the department

### CRIMINAL JUSTICE COURSES

Waiving of any course prerequisites requires prior departmental authorization.

LAW 100 Introduction to Criminal Justice (3) F, Sp, Su. A survey of the philosophical and historical background of the criminal justice system as it relates to the individual; reviews the principles underlying social organization control devices with an emphasis upon such legal systems as the criminal courts, corrections, and law enforcement; designed to provide general knowledge about the concept and causes of crime, the varying goals and objectives of the criminal justice system, and an assessment of specific role performance of various members of the criminal justice system including major aspects of civil process.

LAW 110 Juvenile Delinquency (3) F, Sp, Su. Studies the delinquent juvenile as an individual and the impact on society; investigates delinquency, causation, the role of the law enforcement officer, the juvenile officer, the juvenile court, and juvenile corrections.

LAW 130 Modern Police Procedures (3) F, Sp. Examines issues critical to the policing of today's society. Although the primary focus will be on problems faced by street officers, the philosophical concepts will be of concern to anyone in the criminal justice system.

LAW 140 Traffic Control and Accident Investigation (3) F, Sp. Introduction to traffic control and accident investigation in modern cities; reviews principles of organizing and administering police units for trafficenforcement, accident prevention, and safety education; presents basic techniques of accident investigation, analysis, and interpretation.

LAW 200 Penology and Corrections (3) F, Sp. The origins and theories of punishment and the prison system; introduces principles and programs of institutional correction and special problems in administration; reviews modern recommendations for improvement of the system. Prerequisite: 6 credits in criminal justice.

Crim. Just. & Legal Studies

LAW 255 Computer Applications in Criminal Justice (3) F, Sp. This course provides a broad-based approach to computing in criminal justice including the fundamentals as well as the operational principles needed for using a computer effectively. The use and application of computers in criminal justice to include: writing and documentation, record maintenance and retrieval, investigative support, management tools and the utilization of Internet. Fundamental concepts and a review of MS-DOS, word processing spreadsheets and criminal justice information systems will be demonstrated. Prerequisite: Prior experience with computers is required. CSC 201 is recommended for students without prior experience with computers, including word processing techniques, the Internet, and e-mail.

LAW 260 Criminal Law (3) F, Sp, Su. Explores the origin, development, and classification of substantive criminal law; reviews the rules of evidence of particular importance at the operational level of law enforcement and criminal procedures in arrest, force, search, and seizure. Prerequisite: 9 credits in criminal justice.

LAW 270 Probation and Parole (3) F, Sp. Examines probation, parole and alternatives to confinement and their effectiveness in curbing future criminal behavior. Prerequisite: LAW 200.

**LAW 275 Police Photography (2) F, Sp.** To introduce students to the principles and practices of police photography. They will learn the legal issues for the development of evidence and the way photography is used in the field of criminal justice. Prerequisite: 6 hours credit in Criminal Justice or Legal Studies, or permission of the instructor.

**LAW 280 Criminalistics (5) F, Sp.** Introductory survey of modern methodology for police laboratories and introduces the means of achieving high degrees of proficiency in the field of scientific criminal inquiries with the use of laboratory equipment. This will allow the student the opportunity to have actual experience in utilizing the techniques performed in the forensic laboratory. Prerequisite: 9 credits in criminal justice.

LAW 283 Introduction to Research Methods in Criminal Justice/Legal Studies (1-2) (DD). Introduction to basic research in criminal justice or legal studies. Individual and team projects involving methods for solving criminal justice or legal studies-related research problems. Prerequisite: Consent of the department.

**LAW 290 Practicum I (3) F, Sp, Su.** An applied learning experience designed to provide students with a practical experience that is supervised in a criminal justice or legal agency, monitored by the instructor. The student will be required to work at least 135 hours in the field. The experience in the filed must be combined with further study of one aspect of the placement agency, which the student must research and write about in a term paper due at the end of the semester. Prerequisite: 9 credits in criminal justice or legal studies, and completed major/minor form on file with the department.

**LAW 300 Criminal Justice Communications (3) F, Sp, Su.** The study of interviewing and interrogation as an oral form of communication; the legal guidelines, and the techniques used in the field of Criminal Justice. The development of technical writing skills to transfer oral communications into written materials, in the form of narrative reports to be used in the Criminal Justice field. Prerequisites: ENG 104 and COM 104.

**LAW 310 Criminal Investigation (3) F, Sp, Su.** A course on modern investigative methodology. All aspects of the criminal investigative function of the police are fully covered from the preliminary investigation to the preparation of the case for review by the prosecutor. Particular attention is given to the importance of information, interrogation, and instrumentation in the solution and preparation of criminal cases for trial. Prerequisite: 9 credits in Criminal Justice or Legal Studies.

LAW 315 Criminal Justice Concepts and Issues (3) F, Sp. To give students an opportunity to investigate selected problems or topics on a group discussion basis. To provide materials which reflect prevailing trends and fundamental concepts in criminal justice. Prerequisite: 9 credits in Criminal Justice.

LAW 320 Criminal Evidence (3) F, Sp, Su. Comprehensive study of evidentiary rules and procedures that apply to the enforcement of criminal law and to the stages of investigation and trial. Prerequisite: 9 credits in criminal justice.

LAW 380 Research Methods (3) F, Sp. Covers the tools, methods, and theories of research in the criminal justice and legal studies fields. Students will develop an understanding of the process of research in collecting and analyzing data, and reporting their findings. Through the course, the student will develop a research proposal using the methods of research studied. Prerequisites: A completed major/minor form on file with the department, LAW 255 or LAT 250 and general studies math requirement.

LAW 392 Selected Criminal Justice Topics (1-3) DD. Provides students with the opportunity to examine specialized or advanced topics in criminal justice. Topics will be offered on a rotating basis. These topics will usually be an in-depth examination of a subject introduced in other LAW courses. There may be an applied learning experience with this course, such as a trip or other related activity.

LAW 410 Intermediate Criminal Law (3) F, Sp. Explores criminal law and examines court decisions as they pertain to functional law enforcement procedures. Prepares the individual to maintain professional skill levels in this area over an extended period of time. Prerequisite: LAW 260.

LAW 420 Senior Research (3) F, Sp, Su. Research of a selected problem in the area of Criminal Justice or Legal Studies that has been approved by the faculty member instructing the course. This is open only to juniors and seniors. Prerequisite: LAW 380, a completed major/minor in Criminal Justice or Legal Studies, a minimum 2.0 GPA overall, and consent of academic advisor before registration.

LAW 430 Corrections Management (3) F. Examines administrative, managerial, legal and design issues of the modern American prison as they relate to the inmate subculture. Prerequisite: LAW 200.

LAW 440 Juvenile Law and Procedures (3) F, Sp. The jurisdiction of juvenile courts; their function and organization; processing the detention of juveniles; case disposition; juvenile statutes; and court procedures. Prerequisite: LAW 110.

LAW 450 Independent Research/Project (1-3) F, Sp, Su. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of the major-minor declaration in criminal justice, a minimum of a 2.5 GPA in the major field, and departmental approval.

LAW 460 Administration and Planning (3) F, Sp. Analysis of organizational structures and management techniques of police and criminal justice agencies. Emphasis will be placed on organizational management as it applies to supervisory and administrative personnel. In addition, the concepts of program planning, development, and integration will be discussed. Prerequisite: 9 credits in criminal justice.

LAW 470 Senior Seminar (3) F, Sp. Designed for seniors majoring in criminal justice or legal studies; presents selected topics for group discussion, guest speakers, and the exploration of career options. This course should be taken during the student's senior year. Prerequisite: Completed major form with the department and senior status with completion of 36 hours.

**LAW 480 Internship (1-6) F, Sp, Su.** Applies Criminal Justice and Legal Studies theory and skills to an actual work situation in a criminal justice or legal agency. Prerequisite: junior or senior status, major/minor on file with the department, 2.0 overall GPA and a 2.5 GPA in his/her program.(One credit hour = 3 hours per week for 45 hours for the semester, 2 credit hours = 6 hours per week for 90 hours for the semester, etc., up to 6 credit hours for 270 hours for the semester.)

LAW 490 Practicum II (6) F, Sp, Su. Field experience under the supervision of the instructor in a criminal justice or legal agency. This course combines the experience of the field with further study of one aspect of their placement agency submitted in the form of a term paper at the conclusion of the semester. Approval must be made with academic advisor before enrollment in the course. Prerequisite: senior status and a completed major/minor form on file with the department.

#### LEGAL ASSISTANT COURSES

Waiving of any course prerequistes requires prior departmental authorization.

LAT 101 Introduction to Law (3) F, Sp, Su. Examines: the American legal system; the nature and functions of civil law; the function and structure of the state and federal court system and administrative agencies. The course also presents an overview of the trial of a civil lawsuit and a survey of the major areas of civil law.

LAT 115 Paralegal Studies (3) F, Sp. Examines the role of the legal assistant in the practice of law. The course will identify paralegal functions, types of employment for paralegals, the structure of a law office and law office systems. The course will examine issues regarding paralegal education, licensing of paralegals, paralegal professional ethics, and the unauthorized practice of law. Prerequisite: LAT 101 (can be taken concurrently with LAT 101.)

LAT 220 Legal Research (3) F, Sp. Students examine the components of a law library. Through research projects and assignments, students gain experience working with legal reference material including statutes, cases, regulations and annotated summaries of law. Methods of legal writing and citation style are introduced. Prerequisite: LAT 101 (can be taken concurrently).

LAT 225 Litigation (3) F, Sp. Examines the procedures involved in a law suit. Subjects covered include: civil court procedures, types of law suits, pleadings, pretrial preparation, trial and post-trial procedures. The course will emphasize the role of the various people involved in this process. Prerequisite: LAT 220.

LAT 230 Real Property (3) Sp. Presents the major legal concepts associated with the law of real property and real estate transactions. Emphasis on the historical common law concepts of property; present statutory structure; and common practices in the conveyance and ownership of real estate.

LAT 250 Legal Computer Applications (3) F, Sp. Examination of legal applications of computer technology. Students will examine the use of electronic resources to access, acquire, create and provide information electronically. The course will use commercial and non-commercial sources of information, software, and governmental/public domain material (statutes, regulations, cases). Students will learn to use personal computers for communication and to explore the Internet, Westlaw, Lexis, and other electronic sources. Prerequisite: Prior experience with computers is required. Prior computer knowledge or course work is recommended for students, including word processing techniques, the Internet, and e-mail.

LAT 310 Legal Drafting (3) F, Sp. Technical skill course where students will learn the fundamentals of drafting legal documents in areas of Property, Torts, Business Organizations, Domestic Relations, and Contracts. Prerequisite: LAT 225.

LAT 320 Tort Law (3) F. Studies the law in the areas of personal injury, malpractice and products liability law. Emphasis on the origin of these actions, the present state of the law, and the future in "Tort Reform" and Alternative Dispute Resolution. Prerequisite: LAT 101.

LAT 330 Alternative Dispute Resolutions (3) Sp. Examines non-litigation forms of resolving legal disputes. Emphasis will be placed on Negotiation, Mediation and Arbitration. Prerequisite: LAT 101.

LAT 335 Introduction to Mediation (3) F, Sp. In-depth examination of the mediation process. Students will learn methods to promote settlement in disputes.

LAT 340 Current Legal Issues (1-3) DD. This course focuses on current issues in the law and the institutions responsible for the creation and execution of the law (i.e., the judicial branch, the legislative branch and/or the executive branch). Content of the course varies from year to year, but includes an applied learning experience such as a visit to Washington D.C. or other appropriate destinations. Prerequisite: Completion of 45 credit hours or permission of the instructor.

LAT 350 Civil Rights Law (3) F, Sp. Substantive law course examining actions brought by individuals who claim that their rights, under the United States Constitution, have been violated. Course will cover 42 U.S.C. Section 1983, Writ of Habeas Corpus, and actions brought directly under the United States Constitution. Prerequisite: LAT 101.

LAT 360 Probate Law (3) F. Studies the origins and the present legal framework for the law of inheritance, guardianship / conservatorship, and trusts. Includes general principles of law, terminology, and theoretical basis of Probate. Prerequisite: LAT 101.

LAT 370 Domestic Relations (3) F, Sp. Studies the law and court procedures concerning family relations. Emphasis will be on marriage and its validity, divorce, legal separation, child custody and visitation, child support and maintenance, guardianship, paternity, adoption and the Family Court. Students will research and write about issues concerning family law. Prerequisite: LAT 101.

LAT 400 Advanced Legal Research (3) F, Sp. Students will integrate the use of the law library and computer legal research tools to develop advanced legal research and writing skills. Legal research and writing exercises will be used to prepare students to perform these more advanced tasks in a law office environment or in post-graduate work. Methods of legal writing and citation will be addressed as well. Prerequisite: LAT 220 and LAT 250.

LAT 492 Selected Legal Topics (1-3) F, Sp. Provides students with the opportunity to examine specialized or advanced topics of law. Topics will be offered on a rotating basis. These topics will usually be an in-depth examination of a subject introduced in other LAT courses.

# **Department of Education**

Dr. Richard Porr, Chairperson porr@missouriwestern.edu http://www.missouriwestern.edu/Education/ 271-4332

Education

## BECOMING A TEACHER LEADER: TAKING RESPONSIBILITY FOR STUDENT LEARNING

The Department of Education is concerned with the total process of helping individuals become teachers. Students who wish to become elementary or secondary teachers learn to understand and utilize the principles of learning, human growth, and development, and interpersonal relationships. The department also provides specialized educational experiences in participating elementary, middle and secondary schools under the supervision of experienced teachers. The professional training of a prospective teacher is normally scheduled throughout the sophomore, junior, and senior years, culminating with a final professional semester. The four-phase professional education sequence complements a broad education curriculum. A sound command of a major teaching field is integrated throughout the student's four-year program. The Missouri Western State University Teacher Education Program is accredited by the National Council for Accreditation of Teacher Education (NCATE) and approved by the Missouri Department of Elementary and Secondary Education (DESE). The Department of Education offers a major in Elementary Education for the degree of Bachelor of Science in Education. The Bachelor of Science in Education with concentration in secondary education is offered in conjunction with other departments. All degree programs satisfy the appropriate requirements for teacher certification as established by the Missouri Department of Elementary and Secondary Education. To be certified to teach, students must fulfill all degree requirements, achieve a passing score on the PRAXIS II as mandated by the Missouri Department of Elementary and Secondary Education, and according to section 168.031 of the Missouri School Laws, present evidence of good moral character.

In accordance with Title II of the 1998 Higher Education Act, MWSU can provide the following information about the teacher education program:

- Program information: Number of students, amount of required supervised practice teaching, and the student-faculty ratio in supervised practice teaching;
- Quality indicators: Performance of students completing the program on initial state licensing and certification assessments in the area of specialization and comparison of quality indicators with other programs in the state;
- State designation: Whether the program has been designated as "low-performing".

For additional or updated information, please refer to the MWSU website.

#### ADMISSION REQUIREMENTS

Admission to teacher education is dependent upon Application for Admission made in the Education Department and meeting the criteria listed below. Until official acceptance, students may apply to be *pre-majors* in Elementary Education or in their secondary discipline.

Admission criteria are:

- ACT composite score of 22 or higher or an SAT combined score of 1030 or higher (920 if taken before April 1995);
- b. C-BASE passing score on each subtest (as noted on score report); and
- c. Overall GPA of 2.5 and satisfactory completion of EDU or EDU 202/203.

Alternate criteria, also acceptable for admission, would be:

- a. ACT composite score on file at MWSU;
- b. C-BASE with no score lower than 265 (66 percentile) for each subtest; and
- c. Overall GPA of 2.5 and satisfactory completion of EDU or EDU 202/203.

The Department of Education has established means for recruitment of historically underserved populations in response to accreditation guidelines from the National Council for Accreditation of Teacher Education (NCATE) and Policy and Goal Proposals from the Coordinating Board's Task Force on Critical Choices for Higher Education.

Interested students should contact the chairperson of the Department of Education Teacher Admission and Retention Committee (TEARC) to obtain information about procedures and dates for applying via the alternative admissions process to be admitted to the education program.

## CERTIFICATION REQUIREMENTS

Upon completion of the following academic requirements the student will be eligible for a State of Missouri Teaching Certificate (Professional Certificate I) and will be prepared for employment or for graduate study in education or related fields.

- 1. Minimum grade of C in student teaching. Note that admission to student teaching requires a GPA of 2.5 or above in the major with no grade lower than a C in any of the required major courses, any required Education courses, and/ or required courses in areas of concentration.
- 2. Completion of degree requirements with a minimum GPA of 2.5.
- 3. Passing score on the PRAXIS II Examination.

In addition to academic credentials, certification requires appropriate professional conduct, background checks, and fingerprinting. Missouri Law 168.071.1 states, "The State Board of Education may refuse to issue or renew, or may, upon hearing, suspend or revoke a certificate of license to teach (upon conviction of a felony or crime involving moral turpitude by any certificate holder, including any such person employed by a non-public school) if a certificate holder or applicant for a certificate has pleaded or been found guilty of a felony or crime involving moral turpitude under the laws of this State or any State or of the United States, or any other country, whether or not the sentence is imposed." A person fulfilling degree requirements may be eligible to graduate from Missouri Western State University with or without teacher certification.

#### **ELEMENTARY EDUCATION**

The Department of Education faculty is committed to the professional preparation of teachers for employment in elementary education programs. The goals are to prepare teachers who are:

- Classroom leaders, professionally prepared to accept responsibility for student learning (MWSU Conceptual Framework);
- Highly knowledgeable in their cognitive areas (MoSTEP/MWSU/INTASC Standards);
- Skilled in the techniques and methods of teaching across a diverse student population (MoSTEP/MWSU/INTASC Standards);
- Practiced in the application of four domains of positive teacher dispositions (MWSU Disposition);
- Proven in the demonstration of ten essential professional behaviors (MWSU Professional Behaviors).

#### Low Performance in Major Courses

A student will be removed from the Elementary Education Program or denied admission if he/she earns a total of three Ds or Fs in Elementary Education major courses. Even if a course is repeated, all grades are counted toward this total. The student can appeal removal from or denial of admission to the program to the Teacher Education Admission and Retention Committee (TEARC) but must present evidence of unforseen circumstances and/or unexpected emergencies. If the appeal to TEARC fails, the student will be allowed to re-enter or be admitted to the teacher education program after a fiveyear academic holiday and a positive recommendation from TEARC.

#### **General Studies Requirements**

(	Jeneral	Stu	dies Requirements	
			Basic Skills (12 Credits)

\*\* Candidates who took MUS 101 for General Studies must take ART 300. Candidates who took ART 100 for General Studies must take MUS 220. Plus a selected area of concentration.

#### Thus a selected area of concentration.

#### The Area of Concentration

The elementary major must also select one area of academic subject concentration from a possible set of twelve areas to broaden one's expertise in at least one subject area. The requirements for each subject concentration are determined by the MWSU Education Department in consultation with the various academic departments.

Six of the concentration areas also yield an additional teaching certification (called an added endorsement) approved by the Missouri Department of Elementary and Secondary Education. Those six areas are: (1) early childhood education (grade pre-kindergarten to grade 3); (2) early childhood-special education (birth to kindergarten); (3) mild-moderate cross categorical disabilities, K-12 special education (kindergarten-age 21); (4) middle school education (grades 5-9); (5) Special Reading K-12; and (6) English to speakers of other languages (ESOL) (graded kindergarten - 12).

The other subject areas of concentration include English, Spanish, French, German, mathematics/computerscience, reading, general science, and social science. The specific course requirements for each area are available from the Education Department. Early planning of one's total program is highly desirable.

#### The Professional Semester

A student enrolled in Elementary Student Teaching III will assume the daily teaching schedule of the cooperating teacher.

Elementary Student Teaching III (EDU 408) is to be taken during the student's senior year. Seminar in Elementary Education and Human Relations (EDU 403) is to be taken concurrently with Elementary Student Teaching III.

Course work during the professional education semester is usually limited to EDU 403 and EDU 408. Petition for any additional course work must be submitted to the Coordinator of Clinical Experiences in the semester prior to Elementary Student Teaching III. If granted, approval will be endorsed by the cooperating teacher to whom the student petitioner is to be assigned.

## **B.S. in Elementary Education without Certification Option**

20

Elementary Education majors lacking only EDU 403 Seminar in Elementary Education and Human Relations (3 credits) and EDU 408 Elementary Student Teaching III (9 credits) may choose a B.S. in Education degree without certification option. If they have met the degree requirements of 124 credit hours, at least 60 credit hours from a four-year institution, and at least 30 of the last 45 hours from MWSU, their program is complete.

Elementary Education majors short of hours may complete the program by choosing from the following categories:

Category B: Any course(s) selected from the certified areas of concentration within Elementary Education.

#### NOTE:

1. No passed courses may be repeated.

2. Courses must be passed at a C or better.

3. Election of the B.S. in Elementary Education without certification option must be approved by the Department Chairperson.

#### SECONDARY EDUCATION

The Department of Education has an overall objective of providing secondary schools with the best possible teachers by providing secondary education graduates who are capable of:

- Classroom leaders, professionally prepared to accept responsibility for student learning (MWSU Conceptual Framework);
- Highly knowledgeable in their cognitive areas (MoSTEP/MWSU/INTASC Standards);
- Skilled in the techniques and methods of teaching across a diverse student population (MoSTEP/MWSU/INTASC Standards);
- Practiced in the application of four domains of positive teacher dispositions (MWSU Disposition);
- Proven in the demonstration of ten essential professional behaviors (MWSU Professional Behaviors).

Secondary Missouri teacher certification is available for grades 9 to 12 in most academic fields. In art, music, physical education and foreign languages, certification is available for kindergarten to grade 12. Students must have a grade-point average of 2.5 on a 4.0 scale in their major.

Each of the following requirements must be met

1. Admission to Teacher Education Program. See Department of Education ADMISSION REQUIREMENTS;

2. Satisfactory completion of General Studies Requirements. See below;

3. Satisfactory completion of requirements for the major in the subject to be taught (art, biology, chemistry, English, French, mathematics, music, physical education, social sciences, Spanish, speech & theatre). See department of the major for more information.

#### **The Professional Semester**

Secondary Student Teaching III (EDU 409) is to be taken during the senior year. Seminar in Secondary Education and Human Relations (EDU 404) and Psychology and Education of the Exceptional Student (EDU 315) are to be taken concurrently with Secondary Student Teaching III. This semester is designated as a professional education semester.

Course work during the professional education semester is usually limited to EDU 404, 407, and 409. Petition for any additional coursework must be submitted to the Coordinator of Clinical Experiences in the semester prior to Secondary Student Teaching III. If granted, approval will be endorsed by the cooperating teacher to whom the student is assigned.

Students enrolled in Secondary Student Teaching III will assume the daily teaching schedule of the cooperating teacher.

#### **Minor in Childhood Studies**

Missouri Western State University offers an interdisciplinary minor in Childhood Studies. This minor is intended for those students who have child-related emphases in their major disciplines, such as juvenile delinquency, child psychology, or pediatrics or for those who simply wish to learn more about the subject of childhood. The minor will also provide a foundation of study for those students who intend to go on to professional or graduate school in order to study in child-related areas. This minor does not provide students with certification to teach in the state of Missouri.

Students must successfully complete at least eighteen hours from the following list of classes. To insure that the minor is a truly interdisciplinary experience, at least three disciplines must be represented with no more than nine hours coming from any one discipline:

			CIUCITIO
EDU	315	Psychology and Education of the Exceptional Child	2
EDU	419	(Declared Childhood Studies minors are exempt from EED 303 and EED 304 as prerequisites for this course.) Utilizing Family and Community Resources for Early Childhood Education (Declared Childhood Studies minors	2
		are exempt from EED 357 or EED 358 as a prerequisite for this course.)	
EDU	420	Counseling Techniques/Parents	2
ENG	300	Literature for Children	3
ENG	400	Literature for Adolescents	3
LAT	370	Domestic Relations	3
LAW	110	Juvenile Delinquency	3

PSY	470	Child Psychopathology and Exceptionalities	3
101	1.0	(Prerequisite: PSY 101 and either 240 or 319. Declared Childhood	
		Studies minors are exempt from PSY 200 as a prerequisite for	
		this course.)	
SOC	330	The Family	3
SWK	325	Child and Family Welfare	3
*Internship:			
	1	academic department. May be repeated for credit.	1-3
*Relev	ant Sp	ecial Topics Course offered through any academic department.	
	11	May be repeated for credit.	1-3
*Relev	ant Ind	dependent Study arranged with any full-time faculty member.	
		May be repeated for credit.	1-3

\*Only three credit hours of any one internship (including student teaching), special topics course, or independent study maybe applied to the minor.

Each student interested in this minor should discuss with his or her major academic advisor which courses best fit that student's discipline and concentration area as well as which general studies courses need to be chosen to satisfy prerequisites. Students enrolled in the Minor in Childhood Studies will also be assigned an advisor from the Childhood Studies Committee. Programs of study shall be kept on file by the Director of Childhood Studies.

#### Semester Designation

F -- the course is offered in the fall semester

Sp -- the course is offered in the spring semester

Su -- the course is offered in the summer semester

DD -- the course is offered at the discretion of the department

#### EDUCATION COURSES

Waiving of any course prerequisites requires prior departmental authorization.

EDU 101 Speed Reading (2) F, Sp. Designed to improve the skills, speed, and comprehension of those individuals who feel a need for such improvement in school, professional, business, or recreational pursuits. Open to both regularly enrolled students and any interested individual.

**EDU 140 Child Development (8) Sp.** Help child care providers enhance the quality of child care by becoming aware of developmentally appropriate practices for working with children. (Meets the seminar hours required for CDA credential. Will not meet requirement for elementary education major.)

**EDU 202 Introduction to Education (3) F**, **Sp.** Basic introduction to professional education; an on-campus exploratory course to aid participants in deciding whether or not to become teachers. The course also provides the basic information and attitude development necessary for successful teaching. Taken the same semester and time as EDU 203. Prerequisite: ENG 104 and 108, or 112.

EDU 203 Participation in Teaching I (1) F, Sp. Laboratory course taken concurrently with EDU 202. During this off-campus experience, the participant serves as a teacher assistant. This exploratory course provides concrete exposure to teaching, students, and the school. Graded pass/fail. Taken the same semester and time as EDU 202.

EDU 283 Introduction to Research Methods in Education (1-2) (DD). Introduction to basic research in education. Individual and team projects involving methods for solving education-related research problems. Prerequisite: Consent of the depatment.

EDU 303 Experience in Teaching II (2) F, Sp. Continuation of the off-campus experiences in cooperating schools as teacher associates. To be taken concurrently with EDU 304 (and 375 for elementary). Prerequisite: EDU 203 and 310, 320, 330, 340, 360, MAT 351, and MAT 352 and approved admission to the Teacher Education Program OR Secondary and K-12: EDU 203, and approved admission to the Teacher Education Program.

EDU 304 Applied Methods and Management (3) F, Sp. Psychological principles as applied to educational settings. To be taken concurrently with EDU 303. Prerequisite: PSY 101 and EDU 203.

EDU 308 Multicultural Education (2) F, Sp. Historical and contemporary analyses of educational policies that incorporate ethnic, religious, and linguistic minorities through selected presentations, text readings and field experiences. The teacher candidate will gain awareness of diversity and develop a theoretical understanding of diversity through investigations of diversity within the local community and the creation of an action plan to address diversity issues within his/her classroom. Prerequisite: EDU 202.

EDU 310 Introduction to Reading (3) F, Sp. An introductory course to the philosophy and techniques associated with a holistic approach to the teaching of reading in the elementary school. This course must be taken concurrently with EDU 320. Elementary education majors may not take the course until officially admitted to teacher education.

EDU 311 Secondary Reading Techniques (2) F, Sp. Techniques of teaching reading comprehension strategies to middle and high school students. Prerequisite: ENG 104 and 108, or 112 and admission to the Education Department. Elementary teacher candidates must have completed EDU 310 and 320.

**EDU 312 Laboratory in Secondary Reading Techniques (1) F, Sp.** Students will conduct pre and post diagnostic testing for reading abilities, analyze that data and identify and apply strategies for improving reading comprehension with an at-risk reading student. Students will tutor an at-risk reader two hours per week and create a course portfolio. Prerequisite: Admission to the Education Department and concurrent enrollment in EDU 311.

**EDU 315 Psychology and Education of the Exceptional Child (2) F, Sp.** This course is a survey of issues related to the identification and teaching of exceptional students. All state and federally defined categories of disability will be addressed by definition, etiology, prevalence, school law, civil rights law and curriculum and teaching issues. Topics will include curriculum and instruction modifications and adaptations as well as behavior management and discipline. Prerequisites: EDU 202 and 203; declared minors in Childhood Studies are exempt from EDU 303 and 304 as prerequisites.

EDU 320 Language Arts Methods (2) F, Sp. A course designed to help elementary teachers view reading, writing, listening, and speaking from a holistic, integrated perspective. In addition, methods in teaching handwriting, grammar, spelling, and vocabulary will be covered. This course must be taken concurrently with EDU 310. Elementary education majors may not take the course until officially admitted to teacher education. Prerequisite: COM 104.

EDU 330 Science Methods in Early Childhood, Elementary, and Middle School (3) F, Sp. For teachers in early childhood, middle and elementary school to emphasize methodology, strategies, materials, curriculum development of elementary science, and scientific method through research projects. Prerequisite: PHS 230. Elementary education majors may not take the course until officially admitted to teacher education. EDU 331 Instructional Media and Technology (2) F, Sp. Survey of appropriate pedagogical applications of computer technology to the K-12 classroom. Emphasis on the use of the internet in the classroom and the local development of electronic instructional materials. Basic word processing skills assumed. Two hours lecture, one hour lab. Prerequisite: Formal admission to the Education Department and three of the following courses: EDU 320, 330, 340, and MAT 351 (elementary only).

EDU 340 Social Studies Methods for the Elementary and Middle School Teacher (3) F, Sp. General survey course of skills, concepts, methodologies, strategies, and curriculum development of elementary social studies and economics; includes inquiry learning, problem solving, current events, interpretation of pictures, charts, graphs, tables, maps, and time lines, and location and evaluation of information. Prerequisite: HIS 140 or HIS 150, GOV 101, GEO 100. Elementary education majors may not take the course until officially admitted to teacher education.

EDU 342 Evaluation of Abilities and Achievement (2) F. Principles and techniques of administration, application, and interpretation of tests, test results, and data. Prerequisite: EDU 303, 304, and 315.

EDU 352 Introduction to Cross-Categorical Disabilities (3) F. This course will survey legislation and litigation that control the identification and delivery of services to mild/ moderate cross categorical special education students and will include the referral process, the IEP, and placement decisions. Historical and current critical issues of the field will be discussed. Definitions, characteristics, eligibility criteria, theoretical approaches and etiology of students with learning disabilities, behavior disorders, mental retardation or physical and other health impairments will be studied. Prerequisite: Approved admission to the Education Department; EDU 315.

**EDU 357 Introduction to Early Childhood Special Education: Curriculum Development (3)** F. This course is designed to introduce the student to the special education in general and the unique field of early childhood special education. Students will become familiar with the major principles of the law related to special education services. Students will have the opportunity to design appropriate program and implementation plans for young children with special needs ages 0-5. The importance of parent and family partnerships based on the family systems model will be presented. Students will have the opportunity to observe early intervention programs and evaluate those settings relative to their knowledge of appropriate practice. The course will survey a range of disabilities affecting young children, including cognitive, behavioral, speech/language, sensory, orthopedic, and health impairments.

EDU 358 Introduction to Early Childhood Education (2) F, Sp. An overview of the field of early childhood education and an understanding of pupil characteristics, rationale for providing early enrichment experiences, issues, and the theory of curriculum development.

**EDU 359 Infants and Toddlers (2) F.** This course is designed to provide students with a background in the unique developmental needs of infants and toddlers. Students will become familiar with developmental needs and milestones of infants and toddlers and be able to relate that knowledge to planning appropriate environments and learning activities for infants and toddlers. Relevant brain research will provide insights into the importance of the early years. Communicating and teaming with families will be stressed, as well as the provision of services within relationships that are sensitive to cultural diversity. Prerequisite: **EDU** 202 and 203.

EDU 360 Assessing and Individualizing Reading (3) F, Sp. Acquaints the classroom teacher with philosophy, theories, pertinent studies and findings, and test instruments aiding perception and analysis of performance levels and behaviors in learning to read; develops expertise in determining the strengths and weaknesses of each pupil and the causal relationship of the total reading performance pattern; develops observation and evaluation skills to study, develop, and utilize selected evaluation instruments for adapting class methods and materials to the needs of students. Prerequisite: EDU 310 or 311. Elementary education majors may not take the course until officially admitted Education

EDU 370 Behavior Management (2) F. Designed to provide classroom management skills for teaching both large groups and small classes of exceptional students. The course will focus on theories of applied behavioral analysis and its application for effective teaching. Behavior modification, cognitive behavior management, self-management, and social skills training will be included. Prerequisite: PSY 101, EDU 315.

to teacher education.

EDU 375 Teaching Reading in the Elementary School (2) F, Sp. An application level course focused on investigating children's literacy development in the context of a balanced literacy program. Student will plan, teach, and evaluate a sequence of reading and language arts lessons, managing both small and large groups of children. To be taken concurrently with EDU 303 and EDU 304.

EDU 380 Reading Approaches/Phonics (1) (DD). Teaching reading through the sound / symbol relationship. Prerequisite: EDU 310 or 311.

EDU 381 Reading Approaches/Linguistic (1) (DD). Teaching reading through word and sentence structure. Prerequisite: EDU 310 or 311.

EDU 382 Reading Approaches/Enrichment (1) (DD). Using literature, story telling, dramatics, and creative writing to enrich the reading experience. Prerequisite: EDU 310 or 311.

EDU 383 Reading Approaches/Language Experience (1) (DD). Teaching reading whereby the child creates or writes his/her own material. This method capitalizes on the relationship between reading and the other language developments of the child. Prerequisite: EDU 310 or 311.

EDU 384 Reading Approaches/Individualized (1) (DD). Teaching reading whereby the student is directed to select his or her own reading material. Prerequisite: EDU 310 or 311.

EDU 385 Reading Approaches/Basal Reader (1) (DD). Teaching reading through the use of a basal textbook. Prerequisite: EDU 310 or 311.

EDU 386 Career Education and Transition in Special Education (2) F. Investigating the philosophy and methods for helping exceptional students make the transition from school to work and self-sufficiency. Prerequisite: EDU 315.

EDU 389 Experience in Teaching Middle School (3) F, Sp. Off campus experience with middle school students in cooperating schools as a teacher associate. Prerequisite: EED/MED/SED 390. Taken after or concurrently with EDU 395.

EDU 390 Middle School Organization: its History and Philosophy (3) F. The historical foundations of the middle school movement, its philosophy, current status, and organization. Prerequisite: PSY 240. Note: EDU 390 may be taken concurrently with EDU 395.

EDU 395 Middle School Methods in Curriculum and Instruction (3) Sp. Overview of the total curriculum of effective middle-level schools, including practices such as interdisciplinary teaming, teacher advisory/homebase programs, grouping practices, student recognition practices. Students will apply knowledge of middle school curriculum planning to the development of unit-length lesson plans. Prerequisite: PSY 240; ENG 104 and 108, or 112. Note: EDU 395 may be taken concurrently with EDU 390.

**EDU 403 Seminar in Elementary Education and Human Relations (3) F, Sp.** Philosophical, ethical, and legal problems related to elementary education; explores instructional strategies, general methodology, evaluation procedures, and interpersonal relations applied to teaching. To be taken concurrently with EDU 408.

EDU 404 Seminar in Secondary Education and Human Relations (3) F, Sp. Philosophical, ethical, and legal problems related to secondary education instructional strategies, including classroom and laboratory experiences; considers interpersonal relations as applied to teaching. To be taken concurrently with EDU 409. Prerequisite: EDU 303 and EDU 304.

EDU 408 Elementary Student Teaching III (9) F, Sp. A semester of clinical experience in an off-campus situation under a certified cooperating teacher. To be taken concurrently with EDU 403. Prerequisites: EDU 203, 303, 304; and MAT 353; Must have passed the Praxis II exam in the area of certification.

**EDU 409 Secondary Student Teaching III (9) F, Sp.** Full-time, off-campus teaching experiences working with students in an area secondary school and a mentor teacher. To be taken concurrently with EDU 404. Prerequisite: EDU 303, EDU 304, special methods course in the major, an overall GPA of 2.5 in the major field of study and approval from the major department; Must have passed the Praxis II exam in the are of certification.

**EDU 410 Student Teaching IV (6) Su.** On-campus course designed for the experienced teacher. Activities will include micro-teaching and human relations training. Not open to baccalaureate degree candidates. Prerequisite: One full academic year of teaching experience plus a bachelor's degree.

**EDU 411 Methods of Teaching the Student with Cross-Categorical Disabilities (3) Sp.** This course is oriented toward the application of classroom practices, teaching strategies, affective interventions, and instructional modifications to be used with students who are cognitively deficient, learning disabled, behaviorally disordered, and physically or otherwise health impaired. To be taken concurrently with EDU 425. Prerequisite: EDU 303, 304, 315 and 352.

EDU 412 Early Childhood Language Acquisition and Development (2) F. An introduction to the normal language development, the developmental stages, and language development theories. The course enhances an appreciation of language differences in the young child. Prerequisite: EDU 357 or EDU 358.

**EDU 413 Language Development of Exceptional Children (2) Sp.** This course is intended to acquaint the student with the types of speech and language disorders from birth through maturation. It will include normal development of speech and language, articulation disorders, speech defects, assessment and remediation of language disorders, and the identification and training for the hard-of-hearing. Prerequisite: EDU 315.

EDU 417 Health, Nutrition and Safety of the Young Child (2) Sp. Designed to present information about current concepts in health, safety, and nutrition of the young child. The course encourages good health habits and attitudes in future teachers so that they will be positive role models to the young children with whom they work. Prerequisite: EDU 357 or EDU 358.

EDU 418 Screening, Diagnosis and Prescribing Instruction for Early Childhood (2) Sp. Course acquaints the interventionist with the philosophy, theories, pertinent studies, issues, and test instruments appropriate for early childhood special education. Principles and techniques of administration, application and interpretation of tests, test results, and data are discussed. Linking assessment to curriculum development is also discussed. Prerequisite: EDU 357 or EDU 358.

EDU 419 Utilizing Family and Community Resources for Early Childhood Education (2) F. This course is designed to emphasize the importance of parental involvement in early childhood education as well as to acquaint the student with the various community agencies and services available to the young child, parents, and teachers. Prerequisite: EDU 357 or EDU 358; declared minors in Childhood Studies are exempt from EDU 357 or EDU 358 as a prerequisite.

**EDU 420 Counseling Techniques/Parents (2) Sp.** Designed to foster parent-teacher cooperation; includes communication and conflict resolution strategies applicable to educationally related situations (including IEP conferences and regular parent-teacher conferences) with exceptional students, families of exceptional students, and other professionals. Prerequisite: EDU 315.

EDU 425 Experience in Teaching Cross-Categorical Students with Disabilities (6) Sp. Off-campus experience teaching students with learning disabilities in cooperating schools as a teacher associate. To be taken concurrently with EDU 411. Prerequisites: EDU 303 and 304.

EDU 440 Curriculum Methods and Materials in Early Childhood Education (2) Sp. Designed to acquaint the early childhood educator with techniques, methods, and materials for use with the young child.

EDU 450 Independent Research/Project (1-6)) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of the major-minor declaration in elementary education, a minimum of a 2.5 GPA in the major field, and departmental approval.

EDU 460 Experience in Early Childhood Education (4) F, Sp. Off-campus experience in teaching the young child in cooperating preschools and kindergartens. Prerequisite: EDU 358, EDU 303, EDU 304, EDU 375, and EDU 440; to be taken concurrently with EDU 440.

EDU 461 Experience in Early Childhood Special Education (6) F, Sp. Off-campus experiences in teaching the young handicapped infant, toddler, and preschool child in cooperating schools and/or private agencies. Prerequisite: EDU 440; EDU 357, EDU 303, EDU 304, and EDU 375; to be taken concurrently with EDU 440.

EDU 470 ESOL Practicum (3) F, Sp. ESOL Practicum focuses on peer observation/peer coaching in the context of the ESL classroom.

EDU 483 Practicum I in Reading: Diagnosis of Reading Difficulties (3) F, Sp. Clinical diagnosis in evaluation of reading and learning problems. Prerequisite: EDU 310, EDU 360, EDU 342, and consent of department chairperson. One hour lecture, three hours lab. Course can only be taken on MWSU campus.

**EDU** 484 Practicum II in Reading: Remediation of Reading Difficulties (3) F, Sp. Clinical treatment of identified reading and learning problems. Prerequisite: EDU 483. One hour lecture, three hours lab. Course can only be taken on MWSU's campus.

EDU 490 Applied Education Practices (1-9) (DD). Workshops developed in selected areas in accordance with student interest.

Education

# **Department of** Engineering Technology

Dr. Virendra K. Varma, *Chairperson* varma@missouriwestern.edu 271-4562 http://www.missouriwestern.edu/EngTech/

The Department of Engineering Technology offers two- and four-year degree programs in Engineering Technology with majors in Construction; Electronics; Electronics and Computer; and Manufacturing Engineering Technology. In addition, the Department offers a two-year engineering transfer program and a one-year architecture transfer program in cooperation with various area universities.

# ENGINEERING TECHNOLOGY

Engineering technology has been defined as that part of the technological field which requires the application of scientific and engineering knowledge and methods combined with technical skills in support of engineering activities; it lies in the occupational spectrum between the craftsman and the engineer at the end of the spectrum closest to the engineer.

Engineering technology is oriented less toward theory and more toward practical applications. The term "engineering technician" is applied to the graduates of associate degree programs. Graduates of baccalaureate programs are called "engineering technologists."

# **Construction Engineering Technology**

The two-year degree program in Construction Engineering Technology prepares individuals to become entry-level construction inspectors, job estimators, testing lab technicians, expediters, and surveyors. It also prepares individuals for positions related to construction cost accounting and quality control. The four-year degree program prepares individuals as entry-level field construction coordinators, estimators, job schedulers, and construction management trainees. It also prepares individuals for positions related to construction document control, purchasing, equipment superintendent (renting) and quality assurance / quality control. The B.S. degree program in Construction Engineering Technology is accredited by the Technology Accreditation Commission (TAC) of the Accreditation Board for Engineering and Technology (ABET) (see Appendix D for address).

## Program Educational Objectives: BS Construction Engineering Technology (BS CET)

The program educational objectives of BS CET graduates are:

- i. Demonstrate the ability to produce and utilize design, construction, and operations documents related to building and/or heavy construction industry.
- Function effectively in a group environment in the workplace through demonstration of technical and communication skills.
- iii. Understand professional, ethical, and social responsibilities.
- Show respect for diversity and knowledge of contemporary professional, societal and global issues.
- v. Demonstrate a commitment to quality, timeliness, and continuous improvement.
- vi. Continue professional development through life-long learning.

# **Electronics Engineering Technology**

Career opportunities for two-year associate degree graduates of Electronics Engineering Technology include entry-level positions with computer maintenance/repair companies, design/testing companies and electronics instrumentation companies, telephone companies, and other companies that use electronic equipment such as automated control (microprocessor/microcomputer) systems. Four-year degree graduates also qualify for jobs related to operation control, testing, trouble shooting, supervision and management, marketing, technical sales and field services including installation and commissioning of equipment in plant or on site. The B.S. degree program in Electronics Engineering Technology is accredited by the Technology Accreditation Commission (TAC) of the Accreditation Board for Engineering and Technology (ABET) (see Appendix D for address).

## Program Educational Objectives: BS Electronics Engineering Technology (BS EET)

The program educational objectives for BS EET graduates are:

- Demonstrate the ability to analyze, design, and implement electronic systems in one or more of the areas related to control systems, instrumentation systems, communications systems, computer systems, or power systems.
- Function effectively in a group environment in the industrial workplace through demonstration of technical and communication skills.
- iii. Understand professional, ethical, and social responsibilities.
- Show respect for diversity and knowledge of contemporary professional, societal and global issues.
- v. Demonstrate a commitment to quality, timeliness, and continuous improvement.
- vi. Continue professional development through life-long learning.

# ELECTRONICS AND COMPUTER

# ENGINEERING TECHNOLOGY

The degrees in this program focus on studies which integrate computer software and computer hardware subject matter. The A.S. degree will prepare the student to have a practical understanding of computer components as well as an understanding of their functioning sequences. A basic level of computer programming is also a part of the student's experience.

The B.S. with a major in Electronics and Computer Engineering Technology degree will provide the student with an understanding of microcomputer hardware design, troubleshooting, upgrading, and maintenance as well as a moderate level of computer software programming experience. The student will also be trained in Programmable Logic Controller Functioning as well as utilization of hardware and software knowledge to enter into the field of Human/Machine Interface work. The B.S. degree study program enables the student to obtain work in the programmable controls area of the industrial sector of the economy.

# MANUFACTURING ENGINEERING TECHNOLOGY

Manufacturing Engineering Technology is the profession in which an understanding and application of a broad range of technologies is necessary for production and control of manufacturing processes. Manufacturing includes methods of production of industrial commodities and consumer products. The manufacturing professional must be able to plan, design, and implement sequence of operations using current technologies to produce products at competitive prices. Career opportunities for two-year associate degree graduates of Manufacturing Engineering Technology include entry-level positions with industries engaged in plant design, machine and tool design, robotics and industrial automation, and computer-integrated manufacturing. Four-year B.S. degree graduates qualify for jobs related to production, productivity improvement, and process design. They also qualify for supervisory and managerial positions in plant engineering.

# TRANSFER PROGRAMS

# Engineering

The engineering transfer program is closely coordinated with the University of Missouri-Columbia and the University of Missouri-Rolla.

The exact program followed will depend on the specialized area (civil, chemical, mechanical, electrical, etc.) and the engineering school to which the student plans to transfer. Also, many students are not prepared for calculus their first semester and special programs must be arranged. An advisor in the Department of Engineering Technology will set up a suitable program for each pre-engineering student.

# Architecture

The architecture transfer program is closely coordinated with the College of Architecture and Design, Kansas State University, Manhattan, Kansas. An advisor in the Department of Engineering Technology will set up a suitable program for each pre-architecture student.

# MAJORS COURSES PERFORMANCE CRITERIA

For all degree programs in the department of Engineering Technology, a grade of C or better in all discipline-specific majors courses, CET, ECT, EET, EGT, MET, will be required for graduation.

# **BACHELOR OF SCIENCE DEGREE REQUIREMENTS**

Specific requirements are as follows for the Bachelor of Science degree with the major listed.

# **Construction Engineering Technology**

la	jor Rec	uirem	ients	Credits
	CET	105	Methods & Materials of Construction	3

# MINORS

# **Construction Management**

By completing a 25-hour course sequence in construction, the students in the Department of Business can obtain a Construction Management minor. Any student who is interested in this minor is advised to contact the Chairperson of the Department of Engineering Technology.

Requirem	ents f	or the Minor	Credits
EGT	205	Computer-Aided Drafting I	3

# Manufacturing Technology

MWSU students not majoring in the field of Manufacturing Engineering Technology may receive a minor in Manufacturing Technology. Manufacturing is the foundation of our economy. A minor in Manufacturing Technology could be especially helpful for placement of students majoring in business, economics, computer science, physics, chemistry, art, and biology.

Requirem	Requirements for the Minor

# Semester Designation

F -- the course is offered in the fall semester

Sp -- the course is offered in the spring semester

Su -- the course is offered in the summer semester

DD -- the course is offered at the discretion of the department

# ENGINEERING TECHNOLOGY COURSES

Waiving of any course prerequisites requires prior departmental authorization.

EGT 100 Electrical Circuits I (4) F. Studies of DC circuits and electrical components, including conductors, insulators, resistors, inductors, capacitors, switches, voltage and current sources. Analysis of series and parallel DC networks by various methods including mesh and nodal analyses, network theorems; Thevenin's, Norton's and Superposition. Evaluation of power, energy, introduction to magnetism and circuit analysis applications using PSpice computer simulation program. Laboratory exercises using power supplies, analog and digital meters, and circuit prototyping reinforce the lecture concepts. Three hours lecture, three hours lab. Prerequisite: MAT 116 (can be taken concurrently).

Credits

4

344

4 3 22 29

EGT 102 Introduction to Engineering Technology (3) F, Sp. An introductory course in engineering technology which addresses several topics including conceptual understanding of engineering technology disciplines and associated career potentials; an overview of the required basic skills in sciences and mathematics in engineering technology programs; measurement systems; the use of scientific calculators; and introduction to personal computers (PC's), and computer-aided design (CAD). The second half of this course introduces basic concepts of computer programming with emphasis on programming in BASIC. Students learn to develop a structured approach to the design and implementation of programs using the BASIC programming language and microcomputers. Prerequisite: ACT composite score of 15 or higher or Math ACT of 20 or higher or the equivalent.

EGT 200 Electrical Circuits II (4) Sp. Studies fundamentals and analyses of AC series and parallel networks (RL, RC & RLC circuits), j operators, phasors, reactances, phase relationships, power, network theorems, sinusoidal AC voltages, currents, impedances and admittances (RL, RC & RLC), resonance, frequency response, polyphase systems, transformers and circuit analysis applications using PSpice computer simulation program. Laboratory exercises using AC sources, dual-trace oscilloscope, frequency generator, spectrum analyzer and circuit prototyping reinforce the lecture concepts. Three hours lecture, three hours lab. Prerequisite: EGT 100 and MAT 119.

**EGT 202 Surveying I (3) F.** Introduction to the basic principles of plane surveying with applications to engineering and construction problems; uses laboratory periods for in-the-field applications of introductory surveying techniques. Relevant computer software will be used. Two hours lecture, three hours lab. Prerequisite: MAT 116 and MAT 119 or concurrent enrollment.

**EGT 205 Computer-Aided Drafting I (3) F, Sp.** Techniques in drafting with computer applications. Students will use a CAD software to produce mechanical, electrical and/or architectural drawings and will explore other software with their applications. The emphasis is on orthographic projections, sections, auxiliary views, dimensioning, component libraries and the applications of drafting using descriptive geometry. Two hours lecture, three hours lab.

EGT 215 Computer-Aided Drafting II (3) F, Sp. Advanced techniques in drafting with computer applications. Students expand their drafting skills by creating computer generated multi-detailed drawings using 3-D techniques. Architectural, structural, mechanical, and/or electrical applications will be discussed with emphasis in detailing, tolerances, and symbol libraries. Importing/exporting of files, customizing the CAD software, and productivity techniques will be used. Principles of drawing for residential structures using various construction materials and methods will be included. Two hours lecture and three hours lab. Prerequisite: EGT 205.

**EGT 220 Engineering Materials (3)** F. An introduction to the relationship between structure, processing and properties of materials; including atomic structure, strain hardening and annealing, solidification, ferrous and non-ferrous alloys, ceramic materials, polymers, composite materials, behavior of materials, and protection against deterioration of materials. Three hours lecture.

EGT 225 Computer-Aided Manufacturing (3) Sp. Application of computer assistance in manufacturing process; machine process control, inventory and material handling, robotics and automated assembly, product design and part grouping in relation to total manufacturing operation. Three hours lecture. Prerequisite: EGT 215.

**EGT 260 Statics (3) F.** Fundamentals of statics; static equilibrium; topics of study include elements of statics in two and three dimensions; laws of equilibrium applied to structures and machines. Three hours lecture. Prerequisite: MAT 119 or equivalent.

**Engineering Technology** 

EGT 265 Engineering Statics (3) F. Composition and resolution of forces; equilibrium of force systems; application of the principles of statics to problems, including force analyses of simple structures. Centroids; moments of inertia. Prerequisite: MAT 167 and PHY 210.

EGT 283 Introduction to Research Methods in Engineering Technology (1-2) (DD). Introduction to basic research in engineering technology. Individual and team projects involving methods for solving engineering technology-related research problems. Pre-requisite: Consent of the department.

EGT 300 Dynamics (3) (DD). Motion of a particle; kinetics of rigid bodies; work and energy; impulse and momentum; impact. Three hours lecture. Prerequisite: EGT 265.

**EGT 302 Electronic Surveying (4) Sp.** Land surveying work utilizing electronic surveying equipment including but not limited to: Total station with data collector, topographic surveying utilizing data collection down-loaded into software program utilizing Auto-CAD for topographic contouring, utilitization of collected data for microstation mapping, utilization of GPS equipment for traversing and also techniques of GIS mapping. Prerequisites: EGT 202 and EGT 205. EGT 205 can be taken concurrently.

EGT 310 Environmental Regulations and Pollution Abatement Technology (3) F. Studies existing and upcoming environmental regulations and pollution abatement technology as it pertains to soil, solid waste, air, and water. Laboratory exercises include case studies at pollution abatement facilities and the degree of efficiency and effectiveness of these systems. Two hours lecture, three hours lab. Prerequisite: EGT 102, CET 105 and CHE 104.

EGT 325 Machine Parts and Mechanical Design (3) Sp. Introduction to the design and analysis of machine elements, such as shafting, springs, screws, belts, brakes, clutches, gears, and bearings. Emphasis on materials, loads, stress, strain, deflection, and quality. Three hours lecture. Prerequisite: MET 222.

**EGT 340 Thermodynamics (3) Sp (DD).** Fluid properties, work and heat, first law, second law, entropy, applications to vapor, and ideal gas processes. Three hours lecture. Prerequisite: PHY 210.

**EGT 350 Technical Report Writing (3) Sp.** Studies various forms of reports; includes practical projects in preparing reports of various lengths and degrees of complexity and oral presentation of report material; emphasizes clear communication of technical ideas. Three hours lecture. Prerequisite: ENG 104.

EGT 356 Fluids and Hydraulics (3) Sp. Introduction to fluid mechanics including fluid statics and elementary fluid dynamics; includes energy equations of steady flow, steady flow of incompressible fluids in pipes, and open channel flow. Three hours lecture. Prerequisite: MAT 147 (can be taken concurrently), PHY 110.

EGT 370 Financial Aspects of Engineering Projects (2) F. Principles of engineering decision making process, including simple and compound interest calculations, equivalence, present worth, uniform annual cost, rate of return, depreciation, equipment replacement, and competing projects. Prerequisite: MAT 116.

EGT 450 Independent Research/Project (3-4) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of the major-minor declaration in engineering technology, a minimum of a 2.5 GPA in the major field, and departmental approval.

EGT 490 Engineering Technology Internship (1-4) F, Sp, Su. Intended for advanced students working full-time or part-time for a company in a job related to their major, which reinforces and extends knowledge and skills. Requires periodic progress reports, supervisor evaluation and a formal final report addressing the experience and the educational benefits derived. May be repeated for a maximum of 4 credit hours. Prerequisite: Junior or Senior standing with a declared Engineering Technology major, minimum 2.5 GPA, and approval by the department chairperson.

# CONSTRUCTION ENGINEERING TECHNOLOGY COURSES

**CET 105 Construction Materials (3)** F. Introductory study of materials used in the construction industry. Materials are studied with regard to properties of their substances and utilization in construction. Three hours lecture.

**CET 250 Introduction to Statics, Strength of Materials and Structures (4) Sp.** Studies fundamentals of statics and mechanics of materials as they apply to construction processes such as statics equilibrium, axial, torsional, bending, and stress and strain analysis. Introduction to various methods used in analysis of structures such as beams, trusses and frames will be included. Three hours lecture, three hours lab. Prerequisite: MAT 116 and MAT 119.

**CET 252 Advanced Surveying (3) Sp.** Intermediate and advanced surveying techniques and procedures with applications to engineering and construction problems; includes mapping, hydrography, and photogrammetry; promotes in-the-field application of techniques. Prerequisite: EGT 202, EGT 205, and MAT 127. EGT 205 and MAT 127 can be taken concurrently.

**CET 254 Construction Methods and Equipment (4) Sp.** Introduction to the basic knowledge and skills of methods of building construction including foundation, structural framing, floor, roof, and wall systems; to the acquisition, selection, and use of construction equipment; and to the reading of construction blueprint drawings and specifications. Three hours lecture, three hours lab. Prerequisite: CET 105.

**CET 255 Legal Aspects of Boundary Survey (3)** F. Includes preparation of plats and writing of property descriptions referenced to Public Land Surveys of Subdivision of Townships and Sections. Discusses surveying and land right terminology as well as resurveying, retracing, restoration, monumentation and dedication. Also studies selected case law. Computer programs and field trips will be utilized. Prerequisite: EGT 202 or concurrent enrollment.

**CET 256 Bituminous, Concrete, and Soils (3) Sp.** Studies the properties and engineering applications of prime materials used in structural and roadway construction, including classification, basic quality control, and construction practices used with respect to asphalt, concrete, and soils. Two hours lecture, three hours lab. Prerequisite: CET 105, Math ACT of 20 or higher or the equivalent.

**CET 260 Mechanics of Materials (4) Sp.** Axial, torsional, bending, and combined stress and strain analysis; mechanical properties and applications for static, fatigue, creep, and impact conditions; emphasizes beam stresses and deflections, columns, and riveted and welded connections. Three hours lecture, three hours lab. Prerequisite: EGT 260.

**CET 265 Subdivision Planning and Layout (3) Sp.** Platting of boundaries, topographic layout, planning and layout for streets, sewers and water lines. Building site surveys. Prerequisite: EGT 202.

CET 290 Engineering Technology Internship (1-3) F, Sp, Su. Intended for students working full-time or part-time for a company in a job related to their major, which reinforces and extends knowledge and skills. Requires periodic progress reports, supervisor evaluation and a formal final report addressing the experience and the educational benefits derived. Prerequisite: Approval by the departmental chairperson.

**CET 305 Mechanical and Electrical Installations (3) F.** Principles of water supply and treatment, plumbing, sanitation systems, heating, ventilation and air conditioning including solar energy; electrical and lighting systems, power lines, electrical code, safety and design. Use of computerized methods of preparing mechanical and electrical installations design work will be emphasized. Students will use relevant computer programs in the lab. Field trips may be arranged. Two hours lecture, three hours lab. Prerequisite: CET 105, PHY 110, CHE 104.

CET 308 Analysis of Structures (3) F. Introduction to various methods used in the analysis of statically determinate and indeterminate structures. Load path, load tracing, and code provisions are discussed. Three hours lecture. Prerequisite: CET 260, MAT 147.

CET 358 Structural Steel and Wood Design (3) F. Introduction to elementary structural steel and wood design; design of individual members and their connections as dictated by various specifications (AISC, AITC, AASHTO, etc.). Includes computer techniques in the areas of structural analysis/design. Prerequisite: CET 308 (can be taken concurrently).

CET 360 Construction Management (3) F. Introduction to the construction manager concept. Roles of the contractor, superintendent, designer, owner and inspector. Project administration, project financing, costs and accounting, labor relations, bonding and insurance, and job safety. Prerequisite: CET 254.

**CET 362 Construction Safety (3) F.** Review of existing safety requirements pertaining to Construction and Industrial Works, and discusses practices utilized to comply with these regulations. All OSHA regulations pertaining to construction as well as CFR documents are discussed. Prerequisite: CET 105, ENG 104.

**CET 390 Technological Projects (1-3) F, Sp, Su.** Intended for the advanced student whose project would enrich the educational experience. Approval by the Department Chairperson is required at least two weeks before the end of the previous term.

**CET 408 Design of Concrete and Masonry Structures (3) Sp.** Introduction to the design of reinforced concrete and masonry structures. Designs are based on the current ACI codes. Prerequisite: CET 308 (can be taken concurrently).

**CET 454 Construction Estimating (4) F.** Introduction to conceptual estimating and detailed estimating in construction projects. Quantity take-off, cost estimating of material, labor, equipment, overhead, and profit. Bidding practices are also discussed. Traditional and computerized estimating techniques. Three hours lecture, three hours lab. Prerequisite: CET 254.

**CET 456 Construction Contracts Administration (3) (DD).** Emphasis is given to the interpretation and preparation of construction project documents. Subjects such as contract agreement, breach of contract, termination of agreements, materials specifications, workmanship specifications, general conditions, insurance, bonds, arbitration, and cases related to finance are discussed. Prerequisite: CET 354.

**CET 458 Soil Mechanics and Foundations (3) F.** Studies advanced topics in the properties of soils with applications in civil engineering design and construction. Two hours lecture, three hours lab. Prerequisite: CET 256, CET 260. **CET 480 Construction Planning and Scheduling (3) Sp.** Principles and techniques used to plan construction and schedule project activities. Networks, bar charts, computer techniques, productivity, construction time and cost parameters. Cash flow analysis, resource planning and control, and preparation of cost-to-complete reports will be discussed. Prerequisite: CET 360, EGT 370 (can be taken concurrently).

**CET 485 Selected Topics in Construction (3) Sp.** Study of selected topics, such as underground construction, underpinning, formwork and other project support requirements; evaluation and review of current practices in heavy construction. The course includes study and research in a specific area that combines major elements from previous construction engineering technology courses culminating in an integrating experience through individual and/or group projects, technical reports and presentations. Prerequisite: CET 458.

**CET 490 Building Codes, Standards, and Practices (3) (DD).** Emphasis on content of the four main U.S. Building Codes and the interpretation of these codes from the contractors perspective. Also covers code enforcement procedures used by administration offices of municipal governments. Class exercises involve the review of plans and specifications to determine code compliance. Prerequisite: CET 354, CET 480.

# ELECTRONICS ENGINEERING TECHNOLOGY COURSES

Waiving of any course prerequisites requires prior departmental authorization.

**EET 202 Digital Logic (4) Sp.** Studies of number systems, logic gates, combinational logic using Small scale (SSI) and Medium scale (MSI) integrated circuits such as TTL, CMOS and ECL, Boolean algebra, mapping, flip-flops, counters, timers, adders, comparators, decoders, encoders, multiplexers, demultiplexers, arithmetic logic units (ALU's), programmable logic devices (PLD's) and input-output devices. Three hours lecture, three hours lab. Prerequisite: EGT 100.

**EET 206 Introduction to Microcomputers (4) F.** A study of microcomputer and microprocessor architectures, ALU's, memory devices, interfacing, communications, and software programming applications using assembly language and high-level programming language such as C/C++. Three hours lecture, three hours lab. Prerequisite: CSC 184 and EET 202.

EET 212 Introduction to Semiconductor Devices (4) F. Studies of basic semiconductor theory, principles, characteristic curves and applications of semiconductor devices such as various types of diodes, BJT, FET transistors and biasing, and thyristors. Circuit applications including power supply rectification and filtering, voltage regulation, clippers, clampers and amplifiers, circuit modeling and analysis using electronic circuit design and analysis software such as Electronics Work Bench and PSpice. Three hours lecture, three hours lab. Prerequisite: Credit or concurrent enrollment in EGT 200 and CHE 101.

**EET 290 Engineering Technology Internship (1-3) F, Sp, Su.** Intended for students working full-time or part-time for a company in a job related to their major, which reinforces and extends knowledge and skills. Requires periodic progress reports, supervisor evaluation and a formal final report addressing the experience and the educational benefits derived. Prerequisite: Approval by the departmental chairperson.

**EET 312 Electronic Amplifiers (4) Sp.** A study of principles and analysis of small and large signal amplifiers circuits of classes-A, -B, and -C using BJT, FET and MOSFET transistors; amplifier coupling methods, frequency response and Bode plots; introduction to active filters and operational amplifiers with applications as signal amplifiers, comparators, summers, voltage regulators, integrators and differentiators; thyristor principles and applications. Circuit modeling programs, such as Electronics Work Bench, are used throughout the course. Three hours lecture, three hour lab. Prerequisite: EET 212.

EET 342 Analog Communications Systems (4) F. A study of information theory, bandwidth, and noise; spectral analysis, principles and analysis of AM, FM modulation, detection, receivers, transmitters, networks, filters, antennas; principles and circuits of single-sideband communications; electromagnetic wave propagation; analog telephone systems; broadcast TV systems and transmission lines through VHF frequency. Laboratory experiences include exercises in basic analog communication circuits, and transmission and reception experiments. Three hours lecture, three hours lab. Prerequisite: EET 312.

**EET 372 Programmable Logic Controllers (4) Sp.** Studies programmable logic controllers (PLC's); hardware components, memory structure, I/O modules, PLC ladder logic diagrams and basic programming functions, sequencing, contact and coil programming, fail-safe circuits and applications. Laboratory experiments feature hardware/software applications using industrial-grade PLC's of the major manufacturers interfaced with I/O devices for data acquisition and control experiments. Three hours lecture, three hours lab. Prerequisite: EET 206 and EET 212.

EET 374 Robotics Controls (4) Sp. Introduction to various types of robot anatomy and drive systems, robotics control systems and components, motion analysis, types of end-effectors, robotics sensors and machine vision. Robot classifications, geometry and path control techniques, end-of-arm tooling, gripper selection system intelligence and compliance, robot programming, safety and safeguarding considerations and operator training, acceptance and problems. Laboratory experiments focus on interfacing lab robots to I/O devices using industrial grade PLC's of the major manufacturers and programming the lab robots to perform basic tasks. Three hours lecture, three hours lab. Prerequisite: EET 372.

**EET 382 Electronics Fabrication (2) Sp.** Students are required to construct an electronic project approved by the instructor; this includes selection of a suitable project, its design and construction, and testing of the completed project. Lab may also require construction of small projects. 5 hours lab, including discussion periods. Prerequisite: EET 206, EET 312.

**EET 390 Technological Projects (1-3) F, Sp, Su.** Intended for the advanced student whose project would enrich the educational experience. Approval by the Department Chairperson is required at least two weeks before the end of the previous term.

EET 402 Microcomputer Systems (4) F. Advanced study in the architecture and design of modern digital computers based on the Intel 80X86 family of microprocessors; design of microprocessor-based systems, microprocessor hardware selection, memory devices, I/O interfacing, interrupts, DMA, bus systems, bus interfacing, software development, high-level programming languages and operating systems. Three hours lecture, three hours lab. Prerequisite: EET 206, EET 212.

EET 412 Operational Amplifiers and Linear Integrated Circuits (3) F. Advanced study of operational amplifiers, multistage amplifiers, integrated differential and operational amplifier circuits, Op-Amp theory and applications such as comparators, instrumentation amplifiers, signal generators, power amplifiers and active filters, D/A and A/D converters, and PSpice modeling program applied for circuit analysis examples. Two hours lecture, three hours lab. Prerequisite: EET 312, EET 372, and MAT 147.

**EET 422 Electrical Power Technology (4) Sp.** Studies the principles and applications of various types of DC and AC generators and motors, methods of power control, using thyristor devices, solid-state AC and DC motor drives and servo mechanisms, microcontrollers control applications for motor drives, interface to programmable logic control systems, inverters, and converters; principles of three-phase power systems; transformers; generation, transmission, motors/generators, and three-phase power relationships. Three hours lecture, three hours lab. Prerequisite: EGT 200, EET 212.

**EET 442 Digital Communications Systems (3) Sp.** Principles and methods of digital modulation including A/D and D/A converters, frequency-shift keying, frequency-division multiplexing, delta and pulse-code modulation; error detection and correction techniques; UART's and modems; integrated services digital network (ISDN); networking architecture and protocols; fiber optics and satellite communications; and microwaves. Prerequisite: EET 206 and EET 342.

**EET 452 Automation and Process Control Technology (4) F**. Studies principles of feedback control systems, compensation techniques, major types of sensors, electromechanical components and the interface between mechanics and electronics. Three hours lecture, three hours lab. Prerequisite: EET 202, EET 212.

**EET 472 Automatic Control Systems (4) Sp.** Study of the transfer function approach and Laplace transforms to the analysis of feedback control systems in the time and frequency domains, and associated compensation techniques; concepts of block diagrams, and open- and closed-loop control systems. Laboratory exercises include PLC's and MATLAB software and associated Toolboxes. Three hours lecture, three hours lab. Prerequisite: EET 372, EET 452 and MAT 147.

**EET 482 Integrated System Project (3) Sp.** Electronic design project constructed in the laboratory and/or research project on selected electronics topics or problems, on an individual conference basis. Requires a written notebook, periodic progress reports and a project final report. These support documents are to demonstrate research/design and the ability to summarize procedures, results and conclusion. One hour lecture, five hours lab. Prerequisite: EET 342, EET 452 and EET 412.

**EET 485 Senior Seminar (2) Sp (odd-numbered years).** Designed for seniors majoring in electronics engineering technology; emphasizes the development of research in the field of electronics engineering technology, selected topics for group discussion of current areas of interest, guest speakers, and the exploration of career options. Prerequisite: Senior standing with a declared EET major.

**EET 490 Advanced Topics in Electronics Engineering Technology (3) (DD).** Selected new/emerging topics in the field of Electronics Engineering Technology. Prerequisite: Junior or Senior standing with a declared EET major, minimum 2.5 GPA, and departmental approval.

# ELECTRONICS AND COMPUTER ENGINEERING TECHNOLOGY COURSES

Waiving of any course prerequisite requires departmental authorization.

ECT 362 Computer Hardware Repair (3) Sp. Study of computer hardware assembly, and the techniques utilized for troubleshooting and repair. Two hours lecture, three hours lab. Prerequisites: EET 206 and EET 212

ECT 432 Computer Hardware Troubleshooting (3) (Sp). Study of computer hardware assembly and troubleshooting, including computer hardware, motherboard, embedded systems, power, monitor, analyzing and repairing, hardware installation and configuration. Two hours lecture, three hours lab. Prerequisites: EET 402.

# Engineering Technology

# MANUFACTURING ENGINEERING TECHNOLOGY COURSES

Waiving of any course prerequisite requires departmental authorization.

**MET 100 Electrical Circuits for Manufacturing (3)** F. Studies fundamentals of electricity, solution of DC and AC circuits, motors and generators, three-phase industrial power, power generation, distribution, transmission, and transformers. Includes laboratory sessions to demonstrate and reinforce understanding of these topics. Two hours lecture, three hours lab.

**MET 101 Electronic Instrumentation for Manufacturing (3) Sp.** Studies electronic devices used in manufacturing and control equipment, such as diodes, transistors, solar cells, thermistors, SCR's, triacs, opto-isolators, and integrated circuits. Also studies electronic circuits including amplifiers, power supplies, voltage regulators, clippers, clampers, digital logic gates, operational amplifiers, basic principles of electronic communications, introduction to combinational logic, microprocessors, programmable controllers, and use of computer simulation of electronic industrial circuits. Prerequisite: MET 100.

**MET 111 Welding Processes (2) Sp.** Theory and practice of oxyacetylene (OAW), shielded metal arc (SMAW), gas tungsten arc (GTAW), and gas metal arc (GMAW) welding processes. Sheet-metal working, brazing and soldering processes. American Welding Society specifications, procedures, and safety rules. One hour lecture, two hours lab.

**MET 112 Manufacturing Methods and Quality Control (3) Sp.** Introduction to machine shop practices using hand tools, precision measuring equipment, and machine tools. Topics include metal casting and forming, machining of materials, and inspection. Operating traditional machine tools such as engine lathe, milling machines, drill presses and grinders. Studies of general manufacturing processes, variation in quality, control charts, and quality improvement. Two hours lecture, three hours lab.

MET 221 Introduction to Automated Manufacturing (2) F. A general survey of the various components and operations in automated manufacturing systems including material handling, robotics, tooling, inspection, and quality control. Study of PLC programming and operation. One hour lecture, two hours lab. Prerequisite: MET 100 and 101.

MET 222 CNC Machining Processes (2) F. Study and practice of CNC machining operation including setup, programming, and machine-computer interface. One hour lecture, two hours lab. Prerequisite: MET 112

**MET 260 Mechanics of Materials (4) Sp.** Axial, torsional, bending, and conbined stress and strain analysis; mechanical properties and applications for static, fatigue, creep, and impact conditions; emphasizes beam stresses and deflections, columns, and riveted and welded connections. Three hours lecture, three hours lab. Prerequisites: EGT 260

**MET 285 Topics in Manufacturing (3) (DD).** Study of selected topics in Manufacturing, including the evaluation and review of specific manufacturing processes and study in a given area that combines previous Manufacturing Engineering courses culminating in an integrated experience through an individual technical report and presentation. Prerequisite: MET 101, MET 111, MET 112.

**MET 372 Programmable Logic Controllers (4) Sp.** Studies programmable logic controllers (PLC's); hardware components, memory structure, I/O modules, PLC ladder logic diagrams and basic programming functions, sequencing, contact and coil programming, fail-safe circuits and applications. Laboratory experiments feature hardware/software applications using industrial-grade PLC's of the major manufacturers interfaced with I/O devices for data acquisition and control experiments. Three hours lecture, three hours lab. Prerequisite: MET 221. MET 390 Design Projects/Industrial Internship (2-4) F, Sp, Su. Analysis, development and implementation of a project or work and study in an approved position in industry to enrich educational experience. Prerequisite: Departmental Approval.

**MET 422 Electrical Power Technology (4) Sp.** Studies the principles and applications of various types of DC and AC generators and motors, methods of power control, using thyristor devices, solid-state AC and DC motor drives and servo mechanisms, microcontrollers control applications for motor drives, interface to programmable logic control systems, inverters, converters, and cycloconverters; principles of three-phase power systems; transformers; generation, transmission, motors/generators, and three phase power relationships. Three hours lecture, three hours lab. Prerequisite: MET 221.

**MET 452 Automation and Process Control Technology (4)** F. Studies principles of feedback control systems, compensation techniques, major types of sensors, electromechanical components and the interface between mechanics and electronics. Three hours lecture, three hours lab. Prerequisite: MET 372.

# Department of Health, Physical Education, and Recreation

Dr. Brenda Blessing, *Chairperson* blessing@missouriwestern.edu 271-4491 http://www.missouriwestern.edu/HPER/

The Department of Health, Physical Education, and Recreation strives to engage all students in programs that target health and physical fitness. The department offers a Bachelor of Science Degree in Physical Education and Recreation Sport Management. These programs of study offer students wide-ranging intramural experiences; a planned sequence of exercises and sports activities that develop strong, active bodies; and coursework that prepares students in the disciplines of physical education and recreation sport management.

Students may satisfy general education requirements in category five by taking PED 101, Fitness and Wellness, and one activity course. The Fitness and Wellness course acquaints students with basic knowledge, understanding, and importance of lifelong physical activity and fitness. Students with disabilities that restrict them from the regular activity program may enroll in PED 110 Adaptive Activities as often as needed. Repeating in this course will satisfy the general education activity requirement.

The department offers a Bachelor of Science Degree with a major in Physical Education. The two options available are Health and Exercise Science and Physical Education General. The Health and Exercise Science option provides career opportunities in private fitness specialization, corporate wellness programming, health clubs, spas, and hospital-based cardiac and pulmonary rehabilitation. The Physical Education General option provides career opportunities in coaching and serving as sports specialists in a variety of settings. The Physical Education General option also offers a teacher education track that prepares students to earn the education certificate necessary to teach Physical Education in schools. In addition the department offers courses toward securing Health Certification. A minor in Coaching is offered by this department for students, in any discipline, interested in coaching.

The Bachelor of Science in Recreation Sport Management has two concentration areas: Recreation Management and Sport Management. Career opportunities in Recreation Management include intramural recreation, YMCA/YWCA, community recreation centers, youth sports, public recreation, and aquatic recreation. The Sport Management emphasis provides career opportunities such as a sports information director, athletic director, health fitness club manager, adventure travel and tourism, hotel/resort management, promotion of professional sports teams, sport facility management, sporting goods marketing, sports journalism and golf course management. A minor in Recreation Sport Management is available.

The department has a supplemental preparation requirement prior to graduation based on the premise that not all instruction takes place in the classroom and that experiential opportunities are a valuable part of a well-rounded education. Student majors should contact their advisors for the specific requirements for their degree.

### **Attention Physical Therapist Assistants**

Students who have completed the PTA degree are encouraged to complete a Bachelor of Science in Physical Education, Health and Exercise Science option.

PED	314	Coaching & Officiating in Track & Field
PED	315	Coaching & Officiating of Volleyball
PED	316	Coaching & Officiating of Wrestling
PED	319	Coaching & Officiating of Soccer

# Minor in Wellness

MWSU students not majoring in the field of Physical Education may minor in Wellness. With renewed interest in the health of the nation, burgeoning health costs, and recent developments in preventative and remedial strategies for a variety of lifestyle-related diseases (heart disease, obesity, cancer, osteoporosis, and sexually transmitted diseases), there is a growing need for individuals trained in the field of wellness. A minor in Wellness could be especially helpful for students majoring in nursing, recreation sport management, psychology, biology (pre-medicine or pre-physical therapy), or management, or for students who wish to self-implement a wellness program.

Students seeking this minor must complete at least 23 credits from the following classes with a C or better in all courses Prodito

It.	naco	r better	In all courses: Creatis	1
	ALH	352	Applied Nutrition 2	
	PED	303	Kinesiology* 3	ſ
	PED	304	Physiology of Exercise* 3

			SUBTOTAL 5	đ

# TOTAL REQUIREMENT FOR MINOR

# Minor in Childhood Studies

Missouri Western State University offers an interdisciplinary minor in Childhood Studies. This minor is intended for those students who have child-related emphases in their major disciplines, such as juvenile delinquency, child psychology, or pediatrics or for those who simply wish to learn more about the subject of childhood. The minor will also provide a foundation of study for those students who intend to go on to professional or graduate school in order to study in child-related areas. This minor does not provide students with certification to teach in the state of Missouri.

Students must successfully complete at least eighteen hours from the following list of classes. To insure that the minor is a truly interdisciplinary experience, at least three disciplines must be represented with no more than nine hours coming from any one discipline:

134

6

21

22-23

PDI		Ci	redits
EDU	315	Psychology and Education of the Exceptional Child (Declared Childhood Studies minors are exempt from	2

		May be repeated for credit.	1-3

\*Only three credit hours of any one internship (including student teaching), special topics course, or independent study maybe applied to the minor.

Each student interested in this minor should discuss with his or her major academic advisor which courses best fit that student's discipline and concentration area as well as which general studies courses need to be chosen to satisfy prerequisites. Students enrolled in the Minor in Childhood Studies will also be assigned an advisor from the Childhood Studies Committee. Programs of study shall be kept on file by the Director of Childhood Studies. , PE & Recreation

# CERTIFICATION IN HEALTH EDUCATION

Teachers holding valid elementary or secondary teaching certificates may be granted additional certification in health upon successful completion of the following coursework. Transfer hours are subject to review. A grade-point average of 2.5 in the subject area is required. *Credits* 

			CICITITO
ALH	352	Applied Nutrition	2
BIO	250	Anatomy and Physiology	5
PED	222	Human Sexuality	3
PED	305	First Aid: Responding to Emergencies	2

ALH	106	Medical Terminology (2)	
Notes: PE	D 370	is not required for certification in grades 9-12.	

Seven hours of electives are required for certification in grades 9-12.

Six hours of electives are required for certification in grades PK-12.

No additional elective hours are required for certification in grades PK-9.

# FACILITY AND SPECIAL FEES FOR ALL COURSES

A facility fee of \$4 is required for all courses in the department. Special fees are charged for some courses which require special equipment and/or facilities.

# **Semester Designation**

F -- the course is offered in the fall semester

Sp -- the course is offered in the spring semester

Su -- the course is offered in the summer semester

DD -- the course is offered at the discretion of the department

# PHYSICAL EDUCATION THEORY COURSES

Waiving of any course prerequisites requires prior departmental authorization.

**PED 100 Introduction to Health, Physical Education and Recreation (3) F, Sp.** Introduction to fields of study in Health and Exercise, Physical Education and Recreation Sport Management. Basic information about the different possible career opportunities as well as professional organization affiliations.

**PED 101 Fitness and Wellness (3) F, Sp, Su.** Develops knowledge and skill in obtaining optimal health fitness through nutrition, stress management, cardiorespiratory endurance, recognition of risk factors for heart disease, and musculoskeletal development. Two hours lecture, two hours lab. Students must enroll in the lecture and one of the following seven PED 101 labs:

**PED 101 Fitness & Wellness Laboratory: Aquatic Conditioning.** Designed to instruct students in a variety of aquatic exercises to develop overall muscular strength, muscular endurance, flexibility, and cardiovascular fitness. Swimming skills not needed.

PED 101 Fitness & Wellness Laboratory: General Physical Conditioning. Designed to instruct students in a variety of physical exercise activities to develop overall muscular strength, muscular endurance, flexibility and cardiovascular fitness.

**PED 101 Fitness & Wellness Laboratory: Fitness Swimming.** Designed to instruct students in a swimming program to develop overall muscular strength and muscular endurance, flexibility and cardiovascular fitness. Prerequisite: Intermediate swimming level and above.

**PED 101 Fitness & Wellness Laboratory: Jogging.** Designed to instruct students in a jogging program to develop overall muscular strength, muscular endurance, flexibility and cardiovascular fitness.

**PED 101 Fitness & Wellness Laboratory: Rhythmic Aerobics.** Designed to instruct students in a variety of choreographed exercise routines to music to develop overall muscular strength, muscular endurance, flexibility and cardiovascular fitness.

**PED 101 Fitness & Wellness Laboratory: Strength Training.** Designed to instruct students in weight resistant activities to develop overall muscular strength, muscular endurance, and flexibility.

PED 101 Fitness & Wellness Laboratory: Walking for Fitness and Weight Control. Designed to instruct students in a walking exercise program to develop overall muscular strength, muscular endurance, flexibility and cardiovascular fitness.

**PED 191 Foundations of Physical Education (2) F.** Historic and philosophic analysis of physical education emphasizing physical education as an academic discipline, professional opportunities, and associated fields. Recommended for freshmen.

**PED 222 Human Sexuality (3) F.** Physiological, Psychological, sociological, behavioral, and clinical aspects of sexuality. Topics will be addressed over the life span and will include controversial issues.

PED 243 Methods and Techniques of Adventure Activities (2) F. Introduction to basic knowledge and skills of popular adventure activities, such as shooting sports, angling, backpacking, orienteering, rock climbing, canoeing, and wilderness living. Emphasizes attitudes, skills, environmental awareness, safety, teaching methodology, and principles of group leadership as they relate to adventure activities. Field trips may be required. One hour lecture, two hours lab.

**PED 244 Methods and Techniques of Team Sports (2) F.** Presents teaching methodology and develops knowledge and skills in the team sports of basketball, flag football, soccer, and volleyball. One hour lecture, two hours lab. May require additional offcampus meetings.

PED 245 Methods and Techniques of Individual and Dual Sports (2) F. Presents teaching methodology and develops knowledge and skills in the individual and dual sports of bowling, badminton, tennis, and golf. One hour lecture, two hours lab. May require additional off-campus meetings.

**PED 246 Methods and Techniques of Dance and Gymnastics (2) Sp.** Presents teaching methodology and develops knowledge and skills in social, folk, and square dance, stunts and tumbling, and apparatus gymnastics. One hour lecture, two hours lab. May require additional off-campus meetings.

# **Department of Nursing**

Dr. Kathleen Andrews, *Chairperson* andrews@missouriwestern.edu <u>http://www.missouriwestern.edu/Nursing/</u> <u>http://www.missouriwestern.edu/HIT/</u> 271-4415

An Associate of Applied Science degree in Health Information Technology and a Bachelor of Science degree in Nursing are offered through the Department of Nursing. Specific information regarding the Health Information Technology Program is also found in this section.

The Department of Nursing offers a baccalaureate degree in Nursing that provides a foundation of knowledge and skills necessary to be eligible to apply to write the National Council Licensure Examination. Upon satisfactory completion of this examination, the candidate is licensed as a registered professional nurse (RN). The program is designed with a strong clinical emphasis, based upon the relationship among the concepts of nursing, person, health-illness, environment, nursing education, nursing research, and ethical concepts applied to nursing. Students gain both theoretical knowledge and practical experience in healthcare agencies to prepare them to respond to the challenge of providing quality nursing care to individuals and groups. Some clinical agencies may require criminal background checks and may refuse to allow a student to gain experience in a clinical agency in accordance with provisions of Missouri State Law. A minimum grade of C in each course in the major is required for progression in and completion of the nursing program. The program is approved by the Missouri State Board of Nursing and is accredited by the Commission on Collegiate Nursing Education.

# **BACHELOR OF SCIENCE - NURSING**

# **Admission Requirements**

Freshmen desiring to enter the 4-year BSN program should declare a pre-major in Nursing at the time of enrollment. Application to the Department of Nursing should be made one full semester prior to the anticipated beginning of nursing courses. A selection committee reviews all applicants and determines those who will be admitted. General admission to the College does not admit a student to the baccalaureate degree program in nursing. Admission is competitive. Applications must meet the following minimum requirements:

- The applicant must apply and be admitted to MWSU.
- The applicant must achieve a composite score of 20 on the American College Test (ACT) (1990 Edition).
- The applicant must have a minimum overall GPA of 2.5.
- The applicant must have completed or be currently enrolled in all general studies and nursing support courses.
- High school seniors and MWSU freshman with outstanding academic records should contact the Department of Nursing for information about early acceptance in the nursing program.

All required general studies and support courses for the nursing major must be completed prior to beginning the nursing courses. Students should work closely with their academic advisors to select appropriate courses. Taking and passing prerequisite courses does not assure acceptance into the BSN program. A completed application including transcripts and ACT score must be in place in the Department of Nursing by January 15 (or until class is full) for a candidate to be considered for fall and by August 15 (or until class is full) for consideration for spring.

Nursing

Specific admission and retention requirements are available in the Department of Nursing. A grade of "C" or better is required in all courses required in the Nursing major (includes all courses with an NUR prefix and the following support courses: BIO 101, BIO 250, BIO 251, BIO 375, CHE 104, PSY 101, PSY 240, ALH 352, PHL 230.

# **Eligibility for Nursing Licensure**

Completion of the BSN program does not guarantee eligibility to write the licensure examination. Completion of the program guarantees eligibility to apply to the State Board of Nursing to write the national licensure examination (NCLEX-RN). A criminal background check is conducted by the Missouri State Board of Nursing before a decision is made regarding certificate of registration or authority; permit or license pursuant to section 335.011 to 335.06 for any one or any combination of causes stated in 335.006 subsection 2 of the State of Missouri Nursing Practice Act. Specific information may be obtained by contacting the Missouri State Board of Nursing.

# **Degree Requirements**

A Bachelor of Science in Nursing requires completion of the following specific courses in addition to the general studies:

Note: For students who entered the Nursing Program prior to Fall 2007, see MWSU Catalog for your year of entry into the Nursing Program for specific degree requirements and course descriptions.

## LPN-BSN Students

LPNs must meet the general admission requirements of MWSU and the admission requirements of the Department of Nursing. In addition, the LPN must be currently licensed as a LPN, have current work experience in the LPN role in the last 2 years or be a recent PN graduate. Specific admission and retention requirements for all students are available in the Department of Nursing.

Nursing

- The option of earning credit by examination (department test-out) is available for ALH 352, and by CLEP examination for PSY 240. Additionally, students have the option of CLEP test-out for 5 general studies courses.
- No more than 30 hours may be earned for non-traditional credit, test-out, or CLEP.
- The LPN completes the curriculum as do other BSN students. There may be opportunity for validation of nursing skills/knowledge in some nursing courses.

# Minor in Childhood Studies

Missouri Western State University offers an interdisciplinary minor in Childhood Studies. This minor is intended for those students who have child-related emphases in their major disciplines, such as juvenile delinquency, child psychology, or pediatrics or for those who simply wish to learn more about the subject of childhood. The minor will also provide a foundation of study for those students who intend to go on to professional or graduate school in order to study in child-related areas. This minor does not provide students with certification to teach in the state of Missouri.

Students must successfully complete at least eighteen hours from the following list of classes. To insure that the minor is a truly interdisciplinary experience, at least three disciplines must be represented with no more than nine hours coming from any one discipline:

		Cr	easts
EDU	315	Psychology and Education of the Exceptional Child	2
		(Declared Childhood Studies minors are exempt from	
		EED 303 and EED 304 as prerequisites for this course.)	
EDU	419	Utilizing Family and Community Resources for Early	2
		Childhood Education (Declared Childhood Studies minors	
		are exempt from EED 357 or EED 358 as a prerequisite for	
		this course.)	
EDU	420	Counseling Techniques/Parents	2
ENG	300	Literature for Children	3
ENG	400	Literature for Adolescents	3
LAT	370	Domestic Relations	3
LAW	110	Juvenile Delinquency	2 3 3 3 3 3 6 2
LAW	440	Juvenile Law and Procedures	3
NUR	433	Health Alterations: Maternal Child	6
PED	384	Child Growth and Development	2
PSY	240	Life-span Developmental Psychology	OR
PSY	319	Child/Adolescent Psychology	3
		(Prerequisite: PSY 101. Declared Childhood Studies minors are	
		exempt from PSY 200 as a prerequisite for this course.)	
PSY	470	Child Psychopathology and Exceptionalities	3
		(Prerequisite: PSY 101 and either 240 or 319. Declared Childhoo	bd
		Studies minors are exempt from PSY 200 as a prerequisite for	
		this course.)	
SOC	330	The Family	3
SWK	325	Child and Family Welfare	3
*Intern	ship:	Relevant field experience/practicum/internship through any	
		academic department. May be repeated for credit.	1-3
*Releva	ant Sp	ecial Topics Course offered through any academic department.	
		May be repeated for credit.	1-3
*Relev	ant Ind	dependent Study arranged with any full-time faculty member.	
		May be repeated for credit.	1-3

\*Only three credit hours of any one internship (including student teaching), special topics course, or independent study maybe applied to the minor.

nce is on eld es,

Each student interested in this minor should discuss with his or her major academic advisor which courses best fit that student's discipline and concentration area as well as which general studies courses need to be chosen to satisfy prerequisites. Students enrolled in the Minor in Childhood Studies will also be assigned an advisor from the Childhood Studies Committee. Programs of study shall be kept on file by the Director of Childhood Studies.

# HEALTH INFORMATION TECHNOLOGY

MWSU offers a one-year Certificate program and a two-year Associate of Applied Science Degree program with a major in Health Information Technology (HIT). The program is accredited by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM).

The Certificate program will prepare the student for an entry-level position in the field of health information management with such employers as hospitals, nursing homes, doctor's offices, and insurance companies. The Associate Degree program will prepare the student to sit for the RHIT (Registered Health Information Technician) certification exam. This certification would qualify the graduate for a more responsible position in the health information management field. A grade of C or better in all of the majors courses is required for either the Certificate or the Associate Degree. Students wishing to complete the Associate Degree must take the ACT.

Students wishing to complete only the certificate can complete the requirements on a part-time basis over a two-year period. Part or all of the program may be offered online. Check with the department for further information.

Regular day students may begin the program each fall. Day students should realize that they may need to enroll in some evening courses in order to complete the program. Evening students may begin the sequence in the fall of odd years. Evening courses will be offered on a rotating basis so that evening students could expect to complete the Associate of Applied Science in four years, including summers. Students should be aware that some courses involve professional practice experiences for a significant number of hours. These experiences are usually available during typical working hours. Students should work closely with their advisors since many of the courses have prerequisites and must be taken in sequence.

# **Degree Requirements**

A certificate in Health Information Technology requires completion of the following specific courses for a total of 35 credits:

Requ	uireme	ents		Credits
	HIT	100	Health Data Content and Structure	4
	HIT	132	Pharmacology	3
	HIT	275	Coding and Classification Systems I	3
]	HIT	276	Coding and Classification Systems I Lab	ĩ

# **Semester Designation**

F -- the course is offered in the fall semester

- Sp -- the course is offered in the spring semester
- Su -- the course is offered in the summer semester

DD -- the course is offered at the discretion of the department

# NURSING COURSES

Waiving of any course prerequisites requires prior departmental authorization.

NUR 283 Introduction to Research Methods in Nursing (1-2) (DD). Introduction to basic research in nursing. Individual and team projects involving methods for solving nursing-related research problems. Prerequisite: Consent of the department.

**NUR 312 Foundations of Standards-Based Nursing (6) F, Sp.** Concepts and theories for standards-based, holistic nursing practice. Application of basic skills and technologies for health promotion and disease prevention through the lifespan in a variety of settings. Four credit hours lecture, 90 clinical practicum hours. Prerequisite: Admission to Nursing Program.

NUR 314 Quantitative Analysis for Health Care Research (3), F, Sp. Fundamentals of statistics with a practical application to evidence based practice in health care. Emphasizes understanding and practical application of descriptive and inferential statistical procedures with a major concentration on the correct use of statistics, statistical assumptions, and interpretation of statistical results. Statistical software is used to assist in the analysis. Prerequisites: Admission to Nursing Program, MAT 110, MAT 112, or MAT 116 (grade of C or better).

Nursing

Nursing

NUR 316 Health Promotion and Holistic Assessment (6) F, Sp. Standards-based holistic assessment across the lifespan including risk identification, health promotion and illness prevention. Application of nursing process in a variety of health care environments. Four credit hours lecture, 90 clinical practicum hours. Prerequisite: Admission to Nursing Program.

NUR 334 Pharmacology I (2), F, Sp. An introduction to basic pharmacological principles and skills for safe and effective standards based nursing practice. Prerequisite: Admission to Nursing Program.

NUR 336 Pharmacology II (2), F, Sp. Builds on the foundation of Pharmacology I and emphasizes a comprehensive examination of pharmacotherapeutics and related nursing implications. Prerequisites: NUR 312, NUR 314, NUR 316, NUR 335.

NUR 352 Acute and Chronic Health Alterations (10), F, Sp. Examination of Health Alterations with application of nursing process to provide standards-based holistic care for individuals in acute and chronic health care environments. Six credit hours lecture, 180 clinical practicum hours. Prerequisites: NUR 312, NUR 314, NUR 316, NUR 334.

NUR 395 Nursing Research in Practice (2), F, Sp. An introduction to evidence-based practice for the professional nurse and the utilization of research in standards-based nursing practice. Prerequisites: NUR 312, NUR 314, NUR 330, NUR 334.

NUR 433 Health Alterations: Maternal/Child (6), F, Sp. Standards-based holistic care of pregnant women; newborns, infants, children and adolescents with acute or chronic alterations in health.. Four credit hour lecture, 90 clinical practicum hours. Prerequisites: NUR 336, NUR 352, NUR 395.

NUR 435 Health Alterations: Psychiatric Disorders (3), F, Sp. Standards-based holistic care of individuals with acute or chronic psychiatric disorders. Two credit hour lecture, 45 clinical practicum hours. Prerequisites: NUR 336, NUR 352, NUR 395.

NUR 437 Complex Health Alterations (5) F, Sp. Standards-based holistic care for individuals and families experiencing complex health alterations. Uses and effects of advanced health care technology and special environments for care are emphasized. Three credit hours lecture, 90 clinical practicum hours. Prerequisites: NUR 336, NUR 352, NUR 395.

NUR 450 Independent Research/Project (1-3) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of the major-minor declaration in nursing, a minimum of a 2.5 GPA in the major field, and department approval.

NUR 453 Health Alterations in the Community (6) F, Sp. Exploration and application of standards-based practice within community settings across the lifespan with a focus on the nurse as designer, manager, and coordinator of care. Three credit hour lecture, 135 clinical practicum hours: Prerequisites: NUR 433, NUR 435, NUR 437.

NUR 457 Professional Development in Nursing (1) F, Sp. An investigation of licensure requirements, career opportunities and issues in professional nursing. Prerequisites: NUR 433, NUR 435, NUR 437, NUR 459.

**NUR 459 Research Application (1), F, Sp.** Requires the application of systematic inquiry through the investigation of a problem or topic in nursing practice. Prerequisites: NUR 395.

NUR 474 Nursing Leadership and Management (3), F, Sp. Exploration and application of standards-based practice with a focus on the nurse as designer, manager, and coordinator of care. Role transition from student to professional nurse is emphasized. Prerequisites: NUR 433, NUR 435, NUR 437, NUR 459.

NUR 475 Senior Capstone Clinical (4), F, Sp. Precepted clinical practicum in a variety of practice environments. Focus is on the nurse's role including designer, manager, and coordinator of care including application of standards-based practice and role transition with 144 clinical practicum hours. Prerequisites: NUR 433, NUR 435, NUR 437, NUR 459.

NUR 488 Nursing Senior Seminar (2), F, Sp. An elective course focusing on preparation for the licensure examination. Prerequisite: Senior Status.

NUR 492 Selected Topics in Nursing (1-3), F, Sp, Su. A selected group of electives that pertain to the student's special interests. Credit and time arranged. May be repeated for credit up to 8 hours. Prerequisite: Junior status.

NUR 493 Intraoperative Nursing (3) Su (DD). An elective course focusing on role of the nurse in the operating room and the required practice competencies to support patient care in the intraoperative setting. A minimum of seventy-two hours of precepted clinical practice in the operating room is required. Prerequisites: NUR 352, or RN license.

**NUR 494: Critical Care Nursing (5), Su, (DD).** An elective course consisting of 60 hours of classroom instruction followed by 120 hours of precepted clinical learning experience in a Critical Care Unit. Based on the American Association of Critical Care Nurses core curriculum, the course focuses on standards-based care and the role of the nurse in critical care. Prerequisites: NUR 336, NUR 352, NUR 395, or RN license.

# HIT COURSES

Waiving of any course prerequisites requires prior departmental authorization.

HIT 100 Health Data Content and Structure (4) F. Classroom and professional practice experiences in the laboratory include the study of the Health Information Management profession and the American Health Information Management Association. Content of the health record; documentation requirements; forms and screen design, and data sets in various health care settings.

HIT 101 Health Data Management (4) Sp. Classroom and professional practice experiences in the laboratory include the investigation of storage retrieval systems and control techniques for health records; numbering, filing, and indexing systems; record retention policies and procedures; organization, requirements and contents of registries; data abstracting and retrieval techniques; discharge analysis and health information systems. Prerequisite: HIT 100.

HIT 116 Computers in Healthcare (2) Su. Introduction to the fundamentals of healthcare information systems, including types of hardware and software, communications and networks, technology computing standards, information systems life cycles, electronic medical records, and information security. Prerequisite: CSC 201 and HIT 101.

HIT 132 Pharmacology (3) Su. An introductory course with emphasis on classes of drugs and their primary use. Course work will include indications for the medications, dose and route of delivery of the most frequently prescribed medications in various health care settings. Prerequisites: ALH 106 and BIO 250.

Nursing

HIT 200 Health Care Delivery System (3) F. Study of the components of the health care delivery system; roles and functions of the hospital's organizational components: the governing board, the administration and the medical staff and the various hospital departments. Investigation of the procedures used by the organizations which regulate and accredit hospitals, e.g., the Joint Commission on Accreditation of Healthcare Organizations (JCAHO). Prerequisite: HIT 100 or admission to the Nursing or PTA Program.

HIT 230 Legal Concepts in Health Care (2) Sp. Study of the legal principles related to patient care and health records; legal terminology and procedures; court systems; and liability of health care providers. Prerequisite: HIT 200.

HIT 235 Health Care Statistics (2) Sp. Study of the methods/formulas for computing and preparing statistical reports used in the delivery of health care. Prerequisites: HIT 100, 200; Math ACT of 20 or higher or the equivalent.

HIT 240 Principles of Management (3) Sp. Study of the functions of management, including the tools used to analyze and improve the functions that create and handle health information, as well as, the human resources necessary for effective management of the health information management environment. Prerequisite: HIT 101.

HIT 250 Quality Management in Health Care (3) Su. Study of the major components and fundamental tasks of quality management including performance measurement, assessment, and improvement; resource management; management of the performance of individuals; risk management; and the impact of external pressures on the health care organization. Prerequisites: HIT 101, HIT 200 and HIT 235.

HIT 271 Professional Practice Experience (2) Su. The HIT student will gain experience in applying knowledge to technical procedures in health information management and in developing professional attitudes for interacting with other professionals and consumers in various health care facilities, organizations, or agencies related to healthcare. Prerequisites: HIT 101, HIT 277 and HIT 278.

HIT 275 Coding and Classification Systems I (3) F. Introduction to medical nomenclature and classification systems, official coding guidelines, data quality, case mix, analysis and ICD-9-CM using manual as well as automated encoders. To be taken concurrently with HIT 276. Prerequisites:ALH 106, BIO 250 and 375. (May be taken concurrently with BIO 375.)

HIT 276 Coding and Classification Systems I Lab (1) F. Laboratory for application of coding practices learned in HIT 275. To be taken concurrently with HIT 275.

HIT 277 Coding and Classification Systems II (3) Sp. Study and application of CPT and HCPCS coding principles using manual and automated encoders. Diagnosis related groups, ambulatory payment classifications, case mix, and data quality will be integrated throughout the course work. To be taken concurrently with HIT 278. Prerequisites: HIT 275 and HIT 276.

HIT 278 Coding and Classification Systems II Lab (1) Sp. Provides a laboratory setting for the application of coding practices learned in HIT 277. To be taken concurrently with HIT 277. Prerequisites: HIT 275 and 276.

HIT 279 Reimbursement Systems (1) F. The course will cover the areas of UB-92 form and procedure, Medicare Part A and Part B billing procedures, and reimbursement terminology.

# The College of Liberal Arts and Sciences

Dr. Martin Johnson, Dean

271-4510

Departments of: Art Biology Chemistry Communication Studies/Theatre Computer Science/Mathematics/Physics Economics

English/Foreign Languages/Journalism Government/Social Work/Sociology History/Philosophy/Geography Music Psychology

Programs in the College of Liberal Arts and Sciences provide opportunities for development of both the intellectual and technical skills necessary for professional competence. In-class experiences are supplemented with laboratory classes, field experiences, student/faculty collaborative research, and internships. Additionally, students focus on formal and informal writing processes, and application of computer technologies. These experiences provide learning situations that emphasize the combination of theory and hands-on practice.

Liberal Arts and Sciences faculty encourage students to reflect on the value of individual and organizational integrity, to develop personal and professional respect for others, to foster international/intercultural sensitivity, and to promote personal and social responsibility.

The College of Liberal Arts and Sciences provides the core of the university's general education program. Individually, and as a part of a team, students learn to:

- Communicate ideas effectively
- Develop critical, analytical, and quantitative skills
- · Use the scientific process in daily living
- · Compare, contrast, and evaluate ideas
- Develop historical frameworks in which to evaluate current and possible future events
- Experience the arts and participate in the cultural life of the community

These components of a liberal arts education allow students to become capable, wellrounded human beings, knowledgeable citizens, and productive members of society. Liberal Arts and Sciences graduates are valued by graduate and professional schools, by employers in business and nonprofit organizations, and in other careers where flexibility, creativity, and problem-solving are required.

# Liberal Arts & Sciences

# LIBERAL ARTS AND SCIENCES AREAS OF FOCUS

A student graduating with a major in any of the disciplines within the College of Liberal Arts and Sciences (except Medical Technology) is required to take one course designated as LAS Writing and a second course designated as LAS Computer Literacy. In addition, students with majors in the departments of Art, Communication Studies/Theatre, Economics, English/Foreign Languages/Journalism, History/Philosophy/Geography, Music, Psychology, and Government/Social Work/Sociology are required to take one course designated LAS Ethics, and another course designated LAS International/Intercultural. For students with majors in other LAS departments, it is only recommended that they take a LAS Ethics and a LAS International/Intercultural course. If a course is designated in more than one area, the student must choose which one of the four area requirements it will satisfy.

1. LAS Writing. A course in which faculty assign students both formal and informal writing in order to increase student learning, improve student writing, and initiate students into discipline-specific forms of written communication.

2. LAS Computer Literacy. A course designed to teach discipline-specific computer software and hardware. A partial list of skills which may be taught include: data collection and analysis, word processing, desktop publishing, ethical or human issues of computing, discipline-specific applications of computer technology.

3. LAS Ethics. A course in which issues of ethical concern to professionals in their major field of study are addressed. These courses will give significant attention to professional codes of ethics, case studies identifying ethical dilemmas, or issues of contemporary (or historical) social concern.

4. LAS International/Intercultural. A course which presents a significant recognition, awareness, and understanding of cultural or international diversity.

These courses are designated (by previous labels) in the course descriptions listed with each academic department. Preferably, students will take these courses within their major; however, students may choose to fulfill this requirement with courses outside their major.

# PREPROFESSIONAL PROGRAMS

Preprofessional programs in specialized fields are offered for students who plan to transfer to another university for the completion of their studies. Students choosing these programs should select a transfer institution early and should work closely with their academic advisor. Contact the academic department listed below for more information. Preprofessional programs in the liberal arts and sciences at MWSU include:

Dentistry (Biology or Chemistry Depts.)
Engineering (Computer Science/Math/Physics or Engineering Technology Depts.)
Journalism (English/Foreign Languages/Journalism Dept.)
Law (see Dean of Liberal Arts and Sciences)
Medicine (Biology or Chemistry Depts.)
Med-Tech (Chemistry Dept.)
Optometry (Biology or Chemistry Depts.)
Pharmacy (Chemistry Dept.)
Physical Therapy (Biology or Chemistry Depts.)
Vet-Medicine (Biology or Chemistry Depts.)

Additional Preprofessional programs in Architecture can be found in the College of Professional Studies section of this catalog.

Liberal Arts & Sciences

163

# **Department of Art**

Dr. Allison Sauls, *Chairperson* sauls@missouriwestern.edu http://www.missouriwestern.edu/Art/ 271-4422

The Department of Art provides a foundation of knowledge and skills in the visual arts. Students may elect the following degree programs: Bachelor of Arts, the Bachelor of Science in Education, the Bachelor of Fine Arts in Studio or the Bachelor of Fine Arts in Graphic Design. The B.A. degree is a liberal arts degree offered by the Department of Art in which the student chooses an area of concentration for that major. In addition to the university's general education requirements, the College of Liberal Arts and Sciences' requirement of twelve hours of a foreign language must be completed in the B.A. The B.S.E. in Art Education is designed for students who wish to teach art in public schools. The B.F.A. degree is considered a professional major degree and is recommended to anyone intending to enroll in graduate study (M.F.A.) or work in the professional world of art. For the B.F.A., in Studio, the art student may select a concentration in one of the following areas: (1) Drawing, (2) Illustration, (3) Painting, (4) Photo Media, (5) Printmaking or (6) Sculpture. Only one concentration may be declared. This should be done after Sophomore Review is passed and B.F.A. studio foundation courses have been satisfied. The B.F.A. in Graphic Design prepares the student to enter the world of work or continue study in graduate school.

Studio courses and historical-critical studies are an integral part of each program. They introduce the student to a wide variety of media and techniques while providing opportunities to deal with problems related to professional practice. Historical-critical studies acquaint the student with artistic styles, movements and aesthetic problems in art and place them in historical perspective.

The Department of Art has an active gallery exhibition program and endeavors to expose students to regional and national artists working in the area of visual communication. Studio workshops, critiques, seminars, and lectures by professional artists and scholars, as well as field trips to the numerous galleries and museums in the St. Joseph/Kansas City area, are an integral part of many class experiences.

#### ADVISEMENT

All first time freshman and transfer students entering the art program must see the chairperson of the department who will discuss curriculum and options in the department. The chair will also lift the "advising block" to enable the student to register for classes. This block is in place each semester and can be lifted only after consultation with an advisor. Once a student declares a major and/or a concentration, the CDA will design a faculty member in the chosen program for further supervision.

Art students *must* consult with their faculty advisors *each semester*. Students majoring in art are required to undergo a review of their work once they have completed the Foundation Core Curriculum sequence. The student is responsible for scheduling the review with their advisor and submitting a representative sampling of work for examination by the art faculty. The consent of this committee based on portfolio, presentation, professional demeanor and overall ability is necessary before the student enrolls in further study in the department. The B.F.A. Foundation Courses before choosing a concentration. The B.F.A. student in Graphic Design must also pass Sophomore Review before advancing in the program.

#### DECLARING A MAJOR

All students should complete a premajor form at the beginning of study in the department. No student may declare a major in Art until the first three courses (ART 110,

164

Art

ART 120 and ART 130) have been completed with a proscribed grade-point average. Art Education students are under the same departmental requirements, plus they have additional obligations from the Education Department. In addition to completing the Freshman Core and passing the Sophomore Review, B.F.A. Studio candidates must successfully pass the additional B.F.A. Foundation Core before declaring a concentration. BFA Graphic Design has only to pass entrance, freshman core curriculum and sophomore review before advancing through the graphic design program.

Students are strongly encouraged to complete the first three courses of the Freshman Core during the first semester at MWSU. Further study in the department will be denied unless the student receives a GPA of 2.5 in these three courses. The student is also urged to take the subsequent studio components of ART 160 and ART 170 of the foundation core curriculum during the second semester at MWSU. Failure to do so will disrupt sequential prerequisite restrictions and add additional time to degree completion.

#### BACHELOR OF ARTS DEGREE REQUIREMENTS

The B.A. requires at least 12 credits in a single foreign language. •

#### B.A. Major in Art

Foundatio	on Cor	e Curriculum	Credits
ART	110	Beginning Drawing I	3

# BACHELOR OF SCIENCE DEGREE REQUIREMENTS FOR ART EDUCATION

The B.S.E. in Art Education requires a number of education courses and assessments including but not limited to a 22 composite ACT, 2.5 overall GPA and passing of all parts of the C-BASE exam. In addition, the following courses are required for Missouri certification: PSY 101, GOV 101, BIO 101, HIS 140 or 150.

#### **Semester Designation**

F -- the course is offered in the fall semester

Sp -- the course is offered in the spring semester

Su -- the course is offered in the summer semester

DD -- the course is offered at the discretion of the department

#### HISTORY AND APPRECIATION OF ART COURSES Waiving of any course prerequisites requires prior departmental authorization.

**ART 100 Introduction to Art (3) F, Sp, Su**. General background in the history, philosophy, principles, and techniques of the visual arts.

**ART 205 Ancient through Medieval Art (3)** F. History of art in western civilization: prehistoric times through the Middle Ages. LAS Writing.

**ART 255 Renaissance through Modern Art (3) Sp.** History of art in western civilization: Renaissance through modern times. Prerequisite: ART 205. LAS International/Intercultural. ART 324 Topics in the History of Cinema (3) (DD). Viewing and discussion of thematic concepts of cinema from genre of films, auteur theory of directors and other related topics. Prerequisites: Freshman core for majors plus ART 205, ART 255 or permission of the department or instructor.

ART 335 Art Theory and Criticism (3) F. Critical thought in art theory, philosophy, and criticism. Prerequisite: ART 205, 255, and completion of freshman core curriculum in art. LAS Writing.

ART 356 American Art: Columbus to 1865 (3) F (even-numbered years). Development of art in the United States. (Materials Fee) Prerequisite: ART 205 and ART 255.

ART 357 American Art Since 1865 (3) Sp (even-numbered years). Architecture, decorative arts, painting and sculpture since the Civil War. (Materials Fee) Prerequisite: ART 205, ART 255 and ART 356.

**ART 381 IN-Site Art and Cultural Experience (2-3) (DD).** Directed studio and art history opportunities for students off-campus. Prerequisites: Permission of the department or instructor.

**ART 450 Independent Research/Project (3) F, Sp.** Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of the major-minor declaration in art, minimum 2.5 GPA in major field, and departmental approval.

**ART 456 Art in the Age of Modernity (3) F (odd-numbered years).** Major movements of the 19th and 20th centuries focusing on painting, sculpture and architecture. (Materials Fee) Prerequisite: ART 205 and ART 255.

**ART 457 Art Since 1945 (3) Sp (odd-numbered years).** The latest trends, theories and technologies in visual and conceptual art. (Materials Fee) Prerequisite: ART 205, ART 255, and ART 456.

**ART 493 Internship in Art (2-6) F, Sp, Su**. Practical guided experience in a range of design, graphic art, typography, illustration, photography and publications tasks. Prerequisite: ART 359 and 329, portfolio review. Junior or senior level art majors only. Departmental approval required.

**ART 494 Senior Seminar and Exhibit (1) F, Sp.** Class session on professional topics; preparation and presentation of an exhibition of the student's personal art work. Pre-requisite: Passing of Junior Review <u>and</u> departmental approval required.

#### STUDIO ART COURSES

Waiving of any course prerequisites requires prior departmental authorization.

ART 110 Beginning Drawing I (3) F, Sp. Elementary drawing with the figure, still life, landscape, and perspective in various media. Six studio hours.

ART 120 Two-Dimensional Design (3) F, Sp. Design principles and fundamentals in two-dimensional media using a problem-solving approach. (Lab fee) Six studio hours.

**ART 130 Introduction to Tools and Techniques (2) F, Sp.** Basic skills with studio hand tools and power equipment; emphasizes safety procedures. This course is a prerequisite for any studio art course except ART 110 and 120. Four studio hours. (Students must purchase their own project materials.)

**ART 140 Ceramics I (3) F, Sp.** Traditional and contemporary approaches to ceramics as an art form; emphasizes technical, historical, and aesthetic problems. Six studio hours. (Students must purchase the clay they use.)

Art

**ART 160 Beginning Drawing II (3) Sp.** The figure in various media; still life, landscape, and nonobjective directions; problems dealing with the complete drawing. Six studio hours. (Lab fee) Prerequisite: successful completion of ART 110, 120, 130, with a GPA of 2.50 or better in the three courses.

**ART 170 Three-Dimensional Design (3) Sp.** Emphasis on form and composition using a problem solving approach; exploration of a wide variety of three-dimensional materials and processes. Six studio hours. (Lab Fee) Prerequisite: successful completion of ART 110, 120, 130, with a GPA of 2.50 or better in the three courses.

ART 229 Design Software Applications (3) F, Sp. Introduction to computer hardware, software and peripherals commonly used by professional artists. Beginning projects utilizing computer-assisted design. (Lab Fee) Prerequisites: completion of freshman core curriculum. LAS Computer Literacy.

**ART 300 Elementary Art Teaching: Philosophy and Methods (3) F, Sp, Su.** Current methods and materials for the teaching of art in the elementary grades; theory and experience with elementary school art projects. Prerequisite: EED 202 and MUS 101. Elementary education majors may not take this course until officially admitted to teacher education.

**ART 310 Intermediate Drawing (3) F.** The figure in various media; still life, landscape, and nonobjective directions; intermediate problems dealing with the complete drawing. Six studio hours. (Lab Fee) Prerequisite: ART 160.

**ART 315 Illustration I (3) Sp.** Techniques and media used in the production of drawings for commercial purposes. (Lab Fee) Prerequisites: completion of Freshman core curriculum plus ART 369 and ART 310.

**ART 320 Ceramics II (3) F, Sp.** Hand building and throwing techniques; introduces kiln firing and glaze formulation. Six studio hours. (Students must purchase the clay they use.) Prerequisite: ART 140.

**ART 329 Computer Graphic Design I (3) F, Sp.** Basic introduction to the computer as a visual tool for the graphic designer/artist. Design, layout, and typography using the micro computer and illustration software. Technical issues relating to electronic imaging and printing. (Lab Fee) Prerequisite: Declared major in Art. LAS Computer Literacy.

**ART 333 Typography (3) Sp.** Introduction to basic letterform and type and their use in visual communication. (Lab Fee) Prerequisites: completion of freshman core curriculum plus successful completion of ART 229.

**ART 339 Printmaking I (3) F.** Relief and intaglio printmaking processes. Six studio hours. (Lab Fee) Prerequisite: ART 120, 130 and 160.

**ART 340 Printmaking II (3) F.** Continued exploration of relief and intaglio processes. Six studio hours. (Lab Fee) Prerequisite: ART 339.

**ART 349 Interactive Design I (3) F.** Introduction to Web Design from an art and design perspective. Use of techniques and practices involved in web site creation that incorporated a strong visual language as well as interactive elements such as motion and sound will be explored. (Lab Fee) Prerequisites: Successful completion of freshman core curriculum plus ART 229.

**ART 350 Secondary Art Teaching: Philosophy and Methods (3) Sp (even-numbered years).** Teaching methodologies and materials for the secondary school art teacher; design of appropriate art learning experiences for the adolescent. Prerequisite: ART 300.

H

**ART 359 Photomedia I (3) F, Sp.** Black-and-white photographic processes and problems; student must have access to a camera with adjustable aperture and shutter speed. Six studio hours. (Lab Fee) Prerequisite: ART 110, 120 and 130.

**ART 360 Photomedia II (3) F, Sp.** Continued study of black and white photographic processes and problems with an introduction to some color photographic processes and problems. Digital imaging will also be included. Six studio hours. (Lab Fee) Prerequisite: ART 359.

**ART 369 Painting I (3) F, Sp.** Color, composition, and technique; the figure, still life, and nonobjective problems. Six studio hours. (Lab Fee) Prerequisite: ART 130 plus 6 credits in drawing.

**ART 370 Painting II (3) F, Sp.** Continuation of exploration with color, composition, and technique; figurative and nonobjective directions. Six studio hours. (Lab Fee) Prerequisite: ART 369.

ART 375 Illustration II (3) Sp. Exploration of techniques, craftsmanshipo and conceptual skills to provide understanding of illustration and its function in design for commercial purposes. (Lab Fee) Prerequisites: completion of freshman core curriculum plus successful completion of ART 315, ART 369 and ART 310.

ART 379 Sculpture I (3) F. Basic foundations in sculpture: theory, techniques, materials, processes. Six studio hours. (Lab Fee) Prerequisite: ART 130 and 170.

**ART 380 Sculpture II (3) F.** Sculptural theory, concepts, techniques, materials, and processes at the intermediate level. Six studio hours. (Lab Fee) Prerequisite: ART 379.

**ART 388 Interactive Design II (3) F.** Introduction to compositional techniques for the application of real-time and interactive time-based forms in digital media design. (Lab Fee) Prerequisites: Successful completion of freshman core curriculum plus ART 229, ART 349.

**ART 395 Computer Graphic Design II (3) Sp.** Advanced techniques using paint software and illustration software with emphasis on merging programs to combine images. Introduction to utilizing the applications for web design. (Lab Fee) Prerequisite: ART 329 with a grade of "C" or better.

**ART 410 Advanced Drawing (3) F.** The figure in various media; advanced problems dealing with drawing as a complete form. Six studio hours. May be repeated for credit. (Lab Fee) Prerequisite: ART 310.

**ART 420 Ceramics III (3) F, Sp.** Advanced techniques and problems in ceramics. Six studio hours. May be repeated for credit. (Students must purchase the clay they use.) Prerequisite: ART 320.

**ART 434 Directed Reading (2) F, Sp.** Directed Readings and reports on specific art movements, techniques and artists relevant to the student's area of concentration. Prerequisites: completion of freshman core curriculum plus senior standing.

**ART 440 Printmaking III (3) F.** Advanced problems in relief, intaglio, and serigraphy processes. Six studio hours. May be repeated for credit. (Lab Fee) Prerequisite: ART 340.

**ART 449 Interactive Design III (3)** F. Introduction to compositional techniques for the application of real-time and interactive time-based forms in digital media design. (Lab Fee) Prerequisites: Successful completion of freshman core curriculum plus ART 229 and ART 399.

Art

**ART 460 Photomedia III (3) F, Sp.** Advanced study of black and white and some color photographic processes and problems. Six studio hours. May be repeated for credit. (Lab Fee) Prerequisite: ART 360.

**ART 470 Painting III (3) F, Sp**. Advanced problems dealing with color and composition; figurative and nonobjective directions. Six studio hours. May be repeated for credit. (Lab Fee) Prerequisite: ART 370.

**ART 480 Sculpture III (3)** F. Advanced techniques in various media emphasizing individual experience. Six studio hours. May be repeated for credit. (Lab Fee) Prerequisite: ART 380.

**ART 488 Final Portfolio (3) Sp.** All aspects of portfolio development, production and presentation. Elements of professional work application and self-promotional expectation in the professional field. (Lab Fee) Prerequisites: completion of freshman core curriculum plus successful completion of ART 492 and Art 349.

**ART 492 Computer Graphic Design III (3)** F. Production of electronic pages using page layout software in order to combine text and images. Students are introduced to advanced problem solving in typography, prepress, color output, printing and electronic publishing. (Lab Fee) Prerequisite: ART 395 with a grade of "B" or better.

Art

# **Department of Biology**

Dr. Todd Eckdahl, *Chairperson* eckdahl@missouriwestern.edu 271-4552 http://www.missouriwestern.edu/Biology/

Biology students study all forms of life at the molecular, organismal, and population levels of complexity. Students work in well-equipped laboratories using current tools and techniques, and in the department's campus natural area where students study life in its natural environment. Independent research and special problems courses are offered for advanced students.

The biology curriculum consists of core courses taken by all biology majors, followed by biology electives in specific areas. The department curriculum provides excellent preparation for prospective science teachers, graduate students, and research biologists, among others, and for professional programs in medicine, dentistry, and veterinary medicine.

Earth Science, Physical Science (for the elementary teacher) and the Physical Therapist Assistant Program are also listed in the Biology Department.

#### EXIT REQUIREMENTS FOR DEPARTMENT MAJORS

All students completing any B.S. degree requirement in the Biology Department will be required to take the departmental exit exam prior to graduation.

#### **BACHELOR OF SCIENCE DEGREE REQUIREMENTS**

#### **Major in Biology**

Students may select among the following options as a Biology major:

- 1. Major in Biology
- 2. Major in Biology with Zoology Concentration
- 3. Major in Biology with Botany Concentration ,
- 4. Major in Biology with Health Science Concentration

Core I	Credits			
BIO	105	Principles of Organismal Biology		5
BIO	115	Ecology and Evolution		4
BIO	205	Genetics		4
BIO	215	Molecular Cell Biology		4
CHE		General Chemistry	2	5
CHE	120	General Chemistry II		5
CHE	310	Organic Chemistry I		3
CHE	311	Organic Chemistry Laboratory I	,	2
CHE	370	Biochemistry		4
MAT	132	Elementary Statistics		3
PHY	110	College Physics I	1	4
		TOTĂL CÓRE		43

Biology

#### Major in Biology

Core plus 22 additional credits from biology courses numbered 300 or higher selected from the following areas:

A. Organismal Diversity (12 credits). Select three (3) courses from at least two (2) of the following areas:

1. BIO	415	Invertebrate Biology	OR
BIO	416	Vertebrate Biology	4
2. BIO	350	Plant Systematics	OR
BIO	407	Plant Morphology	4
3. BIO	390	Microbiology	OR
BIO	315	Medical Parasitology	OR
BIO	455	Entomology	4
		Total A	12
B. Physiol	logy (4	hours). Select one of the following:	
BIO	311	Animal Physiology	OR

BIO	311	Animal Physiology		C
BIO	340	Plant Physiology		
		Total B		

C. Biological Electives. Complete an additional six (6) credits of upper division biology courses.

Total C	6
TOTAL CONCENTRATION	22
TOTAL CORE AND CONCENTRATION AREA	65

#### Major in Biology with Botany Concentration

Core plus 22 additional credits from biology courses numbered 300 or higher selected from the following areas:

#### A. Organismal Diversity (14 credits) BIO 350 Plant Systematics

BIO	350	Plant Systematics	4
BIO		Plant Morphology	4
BIO	351	Local Flora: Spring & Summer	2
BIO		Entomology	4
		Total A	
Physiol	ogy (4	hours)	

B. Physiology (4 hours) BIO 340 Plant Physiology Total B

**C. Biological Electives.** Complete an additional four (4) credits of upper division biology courses.

Total C	4
TOTAL CONCENTRATION	22
TOTAL CORE AND CONCENTRATION AREA	65

4

30

#### Major in Biology with Zoology Concentration

Core plus 21 additional credits from biology courses numbered 300 or higher selected from the following areas:

A. Organismal Diversity (13-16 credits). Select two (2) courses from each of the following two (2) areas:

1. BIO	315	Cave Ecology		3
BIO	415	Invertebrate Biology		4
BIO	455	Entomology	*	4
2. BIO	318	Ornithology		2
BIO	416	Vertebrate Biology	,	4
BIO	418	Mammology	i i i	4
		Total A		13-16
B. Physic	ology (4	hours)	,	
BIO	311	Animal Physiology		4
		Total B		4

**C. Biological Electives.** Complete an additional 1-4 credits of upper division biology courses.

Total C	1-4
TOTAL CONCENTRATION	21-24
TOTAL CORE AND CONCENTRATION AREA	64-67

Custita

#### Major in Biology with Health Science Concentration

The courses required for this concentration should prepare the student interested in a health and preprofessional program to apply and, if admitted, to succeed in the health professional program of their choice.

Students selecting the Health Science concentration must be aware that additional courses may be needed to complete the admission requirements for the health professional program that they are interested in. In addition to the 43 credit core above, a minimum of 21 credits of coursework must be selected from the following areas:

A. Healt	h Scien	ce Electives (choose 5 of the following courses)	20-21
BIO	250	Human Anatomy and Physiology (5)*	OR
BIO	311	Animal Physiology (4)*	
BIO	315	Medical Parasitology (4)	
BIO	320	Histology (4)	
BIO	390	Microbiology (4)	
BIO	411	Developmental Biology (4)	
BIO	421	Immunology (4)	
BIO	431	Molecular Biology (4)	
B. Scienc	e Electi	ves	
Upper	division	n biology or chemistry course(s)	1-5

#### Kansas City University of Medicine and Biosciences Osteopathic Medicine Early Matriculation Partners Program

Missouri Western students have the opportunity to be selected into the Partners Program between the Kansas City University of Medicine and Biosciences and MWSU. This program is designed for outstanding students interested in osteopathic medicine to enter KCUMB following their junior year. Following successful completion of the first year of medical school at KCUMB, 30 credits will be transferred to MWSU and students will be awarded a Bachelor of Science degree in Biology / Health Science concentration. Students will be selected in their sophomore year based on the following criteria: 1) ACT score -26 minimum, 2) freshman year academic performance (3.25 GPA / 3.50 Science GPA), 3) community service, 4) extracurricular activities, 5) physician shadowing experiences, and 6) knowledge of and dedication to the field of osteopathic medicine.

Selection of eligible students will be made by the Missouri Western Health Professions Advisory Committee and a representative member of the KCUMB admissions committee. To be considered, students must make application to the committee no later than November 1st of the fall semester of the sophomore year. A maximum of two MWSU students will be selected each academic year. Selected students must declare a Biology/ Health Science concentration major and complete the following academic requirements by the end of the junior year:

A minimum of 94 credits, including:

- 1. All MWSU general studies courses required for graduation
- 2. All MWSU Biology Major Core Requirements
- 3. PHY 111 College Physics II (4)
- 4. A minimum of three of the following courses:
  - BIO 250 Human Anatomy and Physiology (5)
    - BIO 311 Animal Physiology (4)
    - BIO 315 Medical Parasitology (4)
    - BIO 320 Histology (4)
    - BIO 390 Microbiology (4)
    - BIO 411 Developmental Biology (4)
    - BIO 421 Immunology (4)
    - BIO 431 Molecular Biology (4)

To remain in the Partners Program, students must maintain an overall GPA of 3.25 and a science GPA of 3.50. Failure to maintain these academic standards will result in dismissal from the program. The MCAT will not be required for admission through this early matriculation Partners Program. However, selected students must participate in a five-day pre-med preparatory course conducted at KCUMB following the junior year. Information and application material can be obtained through the MWSU Department of Biology.

#### Still Scholars - PreOsteopathic Early Acceptance Program

The Still Scholars, PreOsteopathic Program is designed to provide early admission to outstanding sophomore level students who have as their goal to become Doctors of Osteopathic Medicine. A.T. Still University, Kirksville College of Osteopathic Medicine (ATSU, KCOM) works in joint collaboration with Missouri Western to offer this program.

The advantage for those students, a maximum of two per year, accepted after completing their sophomore year is to have a reserved seat in KCOM's entering class upon graduation. The Medical College Admission Test (MCAT) is not required. After acceptance to the program, students can spend the last two years at their undergraduate institution meeting graduation major/minor requirements, taking electives, fulfilling internship and/or service opportunities, and otherwise broadening his/herlife experiences. Scholars will be awarded an academic scholarship for ATSU, KCOM.

Biology

Students may enroll in any major, provided the KCOM entry requirements are met by the designated year of enrollment. Students apply for admission to this program after completing three semesters (approximately 45 credit hours). Applications will be available through Western's Pre-medical advisors in the spring of their sophomore year. Applications must be submitted to the MWSU Health Advisory Committee and KCOM by June 1. Applicants will interview with KCOM during the summer following their sophomore year. Selected students will be awarded reserved admissions to KCOM at the beginning of the junior year. Eligibility criteria for this program include:

#### **Applicant** Criteria

- Minimum 28 composite ACT score or 1860 SAT score
- Minimum grade point average (GPA) of 3.4 overall and 3.40 in the sciences
- Submission of application and official transcripts by specified date

#### **Application Process**

- Submit application to the MWSU Pre-Health advisor by specified date

- Applicant must forward letters of evaluation from the Pre-Health Advisor and/or a science faculty member

Additional information and other specifics about the program can be obtained through the MWSU Department of Biology.

#### Major in Wildlife Conservation and Management

Provides the student interested in Conservation and/or Wildlife Management with the background needed to be hired as a biologist by various state, federal, and nongovernmental agencies, as well as at the GS-5 or GS-7 level by the U.S. Fish and Wildlife Service as well as meet the education requirements for certification as Associate and Certified Wildlife Biologist by the Certification Program of Professional Wildlife Biologists of The Wildlife Society.

## Major in Biochemistry and Molecular Biology

The Bachelor of Science Major in Biochemistry and Molecular Biology is an interdisciplinary program offered jointly by the departments of Biology and Chemistry. It is designed to prepare students for graduate level education or careers in biochemistry, cell and molecular biology, and related biotechnology fields.

Students pursuing the Bachelor of Science degree majoring in Biochemistry and Molecular Biology are required to complete the following curriculum.

The following core courses are required: Core Requirements

		and the rectance.		
ore Requ	irements		Credits	
BIO	105	Principles of Organismal Biology	5	
BIO	115	Ecology and Evolution	4	
BIO	205	Genetics		
BIO	215	Molecular Cell Biology	4	
BIO	331	Bioinformatics	2	
BIO	431	Molecular Biology	4	
CHE	111	General Chemistry	5	
CHE	120	General Chemistry II with Qualitative Analysis	5	
CHE	310	Organic Chemistry I	3	
CHE	311	Organic Chemistry Laboratory I	4 4 2 4 5 5 3 2 4	
CHE	321	Quantitative Analysis	4	
CHE	340	Physical Chemistry for the Biological Sciences (4)	OR	
CHE	383/384	Physical Chemistry Thermodynamics/Laboratory (5)	4-5	
CHE	370	Biochemistry		
CHE	470	Biochemistry II	3	
CHE	495	Seminar in Ćhemistry	4 3 2	
PHY	110/111	College Physics I/II (8)	OR	
PHY	210/211	University Physics I/II* (10)	8-10	
MAT	167	Calculus with Analytic Geometry I	5	
		SUBTOTAL	68-71	

\*Prerequisite MAT 177

CHE 383 may not be used as an elective course if CHE 340 is taken in the core requirements.

Electives: Complete a minimum of twelve (12) credits from Biology or Chemistry courses numbered 300 or higher from the following recommended list. Other Biology or Chemistry courses numbered 300 or higher may be substituted with prior departmental approval.

BIO311Human Physiology (4)BIO315Medical Parasitology (4)BIO340Plant Physiology (4)BIO390Microbiology (4)BIO411Developmental Biology (4)BIO421Immunology (4)	
BIO340Plant Physiology (4)BIO390Microbiology (4)BIO411Developmental Biology (4)	
BIO390Microbiology (4)BIO411Developmental Biology (4)	
BIO 411 Developmental Biology (4)	
BIO 421 Immunology (4)	
BIO 450 Independent Research / Project (var.)	
CHE 312 Organic Chemistry II (3)	
CHE 313 Organic Chemistry II Laboratory (2)	
CHE 326 Instrumental Analysis (4)	
CHE 426 Instrumental Methods** (5)	
CHE 381/382 Physical Chemistry: Chem Dynamics & Quantum Mech/Lab* (5)	6
CHE 441 Advanced Inorganic Chemistry (3)	/
CHE 450 Independent Research / Project (var.)	
SUBTOTAL 12	2
TOTAL 80-83	

#### **ACS** Certification in Biochemistry

Students are eligible to receive certification in the area of Biochemistry from the American Chemical Society (ACS) if the following course work is completed.

The following courses must be taken in the core requirements:

CHE 383/384 Physical Chemistry: Thermodynamics/Lab (substitutes for CHE 340)5 PHY 210/211 University Physics I/II (substitutes for PHY 110/111) 10

Where choices are available for major electives the following courses must be taken:

CHE	312/.	313 Organic II / Laboratory (5)
*CHE	381/3	382 Physical Chemistry: Chem Dynamics & Quantum Mech/Lab (5)
**CHE	426	Instrumental Methods (5)
CHE	441	Advanced Inorganic Chemistry (3)
CHE	442	Inorganic Synthesis (2)
MAT	177	Calculus w/Analytical Geometry II (5)

#### Major in Biotechnology

The Bachelor of Science degree with a major in Biotechnology is designed to prepare students for careers in the growing biotechnology industry in St. Joseph and beyond. Students with a B.S. degree in Biotechnology will be qualified to enter the workforce as bench scientists.

Students can earn the B.S. degree in Biotechnology by completing the following curriculum:

Α.	Life Sci	ence (	Courses:	Credits	
	BIO	105	Principles of Organismal Biology

# ASSOCIATE OF APPLIED SCIENCE DEGREE

#### **Physical Therapist Assistant**

The physical therapist assistant carries out patient rehabilitation under the supervision of a physical therapist. PTAs work with neurologic and orthopedic dysfunctions, pediatric and geriatric rehabilitation, wounds and burns, sports injuries, and more.

The PTA program includes didactic and laboratory preparation, extended opportunity to practice and apply learned skills in affiliated clinical settings, and education necessary for graduates to sit for required state licensing examinations and to function competently as entry-level practitioners.

Four semesters and two summer sessions comprise the program. Upon graduation, students receive the Associate of Applied Science degree. PTA students are encouraged to consider the advantages of obtaining a bachelor's degree from Missouri Western.

Admission to the program is limited and must be made independently to the university and to the PTA program. Admission to the college does not guarantee admission to the program. Selection is competitive and is based on applicants' grades, ACT (SAT) scores, completion of the Missouri high school core program or equivalent, science and math preparation, letters of recommendation, personal essays, and observation of physical therapy in practice.

One class is admitted each year in the fall semester. Applications are available from the Biology Department, or online at *www.missouriwestern.edu/pta* with the application period starting in October and ending March 31st.

Specific requirements for the Associate of Applied Science Degree with a major in Physical Therapist Assistant are listed below. A minimum grade of C in each of these courses is required for graduation from the Physical Therapist Assistant program.

	No.		
	100	Introduction to Physical Therapy	1

# MINORS

#### Minor in Biology

A minor in biology consists of 20 credits including at least one course from areas 1-5 listed below.

- 1. Basic Biology:
  - BIO 101 Principles of Biology (5)
  - Principles of Organismal Biology (5) BIO 105

#### 2. Environmental Biology:

- BIO 115 Ecology and Evolution (4)
- BIO Human Ecology (3) 305

#### 3. Physiology:

- Animal Physiology (4) BIÒ 311
- BIO 340
- Plant Physiology (4) Anatomy and Physiology (5) and 250 BIO
- BIO 375 Pathophysiology (4)

#### 4. Organismal Diversity:

- Bird Identification (2) BIO 218
- 251 BIO Medical and Public Health Microbiology (4)
- BIO 315 Medical Parasitology (4)
- BIO 318 Ornithology (2)
- BIO 350 Plant Systematics (4)
- BIO 351 Local Flora: Spring and Summer (2)
- BIO 390 Microbiology (4)
- BIO 407 Plant Morphology (4)
- 415 Invertebrate Biology (4) BIO
- BIO 416 Vertebrate Biology (4)
- BIO 418 Mammalogy (4)
- 455 Entomology (4) BIO

#### 5. Biology Electives:

- Genetics (4) BIO 205
- BIO 215 Cell Biology (4)
- BIO 265 Biology of Aging (3)
- 352 Applied Nutrition (2) ALH

Or any 300-or 400-level BIO course not used in any of the above categories. TOTAL

Careful attention must be given to course prerequisites in the planning of the minor program.

20

#### Semester Designation

- F -- the course is offered in the fall semester
- Sp -- the course is offered in the spring semester
- Su -- the course is offered in the summer semester
- DD -- the course is offered at the discretion of the department

#### BIOLOGY COURSES

Waiving of any course prerequisites requires prior departmental authorization. A \$20 laboratory fee is required for all laboratory courses.

BIO 101 Principles of Biology (5) F, Sp, Su. Principles of living phenomena; meets the general education biological science requirement. Four hours lecture, two hours lab.

Biology

**BIO 105 Principles of Organismal Biology (5) F, Sp.** Examines basic concepts and principles related to organismal morphology and homeostasis of representative organisms. Three hours lecture and three hours lab per week. LAS Writing.

**BIO 115 Ecology and Evolution (4) F, Sp.** Covers principles of ecology and evolution, including field and research methods. Three hours lecture and three hours lab per week. Prerequisite: BIO 105 with a grade of C or above. LAS Computer Literacy.

**BIO 116 Naturalist Training (1) F.** This course emphasizes the interpretation of major Missouri habitats, plants and animals. The history and philosophy of nature interpretation and its importance to federal and state agencies is covered. Certification is awarded to all students who successfully complete this course. Prerequisites: BIO 101 or BIO 105 or equivalent.

**BIO 205 Genetics (4) F.** Explore and study classical, molecular, and evolutionary genetics. Three hours lecture and three hours lab per week. Prerequisites: BIO 105 with a grade of C or above and credit or concurrent enrollment in CHE 111. BIO 115 recommended.

**BIO 209 Introduction to Wildlife Conservation (3) Sp.** This course surveys the historic and modern development of conservation biology. How the principles of conservation are applied to the management, restoration, conservation and preservation of wildlife natural resources is emphasized. Prerequisite: BIO 105 with a grade of C or above. BIO 115 recommended.

**BIO 215 Molecular Cell Biology (4) Sp.** Investigates how macromolecules and organelles interact to choreograph cellular functions. Three hours lecture and three hours lab. Prerequisites: BIO 205 with a grade of C or above and credit or concurrent enrollment in CHE 120.

**BIO 218 Field Identification of Birds (2) Sp (odd-numbered years) (DD).** Concentrates on the sight and sound identification of birds in their natural habitats. A field journal and a bird list completed during this course is required. Prerequisites: BIO 101 or BIO 105 or equivalent.

**BIO 220 Field Natural History (1-3) (DD).** Involves participation in an off-campus field trip to experience a focused study of a unique biotic habitat. May involve pre-trip lectures and organizational meetings and/or post-trip class sessions or presentations. Prerequisites: BIO 105 or BIO 101 or departmental approval. Different BIO 220 courses may be repeated for credit.

**BIO 250 Anatomy and Physiology (5) F, Sp, Su.** Concepts of human structure and function and relationships of these concepts to cells, tissues, organs and systems. Four hours lecture, two hours lab.

**BIO 251 Medical and Public Health Microbiology (4) F, Sp.** Medically significant microorganisms, their characteristics, relationship to disease, transmission, and control methods. Three hours lecture, three hours lab. Prerequisite: BIO 101 and CHE 104.

**BIO 265 Biology of Aging (3) F (even-numbered years).** Introductory course examining the aging process in humans and other living organisms. Research into the causes of aging, prospects of retarding or reversing the aging process and the outlook for increasing life expectancy and life span in humans is reviewed. Prerequisite: BIO 101.

**BIO 283 Introduction to Research Methods in Biology (1-5) (DD).** Introduction to basic research in biology. Individual and team projects involving methods for solving biology-related research problems. Prerequisite: Consent of the department.

logy

**BIO 305 Human Ecology (3) Sp.** Mankind and the environment; pollution, population, resources, environmental law, and environmental ethics. Prerequisite: BIO 101 or BIO 105 with a grade of C or above.

**BIO 311 Animal Physiology (4)** F. The physiological systems, their functions and interactions in animal physiology with emphasis on the human animal. Three hours lecture, three hours lab. Prerequisite: BIO 215 or consent of instructor.

**BIO 313 Topics in Molecular Genetics (1) F (even-numbered years).** A selected topics lecture course dealing with the molecular biology of the gene, i.e., the storage, modification, transmission, and retrieval of macromolecular information. One hour lecture / discussion. Prerequisite: BIO 101 or 105 and BIO 205. Completion of BIO 215 recommended.

**BIO 314 Technology and Society (3) F, Sp.** Participatory course emphasizing a particular problem and/or issue related to technology and society. Class participants will investigate the semester's theme using currently available technologies. Same as ENG 314, HUM 314, PSY 314, GOV 314. Prerequisites: Completion of Category one -- Basic Skills General Studies courses.

**BIO 315 Medical Parasitology (4) Sp (even-numbered years).** An introduction to the major protozoal, helminth, and arthropod parasites of humans. Three hours lecture, two hours lab. Prerequisite: BIO 105.

**BIO 318 Ornithology (2) Sp (odd-numbered years).** This course covers the taxonomy, anatomy, physiology, behavior and evolution of birds. Prerequisite: BIO 115 or equivalent.

**BIO 320 Histology (4) F (even-numbered years).** Identification and description of microscopic structure, organization of tissues and organs, preparation of tissues for observation and study. Three hours lecture, three hours lab. Prerequisite: BIO 105 and BIO 215.

**BIO 331 Bioinformatics (2) Sp (odd-numbered years).** Bioinformatics is both the acquisition and the analysis of molecular genetic information. This course will concentrate on the growing repertoire of software available for bioinformatics studies and will give students an opportunity to design, complete, and present independent bioinformatics projects that address biological questions. Prerequisite: BIO 205 with a grade of C or above.

**BIO 340 Plant Physiology (4) F (odd-numbered years).** Plant functions; emphasis on water relations, mineral nutrition, plant biochemistry, development, and responses to environmental factors in higher plants. Three hours lecture, two hours lab. Prerequisite: BIO 215.

**BIO 350 Plant Systematics (4) F (even-numbered years).** Identification, characteristics, and importance of seed plants; studies classification, techniques, and literature of taxonomy. Requires a plant collection and field trips. Three hours lecture, two hours lab. Prerequisite: BIO 105.

**BIO 351 Local Flora: Spring and Summer (2) Su (even-numbered years).** This course concentrates on the identification, systematics, ecology, and natural history of native plants in forests, prairies, wetlands, and successional habitats in northwest Missouri. Field experiences, lectures and discussions are integrated throughout the course. (In order to take advantage of unique field opportunities, BIO 351 begins in late April and finishes in late June.) Prerequisite: BIO 115.

**BIO 355 Cave Ecology (3) Sp (odd-numbered years).** The ecology of cave habitats. Includes information on biotic and abiotic factors affecting cave organisms, cave microhabitats, trophic interactions, and evolutionary adaptations. Field activities will emphasize miniprojects that relate to cave ecology. Two hours lecture and the equivalent of three hours lab per week. Prerequisites: BIO 105, BIO 115.

**BIO 360 Development of Federal Wildlife Law (3) F (even-numbered years).** Introduction to the principles of federal wildlife law as currently practiced in the United States. The course will survey the historical and constitutional origins of federal wildlife law and discuss the influence major statutes currently in effect exert on the biopolitics and daily practice of wildlife resource management and conservation. Three hours lecture, including discussions and/or special topics. Field trips may occasionally substitute for lecture/discussion periods at instructor's discretion, depending upon the topic. Prerequisite: BIO 105 or equivalent, with a grade of C or above.

**BIO 375 Pathophysiology (4) F, Sp.** Human diseases and the physiological disorders produced by disease. The origin, incidence and symptoms of disease. Prerequisite: BIO 250 or equivalent.

**BIO 380 Biology Teaching: Materials and Methods (3) Sp (even-numbered years).** This course provides pre-service secondary biology teachers with opportunities to develop a framework that can be used to coordinate biological concepts and techniques obtained from science courses with pedagogical concepts and methods from education classes and teaching experiences. The development of a science teaching portfolio is required. Students enrolled in this course must also be available to work in one of the scheduled BIO 101 labs. Prerequisite: 20 credits in science.

**BIO 390 Microbiology (4) F.** Identification, characteristics, and importance of microorganisms; application to human needs, infection and immunity. Prerequisite: BIO 215 or consent of instructor.

**BIO 393 History and Philosophy of the Natural Sciences (3) Sp.** A study of the history of the natural sciences with an emphasis on the philosophical analysis of these events. Prerequisite: General Studies Mathematics, Sciences, and either PHL 210 or one general studies course from line one of Category IV in the general studies requirements.

**BIO 407 Plant Morphology (4) Sp (odd-numbered years).** Structure, development, and evolutionary relationships of algae, fungi, and bryophytes and representative vascular plants. Three hours lecture, two hours lab. Prerequisite: BIO 105 with a grade of C or above.

**BIO 409 Principles of Terrestrial Wildlife Management (3) Sp (even-numbered years).** Students will survey the principles, theories, and practices of terrestrial wildlife management. Activities include discussions of local, national, and international issues as well as exploration of major techniques used in the management of terrestrial wildlife resources. Lectures, field experiences, discussions, and in-class activities are integrated throughout the course. Prerequisite: BIO 115 and 209, both with a grade of C or above.

**BIO 410 Advanced Cell Biology (4) Sp (even-numbered years).** Advanced cell biology covering topics relevant to cellular structure and function. Selected topics may include: cell signaling, cell adhesion, membrane function, cell motility and cytoskeletal structure and function. The cellular basis for some human syndromes and disease will also be covered. Three hours lecture, three hours lab. Prerequisite: BIO 215 or consent of instructor.

**BIO 411 Developmental Biology (4) Sp (odd-numbered years).** Examines the morphological changes and the genetic and molecular pathways involved in animal embryonic development. Prerequisite: BIO 215.

Biology

**BIO 412 Seminar in Biology (1) (DD).** Individual reports and group discussion on problems and current research in biology. May be repeated for a maximum of 2 credits. Prerequisite: Departmental approval required.

**BIO 415 Invertebrate Biology (4) F (even-numbered years).** Biology of the invertebrates, emphasizing their taxonomy, anatomy, life cycles, evolution, and ecology. Three hours lecture, two hours lab. Prerequisites: BIO 105 with a grade of C or above, BIO 115.

**BIO 416 Vertebrate Biology (4) Sp (odd-numbered years).** Comparative anatomy, biological principles, and taxonomy of the vertebrates. Three hours lecture, two hours lab. Prerequisite: BIO 105 with a grade of C or above, BIO 205, BIO 215.

**BIO 418 Mammalogy (4) F (odd-numbered years).** The morphology, systematics, evolution, taxonomy, distribution, comparative physiology, life history, behavior, and ecology of mammals. Research and collections dealing with mammals will also be a part of this course. Prerequisites: BIO 115 with a grade of C or above.

**BIO 420 Biology Teaching Practicum (1-2) F, Sp, Su**. A laboratory or classroom teaching assistant experience. This experience may not be substituted for other courses required in the student's major area. Course grades assigned on a pass/fail basis. May be repeated for credit. Prerequisite: Junior or Senior standing with declared Biology major and departmental approval.

**BIO 421 Immunology (4) Sp (odd-numbered years).** Investigation of the cellular and molecular basis of the immune response. Methods in immunology as applied to various fields. Prerequisites: BIO 105 with a grade of C or above and BIO 390.

**BIO 425 Biology Internship (1-2) F, Sp, Su.** An extracurricular experience related to a unique approved career experience or a Preprofessional experience. Course grades assigned on a pass/fail basis. May be repeated for credit. Prerequisite: Junior or Senior standing with declared Biology major and departmental approval.

**BIO 431 Molecular Biology (4) Sp (even-numbered years).** In-depth study of the molecular and cellular basis of life. Investigation of molecular genetic techniques as applied to diverse biological disciplines. Prerequisites: BIO 205 and BIO 215.

**BIO 450 Independent Research/Project (1-5) F, Sp, Su.** Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Junior or Senior status with a biology major and a 2.5 GPA; BIO 105, CHE 111 and 120, MAT 116.

**BIO 455 Entomology (4) F (odd-numbered years).** Introduction to the insects that will focus on their taxonomy, natural history, physiology, development, and ecology. Three hours lecture, three hours lab. Prerequisite: BIO 105 and 115, both with a grade of C or above.

#### EARTH SCIENCE COURSES

ESC 111 Physical Geology (4) F, Sp. Survey of geologic materials and processes.

**ESC 120 Meteorology (4) Sp (odd-numbered years).** Studies the nature and phenomena of the atmosphere and surveys climates and their classification.

#### PHYSICAL SCIENCE COURSES

**PHS 230** Physical Science for Elementary Teachers (3) F, Sp. Basic concepts of the physics, chemistry, astronomy, meteorology, and geology emphasizing topics taught in grades K-6. Elementary Education majors may not take the course until officially admitted to teacher education.

#### PHYSICAL THERAPIST ASSISTANT COURSES

Waiving of any course prerequisites requires prior departmental authorization.

**PTA 100 Introduction to Physical Therapy (1) F.** Introduction to physical therapy and to the role of the physical therapist assistant, including function of the PTA and of the health care team, history of medical care and physical therapy, legal and ethical standards, cultural sensitive care and communication.

**PTA 110 Patient Care Skills (3) F.** Introduction to basic clinical skills, progressing from bedside management to community mobility. Includes vital signs, aseptic technique, patient transfers and gait training. Health and safety issues, including universal (standard) precautions, electrical and hospital safety, and emergency and first aid procedures. Introduction to documentation. Lab course. Prerequisites: Admission into the PTA program and PTA 100. Taken concurrently with PTA 120 and PTA 130.

**PTA 120 Modalities (3) F.** Clinical modalities and procedures, including assessment of the skin, assessment and treatment of pain, thermal modalities, electrical modalities, hydrotherapy, and sterile techniques. Soft tissue treatments for edema, wounds, burns, and peripheral vascular disease. Prerequisites: Admission into the PTA program and PTA 100. Taken concurrently with PTA 110 and PTA 130.

**PTA 130 Functional Anatomy (2) F.** Introduction to principles of physics as they relate to movement, including levers and force vectors. Surface anatomy, introduction to musculoskeletal structure and function. Introduction to medical terminology. Prerequisite: PTA 100. Taken concurrently with PTA 110 and PTA 120.

**PTA 140 Measurements and Procedures (3) Sp.** Methods of data collection including joint range of motion (goniometry), manual muscle testing, anthropomtric measurement, and gait analysis. Review and continuation of physical therapy documentation. Prerequisites: PTA 110, PTA 120, and PTA 130. Taken concurrently with PTA 160.

**PTA 160 Clinical Kinesiology (3) Sp.** The study of the muscular forces acting on anatomical structures to create movement, including normal and pathological biomechanics. Prerequisite: PTA 110. Taken concurrently with PTA 120 and PTA 140.

**PTA 185 Clinical Education I (3) Su.** First of three practicums in a physical therapy setting. Areas of emphasis include PTA relationships with patients and staff, clinic organization, beginning awareness of patient disorders, initial application of physical therapy techniques, and introduction to documentation. Three weeks of full-time supervised clinical practice. Prerequisites: Completion of PTA 120, PTA 140, and PTA 160.

**PTA 200 Psychosocial Aspects of Physical Therapy (1) F.** Psychosocial issues in health care. Prerequisite: PTA 185.

**PTA 240 Diseases and Dysfunctions (3) F.** Diseases and dysfunction encountered in physical therapy, including musculoskeletal, cardiovascular, pulmonary, genitourinary, and prenatal systems and arthritic and cancerous conditions. Prerequisite: PTA 120 and 140. Taken concurrently with PTA 255.

**PTA 255 Clinical Orthopedics (4)** F. Description, causes, symptoms, tests and physical therapy intervention in pathology. The musculoskeletal system and normal biomechanics are reviewed. Emphasis on therapeutic exercise. Two hours lecture, two hours lab. Prerequisite: PTA 185. Taken concurrently with PTA 240.

**PTA 260 Clinical Neurology (4) Sp.** Neuroanatomy and how damage to this body system is managed by physical therapy intervention. Two hours lecture, two hours lab. Prerequisite: PTA 255. Taken concurrently with PTA 280 and PTA 285.

logy

## Major in Natural Science/Chemistry

Students pursuing the Bachelor of Science degree majoring in Natural Science with a Chemistry concentration have four option areas available: Health Professions, Forensic Science, Education, and Chemical Business. The Natural Science curriculum consists of a core of courses taken by all majors followed by specified chemistry and cognate area courses to complete each option.

Cours Doors			<i>a v</i>	
Core Requ			Credits	
CHE	111	General Chemistry	5	
CHE	120		5	
CHE	310	Organic Chemistry I	3	
CHE	311	Organic Chemistry Lab I	2

	TOT	TAL CORE & OPTION	90-93

\* The CHE 381 or 383 physical chemistry options contains a minimum prerequisite of MAT 177 and concurrent enrollment in PHY 210. The CHE 340 physical chemistry course requirement contains a minimum prerequisite of MAT 167, which satisfies the Math requirement in the core for the Natural Science/Chemistry program.

Teacher Education students must also complete the General Studies requirements as listed under Secondary Education. The above requirements complete all Missouri Secondary Education Chemistry certification requirements. Unified Science certification requires the completion of both ESC 111 and ESC 120, and also completion of 4 more credit hours of biology (BIO 115, 205, or 215 recommended).

\* The CHE 381/382 or 383/384 physical chemistry options contains a minimum prerequisite of MAT 177 and concurrent enrollment in PHY 210.

Chemistry

# Major in Biochemistry and Molecular Biology

The Bachelor of Science Major in Biochemistry and Molecular Biology is an interdisciplinary program offered jointly by the departments of Biology and Chemistry. It is designed to prepare students for graduate level education or careers in biochemistry, cell and molecular biology, and related biotechnology fields.

Students pursuing the Bachelor of Science degree majoring in Biochemistry and Molecular Biology are required to complete the following curriculum.

Re	quired	Core C	Courses	Credits	
	BIO	105	Principles of Organismal Biology	5	
	BIO	115	Ecology and Evolution	4	
	BIO		Genetics	4	
	BIO	215	Molecular Cell Biology	4 4 2 4 5 5 3 2 4	
	BIO	331	Bioinformatics	2	
	BIO	431	Molecular Biology	4	
	CHE		General Chemistry	5	
	CHE	120	General Chemistry II with Qualitative Analysis	5	
	CHE	310	Organic Chemistry I	3	
	CHE	311	Organic Chemistry Laboratory I	2	
	CHE	321	Quantitative Analysis	4	
	CHE		Physical Chemistry for the Biological Sciences (4)	OR	
	CHE 3	383/38	4 Physical Chemistry: Thermodynamics*/Laboratory (5)	4-5	
	CHE	370	Biochemistry	4	
	CHE	470	Biochemistry II	4 3 2	
	CHE	495	Seminar in Chemistry	2	
	PHY 1	10/11	l College Physics I/П (8)	OR	
	PHY 2	10/21	1 University Physics I/II* (10)	8-10	
	MAT	167	Calculus with Analytic Geometry I	5	
			SUBTOTAL	68-71	

\*Prerequisite MAT 177

Chemistry

CHE 383 may not be used as an elective course if CHE 340 is taken in the core requirements.

Electives: Complete a minimum of twelve (12) credits from Biology or Chemistry courses numbered 300 or higher from the following recommended list. Other Biology or Chemistry courses numbered 300 or higher may be substituted with prior departmental approval.

	BIO	311	Human Physiology (4)	
	BIO	315	Medical Parasitology (4)	
	BIO	340	Plant Physiology (4)	
	BIO	390	Microbiology (4)	-
	BIO	411	Developmental Biology (4)	
	BIO	421	Immunology (4)	
	BIO	450	Independent Research/Projects (var.)	
	CHE	312	Organic Chemistry II (3)	
	CHE	313	Organic Chemistry II Laboratory (2)	
	CHE	326	Instrumental Analysis (4)	,
	CHE		Instrumental Methods** (5)	
	CHE 3	81/38	2 Physical Chemistry: Chem Dynamics & Quantum Mech/Lab *(5)	
	CHE	441	Advanced Inorganic Chemistry (3)	_
			SUBTOTAL 12	-
			TOTAL 80-83	
r	erequis	ite M	AT 177	

\* Prerequisite: MAT 177

\*\* Prerequisite: CHE 381/382

CHE 426 may not be taken as an elective if CHE 326 is taken.

#### **ACS Certification in Biochemistry**

Students are eligible to receive certification in the area of Biochemistry from the American Chemical Society (ACS) if the following course work is completed.

The following courses must be taken in the core requirements:

- CHE 383/384 Physical Chemistry: Thermodynamics/Lab
- (substitutes for CHE 340)
- PHY 210/211 University Physics I/II

Where choices are available for major electives the following courses must be taken:

		Organic II/Laboratory (5)	
*CHE	381/382	Physical Chemistry: Chem Dynamics & Quantum Mech/Lab	(5)
**CHE	426	Instrumental Methods (5)	
CHE	441	Advanced Inorganic Chemistry (3)	
MAT	177	Calculus with Analytical Geometry II (5)	

#### Major in Medical Technology

Missouri Western State University offers a program leading to the Bachelor of Science degree with a major in Medical Technology. The first three years of the program are spent completing specified college course work (94 credits). The fourth year is spent in an affiliated hospital which provides a structured educational program in a clinical laboratory. The clinical program is accredited by the Committee on Allied Health Education and Accreditation of the American Medical Association through the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS). When a student successfully completes the hospital clinical program, Missouri Western State University will award 30 credits for the fourth year's work.

Acceptance into a clinical laboratory program is highly competitive. Enrollment in the college program does not guarantee acceptance of the student into a clinical program. The student must make separate application to a hospital for the clinical program, which consists of twelve months of full-time day clinical instruction. Affiliated programs in the Kansas City area are located at the following hospitals: North Kansas City Memorial, and St. Luke's. Students should consult the medical technology advisor at the college to ascertain the time schedule for application to the clinical program and the approximate date when acceptance notices will be given.

Upon completion of the clinical program, students are eligible to take a national credentialing examination. Passing the examination is not a requirement for the Bachelor of Science degree with a major in Medical Technology; however, the student must pass the examination to become certified to practice as a medical technologist.

# BACHELOR OF SCIENCE DEGREE REQUIREMENTS

#### **Major in Speech Communication**

Students majoring in Speech Communication may select one of four concentration areas: Research, Organizational Communication, Public Relations, Video Production.

Students in each concentration area must complete the following set of core courses totaling 30-31 credit hours:

0		Credits
COM 104	Oral Communication	3
COM 210	Presentational Communication	3
COM 222	Communication Theory	3
COM 304	Media and Society	3
COM 305	Interpersonal Communication	OR
COM 324	Small Group Communication	3
COM 314	Persuasion	OR
COM 334	Argumentation and Debate	3
COM 320	Research Methods in Communication	3 3 3
COM 338	Survey of Rhetorical Theory	3
COM 342	Intercultural Communication	OR
COM 345	Nonverbal Communication	3
Applied Lea	arning (COM 361, COM 460 or dept. approved courses)	2-3
COM 481	Senior Portfolio	1
	TOTAL CORE	30 - 31

#### Major in Speech Communication, Research Concentration

In additi	on to th	e 30-31 credit core named above, the following	g courses are required:
			Credits
CSC	110	Programming Fundamentals	OR
CSC	184	Computing Concepts I	3
CSC	201	Microcomputer Applications	OR
MG	Г 201	Fundamentals of MIS	3

MAT 132	Elementary Statistics	3	
MAT 137	Calculus in Business and the Non-Physical Sciences	4	
*PSY 200	Intermediate Psychology	3	
COM 410	Organizational Communication	3	0
	Public Relations Communication Analysis	3	B
Plus select of	one from the following:	3	5
CSC 200	Microcomputer Systems	(	G
CSC 254	Computing Concepts II

	TOTAL	24

#### **Semester Designation**

F -- the course is offered in the fall semester

Sp -- the course is offered in the spring semester

Su -- the course is offered in the summer semester

DD -- the course is offered at the discretion of the department

#### COMMUNICATION COURSES

Waiving of any course prerequisites requires prior departmental authorization.

COM 104 Oral Communication (3) F, Sp, Su. Principles of speech as applied in meaningful participation in society.

**COM 170 Introduction to Film (3)** F. This course is designed to introduce the student to the language of film, its history, aesthetics, theory and technology. The course will critically examine the cinema from the early days of black and white silent films to the most recent blockbusters.

**COM 210 Presentational Communication (3) F.** Theory and practice of constructing public presentations including: media use, organization, delivery, means of appeal, and analysis of audience and setting. Prerequisite: COM 104. LAS Ethics.

**COM 218 Oral Interpretation (3) F (even-numbered years).** Oral reading and analysis of prose, poetry, and drama. Same as THR 218. Prerequisite: COM 104.

**COM 222 Communication Theory (3) F.** Introduction to the role theory plays in the study of human communication. Introduces different ways of thinking about communication through academic, cultural and historical perspectives. Prerequisite: COM 104.

**COM 270 Introduction to Video Production (3) F, Sp.** Introduction to the various aspects of video production. The course will include practical as well as aesthetic theory and application of video and audio equipment. Two hours lecture, two hours lab. Prerequisite: COM 104 and COM 170 with a grade of C or better or permission of instructor.

**COM 276 Audio Production (3) Sp (odd-numbered years).** A critical study of the theory, application, aesthetics, techniques and equipment in audio production. Prerequisite: COM 170 or permission of instructor.

**COM 283 Introduction to Research Methods in Video (1-2) (DD).** Introduction to basic research methods in video. Individual and team projects involving methods for video-related research problems. Prerequisite: Consent of department.

**COM 304 Media and Society (3) Sp.** This course examines both classic and contemporary studies of mass communication effects. Emphasis is placed on cultural, social, political, and psychological effects of the media. Topics such as media education and literacy, news and campaigns, media portrayals, and theories of audience behavior will be examined. Prerequisite: COM 104.

**COM 305 Interpersonal Communication (3) F.** Analyzes communication interaction in relatively unstructured, person-to-person settings with application of interpersonal communication concepts to resolving problems emerging from human interactions. Prerequisite: COM 104. LAS Writing.

**COM 314 Persuasion (3) Sp.** Persuasion as a process of influencing attitude and behavior; emphasizes the theories of modern persuasion and their use in social, political and advertising campaigns. Prerequisite: COM 104.

**COM 320 Research Methods in Communication (3) F.** The course covers a variety of qualitative and quantitative communication research methods. Students will be involved in critical analysis of previous research, and conceptualization and implementation of future research. Prerequisite: COM 104 and MAT 110 or any higher level mathematics course of 3 or more credits (excluding MAT 127 or 132). LAS Computer Literacy.

**COM 324 Small Group Communication (3) Sp.** Group roles, leadership styles, group structure, thought processes, and consensus methods; application of concepts to communication interaction in task and social group settings. A Service Learning component of the course requires out of class community service volunteer hours for completion of the assignment. Prerequisite: COM 104.

**COM 334 Argumentation and Debate (3) DD.** Philosophical and theoretical foundations of logic and argumentation to the persuasive process; experience in preparation and presentation through debate and discussion formats. Prerequisite: COM 104.

COM 338 Survey of Rhetorical Theory (3) F. Survey of the formation and transformation of rhetorical theory from the Classical Age. Prerequisite: COM 104. LAS International/Intercultural.

**COM 340 Communication and Aging (3) DD.** Examines the intrapersonal, interpersonal and public levels of human communication in relationship to the aging process. Prerequisite: COM 104 or consent of department.

**COM 342 Intercultural Communication (3) F.** Studies communication between and among people from different cultures. Topics include cultural patterns, value orientations, verbal and nonverbal codes, cultural identity, culture shock, acculturation, perception, and stereotyping. Prerequisite: COM 104. LAS Writing; International/Intercultural.

**COM 345 Nonverbal Communication (3) Sp.** Nonverbal aspects of communication; factors which affect and modulate verbal messages; interpretation of nonverbal information; kinesics (body motion), proxemics (social/personal space), and paralanguage (vocal cues accompanying words). Prerequisite: COM 104. LAS Writing; International/Intercultural.

**COM 350 Selected Topics in Speech Communication (3) F, Sp.** Specialized course work in the field of speech communication and theatre/video. Prerequisite: COM 104, or consent of instructor. Course may be repeated for up to six credits maximum with different topics.

**COM 360 Video/Film Scripting (3) Sp (odd-numbered years).** This course is designed to explore all aspects of scripting for both video and film production. The course encourages creativity in writing and examines pre-script planning, the components of scripting, scripting as communication and language as well as the mechanics of scripting. Prerequisite: THR 275 or permission of instructor. LAS Writing.

**COM 361 Communication/Video Internship I (1) F, Sp, Su.** The student will develop objectives related to his discipline and carry out those responsibilities through an internship as approved by the director. Applies theory and skills to actual work situations. Professionally supervised work experiences related to the student's area of interest. Graded pass/fail. (At least 30 hours of work for one credit hour.) Application must be made at least one semester prior to registration. Prerequisite: Junior status and a declared departmental major, an overall GPA of 2.5 or above, and approval of the internship director.

**COM 362 DV Editing (3) Sp.** The examination and application of the theories, aesthetics and techniques used in editing for DV filmmaking. Two hours lecture, two hours lab. Prerequisite: COM 270. LAS Computer Literacy.

**COM 370 Advanced DV Filmmaking (3)** F. A critical hands-on study of single camera film style cinematography within documentary, non-fiction, and narrative DV filmmaking production. Learned skills with digital production equipment will be utilized in a number of "real life" production situations. Two hours lecture, two hours lab. Prerequisite: COM 270.

**COM 372 Survey in Video Technologies (3) (DD)**. This course is an overview of video delivery/transmission technologies. The course consists of a historical review, the application of current technologies and research into future technologies.

**COM 374 Multi-Camera Production (3) (DD).** This course is designed to introduce the student to the many aspects of the multi-camera production, both in the studio and on location. Prerequisite: COM 270.

**COM 410 Organizational Communication (3) Sp.** Theories and problems of human communication within a variety of organizational settings; the relationship of communication to motivation, organizational structure, nonverbal behavior, surroundings, leadership style, and information accuracy. Prerequisite: 3 credit hours numbered 300 or above from COM, ENG, or JOU.

**COM 415 Public Relations Communication Analysis (3)** F. Applies principles of speech communication to the image-building functions of internal and external public relations; audience analysis, internal/external organizational communication audits, persuasive campaign design, communication channels and barriers. Prerequisite: 3 credit hours in courses 300 or above from COM, ENG, or JOU. LAS Ethics.

**COM 450 Independent Research/Project (1-5) F, Sp.** Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of majorminor declaration in communication studies, minimum 2.5 GPA in major field of study, and departmental approval.

**COM 460 Communication/Video Internship II (1-3) F, Sp, Su.** The student will develop objectives related to his discipline and carry out those responsibilities through an internship as approved by the director. Applies theory and skills to actual work situations. Professionally supervised work experiences related to the student's area of interest. (Thirty hours of work for each hour of credit.) Graded pass/fail. Application must be made at least one semester prior to course registration. May be repeated for a total of 6 credits. Prerequisites: Senior status and declared departmental major, overall GPA of 2.5 or higher, and approval of the internship director.

COM 465 Methods of Teaching Speech and Drama (3) DD. Philosophies, issues, and problems in contemporary speech education; content, structure, ethical issues, presentation and evaluation of curriculum and teaching in speech and theatre. Prerequisites: EDU 202 and 203. LAS Ethics.

**COM 468 Producing/Directing-I (3) Sp.** Critically examines the role of the producer and director in non-fiction, corporate, commercial and documentary production. Examines the preproduction, production and postproduction processes from concept, scripting, budgeting and direction to completion, evaluation and distribution. The student will gain practical experience in producing and directing a number of non-fiction pieces throughout the course. Prerequisite: COM 362. LAS Writing.

**COM 470 Producing/Directing-II (3)** F. This is an essential course for students who wish to be involved in DV filmmaking. The course explores the role of the DV filmmaking producer/director. Examines the preproduction, production and postproduction processes from concept, scripting, budgeting and direction to completion, evaluation and distribution. The student will gain practical experience in producing and directing a narrative film throughout the course. Prerequisite: COM 468. LAS Writing.

**COM 476 DV Postproduction (3) Sp (even-numbered years).** This course is designed to further develop the student's technical skills in the filmmaking production and postproduction areas. The course will immerse the student in "real life" production situations requiring advanced filmmaking techniques as well as the use of advanced postproduction software that will result in the creation of DVDs and other distribution media. Prerequisite: COM 362.

**COM 481 Senior Portfolio (1) F, Sp.** This is a workshop course for graduating seniors which includes resume and job search preparation in addition to compiling a passing graduation portfolio consisting of a resume, cover letter, reflective self analysis, and a collection of writings and projects from major courses. COM 481 must be completed during the semester of graduation, except for summer graduates who must complete the course in the spring semester prior to graduation. Course is graded on a pass/fail basis.

#### THEATRE COURSES

Waiving of any course prerequisites requires prior departmental authorization.

**THR 113 Introduction to Theatre (3) F, Sp.** The contributions made by directors, actors, designers, technicians, and playwrights to modern dramatic productions. Participation in a production as performer, member of stage or construction crew, or member of production committee is an optional activity but is not required.

THR 115 American College Theatre Festival (1) (DD). An intense exposure to theatre by means of attendance at the regional American College Theatre Festival. May be repeated for a total of 4 credits.

THR 126 Stage Movement (2) (DD). Fundamentals of stage movement for performers and directors.

**THR 130 Stage Combat (1) Sp.** A study of weaponry styles, skills and methods as used in staging violence for stage and screen. In addition to the classroom work and assignments, attendance at a professional combat workshop over a weekend is mandatory. Additional registration and accommodation fees for this workshop are required.

THR 140 Production Participation (1-3) F, Sp. Supervised practical work in any area of production activity for each credit. May be repeated for a total of 6 credits.

**THR 218 Oral Interpretation (3) F (even-numbered years).** Oral reading and analysis of prose, poetry, and drama. Same as COM 218. Prerequisite: COM 104.

THR 224 Voice and Diction (3) DD. Theories and techniques of improving voice and articulation; includes a working knowledge of dialects and a mastery of the International Phonetic Alphabet.

**THR 228 Acting I (3)** F. Basic principles of acting, vocal and movement theory. Studio work emphasizing warm-up techniques, improvisations, monologue and scene work. Two hours lecture, two hours lab. Prerequisite: THR 113 or THR 140 with a grade of C or better or permission of instructor.

THR 229 Stage Makeup (1) F (even-numbered years). Techniques and materials involved in two-dimensional stage makeup. Two hour lab with lecture / demonstration. (Students must furnish assorted makeup).

THR 239 Costume Technique (2) F (even-numbered years). Fundamentals of costuming for the stage, a study of fabrics and construction, basic cutting and sewing techniques, costume shop management, and a brief look at costume history and design.

**THR 275 Script Analysis (3) F.** A critical study of script formats as well as the application of scripting techniques involving character and scene development used in corporate, instructional, public relations, dramatic and other production formats. Prerequisite: ENG 104 with a grade of C or better or permission of instructor.

**THR 280 Scenography (3) F (odd-numbered years).** The exploration and practical application of tools and techniques used in production and staging of lighting, scenery, properties and special effects for film, television, video and live entertainment. Prerequisite: COM 270 or THR 113.

THR 283 Introduction to Research Methods in Theatre (1-2) (DD). Introduction to basic research methods in theatre. Individual and team projects involving methods for solving theatre-related research problems. Prerequisite: Consent of department.

THR 326 Techniques of Musical Theatre Performance (3) (DD). Fundamentals of dance for the musical theatre performer. Student must provide appropriate attire.

THR 328 Acting II (3) Sp. A continuation of Acting I with special concentration on acting technique, advanced scene work, and exploration of acting stylistic periods. Two hours lecture, two hours lab. Prerequisite: THR 228.

THR 338 Directing the Actor (3) (DD). Principles of directing the actor in a play or video production: material selection, casting, staging a production, and communicating with producers, actors, and technicians. Prerequisite: THR 275.

**THR 341 Shakespeare (3) F**. The course examines William Shakespeare's plays and sonnets, his life and milieu, and the impact of the man and his work on modern culture. Intensive in its reading, writing, and computer use, the course provides students with a rich background as well as exposure to current views of Shakespeare -- an author who has been called "the inventor of the human." Prerequisites: ENG 108 or 112 and ENG 210 or 220.

**THR 360 Playwriting (3) F (odd-numbered years).** This course is designed to explore all aspects of playwriting. The course encourages creativity in writing and examines script research, pre-planning stages, play formatting, and communicating ideas through playwriting. Prerequisite: THR 275. LAS Writing.

THR 367 History of Theatre (3) S. The history of theatre from its beginnings to the present day. Prerequisite: THR 113.

**THR 370 Theatre/Video Workshop (3) (DD).** Practical experience in designing, staging, shooting, blocking, acting, and producing a play(s) or screenplay(s) with individual assignments designated by the instructor. May be repeated for a maximum of 6 credits.

THR 378 On-Camera Performance (3) F (even-numbered years). This course is designed to develop those skills needed to communicate effectively in front of the camera. Two hours lecture, two hours lab. Prerequisite: THR 328 with a grade of C or better or permission of instructor.

THR 389 Production Design and Art Direction (3) F (even-numbered years). A practical and theoretical course which explores the artist and aesthetic diversity and similarity of design practice and idea in lighting, scenery, properties and special effects for film, television, video and live entertainment. Prerequisites: COM 270 or THR 113.

THR 418 Independent Projects in Acting (1-3) F, Sp. Specialized research or performance problems; scholarly projects in the theory of acting for advanced students. Written project proposal must have instructor's approval before student's registration. May be repeated for a total of 6 credits. Prerequisites: THR 218, 228, and departmental approval.

THR 438 Independent Projects in Directing (1-3) F, Sp. Advanced study in script analysis, staging techniques, rehearsal procedures, and technical coordination; ordinarily includes directing a laboratory production. Formal production prospectus must be submitted one full semester in advance of enrollment and must be approved by the instructor before student's registration. May be repeated for a total of 6 credits. Prerequisites: THR 239, 275, 338 and departmental approval.

**THR 440 Professional Performance (3) Sp (odd-numbered years).** This course of study prepares the performance student for the transition into the professional arena. Intensive preparation of theatrical styled material and a commercial reel is created for use in television, film and theatrical industry auditions. Theoretical approaches and practical applications are emphasized. Two hours lecture, two hours lab. Prerequisites: THR 328 and THR 378 with a grade of C or better.

THR 449 Independent Projects in Stage Lighting and Sound (1-3) F, Sp. Projects course involving specialized study in theatrical sound and lighting. Student must submit project proposal to theatre staff for approval before registration. Prerequisites: THR 280, and departmental approval.

THR 450 Independent Research/Project (1-3) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisites: THR 275, THR 367, and departmental approval. May be repeated for up to 6 hours credit.

THR 459 Independent Projects in Scene Design (1-3) F, Sp. Projects course involving specialized study in scenery and property design and construction. Student must submit project proposal to theatre staff for approval before registration. Prerequisites: THR 389 and departmental approval.

THR 469 Independent Projects in Costuming (1-3) F, Sp. Projects course involving specialized study in Costuming and/or Makeup. Student must submit project proposal to theatre staff for approval before registration. Prerequisites: THR 229, THR 239 and departmental approval.

THR 477 Independent Projects in Scriptwriting (1-3) F, Sp. A projects course involving independent work in playwriting. Should ordinarily result in a complete script. Student must submit project proposal to theatre staff before registration. Prerequisites: COM 360, THR 360 and departmental approval. May be repeated for up to 6 hours credit.

THR 478 Modern Drama (3) (DD). Drama from Ibsen to the present. Prerequisite: ENG 108 or 112.

**THR 479 Independent Projects in Theatre Marketing and Management (1-3) F, Sp.** Projects course involving work in publicity, box office, public relations, advertising and/or management of a performing arts event. Student must submit project proposal to theatre staff for approval before registration. Prerequisites: THR 113 and departmental approval.

THR 480 Senior Portfolio (1) F, Sp. This is a workshop course for graduating seniors which includes resume, resume reel and job search preparation in addition to compiling a passing graduation portfolio consisting of a resume, cover letter, head shot (for actors), reflective self analysis and a collection of writings, production projects and recorded audition and performance pieces from their major courses and productions during their college career. THR 480 must be completed during one of the last two semesters prior to graduation. Course is graded on a pass/fail basis.

# Department of Computer Science, Mathematics and Physics

Dr. Kenneth Lee, Chairperson lee@missouriwestern.edu 271-4370 http://www.missouriwestern.edu/CSMP/

The Department of Computer Science, Mathematics and Physics contributes to the liberal arts education of all students and, in addition, provides specialized programs in computer science, computer information systems, mathematics, and physics for those students who desire a more thorough preparation for jobs in business, government, industry, and educational institutions.

# ADMISSIONS REQUIREMENTS

#### **Computer Science or Computer Information Systems**

To gain admission into either of these degree programs, the student must be enrolled in CSC 184 or have completed CSC 184 with a grade of C or better, or have an ACT composite score of 25 or higher, or an ACT Science Reasoning score of 28 or higher. In addition, the student must have an overall GPA of at least 2.0.

#### Mathematics

To gain admission to any degree program in Mathematics, the student must have completed MAT 167 with a grade of C or better, or have an ACT Mathematics score of 28 or higher.

#### GRADUATION REQUIREMENTS

Graduation with a degree in any program offered by the Department of Computer Science, Mathematics, and Physics requires that the student receive a grade of C or better in each course in the major or minor. In addition, all other institutional requirements for graduation must be met.

### **BACHELOR OF SCIENCE DEGREE REQUIREMENTS**

#### Major in Computer Science

CSC	184	Computing Concepts I	3
CSC	208	Discrete Structures I	3
CSC	254	Computing Concepts II	3
CSC	284	Assembly Language Programming (BAL)	3
CSC	285	Data Structures	3
CSC	305	Database Architecture and Concepts	3
CSC	306	Object Oriented Applications and Program Development	3
CSC	386	Operating Systems Concepts	3
CSC	484	Compiler Theory	3
MAT	167	Calculus with Analytic Geometry I	5
MAT	177	Calculus with Analytic Geometry II	5
MAT	306	Matrix Algebra	3
MAT	331	Applied Statistics	3
		SÜBTOTAL	43

12 credits of ACT or CSC courses numbered 300 or higher or MAT 332 or MAT 417 TOTAL 55

In addition, Computer Science majors must take PHY 110 or PHY 210 to meet the Natural Sciences portion of their General Studies program.

#### **Major in Computer Information Systems**

Students may select among the following options as a Computer Information Systems major:

1. Major in Computer Information Systems

2. Major in Computer Information Systems with Applications of Computer Technology

The majors in Computer Information Systems require the following core of courses, totaling 30 credits:

Core Req	uireme	nts	Credits
ACT		Introduction to Web Page Development	3
CSC	184	Computing Concepts I	3
CSC	200	Introduction to Computer Information Systems	3
CSC	201	Microcomputer Applications	3
CSC	305	Database Architecture and Concepts	3
ACT	315	Applied Database Systems	3
CSC	394	Networking and Telecommunications	3
CSC	400	Systems Analysis and Design	3
GBA	220	Business Communication	3 3 3 3 3 3 3 3 3 3 3 3 3 3
Statistics (	3 hours	s) Select one of the following:	3
		Business Statistics I	
MAT	132	Statistics	
MAT	331	Applied Statistics	
		TOTAL CORE	30
Maior in	Compu	ter Information Systems	
CSC		Computing Concepts II	3

#### Major in Computer Information Systems with Applications of Computer Technology

ACT 202 Introduction to Web Graphics

- ACT 302 Decision Support Systems
- ACT 311 Web Development Tools
- ACT 405 Business Intelligence

ACT 476 Applications of Computer Information Sciences Capstone \*Electives (18 hours)

#### TOTAL ADDITIONAL HOURS CORE TOTAL HOURS

\*The requirements for the elective area may be met by one of the following methods: 1. Earned minor awarded in conjunction with the CIS-ACT major degree.

2. Earned second major in conjunction with the CIS-ACT degree.

3. A previous bachelor's degreer from MWSU or other accredited 4-year college or university.

4. 12 hours of ACT or CSC courses of which at least 9 hours must be 300 level or above. Or courses with prefixes approved by the advisor and chair of the Department of Computer Science, Mathematics, and Physics.

# **Major in Mathematics**

The mathematics major advisor can provide information on the selection of elective courses which will best prepare the student for graduate study or a career in actuarial science, applied mathematics or teaching secondary school mathematics, as well as other careers requiring a strong mathematics background.

#### **Teacher Education In Mathematics**

Students intending to teach mathematics at the secondary school level are required to complete the Bachelor of Science Degree program in Mathematics along with the General Studies Requirements and the Professional Sequence as specified in this Catalog under Secondary Education.

Certification for grades 9-12 requires the completion of the following courses:

Core Require	nents	Credits
CSC 184		3
MAT 162	Calculus with Analytic Geometry I	5
MAT 172		5
MAT 208	Discrete Mathematics	3
MAT 282	Calculus with Analytic Geometry III	5

#### Semester Designation

F -- the course is offered in the fall semester

Sp -- the course is offered in the spring semester

Su -- the course is offered in the summer semester

DD -- the course is offered at the discretion of the department

#### APPLIED COMPUTER TECHNOLOGY COURSES

Waiving of any course prerequisites requires prior departmental authorization.

ACT 102 Introduction to Web Page Development (3) F, Sp. This course is an introduction to the design, creation, and maintenance of web pages and websites. Students learn how to critically evaluate website quality, create and maintain quality web pages, investigate web design standards, and create and manipulate images. The course progresses through web design tools HTML, XHTML, Cascading Style Sheets, and XML. A factitious community organization website will be designed and developed by the students.

**ACT 202 Introduction to Web Graphics (3) Sp.** This course provides a comprehensive introduction to the bitmap software application Adobe Photoshop CS. With the use of exercises and projects, the student will develop an extensive understanding of the tools and methods associated with the software. Real-world issues will be addressed to build problem-solving and critical thinking skills necessary for advanced course work.

ACT 302 Decision Support Systems (3) F. This course uses statistics to help solve business problems, examines case examples of statistical analysis in areas such as marketing, finance and management, and teaches descriptive and inferential techniques using statistical computer software and Excel. Topics to be covered include Creating Charts, Working with Charts, Using List Features, Using Cascading Style Sheets and Templates, Working with Advanced Functions, Analyzing Data, Using PivotTables, and Working with Data Analysis Tools.

ACT 311 Web Development Tools (3) Sp. This course offers an introduction to Adobe Macromedia Suite. Students will gain knowledge and hands-on practice in building and maintaining web applications using Macromedia tools with the Integration of Java and MySql.

ACT 315 Applied Database Systems (3) Sp. Emphasis is placed upon the core concepts of database application development, data warehousing and data mining. Students will gain proficiency in Microsoft Access and be eligible for database specialization certifications. Using this software and the concepts learned will allow the students to apply database application development concepts to a real world type application. Students will then take this further by gaining an understanding of the value of data warehouses and data mining for use by decision support and business intelligence systems.

**ACT 405 Business Intelligence (3) F.** This course uses software development tools and techniques to build, deploty and monitor internet based information portals with an emphasis on business intelligence systems. Students will learn how to use Oracle's application server software and database management software to generate business intelligence information from raw data. Concepts, strategies and techniques will be discussed and then applied to create web-based digital dashboards and other BI tools using spreadsheets, charts and reports that will enable management to make intelligent business decisions.

**ACT 476 Applications of Computer Information Sciences Capstone (3) DD.** The capstone course will encompass and consolidate all of the concepts covered in the ACT curriculum. In this course, students will manage an Information Systems project, design an appropriate database and incorporate both LAN and Web-based distributed information solutions to support a business process, effectively document the system and incorporate elements of the general education into a successfully implemented information systems solution.

#### COMPUTER SCIENCE COURSES

Waiving of any course prerequisites requires prior departmental authorization.

**CSC 174 Introduction to Unix/Linux (3) (DD).** An introductory course on UNIX/Linux and its applications. Topics covered include: basic commands and system structures; system tools; output redirection; command line text editing, e-mail and system calls; file system basics; and, basic shell scripting. Basic security issues will also be discussed. The course material is intended to prepare students for versatile use of any UNIX/Linux system and as a foundation for numerous UNIX/Linux certification programs.

**CSC 184 Computing Concepts I (3) F, Sp.** Introduction to problem solving utilizing the Java programming language. Topics include algorithm and program development, syntax of C++, input/output, assignment operations, program control structures, character data manipulation, functions, and single dimension arrays. Emphasis is placed on structured program design techniques and program modularity. Prerequisite: Two years of high school algebra or MAT 095 with a grade of C or better, and one year of high school programming or ACT 102 or EGT 102 with a grade of C or better, or an ACT math score of at least 25. LAS Computer Literacy.

**CSC 200 Introduction to Computer Information Systems (3) Sp.** Information Systems including business intelligence, decision support and artificial intelligence will be introduced. IT infrastructures including database, e-commerce, networking, and systems development will be discussed. Basic hardware/software concepts will be emphasized. Security and ethical issues are considered throughout the course.

CSC 201 Microcomputer Applications (3) F, Sp. (Same as MGT 201) Applications of productivity software such as Microsoft Office® Word, Excel, Access, and PowerPoint for careers, school, and home. Impact of technology on society by computer information systems, networks, e-commerce, and the Internet is included. Previous computer experience recommended.

**CSC 208 Discrete Structures I (3) F, Sp. (Same as MAT 208).** This course is a study of mathematical reasoning including the nature and methods of proof, relations and functions, combinatorics and graph theory, Boolean algebra, and applications of these topics. Attention will be given to the direct applications to computer science. Prerequisite: Credit or concurrent enrollment in MAT 177 and CSC 184.

**CSC 245 COBOL Programming (3) F (even-numbered years).** Introduction to the structure and facilities of COBOL (COmmon Business Oriented Language) programming using structured programming techniques. Prerequisite: CSC 184 with a grade of C or better.

**CSC 254 Computing Concepts II (3) F, Sp.** This course is a continuation of CSC 184. Topics include multidimensional arrays and array processing, elementary sorting and searching techniques, classes, pointers, dynamic memory allocation, linked lists, data abstraction, stacks, and queues. Prerequisite: CSC 184 with a grade of C or better plus credit or concurrent enrollment in MAT 112 or MAT 116 or higher.

CSC 283 Introduction to Research Methods in Computer Science (1-2) (DD). Introduction to basic research methods in computer science. Individual and team projects involving methods for solving computer science-related research problems. Prerequisite: Consent of department.

CSC 284 Assembly Language Programming (BAL) (3) F. This course is an investigation of the logical basis of a particular computer from the programmer's viewpoint. Machine representation of numbers and characters, instruction formats, machine operations and addressing techniques will be covered. This course will use microcomputer assembler concepts. Prerequisite: CSC 245 or CSC 254 with a grade of C or better.

**CSC 285 Data Structures (3) Sp.** Topics include algorithm analysis and the implementation of stacks, queues, linked lists, trees, and other data structures. Principles of data abstraction are emphasized throughout the course. Prerequisite: CSC 254 with a grade of C or better plus MAT 112 or MAT 116 or higher with a grade of C or better.

**CSC 305 Database Architecture and Concepts (3) F.** An introduction to Database Concepts and Architecture, with an emphasis on the Relational Database Model. Prerequisite: CSC 184 with a grade of C or better.

**CSC 306 Object Oriented Applications and Program Development (3) F.** This course emphasizes the application of Object Oriented Programming (OOP) concepts in the C++ programming language to large-scale programming problems. The course includes application of techniques such as the Unified Modeling Language (UML). Prerequisite: CSC 254 with a grade of C or better, and credit or concurrent enrollment in CSC 285.

CSC 318 Simulation and Modeling (3) Sp (odd-numbered years). An introduction to computerized simulations. Focus is on the architecture and development of time-step and event-sequenced models used extensively by industry and government. Other topics include process generators for random events, the development of computerized games for management training, and current simulation research. Prerequisite: CSC 285 and either MAT 137 or MAT 167.

**CSC 328 Computer Graphics (3) Sp (even-numbered years).** A course in the techniques for picture transformation, curve and surface approximation; study and implementation of graphical languages and data structure; organization of graphical systems; use of the microcomputer as tools for displaying graphical data. Prerequisite: CSC 285 and either MAT 137 or MAT 167.

**CSC 345 Advanced COBOL Applications (3) Sp (odd-numbered years).** Application programming emphasizing sequential and indexed sequential file maintenance, multi-level indexed and subscripted tables, error routines, and subroutines. Structured techniques, programming style, and program maintainability are stressed. Prerequisite: CSC 245 and CSC 305 with grades of C or better.

**CSC 384 Microcomputer Assembly Language (3) F (DD).** Assembler language level programming for the Intel 8088 microprocessor. Symbolic machine instruction, assembly instruction, segmentation, addressing modes, subprograms, and modular programming will be the major topics covered. Prerequisite: Grade of C or better in CSC 284.

CSC 386 Operating Systems Concepts (3) Sp. This course is an introduction to operating system principles. Topics include processor management, real and virtual storage management, device management and scheduling, multiprocessing, concurrent programming, and other topics related to operating systems. The course also includes a survey of major operating systems. Prerequisite: CSC 284 and CSC 285 with grades of C or better.

**CSC 394 Networking and Telecommunications (3) F.** An examination of current computer communication technologies and their protocol structures as applied to computer networks and telecommunication systems. Topics include the physical layers, architectural elements, and information layers of a communication network; protocols; switching; routing; LANs; and WANs. Prerequisite: CSC 200 with a grade of C or better.

**CSC 400 Systems Analysis and Design (3) F.** Study of structured systems development. Emphasis on strategies and techniques of structured analysis and object oriented design for producing logical methodologies for dealing with the development of information systems. Prerequisites: Credit or concurrent enrollment in CSC 305. LAS Writing.

CSC 410 Computer and Network Security (3) F (even-numbered years). This course covers various facets of network security and the tools that are available to secure and monitor networks. Topics include commercial and open source security tools, public-key cryptography, firewalls, authentication, intrusion detection, control of malicious code, OS hardening fundamentals, and security assessment. Prerequisites: at least six (6) hours of CSC courses numbered 300 or above, or completion of CIS minor core.

CSC 450 Independent Research/Project (1-3) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of a majorminor declaration in CIS or CSC, minimum of 2.5 GPA in major field, and departmental approval.

Comp. Sci./Math/Physics

**CSC 451 Internship in Computer Science (1-3) F, Sp, Su.** An academic program which offers Computer Science majors an opportunity to integrate theory with practice. Students work full-time or part-time for a company in a position related to the Computer Science major. Anticipated learning objectives are established in a contract agreed to by the student, the company supervisor, and the departmental faculty sponsor. May be repeated for credit, but at most 3 hours may count towards the total number of hours required for the major. Prerequisite: Declared major in Computer Science or Computer Information Systems, or declared CIS minor, minimum GPA of 2.5, and permission of the faculty sponsor.

**CSC 484 Compiler Theory (3) Sp.** An introduction to the basic structures of compilers and their design. Course topics include computer language structure, translation / recognition techniques of lexical analysis, parsing and syntax-directed translation. The course will also consider the impact of run-time environments on the design of computer languages and the constraints of code optimization on code generation. A small compiler will be developed. Prerequisite: CSC 284 and CSC 387.

CSC 487 Digital Animation and Production (3) Sp. This class will concentrate on the methods used to build digital animated characters. Subjects will include character design and development, animation of characters, lighting, camera shots, sound and production editing. Prerequisite: declared major in Computer Science, Computer Information Systems, or Communication Studies and Theatre and junior standing.

CSC 488 Gaming and Simulation Architecture (3) F. This class will concentrate on classic gaming architectures such as first person, single shooter games and strategy games. Distributed simulation architectures and net-based distributed gaming architectures will also be considered. Prerequisite: CSC 318, CSC 328 and MAT 137 or MAT 167.

CSC 489 Mathematics and Physics of Simulation and Gaming (3) F. This class will focus on current math/physics techniques for character collisions and pathfinding used in gaming and animation. A1 techniques for game character learning and personality will be considered. Also considered will be the topics of the physics of special effects (i.e., fires, explosions, crashes, etc.) Prerequisite: CSC 318, CSC 328 and MAT 137 or MAT 167.

### MATHEMATICS COURSES

Waiving of any course prerequisites requires prior departmental authorization.

Students enrolling in developmental mathematics for the first time should enroll in MAT 081. Developmental math courses do not count toward graduation credits.

MAT 081 Foundations for University Mathematics I (3) F, Sp, Su. A study of the fundamental arithmetic and algebraic concepts prerequisite to university level mathematics. The specific topics studied are determined by assessment of the individual student's mathematical background. The course is graded pass/fail.

MAT 082 Foundations for University Mathematics II (3) F, Sp, Su. A continuing study of the fundamental arithmetic and algebraic concepts prerequisite to university level mathematics initiated in MAT 081. The specific topics studied are determined by assessment of the individual student's mathematical background. The course is graded pass/fail. Prerequisite: Grade of Cr in MAT 081 or the equivalent.

**MAT 083 Foundations for University Mathematics III (3) F, Sp, Su.** A continuing study of the fundamental arithmetic and algebraic concepts prerequisite to university level mathematics initiated in MAT 082. The specific topics studied are determined by assessment of the individual student's mathematical background. The course is graded pass/fail. Prerequisite: Grade of Cr in MAT 082 or the equivalent.

MAT 110 Contemporary Problem Solving (3) F, Sp, Su. Mathematics for solving selected real-world problems using elementary graph theory, data analysis, techniques of decision making, and the mathematics of finance. Prerequisite: ACT math score of at least 20 or the equivalent.

**MAT 112 Finite Mathematics (3) F, Sp.** Linear and quadratic equations, graphs, and functions including exponential and logarithmic functions; mathematics of finance, annuities, sinking funds and mortgages; linear programming; counting methods, probability, expectation; descriptive statistics. Prerequisite: ACT math score of at least 20 or the equivalent. (Not open to the student with credit in MAT 167.)

**MAT 116 College Algebra (3) F, Sp, Su.** Linear, quadratic, and miscellaneous equations and inequalities; relations and functions including polynomial, exponential, and logarithmic functions; graphing; systems of equations; and matrices. Prerequisite: ACT math score of at least 20 or the equivalent. (Not open to the student with credit in MAT 167 or MAT 130.)

MAT 119 Trigonometry (2) F, Sp. Trigonometric functions, trigonometric identities, trigonometric equations, logarithms, solution of triangles, inverse trigonometric functions. Prerequisite: ACT math score of at least 20 or the equivalent. (Not open to the student with credit in MAT 177 or MAT 130.)

MAT 127 Applied Mathematics for Engineering Technology (3) Sp. An applied course in algebra, trigonometry, analytic geometry, and statistics; applications primarily from the technological fields; also includes an introduction to basic concepts in calculus. Prerequisite: Grades of C or better in MAT 116 and MAT 119. (Satisfies Associate Degree requirements in Engineering Technology only. Does not satisfy general studies mathematics requirement.)

MAT 130 Pre-Calculus (5) F. Algebraic, trigonometric, exponential and logarithmic equations and inequalities; relations and functions in algebra and trigonometry; systems of equations and inequalities; matrices and determinants; introduction to discrete algebra; solutions of triangles; inverses of algebraic and trigonometric functions, trigonometric identities; introduction to analytic geometry. Prerequisite: ACT math score of at least 20 or the equivalent. (Not open to any student with credit in MAT 147 or MAT 167.)

MAT 132 Elementary Statistics (3) F, Sp, Su. A basic course for students in natural sciences, behavioral sciences, and social sciences; tabulation of data, graphic representation, measures of central tendency and dispersion, probability, types of distributions, estimations, sampling, hypothesis testing, elementary aspects of correlation. Prerequisite: Grade of C or better in MAT 112, MAT 116, or equivalent.

MAT 137 Calculus in Business and the Non-Physical Sciences (4) Sp. Differential and integral calculus applications in Business, life sciences and social science. Prerequisite: ACT math score of at least 25 or grade of C or better in MAT 112, MAT 116, or equivalent. (Not open to the student with credit in MAT 147 or MAT 167.)

MAT 147 Applied Calculus (5) F. An applied course in techniques of differentiation and integration; applications primarily from the technological fields; analytic geometry, functions, differential and integral calculus. Prerequisite: ACT math score of at least 25 or grade of C or better in MAT 116 or MAT 130.

MAT 167 Calculus with Analytic Geometry I (5) F, Sp, Su. The first of three sequenced courses in calculus. Includes the study of limits and continuity of real functions, the derivative and its applications, the integral, and the integration and differentiation of trigonometric, exponential and logarithmic functions. Prerequisite: ACT math score of at least 25 or grade of C or better in MAT 130 or equivalent. LAS Computer Literacy.

MAT 177 Calculus with Analytic Geometry II (5) F, Sp. The second of three sequenced courses in calculus. Includes the study of applications of integration, integration techniques, L'Hopital's Rule, improper integrals, infinite series, conic sections, plane curves, parametric equations, and polar coordinates. Prerequisite: Grade of C or better in MAT 167 or equivalent.

MAT 208 Discrete Mathematics (3) F, Sp. (Same as CSC 208). This course is a study of mathematical reasoning including the nature and methods of proof, relations and functions, combinatorics and graph theory, Boolean Algebra, and applications of these topics. Attention will be given to the direct applications to computer science. Prerequisite: Credit or concurrent enrollment in MAT 177 and CSC 184.

MAT 283 Introduction to Research Methods in Mathematics (1-2) (DD). Introduction to basic research methods in mathematics. Individual and team projects involving methods for solving mathematics-related research problems. Prerequisite: Consent of department.

MAT 287 Calculus with Analytic Geometry III (5) F, Sp. The third of three sequenced courses in calculus. Includes the study of solid analytic geometry, vectors and vector calculus, partial differentiation, and multiple integrals. Prerequisite: Grade of C or better in MAT 177 or equivalent.

MAT 301 Mathematical Modeling (3) S. An introduction to the modeling process including creative and empirical model construction, model analysis, and model research. Prerequisites: Grade of C or better in MAT 137, MAT 147, MAT 167 or equivalent. LAS Writing; Computer Literacy.

MAT 306 Matrix Algebra (3) F. Vector spaces, linear transformations, matrix operations, determinants, matrix inversion, linear systems, eigenvalues, canonical forms. Prerequisite: Grade of C or better in MAT 208.

MAT 315 Topics in Geometry (3) F (odd-numbered years). Synthetic projective geometry; basic symbolic logic; mathematical systems and finite geometries; algebraic geometry; non-Euclidean geometry. Prerequisite: Credit or concurrent enrollment in MAT 306.

MAT 317 Differential Equations (3) Sp. Common types of ordinary differential equations; differential operators, Laplace transforms; systems of differential equations; partial differential equations; Fourier series; applications. Prerequisite: Grade of C or better in MAT 287 and MAT 306.

MAT 331 Applied Statistics (3) Sp. Fundamental principles and techniques of statistical investigations and data analysis from a calculus-based perspective including discrete and continuous random variables, estimation and hypothesis testing. Prerequisite: Grade of C or better in MAT 137, MAT 147, or MAT 167.

MAT 332 Probability Theory (3) F. The study of discrete and continuous probability distributions. Prerequisite: MAT 208 or equivalent.

MAT 351 Mathematics Methods in the Elementary School (3) F, Sp. Methodologies, strategies, materials, and curriculum development in elementary school mathematics. Must be taken concurrently with MAT 352. (Not applicable to the major or minor in mathematics.) Prerequisite: Grade of C or better in MAT 112, MAT 116, or equivalent. Elementary education majors may not take the course until officially admitted to teacher education.

MAT 352 Mathematics for Elementary and Middle School Teachers I (3) F, Sp. Problem solving; set theory; logical reasoning; numeration systems; addition, subtraction, multiplication, and division algorithms; number theory; mathematical applcations. Must be taken concurrently with MAT 351. Not applicable to the major or minor in mathematics. Prerequisite: Grade of C or better in MAT 112, 116, or equivalent. Elementary and Middle School education majors may not take the course until officially admitted to teacher education.

MAT 353 Mathematics for Elementary and Middle School Teachers II (3) F, Sp. Introductory geometry; geometric constructions; measurement geometry; motion geometry; introductory probability and statistics. Not applicable to the major or minor in mathematics. Prerequisite: Grade of C or better in MAT 352.

MAT 393 History and Philosophy of the Natural Sciences (3) F, Sp. A study of the history of the natural sciences with an emphasis on the philosophical analysis of these events. Prerequisite: General Studies Mathematics, Sciences, and either PHL 210 or one general studies course from line one of Category IV in the general studies requirements. (Not applicable to the major or minor in mathematics.)

MAT 407 Advanced Calculus I (3) F. Elementary topological aspects of the real numbers, sequences, limits and continuity, differentiation, integration, and infinite series. Prerequisite: Grade of C or better in MAT 306 or equivalent.

MAT 416 Abstract Algebra (3) Sp. Groups, rings, and fields; definitions and fundamental theorems; homomorphisms and isomorphisms; polynomials and field extensions. Prerequisite: Grade of C or better in MAT 306 or equivalent.

MAT 417 Numerical Analysis (3) Sp (odd-numbered years). The solution of algebraic and transcendental equations; finite differences; interpolation, numerical differentiation, and integration; numerical solutions of ordinary differential equations. Prerequisite: Grade of C or better in MAT 306 or CSC 387.

MAT 432 Mathematical Statistics (3) Sp (even-numbered years). A continuation of MAT 332 to include the theory and applications of estimation, hypothesis testing, regression and correlation, analysis of variance and nonparametric statistics. Prerequisite: Grade of C or better in MAT 332.

MAT 440 Advanced Topics for Middle School Teachers (5) F. Number theory, sets and logic, algebraic systems, trigonometry, geometry, problem-solving techniques, graph theory, combinatorics, probability and statistics, and the use of technology in the learning of mathematics. Prerequisite: Grade of C or better in MAT 353. (Not applicable to the major or minor in mathematics.)

MAT 441 Mathematics Methods in the Middle School (3) Sp. Techniques, materials, and resources used in the teaching of middle school mathematics. Prerequisite: Grade of C or better in MAT 440. (Not applicable to the major or minor in mathematics.)

MAT 447 Advanced Calculus II (3) Sp. A continuation of MAT 407. Includes vectors and curves, functions of several variables, limits and continuity; differentiable functions, the inversion theorem, multiple integrals; line and surface integrals. Prerequisite: Grade of C or better in MAT 407.

MAT 450 Independent Research/Project (1-3) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of the major-minor declaration in mathematics, minimum 2.5 GPA in the major field, completion of MAT 287 with a grade of C or better, and departmental approval.

MAT 451 Internship in Mathematics (1-3) F, Sp, Su. An academic program which offers mathematics majors an opportunity to integrate theory with practice. Students work full-time or part-time for a company in a position related to the mathematics major. Anticipated learning objectives are established in a contract agreed to by the student, the company supervisor, and the departmental faculty sponsor. May be repeated for a total of 6 credits. Prerequisite: Declared major in mathematics, completion of MAT 287, minimum GPA of 2.5, and permission of the faculty sponsor.

MAT 462 Number Theory (3) F (even-numbered years). Study of divisibility, primes, congruencies, diphantine equations, arithmetic functions, partitions, Fibonacci numbers, and continued fractions. An independent method of study will be used. Prerequisite: Grade of C or better in MAT 208.

MAT 463 History of Mathematics (3) F (even-numbered years). Study of the origins, philosophy and development of mathematics. Prerequisite: Grade of C or better in MAT 208.

MAT 465 Mathematics Teaching: Methods and Materials (3) F (even-numbered years). Techniques, materials, and resources used in the mathematics curriculum in secondary schools. Not appropriate for the major in mathematics without teacher certification. Prerequisite: Grade of C or better in MAT 208 and SED 203.

MAT 470 Seminar in Mathematics (3) Sp (odd-numbered years). Selected topics in mathematics. Prerequisite: Departmental approval. (May be repeated for credit.)

MAT 480 Mathematical Connections from an Advanced Perspective (3) F, Sp, Su. A senior-level capstone experience for the student majoring in mathematics or mathematics with teacher certification. Students will fomalize connections between mathematical theory and applications. Students will be expected to effectively communicate these mathematical connections in a written senior project and an oral presentation. Prerequisite: Departmental approval. LAS Writing.

#### PHYSICS COURSES

Waiving of any course prerequisites requires prior departmental authorization.

**PHY 101 Physics for the Liberal Arts (4) F.** A comprehensive, descriptive study of the scientific principles of the physical world, including the history of science, motion, energy, cosmology, geophysics, etc. Designed to provide students without significant previous coursework in the physical sciences with a solid introduction to the terminology and concepts required for further study. Three hours lecture and two hours laboratory per week. (Not open to the student with credit in PHY 107, PHY 110, or PHY 210.)

**PHY 104 Introduction to Astronomy (4) F, Sp.** Basic course in astronomy, mostly descriptive in nature; solar system, stellar astronomy, structure of galaxy and universe. Three hours lecture plus two hours lab.

**PHY 107 Introduction to Physics (4) Sp.** A comprehensive, quantitative study of the concepts and laws of physics. Designed for students majoring in fields other than the physical sciences, mathematics, or engineering. Topics include motion, gravity, electromagnetism, atomic and nuclear physics, optics, and relativity. Three hours of lecture and two hours of laboratory per week. Prerequisite: ACT math score of at least 20 or the equivalent. (Not open to the student with credit in PHY 110 or PHY 210.)

**PHY 110 College Physics I (4) F, Sp.** Classical treatment of mechanics, energy, waves, and heat. Three hours lecture, three hours lab. Prerequisite: MAT 116. (Not open to students with credit in PHY 210.)

**PHY 111 College Physics II (4) Sp.** Electricity, magnetism, optics, relativity, atomic physics and nuclear physics. Three hours lecture, three hours lab. Prerequisite: PHY 110 or PHY 210. (Not open to students with credit in PHY 211.)

**PHY 210 University Physics I (5)** F. This course is a comprehensive study of mechanics, relativity, oscillations, waves, and thermodynamics involving simulations, applications, and experimentation. Course assignments require the student to have a thorough knowledge of college algebra, trigonometry, and calculus. Three hours lecture, two hours computer aided instruction laboratory, two hours experimentation laboratory. Prerequisite: MAT 167.

**PHY 211 University Physics II (5) Sp.** This course is a comprehensive study of electricity, magnetism, optics, and introductory quantum physics involving simulations, applications, and experimentation. Course assignments require the student to have a thorough knowledge of college algebra, trigonometry, and calculus. Three hours lecture, two hours computer aided instruction laboratory, two hours experimentation laboratory. Prerequisites: PHY 210, MAT 177 (MAT 287 recommended).

**PHY 283 Introduction to Research Methods in Physics (1-2) (DD).** Introduction to basic research methods in physics. Individual and team projects involving methods for solving physics-related research problems. Prerequisite: Consent of department.

PHY 312 University Physics III (3) F. Calculus-level modern physics. Three hours lecture. Prerequisite: PHY 211.

**PHY 313 Modern Physics Laboratory (1) F (odd-numbered years).** Selected experiments in modern physics. Three hours laboratory. Prerequisite: PHY 111 or PHY 312, or concurrent enrollment.

**PHY 320 History of Physics (3) Sp (even-numbered years).** Comprehensive discussion of chronological development of concepts in classical and modern physics. Prerequisite: PHY 111 or PHY 312.

**PHY 393 History and Philosophy of the Natural Sciences (3) F, Sp.** A study of the history of the natural sciences with an emphasis on the philosophical analysis of these events. Prerequisite: General Studies Mathematics, Sciences, and either PHL 210 or one general studies course from line one of Category IV in the general studies requirements.

**PHY 410 Selected Topics in Physics (3) Sp (odd-numbered years).** Presentation of one of the following topics: 01-mathematical physics; 02-classical mechanics; 03-thermodynamics; 04-electricity and magnetism; 05-optics; 06-quantum mechanics; 07-astrophysics; 08-solid state physics; 09-nuclear and particle physics; 10-computational physics. Three hours lecture. Prerequisites: Departmental approval. (Course may be repeated for credit, topic may not be repeated for credit.)

PHY 450 Independent Research/Project (1-3) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of the minor declaration in physics, minimum 2.5 GPA in minor field, and departmental approval.

**PHY 465 Physics Teaching: Methods and Materials (2) F (even-numbered years).** Techniques, materials, and equipment used in teaching physics in secondary schools. Prerequisite: PHY 111 or PHY 312.

# **Department of Economics**

mcmurry@missouriwestern.edu Patrick McMurry, Chairperson http:www.missouriwestern.edu/Economics/

271-5826

Economics

The discipline of economics studies the ways in which people make choices as they assume the various roles of consumer, worker, small business owner, business or nonprofit manager, investor, government policymaker, and the like. The manner in which the economy is organized determines the opportunities available to individuals for achieving their goals in a wide variety of areas, and it is one of the key factors affecting the quality of life in any society. Recently, with the increasing reliance upon free market economic principles at home and around the globe, students across the country have demonstrated a renewed interest in the study of economics. The background they acquire will serve them well whether they are preparing for careers in business, government or the non-profit sector, or plan to enter graduate school or law school.

### BACHELOR OF SCIENCE DEGREE REOUIREMENTS

#### Major in Economics

Students desiring to major in Economics should declare their interest to a faculty member in the Department of Economics.

Degree Re	quire	ments	Credits
ECO	260	Principles of Macroeconomics	3
ECO	261	Principles of Microeconomics	3
ECO	360	Intermediate Macroeconomics	3
ECO	361	Intermediate Microeconomics	3
MAT	132	Elementary Statistics	OR
GBA		Business Statistics I	3
			15

At least 2 courses (6 credits) each from the Social Science and Business Economics groupings below, for a total of 12 hours:

Social ECO		Economics of Health Care	
ECO		Economics of the Environment	
ECO	462	History of Economic Thought	
ECO	463	Comparative Economic Systems	
Busin	ess Ec	onomics	6
ECO	363	Money and Banking	
ECO	364	Labor Economics	
ECO	460	Business and Economic Forecasting	
ECO	461		
			12

#### **Economics Electives**

An additional 9 credits of upper-division electives in Economics, chosen either from the remaining courses in the Social Science or Business Economics groupings, or from the other Economics offerings in the catalog.

ECO	xxx	Upper-division ECO electives	9
		TOTAL	36

# **Minor in Economics**

In view of the number of ways that economics affects the lives of individuals, organizations, and nations, it is not surprising that an economics minor provides a useful complement to many different major fields of study. This is particularly true for students majoring in business, political science or history, but students in areas as diverse as communications, nursing, and criminal justice may also benefit by taking a minor in economics. Completion of the economics minor requires the following courses:

#### Requirements

TTT CTTC.	~~~~	
ECO	260	Principles of Macroeconimics
ECO		Principles of Microeconomics
ECO	xxx	Upper-division ECO electives
		TOTAL

# **Semester Designation**

- F -- the course is offered in the fall semester
- Sp -- the course is offered in the spring semester
- Su -- the course is offered in the summer semester

DD -- the course is offered at the discretion of the department

#### ECONOMICS COURSES

Waiving of any course prerequisites requires prior departmental authorization.

**ECO 101 Current Issues in the Economy (3) F, Sp, Su.** Introductory course covering current economic events and economic problems facing society. Topics include health care, the environment, crime and poverty, globalization, and recession and growth in the national economy. As the economic aspects of these issues are explored, the student is introduced to the methods used by economists to analyze problems and to develop possible solutions.

**ECO 260 Principles of Macroeconomics (3) F, Sp, Su.** Introduction to basic principles of economics with emphasis on the analysis of unemployment, *GDP*, inflation, and public debt; discusses fiscal and monetary theories and public policies.

ECO 261 Principles of Microeconomics (3) F, Sp, Su. Introduction to economic fundamentals with emphasis on supply and demand analysis, factor markets, different market structures, international economics, and various economic problems.

ECO 283 Introduction to Research Methods in Economics (1-2) (DD). Introduction to basic research methods in economics. Individual and team projects involving methods for solving economics-related research problems. Prerequisite: Consent of department.

ECO 310 Agricultural Economics (3) (DD). Analysis of the evolution and status of the agricultural sector of the economy. Domestic and export markets will be analyzed, as will impact of agricultural policy. Special emphasis will be directed to the Midwestern regional economy as influenced by the agricultural food chain.

**ECO 360 Intermediate Macroeconomics (3) Sp.** Intermediate-level theory course examines determinants of *GDP*, employment, and inflation; emphasizes economic model building (both classical and Keynesian) and the use of monetary and fiscal policies to control business cycles and inflation. Prerequisite: ECO 260.

ECO 361 Intermediate Microeconomics (3) F, Su. Theoretical approach to the behavior of the individual buyer and seller in the marketplace; includes consumer demand theory, costs of production, and market structures ranging from pure competition to monopoly. Prerequisite: ECO 261.

Economics

ECO 362 Public Finance (3) F. Studies principles of taxation and public expenditures, impact of fiscal policy on economic and social activity, and recent trends in public finance at the federal, state, and local levels. Prerequisites: ECO 260 and 261. LAS Ethics.

ECO 363 Money and Banking (3) F, Su. Continuation and expansion of money and banking concepts introduced in ECO 260; includes money, banks, and other financial intermediaries, the Federal Reserve System, concepts of monetary control, monetary policy, and international banking. Prerequisite: ECO 260.

ECO 364 Labor Economics (3) Sp, Su. Introductory course dealing with the institutional aspects of the American labor force, its organization, wage and employment theory, the economic role of bargaining, and the basic ingredients of public policy toward labor organizations. Prerequisite: ECO 261.

EC0 365 Government Regulation of Business (3) (DD). Analyzes the legislative and legal control of business and its implications for the various economic components of the American economy. Prerequisites: ECO 260 and 261. LAS Ethics.

ECO 367 Urban and Regional Economics (3) (DD). Examines economic growth in the United States with emphasis on the problems of economic growth in the Midwest; looks at factors instrumental in determining economic growth in various segments of the economy; considers urban problems associated with growth. Prerequisite: ECO 261. LAS Writing.

**ECO 375 Economics of Health Care (3) F.** Examines the application of economic theory to the health care industry. Topics include the demand for health and health care, the market for health insurance, managed care, the market for health care practitioners, hospital services, and pharmaceuticals, and the role and operation of Medicaid and Medicare. Current proposals for reform of the health care system and of government health care policy will be carefully examined. Prerequisite: ECO 261. LAS Ethics.

ECO 376 Economics of the Environment (3) Sp. Application of economic principles and insights to environmental issues, and to the development of potential remedies. Areas of examination include valuing the environment and sustainable development, natural resource economics (incl. energy, water, and biodiversity), and environmental economics (incl. air, land, and water pollution, and poverty and development). Prerequisite: ECO 260 or 261. LAS Ethics.

ECO 450 Independent Research/Project (1-6) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of the major-minor declaration in economics, minimum 2.5 GPA in the major field, and departmental approval.

**ECO 460 Business and Economic Forecasting (3) F, Sp.** Basic and intermediate forecasting of business and economic variables. Forecasting of business variables such as sales, production, and stock prices. Economic forecasts of *GDP*, unemployment, and consumer prices. Techniques include judgmental methods, trend calculation, smoothing techniques, time series methods, and regression analysis. Prerequisites: ECO 260, GBA 210 or MAT 132. LAS Computer Literacy.

ECO 461 International Trade (3) Sp. Introduction to the theory of international economics, with an emphasis on economic models of trade and on economic arguments for and against the use of trade barriers. The course examines the changing nature of international economic institutions and increasing world economic interdependence. Prerequisites: ECO 260 and 261. LAS International/Intercultural.

**ECO 462 History of Economic Thought (3) Sp.** Development of various schools of economic thought: includes classical, neoclassical, institutional, Keynesian, and neo-Keynesian theories. Prerequisite: ECO 260. LAS Writing.

ECO 463 Comparative Economic Systems (3) F. Introduction to the comparative study of national economic organization. Analysis of alternative patterns of reliance on national economic planning versus market activity. Examines experiences in different types of national economies such as the United States, the United Kingdom, Germany, Sweden, Japan, the republics of the former Soviet bloc, and China. Prerequisite: ECO 260. LAS International/Intercultural.

**ECO 464 Econometrics (3) (DD).** Introduces methods and statistical tools utilized by economists to perform basic and applied research. Regression analysis is the focus, with emphasis on both theoretical issues and problems encountered in application. Students will experience the research process firsthand, with ample opportunities to collect and analyze their own data. Prerequisites: ECO 260 or 261, GBA 210 or MAT 132. LAS Computer Literacy.

ECO 466 Economics in Action (3) (DD). In-depth study of one of the following specialty areas in economics taught on a rotational basis each semester offered. Content will cover such topics as: Economics of Crime and Justice, International Finance, Mathematical Economics, Economics of Sport, or Economics and the Media. Course may be repeated for credit up to five times with different topics. Prerequisite: ECO 260 or 261.

# **Department of English**, **Foreign Languages** and Journalism

Dr. Michael Cadden, Chairperson cadden@missouriwestern.edu 271-4576 http://www.missouriwestern.edu/EFLI/

The Department of English, Foreign Languages and Journalism offers major programs in English, French and Spanish leading to the Bachelor of Arts degree and the Bachelor of Science in Education degree. Minors are also offered in English, French, German, Spanish, Journalism and International Studies.

In its various programs and offerings, the Department of English, Foreign Languages and Journalism works toward four goals: (1) an improvement of communication skills through practice in diverse types of expository and imaginative writing; (2) a development of critical thinking through exposure to and interpretation of the various world views offered in literary works; (3) an increased appreciation of literature, its backgrounds, history, and values through an analysis and discussion of authors and literary works covering a wide range of attitudes, perspectives, and expressions; (4) a deeper understanding of one's own culture and a tolerance and acceptance of things foreign through a study and appreciation of another language and culture.

In all of its programs, the department encourages its students to grow in self-knowledge and the knowledge of others through its emphasis on the humane and liberal characteristics of its offerings.

### BACHELOR OF ARTS DEGREE REQUIREMENTS

The BA requires at least 12 credits in a single foreign language. Academic majors may require additional hours in a foreign language. Students may earn more than one emphasis area in completing a single BA in English.

Majors may not take courses requiring FRE 212 as a prerequisite without first passing a departmentally approved proficiency exam. Majors must receive a grade of C or better in each course in the major. In order to graduate, majors must first receive a passing score, as determined by the Department of Elementary and Secondary Education, on the PRAXIS II Examination in French. See the Department of Education for required courses in education. In addition, all other institutional requirements for graduation must be met.

Students completing a BSE in French or Spanish must demonstrate oral proficiency in the language of certification at the level of **Advanced Low**, according to the guidelines established by the American Council on the Teaching of Foreign Languages (ACTFL). Students are responsible for scheduling and paying for an *official Oral Proficiency Interview* with Language Testing International. Students who are unable to attain the Advanced Low level of oral proficiency will not receive state certification.

# MINOR PROGRAMS IN ENGLISH, FOREIGN LANGUAGES AND JOURNALISM

In addition to the major programs, the Department of English, Foreign Languages and Journalism offers minors in English, Journalism, French, German, Spanish, and International Studies. Students receiving a BA in English may receive a minor in English in an emphasis area different from the major's emphasis.

### **English**, Literature

The minor in English Literature provides students with an opportunity to broaden their understanding and appreciation of literature and culture, and to improve their communication skills. As such, the minor is a valuable asset to those seeking careers in the professional or business world.

TI

The requirements for a minor in English Literature include the satisfactory completion of the following courses for a total of 21 credits:

#### English, Education

Structured to meet the requirements for teacher certification, the following minor in English Education is specifically offered to prepare students to teach English in grades 9 through 12. (Students must also fulfill secondary education course and certification requirements.)

The requirements for the minor in English Education include the satisfactory completion of the following courses for a total of 32 credits:

			Credits

# **International Studies**

The minor in International Studies is designed to give students exposure to international issues from different perspectives. With the growing globalization of business, governments, and recreation, it is almost certain that today's students will participate in international activities. This minor can help prepare them to maximize the benefit from those interactions. Students who take this minor must take 24 credits from the list below with at least 18 credits outside of their major department and no more than 18 credits from any one group.

#### **Childhood Studies**

Missouri Western State University offers an interdisciplinary minor in Childhood Studies. This minor is intended for those students who have child-related concentrations in their major disciplines, such as juvenile delinquency, child psychology, or pediatrics, or for those who simply wish to learn more about the subject of childhood. The minor will also provide a foundation of study for those students who intend to go on to professional or graduate school in order to study in child-related areas. This minor does not provide students with certification to teach in the state of Missouri.

Students must successfully complete at least eighteen hours from the following list of classes. To insure that the minor is a truly interdisciplinary experience, at least three disciplines must be represented with no more than nine hours coming from any one discipline:

			Credits
EDU	315	Psychology and Education of the Exceptional Child (Declared Childhood Studies minors are exempt from	2
		EED 303 and EED 304 as prerequisites for this course.)	
EDU	419	Utilizing Family and Community Resources for Early Childhood Education (Declared Childhood Studies minors are exempt from EED 357 or EED 358 as a prerequisite for	2
EDU	420	this course.) Counseling Techniques/Parents	2

\* Internship: Relevant field experience/practicum/internship through any academic department. May be repeated for credit. 1-3

\* Relevant Special Topics Course offered through any academic department. May be repeated for credit. 1-3

\* Relevant Independent Study arranged with any full-time faculty member. May be repeated for credit. 1-3

\* Only three credit hours of any one internship (including student teaching), special topics course, or independent study may be applied to the minor.

Each student interested in this minor should discuss with his or her major academic advisor which courses best fit that student's discipline and concentration area as well as which general studies courses need to be chosen to satisfy prerequisites. Students enrolled in the Minor in Childhood Studies will also be assigned an advisor from the Childhood Studies Committee. Programs of study shall be kept on file by the Director of Childhood Studies.

#### TEACHER CERTIFICATION IN ESOL

This certification would allow currently certified teachers and MWSU teacher candidates to be prepared to effectively teach students with a native language other than English. See Department of Education for required courses in Education.

#### ESOL Certification Program

I. General Requirements:

A. A valid Missouri permanent or professional certificate or license to teach; II. Professional Requirements:

- A. EDU 315 Psychology and Education of the Exceptional Child
- B. EDU 311 Secondary Reading Techniques (2),
  - EDU 312 Laboratory in Secondary Reading Techniques (1)

III. Professional Requirements for ESOL-21 hours consisting of the following courses:

- ENG 232 Language Awareness (3)
- COM 342 Intercultural Communication (3) OR
- EDU 308 Multicultural Education (2)
- TSL 467 Second Language Acquisition (3)
- TSL 468 Methods of Teaching Second Language Students (3)
- TSL 469 Materials and Assessment for TESOL (3)
- EDU 470 ESOL Practicum (3)
- Three hours from among the following elective courses:
- ENG 467 Grammar and the Teaching of Grammar (3)

Eng./Foreign Lang./Journ.

Any foreign language course (3) (test-out credit does not apply) Other elective with program director's approval.

#### TEACHER CERTIFICATION IN FOREIGN LANGUAGE

State certification to teach foreign language in grades K-12 in Missouri requires 30 credits in the language to be taught or 27 credits plus 2 or more earned units of high school credit in that language in addition to two credit hours of foreign language teaching methodology. State certification to teach foreign language in grades K-9 in Missouri requires 21 credits in the foreign language to be taught or 18 credits plus 2 or more earned units of high school credit in that language.

#### TEACHER CERTIFICATION IN JOURNALISM

State certif	icatior	n to teach journalism in grades 9-12 in Missouri requires 30 credit:	s be-
yond the p	rofessi	ional sequence in secondary education, which must include a teac	hing
methods co	ourse i		dits

- F -- the course is offered in the fall semester
- Sp -- the course is offered in the spring semester
- Su -- the course is offered in the summer semester
- DD -- the course is offered at the discretion of the department

# ENGLISH COMPOSITION AND LANGUAGE COURSES

Waiving of any course prerequisites requires prior departmental authorization.

**ENG 100 Introduction to College Writing (3) F, Sp, Su.** Instruction in reading and writing; open to any student, but mandatory for those students who have not passed the Writing Placement Examination (WPE) and who have not achieved a score of 19 or higher on the ACT English subtest. Does not fulfill the English composition requirement for baccalaureate and associate degrees. (See class schedule for information about the WPE.)

Eng./Foreign Lang./Journ.

**ENG 104 College Writing and Rhetoric (3) F, Sp, Su.** Instruction in reading and writing; emphasizes expository prose. Fulfills first half of the general studies requirement in English composition. Prerequisite: A grade of C or higher in ENG 100, OR a score of 19 or higher on the ACT English subtest, OR a passing score on the Writing Placement Examination. (See class schedule for information about the WPE.)

ENG 108 College Writing and Research (3) F, Sp, Su. Instruction in reading various literary genres and continued practice in writing. Fulfills second half of the General Studies requirement in English composition. Prerequisite: A grade of C or higher in ENG 104.

ENG 112 Honors Composition and Rhetoric (3) F. An enriched course open to students who achieve superior scores on the Writing Placement Examination (WPE) administered by the Department of English, Foreign Languages and Journalism OR who score 27 or above on the ACT English subtest. This course fulfills the English composition requirement for basic skills in general studies for four-year degree programs. (See class schedule for information about the WPE.)

ENG 232 Language Awareness (3) F, Sp. An introduction to linguistics in which students study and apply principles and theories about the roots, acquisition, nature, and functions of language, including its sounds, structures, and symbols, its relation to speech communities and culture, and its current and future state. Assignments develop analytical skills and promote an understanding and appreciation of linguistic variety. Prerequisite: ENG 108 or 112.

**ENG 283 Introduction to Research Methods in English (1-2) (DD).** Introduction to basic research methods in English. Individual and team projects involving methods for solving English-related research problems. Prerequisite: Consent of department.

ENG 285 The Making of Contemporary Literature: *The Mochila Review* (3) F, Sp. Intensive evaluation of contemporary writing as well as hands-on experience producing a literary journal. Students read and respond to submissions to the journal, evaluate contemporary literature in other national journals, and gain experience in design, production, public relations, and marketing the journal. May be repeated for up to 12 credits. Prerequisite: ENG 104 or departmental approval.

ENG 301 Advanced Composition (3) F. An advanced expository writing course designed to improve the ability to write clearly and effectively. Explores a variety of structural forms and rhetorical strategies. Required for English majors and minors. Prerequisite: ENG 108 or 112. LAS Writing.

**ENG 314 Technology and Society (3) F, Sp.** Participatory course emphasizing a particular problem and/or issue related to technology and society. Class participants will investigate the semester's theme using currently available technologies. Same as BIO 314, HUM 314, PSY 314, GOV 314. Prerequisite: Completion of Category One -- Basic Skills General Studies courses.

**ENG 316 Internship in English (1-6) F, Sp, Su.** Practical application of skills in reading, writing, and analytical thinking at a business concern or agency or working as a writing tutor under the supervision of English faculty or Center for Academic Support professionals (30 clock hours of work for each hour of credit). May be repeated for a total of 12 credits. Prerequisite: Junior or senior standing and departmental approval.

**ENG 364 Introduction to Composition Theory (3) (DD).** Introduction to the basic theories of composition. Prerequisite: Junior standing. ENG 301 or concurrent enrollment in ENG 301. LAS Ethics.

ENG 385 Creative Writing: Prose (3) F. Intensive practice in the writing of short fiction and creative nonfiction. Reading of contemporary prose. May be repeated for up to 9 credits. Prerequisite: ENG 108 or 112. LAS Writing.

ENG 354 Literature in English: 1800-1860 (3) Sp (odd-numbered years). From poetic romantic landscapes to realistic urban narratives through matchmaking comedies of manners and tales of Gothic horror, the course covers a literature responding to bloody revolutions, rapid industrialization, and unsettling scientific discoveries. Emphasis is on British and American writers, but selections from other literatures in English will be included. Prerequisite: ENG 108 or 112 and ENG 210 or 220. LAS International/Intercultural.

ENG 355 Literature in English: 1860-1914 (3) F (odd-numbered years). From tall tales of the American West to novels exploring the moral dimensions of colonialism through the multivoiced poetry of Browning and the emerging voices of black, native American, and colonized peoples, the course covers literature responding to an age of scientific discovery, religious revival and the creation of the modern world. Emphasis is on British and American writers, but selections from other literatures in English will be included. Prerequisite: ENG 108 or 112 and ENG 210 or 220. LAS International/Intercultural.

ENG 356 Literature in English: 1914-1945 (3) Sp (even-numbered years). From two World Wars, the Russian Revolution and a world wide Depression, a modern world emerged in which beliefs in reason, progress, and social unity were challenged. Writers responded in new forms reflecting society's increasing skepticism, uncertainty, and alienation. Emphasis is on British and American writers, but selections from other literatures in English will be included. Prerequisite: ENG 108 or 112 and ENG 210 or 220. LAS International/Intercultural.

ENG 357 Literature in English: 1945-Present (3) F (even-numbered years). From poetry reacting to the horrors of the Holocaust to fiction produced by a global perspective and the approach of the millennium, the course explores literature of the moment as it attempts to understand this new (anti)period claiming to be an end to literary history. Emphasis is on British and American writers, but selections from other literatures in English will be included. Prerequisite: ENG 108 or 112 and ENG 210 or 220. LAS International/Intercultural.

ENG 361 Literature on Site (3) (DD). This course combines classroom and on-site experience at a place of literary merit. The place and theme will change, typical topics include: "Literary Boston," "Literature of Native America," "Dublin and Her Authors," "The American Writer in London." (Travel expenses are in addition to students' tuition.) Prerequisite: ENG 108 or 112 and ENG 210 or 220 or permission of the department.

ENG 410 Selected Studies in Literary Genre (3) Sp (odd-numbered years). A detailed examination of a specific genre of literature; focus will change each time the course is offered. Representative topics: "Utopian-Dystopian Fiction," "Shakespeare's Tragedies," "The Literature of Fantasy," "Graveyard Poetry." May be repeated for credit as topics change. Prerequisite: ENG 210 or 220 and junior standing. LAS Ethics.

ENG 430 Selected Studies in Literary Theme (3) Sp (even-numbered years). A detailed examination of a specific theme in literature; focus will change each time the course is offered. Representative topics: "Contrasting Perspectives: American Folktales and Native American Narratives," "Anonymity, Psuedonymity, and Women's Literary Production." May be repeated for credit as topics change. Prerequisite: ENG 210 or 220 and junior standing. LAS Ethics.

ENG 450 Independent Research/Project (1-5) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of major-minor declaration in English, minimum 2.5 GPA in major field, and departmental approval.

Eng./Foreign Lang./Journ.

ENG 460 Selected Studies in Literary Period or Movement (3) F (even-numbered years). An in-depth study of a literary period or movement; focus will change each time the course is offered. Representative topics: "The Harlem Renaissance," "Literature in English: The Year 1859," "Literature Comprehends the French Revolution," "Print Revolutions: Caxton and Cyberspace." May be repeated for credit as topics change. Prerequisite: ENG 210 or 220 and junior standing. LAS Ethics.

ENG 480 Selected Studies in Literary Authority (3) F (odd-numbered years). A detailed examination of a specific site of literary production; focus will change each time the course is offered. Representative topics: "Jane Austen and Her Novels," "African-American Slave Narratives," "John Murray and the Publication of the British Romantics." May be repeated for credit as topics change. Prerequisite: ENG 210 or 220 and junior standing. LAS Ethics.

#### ENGLISH PUBLIC RELATIONS COURSES

Waiving of any course prerequisites requires prior departmental authorization.

**EPR 316 Internship in Public Relations (2-6) F, Sp, Su**. Practical application of public relations skills in a professional setting; correlates academic preparation with supervision in a work experience (thirty clock hours of work for each hour of credit). May be repeated for a total of 12 credits. Prerequisite: Junior standing and departmental approval required.

**EPR 326 Desktop Publishing (3) Sp.** A computer workshop course involving graphic design and production of attractive and effective advertisements, brochures, newsletters, and magazine spreads. The course will provide instruction in design software and computer peripherals such as electronic scanners and digital photography. LAS Computer Literacy.

**EPR 401 Senior Portfolio (1) F, Sp.** Workshop class for graduating seniors which includes resume and job search preparation in addition to compiling a passing graduation portfolio consisting of a resume, cover letter, and writings from major courses. Required for the BA/English Public Relations majors. Must be completed during the semester of graduation, except for summer graduates who must complete the course in the spring semester prior to graduation. Course grade assigned on a pass/fail basis.

**EPR 422 Public Relations Writing (3) Sp.** This workshop course emphasizes audience analysis, writing, editing, and producing public relations documents. Where possible, students will complete practical hands-on projects that reflect theoretical foundations presented in COM 415. Prerequisite: JOU 202, EPR 326, and COM 415, or consent of the department. LAS Writing; LAS Computer Literacy.

# ENGLISH TECHNICAL COMMUNICATION COURSES

Waiving of any course prerequisites requires prior departmental authorization.

**ETC 200 Introduction to Technical Communication (3) F.** Workshop in technical style emphasizing shorter forms of technical writing. Students are introduced to desktop capabilities—graphics, style, format, and layout. They will also apply appropriate software for completing work professionally. All work evolves through a flexible, recursive process. Prerequisite: ENG 108 or 112. LAS Ethics; LAS Computer Literacy.

ETC 214 Multimedia Production Lab (2) (DD). Students will use a team-based, handson approach to produce multimedia publications. These may include a combination of text, graphics, photographs, video, audio, and World Wide Web links covering the people, events, and activities of the campus and community. Same as JOU 214. May be repeated for a total of 8 credits. ETC 224 Introduction to Writing for the Internet (3) E Students will learn the elements of effective writing for screen-based textual content in internet and intranet environments, using HTML and appropriate software to create both personal and professional Web sites to gain valuable hands-on experience. Introduces overview of context provider issues, including usability, intellectual property, security, access, database content language, writing and design. Same as JOU 224. Prerequisite: ENG 104.

**ETC 316 Internship in Technical Communication (2-6) F, Sp, Su.** Practical application of technical and organizational communication skills in a professional setting; correlates academic preparation with supervision in a work experience (thirty clock hours of work for each hour of credit). May be repeated for a total of 12 credits. Prerequisite: Junior or senior standing and departmental approval.

ETC 324 Electronic and Online Communication (3) Sp (even-numbered years). Study of communication assignments likely to be encountered by entry-level professionals in various technological settings. Students will practice communication requiring careful on-the-job analysis, planning, preparation, writing and editing. Cases will be used to demonstrate the crucial interaction of elements such as writer's professional role, the audience, the technical and managerial problem, the available information and the communication assignments. Prerequisite: ENG 108 or 112 and ETC 200. LAS Writing; Computer Literacy.

ETC 328 Multimedia Authoring (3) Sp (odd-numbered years). An advanced class which outlines the history, principles and theories of multimedia. This course examines how elements of text, sound, video, animations and graphics work together to produce electronic products for the Web, CD/DVD and other distribution formats. Students learn appropriate multimedia software to create individual or small group multimedia projects. Same as JOU 328. Prerequisite: JOU 327 or EPR 326.

**ETC 401 Senior Portfolio (1) F, Sp.** Workshop class for graduating seniors which includes resume and job search preparation in addition to compiling a passing graduation portfolio consisting of a resume, cover letter, and writings from majors courses. Required for the BA English/Technical Communication major. Prerequisite: Must be completed during the semester of graduation, except for summer graduates who must complete the course in the spring semester prior to graduation. This course will be graded on a pass/fail basis. Same as JOU 401.

ETC 420 Technical Documentation and Editing (3) Sp (odd-numbered years). Workshop-oriented practice in producing and editing a variety of documents, as well as management of multiple texts and texts from multiple authors. Discussion of the role of technical writers and editors in adapting texts for discourse communities and of current issues in technical writing. Included will be instruction in grammar and usage. Prerequisite: ETC 200.

ETC 421 Worlds of Technical Communication (3) Sp (even-numbered years). An interdisciplinary perspective applying cultural studies, ethnography, critical linguistics, stylistics, discourse analysis and media studies to technical and professional fields. Includes issues for writing for the global marketplace such as writing for translation and designing materials to comply with conventions and expectations of other cultures. Prerequisite: ENG 220 and ETC 200. LAS International/Intercultural.

ETC 450 Independent Research/Project (1-5) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of major-minor declaration in ETC, minimum 2.5 GPA in major field, and departmental approval.

## ENGLISH AS A SECOND LANGUAGE

**TSL 467 Second Language Acquisition (3) (DD).** This course includes a study of the theories of first and second language acquisition specifically as related to the teaching of English as a second language and foreign languages. Subtopics of this area of study include: bilingualism, congnitive styles, communicative styles, personality factors, socio-cultural differences among learners, learning theory, models of language acquisition, strategies used by adults and children in acquiring a second or third language and the application of these factors to the ESOL and foreign language learning situations. Prerequisite: ENG 232.

TSL 468 Methods of Teaching Second Language Students (3) (DD). This course provides an overview of the theoretical foundations and applications of language instruction approaches, methods, and techniques that are effective in the classroom. It will focus on interactive and communicative language teaching methods as well as specific strategies for integrated content area instruction for limited English proficient (LEP) students and English language learners (ELL) in mainstream classrooms.

TSL 469 Materials and Assessment for TESOL (3) (DD). Advanced course in the analysis and preparation of materials for teaching ESOL and the basics of test development in ESOL.

### FOREIGN LANGUAGES COURSES

Waiving of any course prerequisites requires prior departmental authorization.

A student with extensive background in a language is encouraged to attempt credit by examination. Two years of high school study in a language should provide background for testing out of the first-semester course, and three to four years of study should enable the student to test out of the second course.

Students whose high school transcripts show three or more years of French, German, or Spanish (with grades of C or better, and within three years of the semester in question) should attempt the placement exam because they will receive audit credit only should they enroll in the beginning French, German or Spanish course (FRE/GER/SPA 102).

#### FRENCH COURSES

**FRE 102 Elementary French I (3)** F. Beginning study of French language and culture, including speaking, listening, reading and writing. Focus on topics of personal interest and activities, using primarily the present tense. Students whose high school transcripts show three or more years of French (with a grade of C or better, and within three years of the semester in question) should attempt the placement exam because they will receive audit credit only should they enroll in the beginning French course (FRE 102).

FRE 112 Elementary French II (3) Sp. Continued study of French language and culture, including speaking, listening, reading and writing. Focus on topics of personal interest and activities. Prerequisite: FRE 102 or equivalent.

**FRE 202 Intermediate French I (3) F.** Through classroom interaction, students develop oral and written skills needed for practical and daily-life situations; study linguistic structures and functions needed to ask questions, compare, contrast, and describe; develop reading skills and expand vocabulary; and increase cultural awareness of the French-speaking world. Prerequisite: FRE 112 or departmental approval.

FRE 206 Summer Study/Travel Program in France: Field Work in Paris and Surrounding Area (1-4) Su. One week of total immersion in French in Paris and its environs. Required guided visits to museums and historical sites; side trips to Versailles, Giverny and other locales. Conversation and guided visits at the early intermediate level; readings and paper in English. Students enrolling for 2-4 credit hours will complete preparatory coursework (15 contact hours for each hour of credit) on campus before traveling to France. Prerequisite: FRE 112 or two years of high school French. LAS International/Intercultural.

FRE 207 Summer Study/Travel Program in a French-speaking Country: Oral and Written French (3) Su. A three-week intensive study in French language at the early-intermediate level taught by instructors at a designated French language institute, including course work and directed cultural activities. A special fee is assessed for this class. Deadline for application is March 1. Prerequisite: FRE 112 or two years of high school French. LAS Writing; International/Intercultural.

**FRE 211 French for the Professional (3) (DD).** A pragmatic approach to the continued development of the skills of listening, reading, writing, and speaking in French, as well as concentrating on increased awareness of French customs and culture. This course is recommended for students pursuing a business major, as well as those who want to acquire more confidence in practical use of French. Prerequisite: FRE 202 or equivalent.

**FRE 212 Intermediate French II (3) Sp.** Through classroom interaction, students further develop oral and written skills needed for practical daily-life situations; study in greater depth linguistic structures and functions needed to ask questions, narrate in three tenses, compare and contrast, describe; build reading skills and expand vocabulary; and increase cultural awareness of the French-speaking world. Prerequisite: FRE 202 or departmental approval.

**FRE 301 Methods in Teaching Foreign Language (3) (DD).** Techniques, materials, and methodology to be used in teaching foreign language. Same course as GER 301 and SPA 301. Prerequisites: Junior standing and FRE 212.

FRE 302 Advanced French I: Written Expression and Translation (3) F. A course in advanced grammatical constructions as seen in professional writing, i.e. correspondence, reports, and proposals. Also regular written assignments using field-specific terminology and formats. Prerequisite: 211, 212 or equivalent. LAS Computer Literacy.

FRE 306 Summer Study/Travel Program In France: Field Work in Paris and Surrounding Area (1-4) Su. One week of total immersion in French in Paris and its environs. Required guided visits to museums and historical sites; side trips to Versailles, Giverny and other locales. Conversation and guided visits, at the early intermediate level; readings and paper in English. Students enrolling for 2-4 credit hours will complete preparatory coursework (15 contact hours for each hour of credit) on campus before traveling to France. Prerequisite: FRE 212 or four years of high school French. LAS International/Intercultural.

**FRE 307 Summer Study/Travel Program in a French-speaking Country: Oral and Written French (3) Su.** A three-week intensive study in French language at the advanced level taught by instructors at a French language institute, including course work and directed cultural activities. A special fee is assessed for this class. Deadline for application is March 1. Prerequisite: FRE 212 or four years of high school French. LAS Writing; International/Intercultural.

**FRE 310 Readings in Francophone Culture and Civilization (3) Sp.** Reading and analysis of French and Francophone texts from a variety of genres and periods. Prerequisite: FRE 202.

**FRE 312** Advanced French II: Conversation and Diction (3) Sp. Solidifies and/or develops students' oral proficiency within a variety of conversational contexts and registers, with emphasis on correct pronunciation. Prerequisite: FRE 212 or equivalent or department approval.

**FRE 316 Internship in French (2-6) F, Sp, Su**. Practical application of skills in speaking, reading, writing in French at a business or agency under the supervision of French faculty (30 clock hours of work for each hour of credit). May be repeated for a total of 12 credits. Prerequisite: junior or senior standing and department approval.

FRE 322 Contemporary French Society (3) Sp (even-numbered years). A study of French culture and society in the 20th century. The course emphasizes connections between historic and economic development and social and familial traditions. Prerequisite: FRE 212 or equivalent, FRE 310. LAS Ethics; LAS International/Intercultural.

FRE 340 Extended Study Abroad (12-15) F, Sp. A semester-long study at a university in a French-speaking country, to be selected in consultation with the foreign language advisor. Student enrolls in 12-15 credit hours of intensive French language and other approved academic courses. Credits will be eligible for substitution of required major courses upon the student's return. A special fee is assessed for this class. Prerequisite: FRE 112 or equivalent and departmental approval. LAS International/Intercultural.

**FRE 403 Advanced Business French (3) F (odd-numbered years).** A course devoted to developing and perfecting highly advanced language skills through the study of special topics in the French and francophone business worlds Emphasis on mastery of specialized French for professional settings. Prerequisite: FRE 302 and 310.

FRE 422 Introduction to French Culture, Civilization and Literature I (3) F (even-numbered years). A study of French society, art, and literature from medieval times through the enlightenment. The course emphasizes connections between historical development and artistic expression. Prerequisite: FRE 302 or equivalent, FRE 310. LAS Writing.

FRE 432 Introduction to French Culture, Civilization and Literature II (3) Sp (evennumbered years). A study of French society, art, and literature from during the 18th and 19th centuries. The course emphasizes connections between historical development and artistic expression. Prerequisite: FRE 302 or equivalent, FRE 310. LAS Ethics.

FRE 442 Introduction to French Culture, Civilization and Literature III (3) Sp (oddnumbered years). A study of contemporary French and Francophone society, art, and literature. The course emphasizes connections between historical development and artistic expression. Prerequisite: FRE 302 or equivalent, FRE 310. LAS Writing.

FRE 450 Independent Research/Project (1-5) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of major-minor declaration in French, minimum 2.5 GPA in major field, and departmental approval.

**FRE 452 Advanced Oral Communication in a Professional Environment (3) F.** Students will develop functional use of French with appropriate technical vocabulary and structures for a variety of professional contexts. Prerequisite: FRE 312.

## GERMAN COURSES

GER 102 Elementary German I (3) F. Beginning study of German language and culture, including speaking, listening, reading and writing. Focus on topics of personal interest and activities, using primarily the present tense. Students whose high school transcripts show three or more years of German (with a grade of C or better, and within three years of the semester in question) should attempt the placement exam because they will receive audit credit only should they enroll in the beginning German course (GER 102).

**GER 112 Elementary German II (3) Sp.** Continued study of German language and culture, including speaking, listening, reading and writing. Focus on topics of personal interest and activities. Prerequisite: GER 102 or equivalent.

**GER 121 Study Abroad in Germany (3) (DD).** A course which promotes an increased awareness of German customs and culture through travel and study in the Germanspeaking nations. This course is recommended to students who want to experience firsthand how Germans live and work in a native setting, and particularly to those who wish to obtain the German minor or the BIS degree with a German concentration. Previous or concurrent enrollment in GER 102 and/or GER 112 or equivalent is recommended but not required. May be repeated for credit (with departmental approval). **GER 151 German Culture and Civilization (3) (DD).** An English-language course designed to reflect the importance of German culture and society to European and world intellectual development. Primary emphasis will be given to German artistic and social progress, and the extent to which it has influenced the direction of the German nation as well as other countries. Topics will vary by semester and shall represent significant intervals in German societal development (e.g. The origins of German Culture and Thought; German Culture and Civilization from the Reformation to Unification; Modern Civilization and the German Nation State(s)). May be repeated for a maximum of 6 credits (with departmental approval).

**GER 182 German Literature in Translation (3) (DD).** An English-language course designed to reflect the contributions of German writers to the European and world literary canon. Focus will be given to important German authors and their masterworks, relative to the literary genres within which these works are classified. May be repeated for credit (with departmental approval).

**GER 202 Intermediate German I (3) F.** Through classroom interaction, students develop oral and written skills needed for practical and daily-life situations; study linguistic structures and functions needed to ask questions, compare, contrast, and describe; develop reading skills and expand vocabulary; and increase cultural awareness of the German-speaking world. Prerequisite: GER 112 or departmental approval.

**GER 211 German for the Professional (3) (DD).** A pragmatic approach to the continued development of the skills of listening, reading, writing, and speaking in German, as well as concentrating on increased awareness of German customs and culture. This course is recommended for students pursuing a business major, as well as those who want to acquire more confidence in practical use of German. Prerequisite: GER 202 or equivalent.

**GER 212 Intermediate German II (3) Sp.** Through classroom interaction, students further develop oral and written skills needed for practical and daily-life situations; study in greater depth linguistic structures and functions needed to ask questions, narrate in three tenses, compare and contrast, describe; build reading skills and expand vocabulary; and increase cultural awareness of the German-speaking world. Prerequisite: GER 202 or departmental approval.

GER 300 Topics in German (3) (DD). Advanced course in German literature, language, or culture. Topics will vary from semester to semester. May be repeated for credit (with departmental approval). Prerequisite: GER 212 or equivalent or departmental approval.

**GER 301 Methods in Teaching Foreign Language (3) (DD)**. Techniques, materials, and methodology to be used in teaching foreign language. Same course as FRE 301 and SPA 301. Prerequisite: Junior standing and GER 212.

**GER 302** Advanced German Grammar (3) (DD). Extended study of the most advanced German grammatical concepts and structures. This course is particularly recommended for those students who declare the German minor or BIS with a German concentration as part of their degree work, and for others who seek extended exposure to complex grammar applications in preparation for use of the German language at a native or nearnative level. Prerequisite: GER 212 or equivalent or departmental approval.

**GER 316 Internship in German (2-6) F, Sp, Su.** Practical application of skills in speaking, reading, writing in German at a business or agency under the supervision of German faculty (30 clock hours of work for each hour of credit). May be repeated for a total of 12 credits. Prerequisite: Junior or senior standing and department approval.

Eng./Foreign Lang./Journ.

**GER 322 Advanced German Culture (3) (DD).** Extended study of complex cultural issues which have shaped the German-speaking nations into the twenty-first century. This course is particularly recommended for those students who declare the German minor or BIS with a German concentration as part of their degree work. Prerequisite: GER 212 or equivalent or departmental approval.

GER 340 Extended Study Abroad (12-15) F, Sp. A semester-long study at a university in a German-speaking country, to be selected in consultation with the foreign language advisor. Student enrolls in 12-15 credit hours of intensive German language and other approved academic courses. Credits will be eligible for substitution of required minor or BIS concentration courses upon the student's return. A special fee is assessed for this class. Prerequisite: GER 112 or equivalent and departmental approval. LAS International/Intercultural.

GER 450 Independent Research/Project (1-5) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of major-minor declaration in German, minimum 2.5 GPA in major field, and departmental approval.

### SPANISH COURSES

SPA 102 Elementary Spanish I (3) F. Beginning study of Spanish language and culture, including speaking, listening, reading and writing. Focus on topics of personal interest and activities, using primarily the present tense. Students whose high school transcripts show three or more years of Spanish (with a grade of C or better, and within three years of the semester in question) should attempt the placement exam because they will receive audit credit only should they enroll in the beginning Spanish course (SPA 102).

SPA 112 Elementary Spanish II (3) Sp. Continued study of Spanish language and culture, including speaking, listening, reading and writing. Focus on topics of personal interest and activities. Prerequisite: SPA 102 or equivalent.

SPA 116 Elementary Spanish Review and Conversation (1) Sp. Review, conversation, and continuation of SPA 112, intended for students who cannot continue their Spanish study until the fall semester. Prerequisite: SPA 112.

**SPA 202 Intermediate Spanish I (3) F.** Through classroom interaction, students develop oral and written skills needed for practical and daily-life situations; study linguistic structures and functions needed to ask questions, compare, contrast, and describe; develop reading skills and expand vocabulary; and increase cultural awareness of the Spanish-speaking world. Prerequisite: SPA 112 or departmental approval.

SPA 211 Spanish for the Professional (3) (DD). A pragmatic approach to the continued development of the skills of listening, reading, writing, and speaking in Spanish, as well as concentrating on increased awareness of Spanish customs and culture. This course is recommended for students pursuing a business major, as well as those who want to acquire more confidence in practical use of Spanish. Prerequisite: SPA 202 or equivalent.

**SPA 212 Intermediate Spanish II (3) Sp.** Through classroom interaction, students further develop oral and written skills needed for practical and daily-life situations; study in greater depth linguistic structures and functions needed to ask questions, narrate in three tenses, compare and contrast, describe; build reading skills and expand vocabulary; and increase cultural awareness of the Spanish-speaking world. Prerequisite: SPA 202 or departmental approval. SPA 248 Preparatory Course for Interim Program Spanish Studies Abroad (2) Su. An introduction to Hispanic history and contemporary Hispanic society. Lecture and discussion are in Spanish; readings are in English. A special fee is assessed for this class. Deadline for application is April 15. Prerequisite: Credit or concurrent registration in SPA 112 or two years of high school Spanish. LAS International/Intercultural.

SPA 250 Interim Program in Spanish Studies Abroad: Oral Spanish (3) Su. An intensive three-week intermediate level skills course in spoken Spanish given in a Spanish-speaking country. A special fee is assessed for this class. Deadline for application is March 1. Prerequisite: SPA 112 or two years of high school Spanish. LAS International/Intercultural.

**SPA 301 Methods in Teaching Foreign Language (3) (DD).** Techniques, materials, and methodology to be used in teaching foreign language. Same course as FRE 301 and GER 301. Prerequisite: Junior standing and SPA 211 or 212.

SPA 302 Advanced Spanish I: Grammar and Composition (3) F. A course in advanced grammatical constructions and writing of compositions. Original texts introducing different genres will be read and discussed. Prerequisite: SPA 212 or equivalent. LAS Writing.

SPA 310 Spanish Readings (3) Sp. Reading and analysis of Spanish and Latin-American texts from a variety of genres and periods. Prerequisite: SPA 202.

**SPA 312 Advanced Spanish II: Conversation (3) Sp.** Solidifies and/or develops students' oral proficiency within a variety of conversational contexts and registers, and a study of the Spanish sound system. Prerequisite: SPA 211 or SPA 212 or departmental approval.

SPA 316 Internship in Spanish (2-6) F, Sp, Su. Practical application skills in speaking, reading, writing in Spanish at a business concern or agency under the supervision of Spanish faculty (30 clock hours of work for each hour of credit). May be repeated for a total of 12 credits. Prerequisite: Junior or senior standing and departmental approval.

SPA 322 Introduction to Hispanic Civilization and Culture I (3) F. A study of Hispanic society and culture. The course emphasizes connections between historical development and artistic expression. Prerequisite: SPA 211 or 212, and SPA 310 or department approval. LAS Ethics; International/Intercultural.

SPA 332 Introduction to Hispanic Civilization and Culture II (3) Sp. A study of Hispanic society and culture. The course emphasizes connections between historical development and artistic expression. SPA 332 is recommended as a complementary course to SPA 322 Introduction to Hispanic Civilization and Culture I. Prerequisite: SPA 211 or 212, and SPA 310. LAS Computer Literacy; International/Intercultural.

SPA 340 Extended Study Abroad (12-15) F, Sp. A semester-long study at a university in a Spanish-speaking country, to be selected in consultation with the foreign language advisor. Student enrolls in 12-15 credit hours of intensive Spanish language and other approved academic courses. Credits will be eligible for substitution of required major courses upon the student's return. A special fee is assessed for this class. Prerequisite: SPA 112 or equivalent and departmental approval. LAS International/Intercultural.

SPA 348 Preparatory Course for Interim Program in Spanish Studies Abroad (2) Su. An introduction to Hispanic history and contemporary Hispanic society. Lecture, discussion and readings are in Spanish. A special fee is assessed for this class. Deadline for application is April 15. Prerequisite: Credit or concurrent registration in SPA 211 or 212 or four years of high school Spanish. LAS International/Intercultural. **SPA 350 Interim Program in Spanish Studies Abroad: Oral Spanish (3) Su.** An intensive three-week advanced level skills course in spoken Spanish in a Spanish-speaking country. A special fee is assessed for this class. Deadline for application is March 1. Prerequisite: SPA 211 or 212 or four years of high school Spanish. LAS International/Intercultural.

**SPA 422 The Literature of Spain (3) Sp.** A study of masterworks of Spanish literature from a range of periods and a variety of genres. Prerequisite: SPA 302 and SPA 310, or SPA 310 and SPA 312, or departmental approval.

SPA 432 Selected Studies in Literature in Spanish (3) F. A course on topics pertaining to literature written in Spanish-speaking nations. Representative topics include "Survey of Latin-American Literature," "Latin-American Poetry," "Latin-American Prose," "Nine-teenth Century Spanish Literature," "Twentieth Century Spanish Literature." Prerequisite: SPA 302 and SPA 310, or SPA 312 and SPA 310, or departmental approval.

SPA 442 Topics in Spanish (3) (DD). Advanced course in the literature, language, or culture of Spanish-speaking countries. Topics will vary. May be repeated for credit (under a new topic with departmental consent). Prerequisite: SPA 302 or 312, and SPA 310.

SPA 450 Independent Research/Project (1-5) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of major-minor declaration in Spanish, minimum 2.5 GPA in major field, and departmental approval.

**SPA 452 Advanced Conversation (3) F.** Students will practice conversational skills and speak Spanish in a variety of contexts and content areas. Prerequisite: SPA 312.

### **READING COURSES**

**RDG 095 Reading Skills Improvement (3) F, Sp, Su.** Reading Skills Improvement is designed for students who need to improve their understanding of written expression. The focus of the course is on higher-level comprehension and vocabulary skills. Students use a weekly news magazine to apply and practice skills learned in the class and to provide a background for written assignments. Beginning the Fall 2004 semester, this course is required for all students who score less than 72 on the Accuplacer Reading Test.

**RDG 100 College Reading Skills (3) F, Sp.** In this advanced elective course, designed for students to further improve their reading, students will develop critical reading skills, expand background knowledge through reading, increase vocabulary, develop flexible reading techniques, and improve study and writing skills. Students use *National Geographic* and *Atlantic Monthly (or other like magazines), or one of these magazines and the textbook in a first-year course linked to RDG 100, to apply and practice skills learned in the class and to provide a background for written assignments and class discussions. Prerequisite: RDG 095, or ACTR of 19 or higher, or Accupiacer score of 73 or higher.* 

# Department of Government, Social Work and Sociology

Dr. Joachim Kibirige, *Chairperson* kibijoa@missouriwestern.edu 271-4340 http://www.missouriwestern.edu/GSWS/

The discipline of Government studies political institutions, the political behavior of groups, and the political behavior of individuals within groups. More specifically, the discipline of Government includes the study of American and foreign entities, political history, constitutional and policy issues, interest groups, and the media. Although the field is sufficiently diverse to cover virtually any topic of a political nature, a traditional curriculum comprised of several subfields is widely recognized and is included in the Government and Public Affairs major at MWSU.

Social work is a profession for those with a strong desire to work with people. Social workers assist individuals, families, groups, organizations or communities to enhance or restore their capacity for social functioning and work to create the societal conditions necessary for people to flourish. Social workers are employed in both public and private human service agencies as well as in private corporations and often work directly with people by linking them with needed resources, providing counseling, and/or advocating for needed services. Social workers also work behind the scenes by developing needed human service programs or by shaping the social welfare policies that guide human services.

Sociology is the study of group life, social interaction, and relationships in society. Sociology deals with issues relevant to people and social life. Sociology is concerned with such topics as marriage and the family; urban and rural life; crime; social class; race and ethnicity; sex and gender; demographic changes; environment; technology and communication-to name a few. Sociology addresses these and other pressing contemporary issues by applying both a specific body of theory as well as the systematic methods of scientific research.

## **BACHELOR OF ARTS DEGREE REQUIREMENTS**

The B.A. requires at least 12 credits in a single foreign language. Academic majors may require additional hours in a foreign language.

## Major in Government and Public Affairs

#### Admission to the Major

Students desiring to major in Government and Public Affairs should declare their interest to the chairperson of the Department of Government, Social Work and Sociology so that they can be assigned Government and Public Affairs advisors. Applicants must have completed the following courses before their major applications will be considered: GOV 101 and ENG 104, with a grade of C or higher in each. The student must have a minimum GPA of 2.0 to declare a major.

GOV 101	American National Government	Credits 3
GOV 110	American State and Local Government	3
GOV 200	International Politics	3
GOV 210	Comparative Political Systems	3
GOV 280	Scope and Methods	3
GOV 310	Political Theory	3
GOV 490	Practicum in Government and Public Affairs	3-12
GOV 3xx	Courses Numbered 300 or higher	15
HIS 150	American History since 1865	3
	TOTAL	39-48

## **BACHELOR OF SCIENCE DEGREE REQUIREMENTS** Major in Government and Public Affairs

The requirements for the B.S. are the same as the requirements for the B.A. except that there is not a foreign language requirement.

## BACHELOR OF SCIENCE DEGREE REQUIREMENTS IN SOCIOLOGY

Students pursuing a Bachelor of Science degree in Sociology are required to complete 36 credit hours. Students must formally declare a major by meeting with a sociology faculty member and completing a Declaration of Major form. The student must have a minimum GPA of 2.0 to declare a major.

### **BACHELOR OF SOCIAL WORK DEGREE REQUIREMENTS**

The principal educational objective of the Social Work major is to prepare graduates for beginning generalist social work practice with individuals, groups, families, organizations, communities, and institutions. Students will gain knowledge and skills in the areas of values and ethics, diversity, social and economic justice, populations-at-risk, human behavior and the social environment, social welfare policy and services, social work practice, and research. The program culminates in a semester-length, supervised practicum that allows students to function as student social workers in an area human service agency. The Social Work Program is accredited by the Council on Social Work Education.

## Admission to the Bachelor of Social Work Program

The Social Work Program operates under a selective admissions policy. Students are considered "pre-majors" until they meet the minimum requirements to be accepted as a Social Work major. Admission to the Social Work Program involves the completion of an application packet. Minimum requirements for admission into the Social Work Major include:

- · Completion of the general studies math requirement;
- Completion of the ENG 108 general studies requirement;
- Completion of Biology 101 (or equivalent); and
- Completion of SWK 250, SOC 110, PSY 101, and SOC 230 with a minimum grade of C in each course;
- Must have a minimum overall GPA of 2.5;
- Must have earned a C or better in all completed SWK prefix classes;
- Must agree to and conduct themselves in a manner consistent with accepted professional social work practices and the current NASW <u>Code of Ethics</u> (see Social Work Student Handbook);
- Cannot have exhibited behavior that will infringe on their present or future ability to adequately fulfill professional social work responsibilities. The Social Work Program's Admissions Committee reserves the right to require applicants to submit additional materials if the Committee questions the student's ability to adequately fulfill professional responsibilities (see Social Work Student Handbook);
- Cannot have violated the University Code of Conduct/Student Disciplinary Code.

Students must complete the Social Work admission process prior to enrolling in SWK 360 and must submit completed application packets no later than the first Friday in October or March. The Social Work Program's Admissions Committee will review all application packets and interview all applicants. Admission decisions are based on a student's academic performance; professional, personal, and academic conduct; references; and responses to application and interview questions.

Social Work majors must successfully complete a second formal application process before entering SWK 480 and SWK 485. To be eligible to enroll in SWK 480 and SWK 485, students must have earned a minimum grade of C in all completed SWK prefix courses and carry a minimum overall GPA of 2.5. Students applying to enter the Social Work practicum must submit an application and practicum essay (outline available from the Field Practicum Coordinator), and complete interviews with the Field Coordinator and prospective field instructors (agency social workers). Practicum planning regularly begins one or two semesters prior to entering the practicum. While every effort is made to identify those students ready for field practicum, it is the student's responsibility to notify the Field Practicum Coordinator of his/her intent to apply to the social work practicum.

Once admitted to the Social Work Program, Social Work Majors are expected to maintain professional and academic standards of conduct. The Social Work Program at Missouri Western reserves the right to place a student on probationary status or remove a student from the major because of violations of these standards (see Social Work Student Handbook).

Degree Requirements To graduate with a B.S.W., students must: • Maintain a 2.5 overall GPA;

- Earn at least a C or equivalent in all SWK prefix courses; and
  Continue to meet the professional and academic standards of conduct.

	• Earn	ntain a 2.5 overall GPA; at least a C or equivalent in all SWK prefix courses; and inue to meet the professional and academic standards of	conduct. Credits Credi

## International Studies

**International Affairs Option** 

The minor in International Studies is designed to give students exposure to international issues from different perspectives. With the growing globalization of business, governments, and recreation, it is almost certain that today's students will participate in international activities. This minor can help prepare them to maximize the benefit from those interactions. Students who take this minor must take 24 credits from the list below with at least 18 credits outside of their major department and no more than 18 credits from any one group.

## Minor in Childhood Studies

Missouri Western State University offers an interdisciplinary minor in Childhood Studies. This minor is intended for those students who have child-related emphases in their major disciplines, such as juvenile delinquency, child psychology, or pediatrics or for those who simply wish to learn more about the subject of childhood. The minor will also provide a foundation of study for those students who intend to go on to professional or graduate school in order to study in child-related areas. This minor does not provide students with certification to teach in the state of Missouri.

Students must successfully complete at least eighteen hours from the following list of classes. To insure that the minor is a truly interdisciplinary experience, at least three disciplines must be represented with no more than nine hours coming from any one discipline:

1		Ci	redits
EDU	315	Psychology and Education of the Exceptional Child	2
		(Declared Childhood Studies minors are exempt from	
		EED 303 and EED 304 as prerequisites for this course.)	
EDU	419	Utilizing Family and Community Resources for Early	2
		Childhood Education (Declared Childhood Studies minors	
		are exempt from EED 357 or EED 358 as a prerequisite for	
		this course.)	
EDU		Counseling Techniques/Parents	2
ENG	300	Literature for Children	3
ENG	400	Literature for Adolescents	3
LAT	370	Domestic Relations	3
LAW		Juvenile Delinquency	2 3 3 3 3 3 6 2

SWK	-	Child and Family Welfare	3
*Intern	ship:	Relevant field experience/practicum/internship through any	1.0
		academic department. May be repeated for credit.	1-3
*Relev	ant Sp	ecial Topics Course offered through any academic department.	1.0
		May be repeated for credit.	1-3
* Relev	ant Inc	lependent Study arranged with any full-time faculty member.	1.0
		May be repeated for credit.	1-3

\*Only three credit hours of any one internship (including student teaching), special topics course, or independent study maybe applied to the minor.

Each student interested in this minor should discuss with his or her major academic advisor which courses best fit that student's discipline and concentration area as well as which general studies courses need to be chosen to satisfy prerequisites. Students enrolled in the Minor in Childhood Studies will also be assigned an advisor from the Childhood Studies Committee. Programs of study shall be kept on file by the Director of Childhood Studies.

## **Semester Designation**

F -- the course is offered in the fall semester

Sp -- the course is offered in the spring semester

Su -- the course is offered in the summer semester

DD -- the course is offered at the discretion of the department

## GOVERNMENT AND PUBLIC AFFAIRS COURSES

Waiving of any course prerequisites requires prior departmental authorization.

GOV 101 American National Government (3) F, Sp, Su. The American constitutional system, including Congress, the presidency, and the courts; and public issues.

GOV 110 American State and Local Government (3) F, Sp. Colonial and revolutionary origins of state government; state constitutions; referendum, initiative, and recall procedures; state legislatures; governors; state courts; county and municipal governments. Prerequisite: GOV 101.

**GOV 200 International Politics (3) Sp.** The nature of politics at the international level; the national state system and state capabilities; foreign policy objectives, formulation, and execution; international organizations and alignments; contemporary world tensions. Prerequisite: GOV 101. LAS International/Intercultural.

**GOV 210 Comparative Political Systems (3) F.** Structural-functional analysis of major European political systems; comparison and contrast among such systems and with others of contemporary significance. Prerequisite: GOV 101.

**GOV 280 Scope and Methods (3) Sp (even-numbered years).** The way Political Scientists work; the scientific basis for the discipline of Government; the history, approaches, and major sub-fields of Government the quantitative and qualitative research methods used to analyze politics.

GOV 283 Introduction to Research Methods in Government (1-2) (DD). Introduction to basic research methods in government. Individual and team projects involving methods for solving government-related research problems. Prerequisite: Consent of department.

GOV 300 Political Parties, Elections, and Voting Behavior (3) Sp (odd-numbered years). Evolution of the American two-party system; place of the interest group in decision making through interaction with executive and legislative branches. Prerequisites: GOV 101 and 110. LAS Computer Literacy.

**GOV 310 Political Theory (3) F.** Political theories of classical thinkers, Plato and Aristotle; of church fathers, Augustine and Aquinas; and of modern theorists, Machiavelli, Hobbes, Locke, Rousseau, and Mill; Marxism and Fascism. Same as PHL 310. Prerequisite: GOV 101 or PHL 210 or 230. LAS Ethics, LAS Writing.

**GOV 312 Contemporary Political Philosophy (3) Sp (odd-numbered years).** Political theories since the mid-twentieth century to the present including movements such as libertarianism, neo-conservatism, neo-liberalism, communitariansim, feminism, and environmentalism. Same as PHL 312. Prerequisite: GOV 101 or PHL 210 or 230. LAS Ethics.

**GOV 314 Technology and Society (3) F, Sp.** Participatory course emphasizing a particular problem and/or issue related to technology and society. Class participants will investigate the semester's theme using currently available technologies. Same as BIO 314, ENG 314, HUM 314, PSY 314. Prerequisites: Completion of Category one -- Basic Skills General Studies courses. **GOV 320 Public Administration (3) (DD).** Organization theory; bureaucracy; public personnel and policy; issues in American public administration. Prerequisite: GOV 101.

**GOV 330 Urban Politics (3) Sp (even-numbered years).** The growth of cities and metropolitan areas; the legal status of local governmental entities; politics and elections and the role of interest groups in governing the metropolis; and the functions and services of urban governments. Prerequisites: GOV 101 and 110.

GOV 340 Latin American Political Systems (3) (DD). Comparative approach to Latin American political institutions; investigates causes for political instability, revolution, the new military, socialism vs. communism, and economic development and U.S. policy. Prerequisites: GOV 101 and GOV 200 or 210. LAS International/Intercultural.

**GOV 350 Judicial Process (3) (DD).** An exploration of the judicial process in the United States, including the institutions and considerations that affect the administration of justice under law in the American political system. Prerequisites: GOV 101 and 110.

**GOV 355 Interest Group Politics (3) (DD).** An examination of interest groups and the interest group process in the U.S., both in national and state arenas. Attention is given to the role and function of interest groups in society, the interest group process itself, problems, and the use of case studies to illustrate the process in action. Prerequisites: GOV 101 and 110.

GOV 360 The American Presidency (3) Sp (odd-numbered years). The place of the president in decision making in the American federal system, his constitutional roles, the legal and extra-legal checks on presidential power. Prerequisite: GOV 101.

**GOV 370 American Public Policy (3) (DD).** A survey of the policy process and specific policies or issues in government selected from a variety of areas, such as crime and punishment, health and welfare, bioethical, education, energy, environment, spending, taxation, civil liberties, immigration, and homeland security. Prerequisites: GOV 101. LAS Ethics, LAS Writing.

GOV 375 Seminar on Terrorism and Homeland Security (3) Sp (even-numbered years). This class is a survey of domestic and international terrorism focusing on major terrorist groups and their actions throughout the world. Root causes of terrorism will be examined and domestic and international reactions to terrorism will be explained and evaluated. There is a special emphasis in this class on the U.S. Homeland Security response to terrorism. Prerequisite: GOV 101.

**GOV 380 Asian Politics (3) F (odd-numbered years).** Comparative approach to Asian politics and culture. This course pays special attention to Japanese governance, culture and leadership as well as emerging governments and economies in Southeast Asia. Relations with the United States are also examined. Prerequisite: GOV 101. LAS International/Intercultural.

**GOV 390 United Nations (3) Sp (odd-numbered years).** An examination of the functions, history and actions of the United Nations since its inception. Special attention will be given to an examination of past and current peacekeeping missions and the role of nations and national power within the United Nations organization. Prerequisite: GOV 101. Las Writing Intensive.

**GOV 400 American Foreign Policy (3) F (even-numbered years).** Policy making, the role of the public in decisions, formulation and implementation of national policy, U.S. policy goals in various areas of the world, decision making in crisis situations. Prerequisites: GOV 101 and 200. LAS International/Intercultural.

**GOV 410 The Legislative Process (3) F (even-numbered years).** The American Congress, its organization, rules, role in law making; the role of interest groups, congressional investigations, and the modern presidency in the legislative process. Prerequisites: GOV 101 and 110.

GOV 420 Constitutional Law (3) F (odd-numbered years). The role of the Supreme Court in the American system; judicial review and its significance under Marshall, Fuller, Taft, Hughes, and Warren; majority and minority opinions; the process of decision making. Prerequisite: GOV 101. LAS Writing.

GOV 450 Independent Research/Project (1-5) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of majorminor declaration in government and public affairs, minimum 2.5 GPA in the major field, and departmental approval.

**GOV 490 Practicum in Government and Public Affairs (3-12) Sp.** Internships with public agencies, governmental organizations, or private groups or agencies that interact with government are available with the approval of the Department of Government, Social Work, & Sociology via its Government and Public Affairs faculty. This field work will provide first hand experience with the operations, institutions, and policy concerns of cooperating agencies, organizations, and groups. Prerequisites: GOV 101; 110 or 320; and one from among the following: GOV 300, 330, or 410. Must be a junior or senior and a major in Government and Public Affairs. Student internship positions in a state and local government setting require GOV 110. Internships must be arranged and approved by the department during the semester preceding the internship.

## SOCIAL WORK COURSES

Waiving of any course prerequisites requires prior departmental authorization.

SWK 250 Introduction to Social Work (4) F, Sp. Overview of professional social work practice including its history, philosophy, ethics, values, methods, and fields of practice. Forty hours of volunteer experience in an area human service agency required. Prerequisites: ENG 104, and PSY 101 or SOC 110 or departmental approval.

**SWK 260 Introduction to Aging Studies (3) DD.** Overview of the physical, social, psychological, cultural, and economic aspects of aging, all from a social problems perspective; social policy and social work intervention issues pertaining to aging.

SWK 270 Selected Topics in Social Work (3) F, Sp. Study of a selected problem in social work practice, e.g., mental illness, chemical dependence, or child welfare. Course may be repeated for credit for each different topic.

SWK 283 Introduction to Research Methods in Social Work (1-2) (DD). Introduction to basic research methods in social work. Individual and team projects involving methods for solving social work-related research problems. Prerequisite: Consent of department.

**SWK 320 Philosophy and Policy in Social Services I (3) Sp.** Historical significance of social legislation, its impact on the individual and society; social philosophy, social service, and social change. Prerequisites: SWK 250 with minimum grade of C; ECO 101 or 260; GOV 101; SOC 230.

**SWK 325 Family and Child Welfare (3) (DD).** This course examines the field of family and child welfare. Students will explore the history of child welfare, the critical issues facing families and children in our society, the scope of family and child welfare services, and the social, political, legal and economic forces that shape family and children programs. Students will study families from a strengths-based, ecological perspective and will build sensitivity to various family forms, cultural patterns and issues that stem from social and/or economic injustice. Prerequisite: ENG 108.

SWK 330 Human Behavior and the Social Environment I (3) F. Theories and knowledge of human bio-psycho-social behavior within a systems framework, with an emphasis on individuals and families. Prerequisites: SWK 250 with minimum grade of C and SOC 230 (or concurrent enrollment); junior status or departmental approval. LAS International/Intercultural.

SWK 340 Human Behavior and the Social Environment II (3) Sp. Theories and knowledge of human bio-psycho-social behavior within a systems framework with a focus on groups, communities, organizations, and institutions. Prerequisite: SWK 330 with minimum grade of C.

SWK 345 Substance Abuse and Dependence (3) (DD). Provides an overview of the substance abuse and dependence field within a bio-psycho-social framework. The course will cover current and historical patterns of drug use; etiological theories and connected research; substance abuse effects on individuals, families, and society; physiological, psychosocial, and cultural aspects of psychoactive substances; basic pharmacology of alcohol and other abused substances; socio-cultural values and their implications for public policy and prevention; assessment and diagnosis of substance abuse/dependence disorders; substance abuse and dependence in special populations, overview of the treatment process and service delivery systems; the recovery process, relapse and relapse prevention and the impact of substance abuse and recovery on family systems. Prerequisites: PSY 101 or SOC 110.

SWK 350 Social Work Practice I (4) F. Introduces generalist social work practice with individuals and families. Covers the nature of social work practice, practice theory, ethics and values, the social work relationship, interviewing, the problem-solving process, assessment, planning, intervention, and practice evaluation. Three hours lecture, two hours lab per week. Prerequisites: Junior status; SWK 250 with minimum grade of C; SWK 330 (or concurrent enrollment) with minimum grade of C and SOC 230 (or concurrent enrollment) with a minimum grade of C. LAS Ethics.

SWK 360 Social Work Practice II (3) Sp. Continuation of SWK 350. Focuses on group work within the generalist social work perspective. Covers group theory, ethics and values, problem-solving process, assessment, planning, intervention, and practice evaluation applied to task and treatment groups. Prerequisites: SWK 330, SWK 340 (or concurrent enrollment) and SWK 350 with minimum grade of C; and formal acceptance into the Social Work Program.

**SWK 365 Death and Dying (3) DD.** Cultural views and customs regarding death and dying; stages of death and dying; abnormal grief reactions, issues pertaining to children and death, role of spirituality; functions of health care systems and interdisciplinary teams.

**SWK 415 Social Work Practice III (4) F.** Continuation of SWK 350 and 360. Applies the planned change process to interventions with organizations, communities and institutions within the generalist social work perspective. Students complete a community development/organizing project in a local community. Prerequisites: SWK 340 and SWK 360 with minimum grade of C; and formal acceptance into the Social Work Program.

SWK 420 Philosophy and Policy in Social Services II (3) F. Continuation of SWK 320. Analyzes the philosophy and policies of presently active social agencies; policy reforms and evaluation of their possible effectiveness. Prerequisites: SWK 320 with minimum grade of C and formal acceptance into the Social Work Program.

SWK 450 Independent Research/Project (1-5) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisites: Completion of major-minor declaration in social work or interdisciplinary studies, and departmental approval. **SWK 465 Advanced Research Project (3) Sp.** Students will design and conduct an empirical research project focused on a relevant social issue or concern. Same as SOC 465. Prerequisites: PSY 300 or equivalent with departmental approval. SOC 460 with minimum grade of C.

SWK 480 Practicum in Social Work (10) Sp. Students spend a minimum of 456 hours in an agency setting under the supervision of trained social work professionals. This course is graded on a pass/fail basis and is taken concurrently with SWK 485. Prerequisites: formal acceptance into the Social Work and Practicum Programs; a 2.5 overall GPA; and completion of (with a grade of C or higher) SWK 250, SWK 320, SWK 330, SWK 340, SWK 350, SWK 360, SWK 415, SWK 420 and SWK 465 and a C or higher in all other SWK prefix courses.

**SWK 485 Social Work Practicum Seminar (2) Sp.** Focuses on the development and enhancement of the student's practice skills and the integration of practicum and class content. Taken concurrently with SWK 480. Prerequisites: formal acceptance into the Social Work and Practicum Programs; a 2.5 overall GPA; and completion of (with a grade of C or higher) SWK 250, SWK 320, SWK 330, SWK 340, SWK 350, SWK 360, SWK 415, SWK 420 and SWK 465 and a C or higher in all other SWK prefix courses. LAS Writing.

## SOCIOLOGY COURSES

Waiving of any course prerequisites requires prior departmental authorization.

**SOC 110 Introduction to Sociology (3) F, Sp, Su**. An introduction to the discipline of sociology; basic sociological concepts and theories; a survey of the major topics such as culture, society, social interaction, groups, crime, race / ethnicity, class, gender, the family, education, religion, medicine, economy, politics. Cross-cultural comparisons.

**SOC 120 General Anthropology (3) F.** The bio-cultural evolution of the human species, with emphasis on culture as adaptation for survival; comparison of human non-literate societies, stressing cultural variability, cultural relativity, and similarities between cultures.

**SOC 200 Introduction to Archaeology (3) F.** The language, methodology, theoretical frameworks and history of the field of archaeology, with special emphasis on excavations and their contribution to knowledge of past civilization.

**SOC 230 Social Problems (3) F**. An analysis of contemporary American social problems, such as poverty, social inequality, crime and law enforcement, health and health care, population and the environment, problems in the family, education, politics and the conomy. Global comparisons. Prerequisite: SOC 110.

**SOC 283 Introduction to Research Methods in Sociology (1-2) (DD).** Introduction to basic research methods in sociology. Individual and team projects involving methods for solving sociology-related research problems. Prerequisite: Consent of department.

**SOC 300 Selected Topics in Sociology (3) (DD).** Specialized area of investigation of a selected topic or problem in sociology that is not listed in the catalog. May be repeated for credit for each different topic. Prerequisite: SOC 110 or departmental approval.

**SOC 310 Deviant Behavior (3) Sp (even-numbered years).** Introduction to the basic research, theories and topics that characterize this area of Sociology including, but not limited to such topics as substance abuse, sexual deviance, violence, mental illness and other behaviors considered deviant in American society. Cross-cultural comparisons are made whenever possible. Prerequisites: SOC 110.

**SOC 315 Social Inequality and Stratification: Class, Power and Wealth (3) Sp.** A survey of the nature, causes, and consequences of social inequality in advanced capitalist societies (e.g., North America, Europe, and Japan) and the Third World. Explores the distribution of income, wealth, power, and prestige based on gender, race, age, and physical and other attributes. Investigates the reasons for prosperity and poverty and their effects on life choices, careers, and opportunities. Prerequisite: SOC 110. LAS International/Intercultural.

**SOC 330 The Family (3) Sp.** The family as a basic institution; the structure and functions of the modern family in a changing urban environment. Prerequisites: SOC 110.

SOC 360 Sociology of Health, Illness and Medicine (3) Sp (odd-numbered years). A sociological analysis of health, illness and medicine; the impact of the physical, social, economic and political factors on the production and distribution of illness, disease, sickness and health care. International comparisons. Prerequisite: SOC 110. LAS Ethics.

**SOC 370 Mediterranean Archaeology (3) Sp (odd-numbered years).** Uses the principles of basic archaeology to investigate the history and artifactual remains of the major cultures which occupied the land surrounding the Mediterranean Sea, including the Stone Age, Bronze Age, Iron Age, Hellenistic and Roman periods. Prerequisite: SOC 200 or departmental approval.

**SOC 373 Sociology of Sport and Physical Activity (2-3) (DD).** Emphasizes the fundamental premise that sport is a microcosm of society. Develops an understanding of the principles that create, sustain, and transform social organizations through sport as well as the structure, processes, and problems of sport as a form of social organization. Investigates how the theory and methodology of sociology can be used to understand the principles of stability and change in the conduct of sport.

**SOC 400 Racial and Ethnic Relations (3) Sp.** An analysis of the major racial/ethnic groups in the United States; group conflicts and their sources such as prejudice, discrimination, ethnocentrism, racism; majority-minority relations; critical issues such as affirmative action, immigration. A brief comparison with other societieis such as Canada, Northern Ireland, the Middle East, Brazil, South Africa. Prerequisite: SOC 110. LAS International/Intercultural.

**SOC 430 Criminology (3) F.** Explanations of criminal behavior; relationship between crime and social factors such as social class, age, gender, occupation; types of crimes; crime statistics; crime victims; the criminal justice system: the police, courts, corrections; ethical and other critical issues such as capital punishment, crime and mental illness, juvenile crime and punishment. International comparisons. Prerequisites: SOC 110. LAS Ethics.

**SOC 440 Sociological Theory (3) F.** An analysis of both classical and contemporary Sociological theories and their application to historical and current events. Prerequisites: 9 credits in sociology. LAS Writing Intensive.

**SOC 450 Independent Research/Project (1-3) F, Sp.** Investigation of a research problem, project, or topic on an individual conference basis. Prerequisites: Completion of the major-minor declaration in sociology, junior or senior status, minimum 3.0 GPA in the major field, and departmental approval.

**SOC 460 Methods of Social Research (3) F.** Tools, methods, ethical and theoretical foundation of research process; investigates hypothesis construction, empirical techniques for collecting and analyzing data, and testing their validity; employs computers and statistical analysis as appropriate to the social sciences. Prerequisite: 9 credits in sociology (at least 3 credits numbered 300 or higher). LAS Computer Literacy.

**SOC 465 Advanced Research Project (3) Sp.** Student will design and conduct an empirical research project focused on a relevant social issue or concern. Same as SWK 465. Prerequisites: PSY 300 or equivalent with departmental approval. SOC 460 with a minimum grade of C.

**SOC 490 Internship in Sociology (1-5) (DD).** Acquaints the student with the practical aspect of sociology; encourages sociological thinking. Students study a social issue by working as volunteer interns for an organization, office, or agency in the community. To enroll, the student must submit a proposal to the sociology faculty member who will supervise the internship process. Prerequisites: declared major or minor in sociology; minimum of 15 credit hours in sociology; junior or senior status; minimum GPA of 3.0 in major field of study; and, permission of the instructor.

## Department of History, Philosophy, and Geography

#### Dr. Steven Greiert, *Chairperson* greiert@missouriwestern.edu http://www.missouriwestern.edu/HPG/

271-4390

<u>History/Philos./Geo</u>

The history faculty is committed to developing a historical consciousness among our students. The study of history helps students understand the origins, course, and consequences of the major political, economic, social, and cultural changes in history and relate those changes to the continuing course of history today. Expanding the realm of students' experiences beyond the limits imposed by their own life span and mobility is vital. History allows people to perceive a greater range of alternatives and possibilities in life's decisions made by people in different times and places. Students who major in History usually prepare for careers in teaching, government, law, or business.

Courses in Philosophy examine fundamental human ideas such as truth, existence, reality, religion, and freedom. By understanding how intellectuals through the ages have responded to these ideas and by questioning personal approaches to issues of morality, knowledge, power, and justice, students of Philosophy learn not only the major debates that impact our society, but also the critical thinking and evaluation skills necessary to make decisions and support arguments. The major in Philosophy offers opportunities to students to investigate ethics, political philosophy, aesthetics, the philosophy of science, logic, epistemology, and metaphysics as well as recent philosophical movements. Students who major in philosophy can apply their skills and experience to positions in law, medicine, business, and government or graduate work in philosophy, medicine, or theology.

Courses in Humanities provide students with opportunities to study cultural and intellectual history, comparative religions, the Hebrew Bible and the New Testament, the impact of technology on modern societies, as well as the history and philosophy of natural sciences. The minor includes a core of Humanities courses with additional ones in History, Philosophy, Art History, Music, or Literature.

Geography is the study of how humans spatially interact with the physical environment. Geographers seek to describe, relate and explain the natural and cultural phenomena that distinguish places around the world. Studying geography increases students' ability to analyze complex situations, events, trends, and draw logical inferences from them. Geography often functions as a bridge between the natural sciences and the social sciences; its perspective on the location of phenomena makes it unique among the academic disciplines. Geographers integrate information from other disciplines with their own research to provide a spatial understanding of the world. The present mission of Geography at Missouri Western State University is threefold: 1) to contribute to the college's general studies program by offering World Geography (GEO100), a critical course of any liberal arts education because it promotes an understanding and appreciation of the world around us; 2) to offer a minor program in geography is also a critical component of the Bachelor of Interdisciplinary Studies (BIS) and the minor in International Studies.

#### **GEOGRAPHY COURSES**

Waiving of any course prerequisites requires prior departmental authorization.

**GEO 100 World Geography (3) F, Sp.** A systematic and regional analysis of the world's diverse cultural realms emphasizing the five themes of geography (location, place, interaction of people and the physical environment, movement, and region).

0 - 15

24

GEO 160 Physical Geography (4) (DD). Analysis of Earth's physical systems; mapping and Earth-Sun relationships; weather and climate; soils and landforms; fluvial processes; and global vegetation. Interpretation of aerial photos; discussion of Global Positioning Systems (GPS). Three hours lecture and two hours lab.

GEO 210 Geography of the United States and Canada (3) (DD). A systematic and regional analysis of the contemporary physical, cultural, and economic geography of the United States and Canada. Examination of environmental influences on people and the ways people change the environment as evidenced in agriculture, religion, industry, and urban areas. LAS Computer Literacy.

GEO 250 Introduction to GIS (3) (DD). Basic concepts of Geographic Information Systems and applications. Raster and vector data models. Exercises involving data acquisition, editing shapefiles, querying and analyzing themes, creating layouts, and printing multiple layer maps using ArcView® GIS software.

**GEO 320 Geography of Europe (3) (DD).** A systematic and regional analysis of the contemporary physical, cultural, and economic geography of the nations and regions west of Russia; trends of development as affected by changing political structures and the European Union. Prerequisite: A course in geography or European history. LAS International/Intercultural.

**GEO 330 Economic Geography (3) (DD).** Patterns of distribution, production, and consumption of the world's resources; theories of geographic location related to agricultural, industrial, and extractive activities; development and expansion of urban structures; transportation in the world economy, and international trade. Field trip is included. Prerequisite: ECO 260 or GEO 100.

**GEO 340 Sustainable Energy (3) (DD).** Basic concepts of development and sustainability. Topics addressed include the human population, weather and climate, global climate change, agriculture, energy conservation, fossil fuel energies, and renewable and/or alternative energies, including solar, wind, hydrogen, nuclear, and biofuels. Class is in both lecture and seminar format. Field Trip is included. Prerequisite: A course in geography, ecology, environmental science; or Departmental approval.

GEO 450 Independent Research/Project (1-4) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. May be repeated with departmental approval for a maximum of 6 credits. Prerequisite: Departmental approval.

### HISTORY COURSES

Waiving of any course prerequisites requires prior departmental authorization.

HIS 100 Ancient and Medieval Civilization (3) F, Sp. The western world from antiquity to the fifteenth century; the emergence of civilization in the Nile and Tigris-Euphrates valleys; the political, social, economic, and intellectual contributions of Greece, Rome, and medieval Europe.

HIS 110 Early Modern Civilization (3) F, Sp. The western world from 1500 to 1815; national states, the geographical revolution, the founding of European overseas empires, the Reformation, the emergence of constitutional governments, the Scientific Revolution, and the American and French Revolutions.

HIS 120 Modern World History (3) (DD). A survey of the political, social, and economic history of the world (Europe, Africa, Middle East, India, Far East, and Latin America) from 1815 to the present.

HIS 130 Modern Europe: 1789 to the Present (3) F, Sp. The French Revolution and Napoleonic periods; reaction, nationalism, and revolution; rise of socialism; imperialism; World War I; the Russian Revolutions and Soviet communism; the rise of fascism; Hitler, Stalin, and World War II; the Holocaust; the postwar bi-polar world order; the bloc system.

HIS 140 American History to 1865 (3) F, Sp. The discovery of America to the end of the Civil War; colonial America, the Revolution, national development, sectionalism, and the Civil War.

HIS 150 American History since 1865 (3) F, Sp. Continuation of HIS 140. Reconstruction, industrialization, urbanization, emergence as a world power, progressivism, World War I, the New Deal, World War II, and postwar America.

HIS 220 History of Missouri (3) Sp (even-numbered years). Missouri under French and Spanish rule; the American acquisition; the role of the state in the slavery crisis and in the settlement of the West; the state's contributions to politics, art, literature, education, industry, and transportation.

HIS 235 Historic Preservation Field School (3) (DD). Intensive field experience in documenting and preserving an existing built environment as well as the historic landscape. Students actively participate in a survey of an urban neighborhood. Class sessions consist of lecture, discussion, field work, and lab. Lecture and discussion cover a wide array of issues in historic preservation. Field work includes tours, inspection, photography, and documentation of historic buildings. This course may be taken more than once for credit as an elective, but only once to fulfill a requirement for the major in either the B.A. or B.S. program in History.

HIS 245 History of the Middle East in the Twentieth Century (3) (DD). An examination of the historical developments in the Middle East since 1900, with special attention to the origins of current political, social, and economic issues in a region plagued by instability.

HIS 300 American Colonial History (3) F. The founding of the British North American colonies; origins of American cultural, religious, and racial diversity; British colonial administration to the Revolution. Prerequisites: HIS 140 and 150. LAS Writing.

HIS 302 The Jacksonian Era 1824-1848 (3) Sp (odd-numbered years). Postwar expansion; rise of American nationalism and the growth of the West; revival of the two-party system; Jacksonian democracy; humanitarian crusades; the Mexican War. Prerequisites: HIS 140 and 150. LAS Writing.

HIS 305 The American Frontier (3) Sp (odd-numbered years). Westward expansion of the United States over three centuries; colonial frontier, trans-Appalachian frontier, trans-Mississippi frontier; significance of the frontier in American history. Prerequisites: HIS 140 and 150.

HIS 310 English History I (3) F (even-numbered years). Anglo-Saxon England, the Norman influence, development of English political, social, economic, and intellectual ideas, Tudor England, the Stuarts, the Glorious Revolution of 1688. Prerequisite: HIS 100 and 110. LAS Writing.

**HIS 320 English History II (3) Sp (odd-numbered years).** The founding of the British Empire and the role of England in the modern world. Prerequisite: HIS 110 and 130. LAS International/Intercultural.

HIS 325 American Economic History (3) (DD). English mercantilism, laissez-faire and its effect on American economic development, the emergence of the corporation and the trust, the issue of government regulation, and the role of the government in the economy of today. Prerequisites: HIS 140 and 150.

HIS 330 Recent United States History (3) F. The United States since World War I, with emphasis on current problems. Prerequisites: HIS 140 and 150.

HIS 335 Medieval Europe (3) F (odd-numbered years). An examination of Medieval European history focusing on the medieval origins of modern European institutions. Students will read several historical monographs in order to understand the narrative of medieval history and to gain a greater knowledge about how modern historians write about the medieval past. Prerequisite: HIS 100.

HIS 336 The Crusades (3) Sp (even-numbered years). An examination of the origin and history of the wars fought between Christendom and Islam in the Middle Ages. Emphasizes the history of these wars from the perspective of all the cultures involved as well as the influence of the idea of the crusades and crusading on medieval and modern thought. Prerequisite: HIS 100. LAS International/Intercultural.

History/Philos./Geo.

HIS 339 Europe 1815-1914 (3) F (even-numbered years). Europe from the Congress of Vienna to 1914; reaction and revolution, nationalistic movements, rise of socialism-communism, the diplomatic background of World War I. Prerequisite: HIS 130.

HIS 340 Recent European History (3) Sp. Europe in World War I, the rise of dictatorships, the League of Nations, new alignments, World War II, and the postwar period. Prerequisite: HIS 130.

HIS 345 Military History (3) F. The historical development and application of military strategy, tactics, doctrine, and technology from ancient times to the present. Prerequisite: HIS 100 or 110 or 130 or 140 or 150.

HIS 350 History of the Far East (3) (DD). East Asia and the Pacific from antiquity to the present; Oriental religion, politics, and the economy; impact of European and American traders and missionaries, the founding of European empires, Oriental resistance to Westernization, and the emergence of modern China, Japan, and the Pacific nations. Prerequisite: HIS 110 or 130.

HIS 355 Study Abroad in History (3) (DD). An intensive three-week upper-level course in European history. A special fee is assessed for this course. This course is only taught in the summer. Deadline for application is March 1. This course may be taken more than once for credit as an elective, but only once to fulfill a requirement for an upper-level course for the major in either the B.A. or B.S. program in History. Prerequisite: HIS 100 or HIS 110 or HIS 130.

HIS 365 Methods of Teaching Social Studies (5) F. Principles and methods of teaching social studies in secondary school: objectives, problems, materials, and methods applied to the social studies curriculum. Methods include: electronic portfolio, website technology, and traditional lesson plans/unit plans for each discipline involved. Those disciplines include: economics, geography, government and political science, history, psychology, and sociology. Prerequisite: departmental approval. Must be taken prior to Junior Teaching Experience.

HIS 370 History of Latin America (3) Sp (even-numbered years). A survey course including pre-Columbian cultures, colonial period, independence movements, national developments, relations with the United States and Europe. Prerequisite: HIS 110 or HIS 140. LAS International/Intercultural.

**HIS 380 The French Revolution and Napoleon (3) (DD).** The Old Regime in France, failure of the Bourbon monarchy, the Revolution, the rise of Napoleon, the Napoleonic Wars to the Congress of Vienna, 1815. Prerequisites: HIS 110 and 130.

HIS 400 Civil War and Reconstruction (3) F (odd-numbered years). Sectionalism in antebellum America; developing sectional crisis and coming of the Civil War; effects of the war and reconstruction of the nation. Prerequisites: HIS 140 and 150.

HIS 420 History of Africa (3) (DD). North Africa in the ancient world, Africa during the age of geographical discoveries, nineteenth century European imperialism, the emergence of modern African states and their problems. Prerequisites: 6 credits from among HIS 100, 110 or 130.

HIS 450 Independent Research/Project (1-5) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of majorminor declaration in history, minimum 2.5 GPA in the major field, and departmental approval.

## HUMANITIES COURSES

Waiving of any course prerequisites requires prior departmental authorization.

HUM 203 Humanities: Ancient and Medieval (3) F, Sp. The social and intellectual history of humanity as reflected by literature, art, music, drama and discourse from the classical period to the Renaissance.

HUM 204 Humanities: Middle Ages to the French Revolution (3) F, Sp. The social and intellectual history of humanity as reflected by literature, art, music, drama and discourse from the Middle Ages to the French Revolution.

HUM 205 Humanities: American Revolution to the Present (3) F, Sp. The social and intellectual history of humanity as reflected by literature, art, music, drama and discourse from the American Revolution to the present.

HUM 250 Comparative Religions (3) F, Sp. Survey of nature and effects of major and minor religions on the culture and civilization of mankind.

HUM 263 Religion of the Hebrew Bible (3) (DD). Introduction to the major elements of the Hebrew Bible from the perspective of contemporary biblical scholarship.

**HUM 265 Religion of the New Testament (3) (DD).** Introduction to major elements of the New Testament from the perspective of contemporary New Testament scholarship.

HUM 314 Technology and Society (3) F, Sp. Participatory course emphasizing a particular problem and/or issue related to technology and society. Class participants will investigate the semester's theme using currently available technologies. Same as BIO 314, ENG 314, PSY 314, GOV 314. Prerequisites: Completion of category one -- Basic Skills General Studies courses.

HUM 360 Selected Readings in the Humanities (3) F (even-numbered years). Specialized course work in the humanities of western civilization; emphasizes analysis of humanistic works of leading authors. Course may be repeated for credit (6 credit maximum) with departmental approval. Prerequisite: HUM 203, 204, and 205, or departmental approval.

HUM 393 History and Philosophy of the Natural Sciences (3) F, Sp. Astudy of the history of the natural sciences with an emphasis on the philosophical analysis of these events. Prerequisite: General Studies Mathematics, Sciences, and either PHL 210 or one general studies course from line one of Category IV in the general studies requirements.

HUM 450 Independent Research/Project (1-3) F, Sp. Investigation of a research problem, project, or topic on an individual conference basis. Consent of departmental chairperson is required. Students are normally expected to discuss proposed work with HUM faculty two semesters before registration is anticipated. May be repeated with departmental approval for a maximum of 6 credits.

## PHILOSOPHY COURSES

Waiving of any course prerequisites requires prior departmental authorization.

PHL 210 Introduction to Philosophy (3) F, Sp. Survey of the origins and development of philosophical thought focusing on texts selected from the classical, medieval, modern and contemporary periods.

**PHL 219 Logic (3) F.** A study of formal and informal reasoning: topics include recognition and evaluation of arguments, fallacies, sentence and predicate calculus, and scientific method.

PHL 220 Symbolic Logic (3) Sp. Introduction to a symbolic language for representing the structure of valid arguments. Introduces formal rules for demonstrating the validity of arguments. Covers natural deduction for sentential and predicate calculus. Prerequisites: ACT math score of at least 20 or igher or the equivalent.

**PHL 230 Ethics (3) F, Sp.** An introduction to ethical theory focusing on the major traditions of Western philosophical ethics and their practical application to contemporary moral issues.

PHL 260 Philosophical Research (3) Sp (even-numbered years). An introduction to the methods of philosophical research, including the analysis and interpretation of primary texts, the use of secondary sources, and formal models of oral and written presentation; the course will focus on the study of a canonical text or topic. May be repeated with departmental approval for a total of 6 credits if course content varies significantly. Prerequisite: PHL 210 or 219 or 230.

**PHL303 Ancient Philosophy (3) F (even-numbered years).** Survey of ancient philosophy from the pre-Socratics to Hellenistic period emphasizing the philosophies of Plato and Aristotle. Prerequisite: HUM 203 or PHL 210.

**PHL 304 Modern Philosophy (3) Sp (odd-numbered years).** Survey of major figures and movements in modern philosophy selected from the early modern period through the end of the eighteenth century. Prerequisite: HUM 204 or PHL 210.

PHL 305 Topics in Nineteenth and Twentieth Century Philosophy (3) F (odd-numbered years). Survey of a selected movement or trend in nineteenth and twentieth century philosophy such as German idealism, American pragmatism, phenomenology and existentialism, and the analytic tradition. May be repeated with departmental approval for a total of 6 credit hours if course content varies significantly. Prerequisite: PHL 210.

**PHL 310 Political Theory (3) F.** Political theories of classical thinkers, Plato and Aristotle; of church fathers, Augustine and Aquinas; and of modern theorists, Machiavelli, Hobbes, Locke, Rousseau, and Mill; Marxism and Fascism. Same as GOV 310. Prerequisite: GOV 101 or PHL 210 or 230. LAS Ethics, LAS Writing.

**PHL 312 Contemporary Political Philosophy (3) Sp (odd-numbered years).** Political theories since the mid-twentieth century to the present including movements such as libertarianism, neo-conservatism, neo-liberalism, communitarianism, feminism, and environmentalism. Same as GOV 312. Prerequisite: GOV 101 or PHL 210 or 230. LAS Ethics.

PHL 325 Ethics of Environmental and Natural Resource Policy (3) Sp (even-numbered years). A study of alternative theories of environmental ethics, the implications of these theories for natural resource and wildlife policy, and their application to some contemporary natural resource and wildlife management issues. Prerequisite: PHL 230.

PHL 330 Topics in Ethical Theory (3) F (even-numbered years). Survey of major theoretical alternatives in western philosophical ethics with reference to contemporary trends in ethical theory. Prerequisite: PHL 230 for non-majors only. LAS Ethics.

PHL 335 Aesthetics and the Arts (3) F (odd-numbered years). Survey of modern views of aesthetic experience and the arts with reference to classical and contemporary views. Prerequisite: HUM 203 or 204 or 205 or PHL 210.

**PHL 360 Topics in Philosophy (3) (DD).** Specialized course work focusing on individual figures, movements, recent trends or topics in philosophy. May be repeated with departmental approval for a total of 6 credit hours if course content varies significantly. Prerequisite: 9 hours of PHL or departmental approval.

**PHL 450 Independent Research/Project (1-3) F, Sp.** Investigation of a research problem, project, or topic on an individual conference basis. Consent of departmental chairperson is required. Students are normally expected to discuss proposed work with PHL faculty two semesters before registration is anticipated. May be repeated with departmental approval for a maximum of 6 credits.

## **Department of Music**

Dr. F. Matt Gilmour, Chairperson gilmour@missouriwestern.edu 271 http://www.missouriwestern.edu/Music/

271-4420

The Department of Music provides a curriculum for the training of musicians and music educators. It is primarily concerned with improving the skills and disciplining the talents of music majors. The department also offers courses and activities for all college students to enhance their appreciation and understanding of music. Students are encouraged to broaden their contact with music by attending the many cultural programs in St. Joseph and area concert halls and by participating in programs by student musicians. The Department of Music is an accredited institutional member of the National Association of Schools of Music.

All music major degree programs have a concert/recital attendance applied learning activity requirement. To complete the degree, the student must attend 12 approved performances each semester for a total of 6 semesters. This is in addition to all course-work for any music major degree. Attendance requirements and an approved listing of concerts/recitals are provided at the beginning of each regular semester.

### BACHELOR OF ARTS DEGREE REQUIREMENTS

The BA requires at least 12 credits in a single foreign language.

Candidates for the Bachelor of Arts degree must complete the 200-level "Applied Music-Major Instrument" requirements for graduation.

#### Instrumental Concentration

In addition to the core, the following courses are required:

			Creatts
MUS	109	Functional Voice Class	1
MUS	211	Low Brass Methods & Materials	1
MUS	212	High Brass Methods & Materials	1
MUS	307	Percussion Methods & Materials	2
MUS	308	String Methods & Materials	2
MUS	325	Marching Band Materials	1
MUS	326	Instrument Care & Repair	1
MUS	353	Single Reed Methods & Materials	1
MUS	354	Double Reed Methods & Materials	1
MUS	442	Advanced Instrumental Conducting	2
MUS	468	Middle & High School Instrumental Methods	3
		TOTAL	16

Cuadito

Instrumental Concentration majors will be assigned to an elementary, middle, or high school vocal program for EDU 203 and to a middle or high school instrumental program for EDU 303 and EDU 409. As part of the EDU 303 and EDU 409, students will be required to have experiences in teaching beginning instrumental students individually and in small/large groups. The music prerequisite(s) for EDU 203 is MUS 320; for EDU 303 are MUS 206 and MUS 442; and for EDU 409 is MUS 468. The student in each concentration area should make every effort to be involved in as many different teaching levels as is possible.

#### ADDITIONAL DEGREE REQUIREMENTS

For all music degree programs, General Studies, Category Four - Humanities is restricted as follows. The student must take:

- 1. HUM 203 or HUM 204 or HUM 205 or
- 2. ENG 210
- 3. MUS 101
- Plus one additional course from:

4. FRE 102, GER 102, SPA 102 or higher (required for BA Music Majors) or a course from the line (1 or 2 above) not chosen for the restriction.

Line 1 options: HIS 100, HIS 110, HIS 130, HUM 203, HUM 204, HUM 205 Line 2 options: ENG 210, ENG 220, PHL 210, PHL 230, HUM 250

### MINORS

#### Music

The music minor program has a concert/recital attendance applied learning activity requirement. To complete the minor degree, the student must attend 12 approved performances each semester for a total of 2 semesters. This is in addition to all coursework for the music minor degree. Attendance requirements and an approved listing of concerts/recitals are provided at the beginning of each regular semester.

## **Musical Theatre**

#### Requirements

- THR 126 Stage Movement
- THR 140 Production Participation (Musical Theatre)
- THR 228 Acting I
- THR 229 Stage Makeup
- THR 326 Techniques of Musical Theatre Performance
- THR 338 Directing
- THR 275 Script Analysis
- THR 280 Sceneography
- THR xxx Approved Elective

## CERTIFICATION

#### **Elementary Music Education**

Candidates for the Bachelor of Science in Education Vocal degree may receive a Concentration in Elementary Music Education by electing MUS 321 Orff, Kodály, and Laben and MUS 322 General Music Activities (total of 4 credits). This concentration is for those students desiring to teach at the elementary school level.

#### Solo Performance

All degree candidates in music may elect a solo performance program in their major applied area with Department of Music permission. This concentration requires MUS 390 Junior Recital and MUS 491 Senior Recital.

### **Additional Teaching Certification**

The department strongly recommends additional teaching certification for all BSE music majors.

Candidates for the Bachelor of Science in Education degree with a Vocal Concentration may achieve state instrumental certification with the following courses:

			Credits
MUS	211	Low Brass Methods & Materials	1
MUS	212	High Brass Methods & Materials	1
MUS	307	Percussion Methods & Materials	2
MUS	308	String Methods & Materials	2
MUS	353	Single Reed Methods & Materials	1
MUS	354	Double Reed Methods & Materials	1
MUS	442	Advanced Instrumental Conducting	2
MUS	468	Middle & High School Instrumental Methods	3
MUS	xxx	Applied Music (instrumental)	2
MUS	XXX	Ensembles (instrumental)	2
		TOTAL	17

Candidates for the Bachelor of Science in Education degree with an Instrumental Concentration may achieve state vocal certification with the following courses:

			Credits
MUS	201	Foundations in Vocal/Choral Techniques 1	2
MUS	301	Foundations in Vocal/Choral Techniques 2	2
MUS	328	Choral Literature	2
MUS	441	Advanced Choral Conducting	2

MUS 390 Junior Recital (1) F, Sp, Su. For performance-concentration majors only. A one-half-hour recital required. Prerequisite: MUS 206 or 208, 357, 358. A special fee is assessed.

**MUS 490 Senior Recital (1) F, Sp, Su.** Minimum requirements for music majors in the applied music-major instrument category. A one-half-hour recital required for graduation. Prerequisite: MUS 206 or 208, 357, 358. A special fee is assessed.

**MUS 491 Senior Recital (1) F, Sp, Su.** For performance-concentration majors in 400-level applied music. A one-hour recital required for graduation. Prerequisite: MUS 206 or 208, 357, 358. A special fee is assessed.

# **Department of Psychology**

Dr. Phil Wann, Chairperson wann@missouriwestern.edu http://www.missouriwestern.edu/Psychology/ 271-4444

Psychology

The study of psychology provides a better understanding of human nature and of the behavior of oneself and others as individuals and as members of groups. The Department of Psychology offers either a Bachelor of Arts degree or a Bachelor of Science degree. The department also serves other disciplines by offering courses that meet their needs.

# ADMISSION TO THE MAJOR

Students intending to major in psychology should declare their interest to the psychology department so that they can be assigned a psychology advisor. Applications to the major in psychology are reviewed twice a year. Applications should be submitted prior to Oct. 1 or prior to March 1. Applicants must have completed PSY 101, 200; ENG 104, 108, and MAT 112 or higher before being accepted into the psychology major. (*Caution to students: MAT 110 is not acceptable preparation in mathematics for admission to the psychology major.*) Admission is competitive. A selection committee reviews all applicants and determines those who will be admitted. The information used in the selection process includes: 1) grades earned in the courses necessary for admission consideration; 2) an essay on the application concerning vocational aspirations in psychology; and, 3) grades in all college work to date.

Applications of transfer students (upon their request) will be given a preliminary review by the department chairperson before MWSU's pre- or regular registration. All applications will be considered active for one academic year. If a student is not admitted during that year the student must reapply in order to remain under consideration. Students are strongly urged to take PSY 300 and 301 during the first two semesters after acceptance to the major.

# **Course Admission Requirements**

The following courses may be taken only by students who have declared a major or minor in a discipline (psychology, nursing, criminal justice, social work, education, physical education, business, communication) that lists the course as required or elective for that major or minor: PSY 300, 301, 303, 319, 325, 335, 365, 400, 415, 430, or 490. Under the individual course listings, this requirement is designated "major course requirement." Exceptions to this course prerequisite require written departmental approval.

# BACHELOR OF ARTS OR BACHELOR OF SCIENCE DEGREE REQUIREMENTS

# General Major in Psychology

This program requires 44 credits in the major and can lead to either a B.A. or B.S. degree. In addition to the major requirements, the student must fulfill the requirements for the specific degree program. The B.A. requires 12 credits in a single foreign language.

# **Personnel Psychology Concentration**

This program leads to a B.S. with a major in Psychology and a concentration in personnel psychology. The program has a similar required course core as the general major program in Psychology, with the addition of courses relevant to human resources. The Personnel Psychology program requires a minimum of 32 credits in psychology plus 21 credits in the cognate field of business.

This program is recommended for those students seeking employment in human resources, public relations, or other positions in business or industry where one works closely with employees or the public. It should be noted that the program does not provide technical training in personnel management, but rather a liberal arts background and preparation for on-the-job training.

# Minor in Childhood Studies

Missouri Western State University offers an interdisciplinary minor in Childhood Studies. This minor is intended for those students who have child-related emphases in their major disciplines, such as juvenile delinquency, child psychology, or pediatrics or for those who simply wish to learn more about the subject of childhood. The minor will also provide a foundation of study for those students who intend to go on to professional or graduate school in order to study in child-related areas. This minor does not provide students with certification to teach in the state of Missouri.

Students must successfully complete at least eighteen hours from the following list of classes. To insure that the minor is a truly interdisciplinary experience, at least three disciplines must be represented with no more than nine hours coming from any one discipline:

-		G	redits
EDU	315	Psychology and Education of the Exceptional Child (Declared Childhood Studies minors are exempt from	2
		EED 303 and EED 304 as prerequisites for this course.)	
EDU	419	Utilizing Family and Community Resources for Early	2
		Childhood Education (Declared Childhood Studies minors	
		are exempt from EED 357 or EED 358 as a prerequisite for	4
DDI	100	this course.)	
EDU		Counseling Techniques/Parents	2

*Rolow	ant Ind	May be repeated for credit.	1-3
nelev		ependent Study arranged with any full-time faculty member.	10
		May be repeated for credit.	1-3

\*Only three credit hours of any one internship (including student teaching), special topics course, or independent study maybe applied to the minor.

Each student interested in this minor should discuss with his or her major academic advisor which courses best fit that student's discipline and concentration area as well as which general studies courses need to be chosen to satisfy prerequisites. Students enrolled in the Minor in Childhood Studies will also be assigned an advisor from the Childhood Studies Committee. Programs of study shall be kept on file by the Director of Childhood Studies.

## Semester Designation

F -- the course is offered in the fall semester

Sp -- the course is offered in the spring semester

Su -- the course is offered in the summer semester

DD -- the course is offered at the discretion of the department

## PSYCHOLOGY COURSES

Waiving of any course prerequisites requires prior departmental approval.

**PSY 101 General Psychology (3) F, Sp, Su.** General information about psychology in everyday life, designed to correct misconceptions and to give the student a better understanding of self and others.

**PSY 200 Intermediate Psychology (3) F, Sp.** Introduction to scientific psychology with emphasis on methodology and critical thinking about psychological ideas. Prerequisite: PSY 101.

**PSY 210 Psychology of Personal Adjustment (3) F (even-numbered years).** Principles and techniques for maintaining good mental health; the approach is practical rather than descriptive. Prerequisite: PSY 101.

**PSY 220 Health Psychology/Stress Management (3) F.** The psychological and social factors that influence health and disease. Attention is also focused on stress management, the health care system, and the evaluation of health-related research. Prerequisite: PSY 101.

**PSY 222 Psychology of Gender (3) Sp.** The similarities and differences between the female and male gender in the following psychological areas: role acceptance, gender identity, sexuality, parenthood, achievement and ability, personality, adjustment and mental health, and relationships. Prerequisite: PSY 101. LAS International/Intercultural.

**PSY 230 Psychology of Communication (3) F.** The elements of interpersonal communication; emphasizes techniques of communicating thoughts and ideas, listening techniques, understanding meaning; designed to improve the students interpersonal relationships. Prerequisite: PSY 101. LAS International/Intercultural.

**PSY 240 Life-span Developmental Psychology (3) Sp.** The cognitive, personality, emotional, social, and physical changes that occur from conception through old age. This course is intended primarily for majors in fields which require a developmental psychology overview of the life span. <u>Credit for this course is not applicable toward a psychology major</u>. Prerequisite: PSY 101.

**PSY 250 Behavior Modification (3) Sp. (odd-numbered years).** The application of behavioral principles to human problems. Prerequisite: PSY 101.

**PSY 260 Cross-Cultural Psychology (3) Sp.** Psychological issues from a cross-cultural perspective, enabling students to appreciate the diverse ecological and cultural settings in which their behavior is increasingly influenced by global diversity and the global economy. Prerequisite: PSY 101. LAS International/Intercultural.

**PSY270 Psychology of Religious Experience (3) (DD).** Psychological theories and research methods investigates the nature, antecedents, and consequences of religious experience and behavior. Emphasis on the scientific study of religion. Prerequisite: PSY 101.

These courses may be taken only by students who have declared a major or minor in a discipline that lists this course as required or elective for that major or minor. Exceptions to this course prerequisite require written psychology department approval.

301

**PSY 280 Career Development in Psychology (3) F (odd-numbered years).** Career opportunities, levels of training, and professional issues in the field of psychology. Designed for those seeking employment and/or graduate school training in psychology. Prerequisite: PSY 101, PSY 200.

**PSY 283 Introduction to Psychological Research (1-2) (DD).** Introduction to research in psychology. The student will be involved in an individual or team research project, or assist with a faculty member's research. Prerequisite: Consent of department.

**PSY 290 Introduction to Forensic Psychology (3) (DD).** Examines the role of forensic psychologists in police training and selection, criminal profiling, jury selection, insanity and competency, child custody, and death penalty trials. Prerequisite: PSY 101.

**PSY 300 Introductory Psychological Statistics (3) F, Sp.** Descriptive and inferential statistical procedures used in the social sciences. Both computer and manual computations will be performed. Prerequisite: PSY 101 and PSY 200, and completion of MAT 112 or higher with a grade of C or better; majors course requirement.\* LAS Computer Literacy.

**PSY 301 Psychology Research Methods (3) F, Sp.** Training in the techniques and methods of scientific psychology; emphasizes construction of hypotheses, experimental design, data interpretation, and style of reporting research. Prerequisite: PSY 101, 200, 300; majors course requirement. \* LAS Ethics.

**PSY 303 Psychology Research Team (2) F, Sp.** Applied learning experience in designing and conducting original research in psychology, data analysis, writing and presenting research results. Prerequisite: PSY 101, 200, 300, 301, and demonstrated proficiency in the basics of APA format and SPSS. Majors course requirement. \* LAS Writing; Ethics.

**PSY 309 Abnormal Psychology (3) F.** Descriptive and exploratory consideration of abnormal behavior, with a survey of past and present theories, classifications, and therapies. Prerequisite: PSY 101.

**PSY 310 Industrial/Organizational Psychology (3) Sp.** Research and theories of I/O Psychology and applied to the problems and issues of the work place with an emphasis on the role of cognitive activity in work-related behavior. Prerequisite: PSY 101.

**PSY 314 Technology and Society (3) F, Sp.** Participatory course emphasizing a particular problem and/or issue related to technology and society. Class participants will investigate the semester's theme using currently available technologies. Same as BIO 314, ENG 314, HUM 314, GOV 314. Prerequisites: Completion of Category one -- Basic Skills General Studies courses.

**PSY319 Child/AdolescentPsychology (3) F.** Life-cycle changes that occur from conception through early adolescence, emphasizing the origins and principles of normal development. Prerequisite: PSY 101, 200 or EED/MED/SED 304; majors course requirement. \* (Declared minors in Childhood Studies are exempt from the PSY 200 prerequisite.)

**PSY 321 Adult Psychology (3) Sp.** Life-cycle changes that occur from middle and late adolescence through old age and death; explores the changes in physical and sensory development, intelligence, personality, friendships, and work and family roles. Prerequisite: PSY 101.

**PSY 325 Psychology of Personality (3) F.** Dynamics of personality development and human behavior; emphasizes theories of personality. Prerequisite: PSY 101, 200; majors course requirement. \*

\* These courses may be taken only by students who have declared a major or minor in a discipline that lists this course as required or elective for that major or minor. Exceptions to this course prerequisite require written psychology department approval.

**PSY 335 Learning (3) Sp (odd-numbered years).** Major theories of learning in contemporary psychology, with a brief historical introduction. Prerequisite: PSY 101, 200; majors course requirement. \*

**PSY 340 Cognitive Psychology (3) F (even-numbered years).** The field of Cognitive Psychology, including human learning, memory, problem solving, language, and attention. Artificial intelligence will be examined. Prerequisite: PSY 101, 200.

**PSY 345 Animal Behavior (3) F (odd-numbered years).** Introduction to the comparative method in exploring and classifying behavior in animals. Prerequisite: PSY 101, 200.

**PSY 350 Physiological Psychology (3) Sp.** Introduction to the relationships between brain, mind, and behavior; includes brain mechanisms underlying perception, motivation, emotion, learning, memory, and higher cognition. Prerequisite: PSY 101, 200; majors course requirement\*.

**PSY 355 Sensation and Perception (3) F (even-numbered years).** Data and theory concerning sensory and perceptual processes; includes sensory mechanisms, neuropsychological bases of perception, perceptual development, and psychological phenomena encountered in the various senses. Prerequisite: PSY 101, 200.

**PSY 360 Motivation and Emotion (3) Sp (even-numbered years).** Theoretical and research issues on such motivational topics as drive, goal, directedness, incentive, reinforcement, external stimulation, emotion, instinct, and self-actualization. Prerequisite: PSY 101, 200.

**PSY 365 Social Psychology (3) F.** The individual in relation to society; includes theoretical foundations, socialization, social cognition, group dynamics, and leadership. Prerequisite: PSY 101, 200; majors course requirement.\*

**PSY 400 Introduction to Psychological Testing and Assessment (3) Sp.** Basic principles of tests, measurements, and assessment. Detailed study and evaluation of some of the most useful and meaningful person assessment techniques. Professional and ethical standards as well as social issues related to testing. Prerequisite: PSY 300; majors course requirement. \* LAS Ethics.

**PSY 410 Introduction to Counseling Psychology (3) Sp (odd-numbered years).** An overview of counseling as applied in a variety of institutional settings; reviews differing counseling techniques and theories as well as types of problems encountered in counseling; includes survey of research related to counseling. Prerequisite: PSY 101, 325.

**PSY 415 Intermediate Statistics for the Behavioral Sciences (3) (DD).** Basic statistical procedures applied to behavioral research; focuses on the integration of the use of computers for data collection and analysis. Prerequisite: PSY 301 or MAT 132; majors course requirement.\* LAS Computer Literacy.

**PSY 420 Practicum in Psychology (4) F.** Senior students in psychology apply their knowledge to an actual situation in the field. An additional 4 credits may be earned by taking PSY 421. Prerequisite: Senior status in psychology and departmental approval.

**PSY 421 Practicum in Psychology (4) DD.** Senior students in psychology applying their knowledge to an actual situation in the field. An additional 4 credits may be earned by taking PSY 420. Prerequisite: Senior status in psychology and departmental approval.

\* These courses may be taken only by students who have declared a major or minor in a discipline that lists this course as required or elective for that major or minor. Exceptions to this course prerequisite require written psychology department approval.

Psychology

**PSY 430 History and Systems in Psychology (3) F.** The major historical approaches to defining, organizing and explaining psychological phenomena. Prerequisite: PSY 101, 200; majors course requirement. \*

**PSY 450 Independent Research/Project (1-5) F, Sp.** Investigation of a research problem, project, or topic on an individual conference basis. Prerequisite: Completion of the major-minor declaration in psychology, minimum 2.5 GPA in the major field, and departmenntal approval.

PSY 470 Child Psychopathology and Exceptionalities (3) F (even-numbered years). An overview of the theories, research diagnosis, and treatment of childhood disorders, exceptionalities, and special needs. Prerequisite: PSY 101, 200, and either 240 319. (Declaried minors in Childhood Studies are exempt from the PSY 200 prerequisite.)

**PSY 490 Senior Seminar (3) F, Sp.** An integrative, capstone experience for senior psychology majors. Emphasizes written and oral analyses of current issues in psychology based on integrative reviews of empirical research. Students will also participate in a service learning project in which aspects of the undergraduate psychology curriculum are applied to help the community. Prerequisites: PSY 301; majors course requirement.\* LAS Writing.

\* These courses may be taken only by students who have declared a major or minor in a discipline that lists this course as required or elective for that major or minor. Exceptions to this course prerequisite require written psychology department approval.

SVChO

# Western Institute

271-4100

Vestern Institute

## www.wi.missouriwestern.edu

The mission of the Western Institute is education and research outreach from Missouri Western State University. This is accomplished through the following centers:

#### CENTER FOR EDUCATION OUTREACH

The Western Institute sponsors several education programs for off-campus or nontraditional students. These include: online, evening and summer university classes; High School College Credit for qualified high school students; upper-division credit classes in the Northland; GED and college credit classes for incarcerated students; International Cultural Experiences; and Pass the Power Adult Literacy classes.

The Western Institute sponsors a number of continuing education courses for all students. A maximum of six (6) credits in continuing education courses, numbered 100 or higher, and bearing the CED prefix, may be applied toward the total requirements required for a degree, but may not be applied toward the academic major.

#### LAW ENFORCEMENT ACADEMY

The Western Institute is home for the Missouri Western State University Regional Law Enforcement Academy/Police Officer Standardized Training (P.O.S.T.) course. The twenty-three week, 940-clock-hour, and the forty-three week, part-timer courses offered by Missouri Western State University certifies participants to become police officers in the state of Missouri. The Academy is located at the Downtown University Center.

Minimum admission requirements:

- At least 19 years of age to attend and 21 years of age to be a certified police officer;
- High school diploma or GED certificate;
- Free of physical or mental disabilities which would prevent meeting P.O.S.T. standards;
- Free of serious misdemeanor or felony convictions;
- Applications are selected without regard to race, sex, religion, color, national origin, age or disability.

In addition to P.O.S.T. certification, students will earn six hours of CED credit, which may be applied toward graduation. Those students choosing to pursue a criminal justice degree at Missouri Western State University are eligible for an additional twelve hours of credit toward the requirements for that degree.

#### CENTER FOR CONFERENCE SERVICES

The Western Institute sponsors an extensive summer conference program, as well as several non-resident conferences and seminars during the school year.

#### CENTER FOR COMMUNITY ARTS

The Western Institute is actively engaged in providing diverse arts and cultural opportunities for both youth and adults in the community. Programs such as Griffon Junior Singers, Symphonic Youth Orchestra, private and Suzuki music lessons and hands on art classes allow young people to participate in high quality music and art enrichment activities.

Adults benefit from classes that are provided through the Center as well. Programs are offered in dance, pottery, drawing, creative writing, and music plus much more. The Center for Community Arts is committed to meeting the cultural needs of the community through these activities and continues to develop programs that will encourage residents to participate in arts and cultural enrichment.

## CENTER FOR PROFESSIONAL DEVELOPMENT

The Western Institute supplements credit offerings by sponsoring a variety of noncredit (with or without credit option) programs. The programs include programs for business and industry, workforce development, re-certification programs, and personal enrichment courses. Programs may be customized to meet corporate needs.

#### DOWNTOWN UNIVERSITY CENTER

As part of outreach into the community, and in support of the revitalization of downtown St. Joseph, Missouri Western State University has opened the Downtown University Center at 515 N. 6th Street (816-271-5664).

The Law Enforcement Academy and Pass the Power Adult Literacy Program are currently housed in this center.

A variety of programs are planned for this site. Rentable space and free parking are available for conferences, seminars, workshops, and receptions. The facility offers two meeting rooms, an auditorium with seating for 300, and a spacious dining area that accommodates 200 guests.

# **REGISTRATION PROCEDURES**

Western Institute courses are open to anyone who may benefit from them. Students may register for Western Institute CED credit courses through walk-in registration or in the office of the Western Institute. Students must register for noncredit courses in the office of the Western Institute.

# FEES

Fees for continuing education classes are divided into two categories: credit and noncredit courses. All classes will be operated on a cost-recovery basis.

# CREDIT

Cost for credit courses taught through the Institute is the same as regular tuition. In some cases, a special fee will be assessed for supplemental course costs.

# NONCREDIT

Noncredit course fees are based on making the courses self-sustaining. Minimum enrollment is approximately twelve enrollments.

# **REFUND POLICY**

The refund policy for credit classes is the same as other credit courses at Missouri Western State University.

Noncredit students may receive a full refund on noncredit Institute classes, if notification is received one week prior to the first class period or if the class is cancelled. After the first class meeting, but prior to the second class session, students may receive a 50% refund (minus a \$5 administrative charge) if it is requested in writing. No refunds will be made after the second scheduled class meeting.

# ADDITIONAL INFORMATION

Contact the Western Institute in Spratt Hall 105, or call 816-271-4100, to obtain specific information regarding Institute courses, or to suggest courses which may be of interest to the community. Normal operating hours for the Institute are from 8:00 a.m. to 4:30 p.m. Monday through Friday.

# Non Trad. Students

# Non-Traditional Student Center

The Non-Traditional Student Center office provides support and assistance for the nontraditional male and female students at Missouri Western and is located in Eder Hall 200A. Non-trad students currently comprise 25% of the student population.

"Considering College: A Seminar for Adult Men and Women," designed especially for adults thinking about enrolling in college for the first time or returning to college after several years absence, is scheduled several times each semester. Participants have the opportunity to talk with other men and women who are attending Missouri Western, and can meet and talk with college personnel who will answer questions, discuss entrance procedures, and provide methods to ease the transition. This program is offered free of charge.

"Coffee & Conversation" is offered during the last week of each month. These informal sessions give non-trad students a chance to meet and visit with each other.

The Non-Trad Student Center also sponsors a campus club, Non-Traditional Student Association, and a national honor society, Omicron Psi, for adult students.

There is a lounge for non-traditional students in Eder Hall 200 that students may use for relaxing, visiting, gathering information, eating, and studying.

Information about how to enroll in college, as well as information about campus offerings and activities in general, is available year round by contacting the Non-Traditional Student Center office at 271-4280. <u>www.missouriwestern.edu/nontrad/</u>.

# Appendix B: Administrators & Exempt Staff

- Andriano, Gregory, System Analyst Programmer (B.S., Missouri Western State University)
- Aspelund, Jan, Director of Human Resources (B.A., Western Kentucky University; M.B.A., Golden Gate University)
- Avalos, Agustin, Video Communications Specialist (B.A., University of La Verne)
- Bagley, Jennifer, Head Coach-Softball (B.S., Moorhead State University; M.S., North Dakota State University)
- Beam, Angela, Assistant Director of Financial Aid (B.S.B.A., Missouri Western State University)
- Bell, Wes, Assistant Coach-Football (B.S. Emporia State University; M.S. Ed MSU Moorehead)
- Berg, Sandi, Benefits Coordinator
- Berneking, Trevor, Sports Information Director (B.S. University of Minnesota; M.S. Northern State University)
- Berry, Wonda J., Recreation Services/Facilities Director (B.S., Missouri Western State University; M.S., Pittsburg State University)
- Bracciano, Susan V., Registrar (B.S.B.A., M.B.A., University of Kansas, Lawrence)
- Bragin, Joseph, Provost and Vice President for Academic and Student Affairs (B.S., Brooklyn College; Ph.D., University of Wisconsin)
- Brown, H. David, Director of Counseling/Assistant Dean of Student Services (B.S., Missouri Western State University; M.A., University of Missouri-Kansas City)
- Brown, Rick, Applications Programmer (B.S., Missouri Western State University)
- Bruce, Duane, Associate Dean of Student Development (B.S.B.A. Missouri Western State University; M.S. University of Kansas)
- Buffington, Gyla L., Payroll Coordinator
- Burton, Mark, Hardware/Software Support Technician, Senior
- Byer, Christa, Marketing Coordinator (B.A. Northwest Missouri State University)
- Chew, Huey, International Student Advisor (B.S. University Science Malaysia; M.Ed University Malaya; Ed.S Pittsburg State University)
- Courtney, Bryan, Director of RCPI (A.S., B.S. Missouri Western State University)
- Crain, Jeanie C., Special Assistant to the President (B.A., Berry College; M.A., Ph.D., Purdue University)
- Criger, Cori J., Classroom Services Manager (B.S., Missouri Western State University)
- Daffron, Jeanne M., Associate Vice President for Academic and Student Affairs (A.S., B.S., Missouri Western State University; M.A., University of Missouri-Kansas City; Ph.D., Texas Women's University)
- Darrough, Craig K., Environmental Safety Coordinator (A.A., St. Louis Community College at Florissant Valley; B.S., Northwest Missouri State University)
- Daugherty, Darrin W., Electronic Resources Librarian (B.A., University of Kansas; M.L.S., Emporia State University)
- Dawson, Corla S., Writing Coordinator (B.A., Missouri Western State University; M.A., University of Nebraska-Omaha)
- Diaz, Michelle, Acquisitions/Collections Management Librarian (B.A., Missouri Western State University; M.A., University of Missouri-KC; M.L.S., School of Library and Information Management)
- Dyson, Frederick C., Information Services Librarian (B.A., Eastern Connecticut State University; M.A., Virginia Tech; M.L.S., University of Maryland)
- Eckhoff, Daniel O., Bursar (B.S., Missouri Western State University; E.M.B.A., Benedictine College)

Elifrits, Karen L., Executive Associate to the President

Eilers, Jay, Assistant Coach-Football (B.S., M.S., Northwest Missouri State University) Ellis, Mark G., Database Administrator/Analyst (A.S., B.S., B.S.B.A., Missouri Western State University)

Ellis, Peggy E., Director of Non-Credit Programs/Business & Industry Training (A.S., Fresno City College; B.S.B.A., Missouri Western State University)

Ellsworth, Deborah, Director of Pass the Power (B.A., University of Kansas-Lawrence)

Elting, Mark, Technical Operations Coordinator (A.S. Colorado Institute of Art; B.A. Missouri Western State University; M.S. Northwest Missouri State University)

- Esely, J. Brett, Assistant Director of Athletics / External Relations (B.S., Missouri Western State University)
- Estes, Steven G., Dean of Professional Studies (B.A., M.A., San Diego State University; Ph.D., Ohio State University)

Ezzell, Russell W., Network Administrator (B.S., Howard Payne University)

- Fenwick, Tyler, Assistant Coach-Football (B.S.B.A. University of New Mexico)
- Fields, Judy A., Institutional Research Analyst (B.S., Northwest Missouri State University)
- Foley, Amy C., Fitness Center Coordinator (B.S., Northwest Missouri State University; M.S., University of Kansas)
- Gann, Cathy S., Reading and Study Skills Coordinator (B.S., Missouri Western State University; M.S., Northwest Missouri State University)
- Garlinger, Linda M., Career Services Director (A.A., State University of New York; B.A., Saint Mary College; M.S., Kansas State University)
- Gilmore, Richard C., Associate Vice President for Financial Planning & Administration (B.S., Missouri Western State University; E.M.B.A., Benedictine College)

Greer, Martha, Community Arts Director (B.S. Southeast Missouri State University)

- Grimes, Judith W., Dean of Student Services (B.A., University of Texas-Austin; M.A., Ph.D., University of Missouri-Columbia)
- Guyer, Rosalie A., Advising/A Plus Programs Coordinator (A.S., Missouri Western State University; B.S., M.S., Northwest Missouri State University)
- Hammer, George, Academic Advisor / A Plus Specialist (B.S.B.A. Missouri Western State University; M.A. Northwest Missouri State University)
- Hansen, Dawn G., Accountant, Student Receivables (B.S., Morningside College)

Hansen, Jeff, Head Coach-Women's Soccer (A.A., Cloud County Community College; B.S., Missouri Southern State University; M.S., Central Missouri State University)

- Harrah, Brian, Buildings Supervisor
- Hartley, Sherri, Accountant, Fixed Asset/Grants (B.S.B.A., Missouri Western State University)
- Havens, Eric S., Instructional Technologist (B.S., Missouri Western State University)
- Heider, Cynthia, Interim Assistant Vice President of Academic Affairs (B.S., University of Missouri-Columbia; M.A., Northwest Missouri State University; Specialist in Educational Administration, Southwest Missouri State University; E.D.D., University of Missouri-Columbia)
- Heier, Kent, Assistant Director of Public Relations and Marketing (B.S., University of Nebraska-Lincoln)
- Hodge, Ronnie G., Maintenance Supervisor, Auxiliary
- Hoffman, James, Articulation Coordinator (B.A., Briar Cliff University; M.M., Creighton University)
- Holtz, Diane, Public & Alumni Relations Coordinator (B.S., University of Iowa)
- Huffman, Denece, Assistant Bursar (A.S., B.S., Missouri Western State University)
- Hunt, Danielle R., Educational Television Services Manager (B.A., The School of the Ozarks)
- Jessen, Paula M., Admissions Counselor (B.S., Missouri Western State University) Joe, Kathy A., Accountant (B.S.B.A., Missouri Western State University)
- Johnson, Jonathan S., Graphic Arts Coordinator (A.A., Moberly Area Community College; B.A., Benedictine College)

Johnson, Lonnie R., Director of Facilities (B.S., Arkansas Tech University)

Johnson, Tara, Development Officer (A.A., Eastern Oklahoma State College; B.A., University of Central Oklahoma)

Jones, Kendy S., Director of Campus Printing and Design Services (B.S., Missouri Western State University)

Kacere, Jennifer N., Residence Hall Director (B.A., Loras College)

- Kelley, Jonathan S., Director of Public Safety (A.S., Northwestern Connecticut College; B.S., Missouri Western State University; M.S., Central Missouri State University)
- Kisker, Ellen L., Non-Traditional Student Services Director (B.S., M.S., Northwest Missouri State University)
- Kissock, Timothy J., Risk Manager (B.S., St. John University; J.D., University of Missouri-Kansas City School of Law)
- Kowich, Colleen A., Director of Alumni Services (B.A., Adrian College; M.A., Virginia Tech)
- Kramer, Eric, NCAA Compliance/Academic Coordinator (B.S.B.A. University of Missouri-Columbia; M.S. Wichita State University)
- Kramer, Melissa, Applications Programmer/Banner (B.S., Devry Institute of Technology)
- Lau, David, Athletics Development & Special Events Coordinator (B.S., Missouri Western State University; M.S., Northwest Missouri State University)
- Lawing, Roxanna, Foundation / Alumni Accounting Director (B.S.B.A., Missouri Western State University)
- Lovely, Stephen, Tutor Supervisor / Center for Academic Support (B.S. Iowa State University; M.S. Northwest Missouri State University)
- Mabe, Mark E., Director of Information Technology (AS., B.S., Missouri Western State University)
- Manning, Jeanie, Director of Developmental Reading (B.S., M.S., University of Nebraska)
- Marash, Vincenza R., Counselor, Diversity and Women's Issues (M.S.W., Syracuse University; M.A., Ph.D., Cornell University; B.A., M.A., Stony Brook University)
- Mastin, Tiffany J., Head Coach-Volleyball (B.S., Taylor University; M.S., Oakland City University)
- Mayes, Ruby D., System Administrator/Programmer
- McCauley, Howard, Director of Admissions (B.S., M.S., Northeast Missouri State University)
- McGarrell, Andrew R., Catalog Librarian (B.A., Yale University; M.A., M.L.S. Indiana University)

McMillian, Carey J., Accountant, Senior (B.S.B.A., Missouri Western State University)

- McQuirter, Kevin, Video Communications Specialist (B.A. University of Southern Mississippi)
- McWilliams, David R., Developmental Math Specialist (B.S., M.A., Southwest Missouri State University)
- Moore, R.E., Director of Developmental Math Program (B.A., Culver Stockton College; M.A., Stanford University)
- Monach, Gregory, Custodial Supervisor
- Morley, Saree, Assistant Coach-Women's Basketball (B.A. Metropolitan State College of Denver; M.S. Northwest Missouri State University)
- Mulder, James L., Library Supervisor, Public Services (B.A., Northwestern College; M.A., University of Iowa)

Neeley, Kristen, Admissions Counselor (B.S., Missouri Western State University)

Nesslage, Frederick C., Network Administrator (B.S., Rochester Institute of Technology)

Nicholson, Michael, Assistant Coach-Men's Basketball (B.S.B.A. University of Missouri-Columbia; M.A. University of Missouri-Kansas City)

Nicoson, Dan J., Vice President for University Advancement (B.S., University of Indianapolis; M.S., Indiana State University)

Noland, Morgan, Residence Hall Director (B.A., University of Missouri-Columbia) Nold, Letha A., Accountant (B.S.B.A., Missouri Western State University)

Noyd, Jacob O., Operations Engineer (B.S., Missouri Western State University)

- O'Reilly, Sean, Assistant Director of Residential Life (B.S., Keene State College; M.A., Indiana University of Pennsylvania)
- Partridge, Gerald E., Head Coach-Football (B.S., Missouri Western State University; M.A., University of Missouri)
- Payne, Beverly D., Advising and Placement Director for Business Programs (B.S., Missouri Western State University; M.B.A., University of Missouri-Kansas City)
- Payne, Peggy M., Assistant Director of Admissions/Recruiting (B.A., McPherson College)
- Pickman, Germain E., Director of Development (B.S., Missouri Western State University; M.B.A., Benedictine College)
- Plett, Lynn, Head Coach-Women's Basketball (B.A. Tabor College)
- Potter, Steven M., Counselor/International Student Advisor (A.A., Southeastern Community College; B.A., University of Northern Iowa; M.A., Northeast Missouri State University)
- Pruitt, Venny L., Northlands Education Coordinator (B.S., Missouri Western State University; M.S., Ed.S., Northwest Missouri State University)
- Ritter, Michael R., Special Needs Coordinator (B.S., Missouri Western State University)
- Ritter, Michelle L., Webmaster (B.A., Missouri Western State University)
- Roach, William J., Developmental Math Specialist (B.S., M.S., Northwest Missouri State University)
- Roberts, Keith, Director of Sponsored Programs and Grants (B.S. Eastern Oregon State College; M.A. Southwest Missouri State University; Ph.D. Miami University, Oxford, OH)
- Saffell, Steven L., Math Coordinator (A.A., Longview Community College; B.S., Missouri Western State University)
- Sample, Victoria R., Central Stores/Laboratory Coordinator (B.S., Missouri Western State University)
- Schank, Tyson R., Communications and Web Coordinator for Admissions (B.S., Missouri Western State University)
- Schneider, Julia L., Director of Library (A.A., Missouri Western State University; B.A., Northwest Missouri State University; M.L.S., University of Missouri-Columbia)
- Sharp, Tracy, Assistant Registrar (B.A. Missouri Western State University)
- Sickels, Jamie, Admissions Coordinator (A.S., B.S.B.A., Missouri Western State University)
- Smith, Patsy S., Associate Athletic Director (B.S.B.A., Missouri Western State University)
- Smith, Terry L., Assistant Director of Admissions/Operations (A.S., Northwest Missouri Community College; B.S., Missouri Western State University)
- Smith, Thomas J., Head Coach-Men's Basketball (B.S., Valparaiso University)
- Speros, Michael L., Director of Residential Life (B.A., M.A., Edinboro University of Pennsylvania)
- Spotts-Conrad, Cindy S., Financial Aid Coordinator, ISCB Senior (B.S., Northeast Missouri State University)
- Stevenson, KimKisha N., Admissions Counselor (B.S., Friends University)
- Stoll, Tara, Video Producer/Director (B.S., Missouri Western State University)
- Triggs, Tanza D., Multicultural Education Director (B.S., M.S., Illinois State University)
- Trotter, Reginald K., Assistant Coach-Football (B.A., B.S., Missouri Western State University)

Tyler, Deatra D., SCT HRIS Analyst (B.S.B.A., Missouri Western State University)

Van Dyke, Steven, Graphic Arts Coordinator (B.S., Central Missouri State University)
Vartabedian, Robert A., President (B.A., California State University, Fresno; M.A., Wichita State University; Ph.D., University of Oklahoma)

- Verduzco, Charles, Head Coach-Baseball (B.A., B.S., Washington State University; M.S., University of Nevada)
- Walker, John W., Director of Regional Law Enforcement Academy (B.S., Central Missouri State University)
- Warnke, Tyra L., Developmental Math Specialist (A.A., McCook Community College; B.A., Wayne State College; M.S., University of Nebraska)
- Weaver, Terry B., Library Supervisor, Technical / Automation Services (B.S., University of Kansas; M.L.S., University of Missouri-Columbia)
- Webb, Debra L., Testing Coordinator (B.S., Missouri Western State University; M.S., Northwest Missouri State University)
- Wells, Cynthia L., Instructional Design Service Manager (B.S., B.S.B.A., Missouri Western State University; M.S.Ed., Northwest Missouri State University)
- Wheeler, Beth M., Director of External Relations (B.S., Missouri Western State University; M.S., Central Missouri State University)
- Whitsell, J. Bruce, Grounds and Events Supervisor
- Williams, David, Director of Athletics (B.A. Augstana College; M.S. North Dakota State University)
- Williamson, Thomas L., Assistant to the Chair, Department of Business (B.S., South Dakota State University; M.P.A., University of South Dakota)
- Willis, Donald R., Student Engagement Director (A.A., Highland Community College; B.S., Northwest Missouri State University; M.S. Emporia State University; Doctoral Candidate)
- Willis, Jamie M., Western Institute Office Coordinator (A.A.S., Highland Community College)
- Wood, Gaylan, Lead Driver
- Zimmerman, Christina S., Information Services Librarian (B.A., Tabor College; M.L.S., School of Library and Information Management)
- Zipp, Diana, Assistant Coach-Volleyball (B.A., Morehead State University)

# Appendix C: Faculty

#### ART

**Estes, James R.,** Professor (B.S., Northwest Missouri State University; M.A., Fort Hays State University; M.F.A., Arizona State University)

Harmon-Miller, Jeannie, Professor (B.A.E., M.F.A, University of Kansas)

Harris, Teresa, Assistant Professor (B.A., Missouri Western State College; M.F.A., Fort Hays State University)

Sauls, Allison H., Associate Professor and Chairperson (B.A., Huntington College; M.A., University of Georgia; Ph.D., Emory University)

Sipp, Geo, Associate Professor (B.F.A. University of Florida; M.F.A., Clemson University)

#### BIOLOGY

Ashley, David C., Professor (B.S., M.S., Bowling Green State University; Ph.D., University of Nebraska)

Baker, Jason C., Associate Professor (B.S., Ph.D., Kansas State University)

Chevalier, Cary, Associate Professor (B.S., M.S., Arizona State University; Ph.D., University of California)

Daggett, Melissa, Assistant Professor (B.S., Kansas State University; Ph.D., University of Lawrence)

Eckdahl, Todd, Professor and Chairperson (B.S., University of Minnesota; Ph.D., Purdue University)

**Evinger, Lee E.**, Associate Professor (B.S., Dickinson College; M.A., Indiana University) Hardwick, Cosette, Assistant Professor (B.S., University of Kansas; DPT, Creighton University)

Hartman, Kurt, Assistant Professor (B.S., Bowling Green State University; Ph.D., Ohio University)

Rachow, Thomas E., Associate Professor (B.S., University of Iowa; M.S., Ph.D., Southern Illinois University)

**Raffensperger**, Maureen C., Associate Professor (B.S., University of Nebraska Medical Center; M.S., University of Missouri-Columbia; DPT, Des Moines University)

Rushin, John W., Professor (B.S., M.S., Indiana State University; D.A., Idaho State University)

Walton, Kristen Lee Williams, Assistant Professor (B.S., Missouri State University; Ph.D., University of North Carolina)

#### BUSINESS

**Bartles, Denise,** Associate Professor (B.S., Missouri Western State College; J.D., University of Missouri-Kansas City)

Chiao, Cheng-Huei (Michael), Assistant Professor (B.S., M.S., National Chung-Hsing University; Ph.D., University of Wisconsin-Milwaukee)

Fowler, Martha Lou, Associate Professor (B.S., M.S., Northeast Missouri State University)

Fuhrmann, Thomas, Instructor (B.S.B.A., Central Missouri State University; M.B.A., St. Louis University)

Gunderson, Konrad, Assistant Professor (B.A., Luther College; M.S., University of Wisconsin-Madison; Ph.D., University of Nebraska-Lincoln)

Kang, Sangkyoo, Assistant Professor (B.A., Yonsei University; M.B.A., Seoul National University; Ph.D., University of Buffalo, SUNY)

Krueger, Dale, Associate Professor (B.A., DePauw University; M.A., Northern Illinois University; Ph.D., University of Missouri)

Lawson, Larry L., Associate Professor (B.A., University of Missouri-Kansas City; M.A., Ph.D., University of Colorado-Boulder)

Lewis, Mark W., Associate Professor (B.S., University of Kansas; M.S., Ph.D., Southern Methodist University)

Luthans, Brett C., Professor (B.S., M.A., Ph.D., University of Nebraska-Lincoln) Majupu, Vivek, Assistant Professor (B.S., Kakatiya University; M.S., University of Hyderabad; M.B.A., Bharatidasan Institute of Management; Ph.D., University of Memphis) Roever, Carol, Associate Professor (B.S., Northwestern University; M.S., University of Wisconsin at Whitewater)

smith, faye i., Professor (B.B.A., M.B.A., University of Missouri-Kansas City; Ph.D., University of Iowa)

Sundaramoorthi, Duraikannan, Assistant Professor (B.E., Bharathiar University; M.S., Ph.D., The University of Texas at Arlington)

**Tewari, Jitendra,** Assistant Professor (B.A., St. Stephen's College; M.B.E., Delhi University; Ph.D., Florida Atlantic University)

Wines, William A., Associate Professor (B.S.B.A., Northwestern University; J.D., University of Michigan)

#### CHEMISTRY

Archer, Leonard J., Professor (B.S., Northwest Missouri State University; M.S., Ph.D., University of Nebraska)

Bragin, Joseph, Professor (B.S., Brooklyn College; Ph.D., University of Wisconsin-Madison)

**Caldwell, Benjamin D.,** Associate Professor and Chairperson (B.Sc., Randolph-Macon College; Ph.D., University of Virginia)

Ducey, Michael, Associate Professor (B.S., University of Kansas; Ph.D., University of Michigan)

Hiley, Shauna, Associate Professor (B.S., Central Missouri State University; Ph.D., University of Wyoming)

Lorimor, Steven P., Associate Professor (B.S., Northwest Missouri State University; Ph.D., Iowa State University)

**Puckett, James L.,** Instructor (B.S., University of Missouri-Rolla; M.Ed., Ph.D., University of Missouri-Columbia)

**Rhoad, Jonathan**, Assistant Professor (A.B., William Jewell College; M.S., Ph.D., The Ohio State University)

Zweerink, Gerald L., Professor (B.A., Southwest Missouri State University; Ph.D., University of Missouri-Rolla)

#### COMMUNICATION STUDIES AND THEATRE

Gorcyca, Diane Atkinson, Professor (B.S., Lamar University; M.A., Ph.D., University of Oklahoma); Communication Studies

Hunt, Marilyn D., Associate Professor and Chairperson (B.A., M.A., California State University; Ph.D., University of Kenucky); Communication Studies

Lillie, Donald E., Assistant Professor (B.A., M.A., Morehead State University); Theatre

McMahan, David, Assistant Professor (A.S., Vincennes University; B.S., M.A., Indiana State University; Ph.D., University of Iowa); Communication Studies

Staggs, Deny, Assistant Professor (B.A., M.F.A., University of Montana); Theatre

Tapia, John E., Professor (B.A., California State University; M.A., University of Massachusetts; Ph.D., University of Arizona); Communication Studies

Vartabedian, Robert A., Professor (B.A., M.A., California State University; Ph.D., University of Oklahoma)

Warner, Jeremy, Assistant Professor (B.A., Indiana University; M.F.A., Temple University)

**Zhang, Mei,** Assistant Professor (B.A., Hangzhou University; B.A., Fudan University; M.A., Ph.D., University of Pittsburgh); Communication Studies

#### COMPUTER SCIENCE, MATHEMATICS AND PHYSICS

Anderson, Kevin, Associate Professor (B.A., Bethany College; M.S., Kansas State University); Mathematics

Becker, Deborah, Instructor (B.S., M.A., Southwest Missouri State University)

Godfrey, Christopher, Professor (B.S., University of Central Arkansas; Ph.D., Íowa State University); Physics

Hecker, Connie, Instructor (B.S., Missouri Western State College; M.S., Regis University); Computer Science

Hegeman, Jennifer S., Associate Professor (B.A., Augustana College; M.A., Indiana University; Ph.D., University of Missouri-Kansas City); Mathematics

Johnson, Darell James, Assistant Professor (B.S., M.S., Ph.D., University of California-Riverside; Ph.D., Massachusetts Institute of Technology); Physics

Klassen, Steven D., Associate Professor (B.S., Friend's University; M.S., University of Houston-Clear Lake; Ph.D., Texas A & M University); Mathematics

Miller, Timothy L., Assistant Professor (B.S., M.S., Ph.D., Kansas State University); Mathematics

Noynaert, J. Evan, Assistant Professor (B.A, University of Illinois; M.S. University of Iowa; M.S., Midwestern State University); Computer Science

**Ottinger, Michael B.**, Associate Professor (B.S., M.S., Brigham Young University; Ph.D., University of Texas); Physics

Pickett, H. Kent, Assistant Professor (B.S., M.S., University of Missouri-Rolla); Computer Science

**Poet**, **Jeffrey**, Associate Professor (B.A., Ottawa University; M.S., Kansas State University; Ph.D., University of Wyoming); Mathematics

Rice, Glenn R., Assistant Professor (B.A., Tabor College; M.A., Ph.D., University of Kansas); Mathematics

Wang, Tingxiu, Professor and Chairperson (B.S., Shandong University; M.S., Ph.D., Southern Illinois University)

Waters, Gavin, Assistant Professor (B.A., University of Wales; M.S., Ph.D., University of Iowa); Mathematics

#### CRIMINAL JUSTICE AND LEGAL STUDIES

Andrews, Larry D., Professor (A.S., B.S., Missouri Western State College; M.S., Ed.S., Central Missouri State University); Criminal Justice

Finley, Ramona, Assistant Professor (A.S., B.S., Missouri Western State College; M.S., Ed. Spec., Central Missouri State University); Criminal Justice

Katz, Joanne, Professor (B.A., J.D., University of Missouri-Kansas City); Legal Studies Kissock, Suzanne, Assistant Professor (B.A., St. Louis University; J.D., St. Louis University School of Law); Legal Studies

Lindsteadt, Gregory A., Assistant Professor (B.S., University of Nebraska; M.S., Central Missouri State University; Ph.D., Indiana University); Criminal Justice

Nix, Frederica, Instructor (A.A., St. Joseph Junior College; B.A., B.S., Missouri Western State College; M.S., Central Missouri State University); Criminal Justice

Tushaus, David W., Associate Professor and Chairperson (B.A., University of Missouri-Columbia; M.A., J.D., University of Iowa); Legal Studies

Wilson, Kip B., Associate Professor (A.S., B.S., Missouri Western State College; M.A., Ed.S., Central Missouri State University); Criminal Justice

#### ECONOMICS

Hamzaee, Reza, Professor (B.S., National University of Iran; M.A., University of California-Santa Barbara; Ph.D., Arizona State University)

Lawson, Catherine L., Professor (B.A., University of Colorado-Denver; M.A., Ph.D., University of Colorado-Boulder)

McMurry, Patrick H., Professor (B.S., Southwest Missouri State University; M.A., Central Missouri State University; Ph.D., University of Arkansas)

Vargha, Nader, Associate Professor (B.S.E.E., M.A., University of Oklahoma)

#### EDUCATION

Blake, Kit, Instructor (B.S.E., Missouri Western State College; M.S., Northwest Missouri State University)

**Bogle, Deborah S.,** Associate Professor (B.S.E., M.A., Ed.S., Pittsburg State University; Ph.D., University of Kansas)

Claflin, M. Susan, Assistant Professor (B.A., Ottawa University; M.A., University of Denver; Ph.D., University of Kansas)

Edwards, Nancy T., Professor (B.A., Graceland College; M.Ed., University of Missouri-Columbia; Ph.D., University of Missouri-Kansas City)

Eicher, Doug, Associate Professor (B.S., University of Nebraska-Omaha; M.A., Ed.S., University of Nebraska-Kearney; Ph.D., University of Nebraska-Lincoln)

Ellis, John A., Assistant Professor (B.S., Indiana State University; M.A., Ed.D., Ball State University)

Heider, Čindy, Associate Professor (B.S., University of Missouri-Columbia; M.A., Northwest Missouri State University; Specialist in Educational Administration, Southwest Missouri State University; E.D.D., University of Missouri-Columbia)

Hendrix, Mary Elizabeth, Assistant Professor (B.A., M.A., Ph.D., University of Alabama)

**Porr, Richard H.,** Associate Professor (A.A.S., Missouri Western State College; B.S.E., Northwest Missouri State University; M.A., Ph.D., University of Missouri-Kansas City)

**Robbins, Lisa,** Instructor (B.A., St. Louis University; MSEd., University of Kansas) **Smith, Michael S.,** Professor (B.A., Ashland College; M.S., University of Dayton; Ph.D., Indiana University)

#### ENGINEERING TECHNOLOGY

Fan, Hongqin, Assistant Professor (B.S., Tsinghua University; M.A.S., University of British Columbia; Ph.D., University of Alabama)

Kim, Jin-Lee, Assistant Professor (B.E., M.E., Chungbuk National University; M.E., Ph.D., University of Florida)

Varma, Virendra K., Professor and Chairperson (B.E., Birla Institute of Technology and Science; M.S., State University of New York-Buffalo; Ph.D., University of Missouri-Columbia; P.E.)

Yang, X. George, Associate Professor (B.S., Zhejiang University; M.S., Zhejiang University; Ph.D., Kansas State University)

Zhang, Zhao, Associate Professor (B.S., Tsinghua University; M.S. Peking Union Medical College; Ph.D., University of Missouri-Rolla)

**Zhu, Jinwen,** Assistant Professor (B.S., Southwest Jiaotong University; M.S., Sichuan University; M.S., Ph.D., University of North Carolina)

#### ENGLISH, FOREIGN LANGUAGES, AND JOURNALISM

Adkins, Kaye E., Associate Professor (B.S., Pittsburg State University; M.A., University of Kansas; Ph.D., University of Kansas); English

**Bartels**, Cynthia, Instructor (B.A., Southwest Missouri State University; M.A., University of Arkansas)

**Bensyl, Stacia L.,** Associate Professor (B.S.Ed., Northwest Missouri State University; M.A., University College Dublin; Ph.D., University of Nebraska-Lincoln); English

Bergland, Robert, Professor (B.A., Millikin University; M.A., Ph.D., Purdue University); Journalism

**Cadden, Michael J.**, Professor and Chairperson (B.A., B.A., M.A., Virginia Polytechnic Institute and State University; D.A., Illinois State University); English

Castilla-Ortiz, Francisco Eduardo, Assistant Professor (B.A., M.A., Ph.D., University of Utah)

Charlton, Michael, Assistant Professor (B.A., M.A., Ph.D., University of Oklahoma) Church, William, Instructor (B.A., Missouri Western State College; M.A., University of Missouri-Kansas City); English Crain, Jeanie, Professor (B.A., Berry College; M.A., Ph.D., Purdue University); English

Donaher, Patricia, Associate Professor (A.B., Indiana University; M.A., Pittsburg State University; Ph.D., University of Nebraska-Lincoln); English

Frick, M. Jane, Professor (B.S., Drake University; M.A., University of Northern Colorado; Ph.D., University of Missouri-Kansas City); English

Fulton, Karen, Professor (B.A., Knox College; M.A., Ph.D., Case Western University); English

Hennessy, Susan, Professor (B.A., Colorado College; M.A., Ph.D., University of Colorado); Foreign Languages

Jeney, Cynthia, Assistant Professor (B.S., Northern Arizona University; M.A., Ph.D., Arizona State University); English

Katchen, Meredith Stephen, Instructor (B.A., M.A., California State University-Fresno)

Latosi-Sawin, Elizabeth, Professor (B.A., State University of New York at Buffalo; M.A., Ph.D., University of Iowa); English

Pankiewicz, Thomas, Instructor (A.A.S., St. Joseph Junior College; B.A., Northwest Missouri State University; M.A., University of Missouri-Kansas City); English

**Roberts, Ian**, Associate Professor (B.A., M.A., Ph.D., University of Nebraska-Lincoln); English

**Rosenauer, Kenneth L.**, Professor (B.A, Missouri Western State College; M.A., Southeast Missouri State University; Ph.D., University of Missouri-Kansas City); Journalism

Terrick, Dawn, Instructor (B.A., Allegheny College; M.A., Clarion University of Pennsylvania); English

Thorne, Ann E., Professor (B.A., M.A., Ph.D., University of Missouri-Columbia); Journalism

Vazquez, Karina, Assistant Professor (B.A., Universidad de Buenos Aires; M.A., Ph.D., University of Florida)

Youngkeit, Jason, Assistant Professor (B.A., Weber State University; M.A., Texas Tech University; Ph.D., University of Utah); Foreign Languages

#### GOVERNMENT, SOCIAL WORK, AND SOCIOLOGY

Clary, Pam, Instructor (A.A., Highland Community College; B.S., Kansas State University; M.S.W., University of Kansas); Social Work

Cox, Daniel, Associate Professor (B.S., M.S., Illinois State University; Ph.D., University of Nebraska-Lincoln); Government

Euchner, Jonathan, Assistant Professor (B.A., University of Northern Iowa; M.A., University of South Carolina; Ph.D., University of Kentucky); Government

Frederick, Lynn, Instructor (B.A., Chadron State College; M.S.W., University of Iowa); Social Work

Kamali, Ali, Professor (B.A., National University of Iran; M.A., University of Detroit; Ph.D., Michigan State University); Sociology

**Kibirige, Joachim S.,** Associate Professor and Chairperson (B.A., Makerere University; M.S., Ph.D., University of Missouri-Columbia); Sociology

Steiniche, David V., Professor (B.A., Grinnel College; M.A., University of Wisconsin; Ph.D., University of Nebraska); Government

#### HEALTH, PHYSICAL EDUCATION AND RECREATION

Allen, Freda, Instructor (B.S.E., Missouri Western State University; M.S.E., Northwest Missouri State University)

**Blessing**, **Brenda**, Professor and Chairperson (B.S., Indiana State University; M.S., Indiana State University; Ph.D., Ohio State University); Recreation

**Choi, Paul,** Assistant Professor (B.A., Yon Sei University; M.S., United States Sports Academy; Ph.D., Oklahoma State University); Recreation

Hartenbower, Patricia, Assistant Professor (B.S., Northwest Missouri State University; M.S., Northwest Missouri State University); Physical Education

Kraft, Justin, Assistant Professor (B.S., Jamestown College; M.A., University of Northern Colorado; Ph.D., University of Alabama); Physical Education

Kriewitz, K. Gregory, Instructor (B.S., M.S., Central Missouri State University); Physical Education

Neal, Brandon, Assistant Professor (B.S., M.S., California State University; Ph.D., Oklahoma State University); Recreation

Russell, William, Assistant Professor (B.A., Cleveland State University; M.S., Ball State University; Ph.D., University of Missouri-Columbia); Health

**Unzicker, Myron,** Instructor (A.A., Parkland Community College; B.S., Northern Illinois University; M.A., Ball State University); Physical Education

Wolford, Nannette, Professor (B.S., Missouri Western State College; M.S., Northwest Missouri State University; Ed.D., University of Kansas); Physical Education

#### HISTORY, PHILOSOPHY AND GEOGRAPHY

Dagel, Kenneth C., Associate Professor (B.S., South Dakota State University; M.A., University of North Dakota; Ph.D., University of Nebraska); Geography

Greiert, Steven G., Professor and Chairperson (B.A., St. Olaf College; M.A., Ph.D., Duke University); History

MacGregor, James, Assistant Professor (B.A., Roanoke College; M.S., University of Kentucky; M.A., Ph.D., University of Cincinnati); History

McLear, Patrick E., Professor (A.A., The Metropolitan Community Colleges; B.S., Northwest Missouri State University; M.A., University of Missouri-Kansas City; Ph.D., University of Missouri-Columbia); History

Mikkelsen, J. Mark, Professor (B.A., University of Nebraska; M.A., Ph.D., University of Kansas); Philosophy

Morris, Stephen, Assistant Professor (B.S., University of Florida; M.A., Ph.D., Florida State University); Philosophy

Mullins, Carl P., Professor (B.A., Vanderbilt University; M.A., M.Div., Pacific School of Religion; Ph.D., Graduate Theological Union); Philosophy

Okapal, James, Assistant Professor (B.S., The Ohio State University; M.A., Bowling Green State University; Ph.D., University of Tennessee); Philosophy

Trifan, Daniel, Professor (B.A., Fairleigh Dickinson University; M.A., Ph.D., Duke University); History

#### MILITARY SCIENCE

Majure, Marcus D. LTC, Instructor and Chairperson (B.S., Delta State University; M.S., Central Michigan University)

Gragg, Matthew MAJ., Instructor (B.S., Missouri Western State College; M.A., Webster University)

Stackhouse, Brian MAJ., Recruiting (B.A., Methodist College; M.S., Troy State University)

#### MUSIC

Antas, Linda, Assistant Professor (B.M., M.M., University of Illinois; D.M.A., University of Washington)

Bennett, David, Assistant Professor (B.A., Albion College; M.M., Ball State University; D.M.A., University of Iowa)

Benz, David, Assistant Professor (B.A., B.M.E., Southwest Baptist University; M.A., University of Kansas; Ph.D., University of Missouri-Columbia)

Edwards, Matthew, Associate Professor (B.M., M.M., Bob Jones University; D.M.A., Peabody Conservatory of Music)

**Gilmour, F. Matthew**, Professor and Chairperson (B.M., Missouri Valley College; M.M., D.M.A., University of Missouri-Kansas City)

**Gray, Sharon L.**, Associate Professor (A.A., Missouri Western State College; B.S., Park College; M.M., University of Missouri-Kansas City)

Harrelson, R. Lee, Instructor (B.M., University of Southern Mississippi; M.M., University of Missouri-Kansas City)

Hinton, Jeffrey, Assistant Professor (B.M.E., M.A., Northeast Missouri State University)

Long, Bob, Instructor (B.M.E., M.A., Truman State University; D.M.A., University of Missouri-Kansas City)

Rogers, Dennis G., Professor (B.M., M.M., Ph.D., University of Missouri-Kansas City) Thomas, Frank D., Associate Professor (B.M.E., M.M.E., Wichita State University)

#### NURSING

Andrews, Kathleen, Associate Professor and Chairperson (B.S., Creighton University; M.N., University of Kansas; Ph.D., University of Missouri-Kansas City)

**Baldwin, Julie,** Assistant Professor (A.S.N., Riverside Community College; B.S.N., California State University-Fullerton; M.S.N., University of Missouri-Kansas City)

Brooks, Evelyn, Professor (B.S.N., Fort Hays State University; M.S.N., Wichita State University; Ph.D., University of Kansas)

Brose, Carolyn H., Associate Professor (B.S., Oklahoma Baptist University; M.S., Ohio State University; Ed.D., University of Kansas)

**Campbell, Cristi,** Assistant Professor (B.S., Missouri Western State College; M.S., University of Missouri; M.S.N., Vanderbilt University School of Nursing)

**Corder**, **Stephanie**, Assistant Professor (B.A., Missouri Western State College; D.N., University of Colorado Health Sciences Center)

**Daffron, Jeanne,** Professor (A.S., B.S., Missouri Western State College; M.A., University of Missouri-Kansas City; Ph.D., Texas Women's University)

**Dolan, Marsha**, Associate Professor (A.A., Eastern Wyoming College; B.S., Colorado Womens' College; M.B.A., University of Colorado)

Ellis, Deborah, Assistant Professor (A.S., Kishwaukee Community College; A.D.N., R.N., Waobonsee Community College; B.S.N., Northern Illinois University; M.S.N., F.N.P., University of Missouri-Kansas City)

**Gay, Mary Jo,** Associate Professor (R.N., Lutheran Hospital School for Nurses; B.S.N., University of Iowa; M.S.N., University of South Alabama; Ph.D., University of Missouri-Kansas City)

**Gregory, Bonnie**, Assistant Professor (B.S., South Dakota State University; M.N., University of Kansas)

Harris, Crystal, Assistant Professor (Nursing Diploma, Saint Luke's Hospital School of Nursing; B.S.N., William Jewell College; M.S.N., University of Kansas)

**Kendall, Heather,** Assistant Professor (B.S.N., Missouri Western State University; M.S.N., University of Missouri-Kansas City)

King, Diana, Assistant Professor (A.S.N., Regents College; A.S., B.S.N., Missouri Western State University; M.S.N., University of Missouri-Kansas City)

Sindt, Alicia, Assistant Professor (B.S.N., Graceland College; M.S.N., University of Missouri-Kansas City)

Voelkel, Roger, Assistant Professor (B.S.N., Duke University; M.S.N., University of Oklahoma)

Yeh, Pi-Ming, Assistant Professor (B.S., Taipei Medical University; M.S., Medical University; Ph.D., University of Wisconsin-Milwaukee)

#### PSYCHOLOGY

Bargar, James S., Professor (B.A., William Jewell College; M.A., Southern Methodist University; Ph.D., University of Missouri-Kansas City)

**Cronk**, **Brian**, Professor (B.S., University of Wisconsin-Madison; M.A., Bradley University; Ph.D., University of Wisconsin-Milwaukee)

Deka, Teddi S., Professor (B.S., M.A., Ph.D., Ohio State University)

Henry, Kelly Bouas, Associate Professor (B.S., William Jewell College; M.A., University of Illinois at Urbana-Champaign; Ph.D., University of Illinois at Urbana-Champaign) Homann, Gary P., Instructor (B.A., Purdue University; M.A., Northern Arizona University)

Huntermark, James M., Assistant Professor (B.A., Duquesne University; M.A., Marshall University; Ph.D., University of Arkansas)

**Phillips, Russell**, Assistant Professor (B.A., Baldwin-Wallace College; Ph.D., Bowling Green State University)

Wann, Phillip D., Professor and Chairperson (B.A., University of Missouri-Columbia; M.A., Ph.D., Carleton University)

# President Emerita

McCarthy, Janet Gorman

## **Dean Emeritus**

Johnson, Martin A.

## **Professors Emeriti**

Anderson, Jerry, Professor Emeritus of Music Andresen, William, Professor Emeritus of Biology Aschermann, Jerry, Professor Emeritus of Education Atkinson, John, Professor Emeritus of Mathematics Bagnall, Norma, Professor Emerita of English Bishop, George, Professor Emeritus of Computer Science Boutwell Richard, Professor Emeritus of Biology Castellani, Joseph, Professor Emeritus of English Coyne, Charles, Professor Emeritus of Education Crumley, Richard, Professor Emeritus of Biology Dobbins, Larry, Professor Emeritus of Theatre Erickson, Charles, Professor Emeritus of Health, Physical Education and Recreation Esry, Cordelia, Professor Emerita of Nursing Evinger, Lee, Professor Emeritus of Biology Fields, Mary Jane, Professor Emerita of Education Flanagan, Frances, Professor Emerita of English Force, Harry, Professor Emeritus of Biology Galloway, Leo, Professor Emeritus of Biology Galloway, Ruth E., Professor Emerita of English Gilgun, John, Professor Emeritus of English Gille, Sue, Professor Emeritus of Nursing Grechus, James, Professor Emeritus of Health, Physical Education and Recreation Greene, Bonnie, Professor Emerita of Health, Physical Education and Recreation Greenwald, Barry, Professor Emeritus of Business Hansen, Thomas C., Professor Emeritus of Education Haynes, Solon Earl, Professor Emeritus of Education Heckle, Achsah M., Professor Emeritus of Chemistry Hinrichs, Susan, Professor Emerita of Computer Science Hoffmann, Rosemary, Professor Emerita of Foreign Languages Hoover, Michael, Professor Emeritus of Sociology Hughes, John T., Professor Emeritus of Art John, David, Professor Emeritus of Mathematics Johnston, Ernest, Professor Emeritus of Physics Kessler, Frank, Professor Emeritus of Political Science Kump, Ferrell, Professor Emeritus of Education Lacy, Louise, Professor Emerita of Humanities and Communications Lambing, Larry, Professor Emeritus of Chemistry Lee, Kenneth, Professor Emeritus of Mathematics Long, James L., Professor Emeritus of Physical Education Mack, William G., Director Emeritus of Bands Magoon, Michael, Professor Emeritus of Foreign Languages Mahaffy, Don, Professor Emeritus of Mathematics Marion, Marvin, Professor Emeritus of Education Mathews, Michael, Professor Emeritus of Music McCay, Christa, Professor Emerita of English Mitchell, Marian, Professor Emerita of Business

Mullican, Julia, Professor Emerita of Psychology Nelson, G. Barry, Professor Emeritus of Engineering Technology Owen-Roddy, Gloria, Professor Emerita of English Pilgram, Henry, Professor Emeritus of Social Work Price, Thomas, Professor Emeritus of Music Radmacher, Sally, Professor Emerita of Psychology Richmond, George, Professor Emeritus of Education Riemer, Roberta, Professor Emerita of Music Robbins, Donald, Professor Emeritus of Biology Rogers, Marcia, Professor Emerita of Office Information Systems Schmitz, Leo, Professor Emeritus of Mathematics Schwarz, Richard, Professor Emeritus of Chemistry Shrout, Ethel H., Professor Emerita of Business Smith, Russell, Professor Emeritus of Chemistry Sparks, Isabel, Professor Emerita of English Stutterheim, Keith, Professor Emeritus of Engineering Technology Wilkerson, Jerry, Professor Emeritus of Mathematics Winston, Diana, Professor Emerita of Education

# **Adjunct Faculty**

Bertrand, Kay C., Assistant Professor of Medical Technology (B.S., M.A., University of Missouri)

**Callaway, Lawrence A.,** Assistant Professor of Medical Technology (A.B., M.D., University of Missouri-Columbia)

**Claussen, Sandra,** Assistant Professor of Medical Technology (B.S., Valparaiso University; M.T., Trinity Lutheran Hospital)

**Cooper, Jean E.**, Assistant Professor of Medical Technology (B.S., Central Missouri State University; M.P.A., University of Missouri-Kansas City)

James, Patrick L., Assistant Professor of Medical Technology (B.A., M.D., St. Louis, University)

**Johnson, Lucia**, Assistant Professor of Medical Technology (B.S., Kansas State University; M.A., University of Missouri-Kansas City)

O'Kell, Richard T., Assistant Professor of Medical Technology (M.D., University of Tennessee)

**Zucker, Marjorie,** Assistant Professor of Medical Technology (M.B.B.Ch., University of Witwatersand Medical School)
