Junior College  
Roundup

The Fulon  
**Missouri Western College**  
ST. JOSEPH, MISSOURI

This yearbook may contain images, language, or other content that could be offensive to modern users. The content may be disturbing and offensive, but should be viewed within the context of that period. The material is being presented as part of a historical record and in no way reflects the values of Missouri Western State University.

ST. JOSEPH JUNIOR COLLEGE  
Advisor: Mrs. Roberta Riemer  
Editor: Barbara Wise  
Co-Editor: Margaret McCush

Well, it's roundup time in the ole J. C. Corral. In this yearbook we have tried to roundup all the J. C. "dogies," and, maybe, we hope, corral a little of the rip-roaring cowboy spirit that makes J. C. the "greatest little educational outfit in the state of Missouri." The Freshmen who are just climbing into the saddle and the Sophomores who are "traveling on" are all marked with the J. C. brand, and mighty proud of it. To them this brand means a lot of hard scholastic work and many a "rip-snorthing good time." To the teachers or "trail bosses" who helped apply this brand, we say, "Thanks pardners!" To the "greenhorn" freshman climbing into the saddle of college life, we say, "Ride 'em, cowboy!" To the "seasoned" sophomore, leaving us, we say, "Vaya con Dios."

LEFT TO RIGHT: Mr. G. L. Blackwell, Mr. R. V. Blomfield, Mr. Dwight L. Dannen, Mr. W. Fairleigh Enright, Mrs. John Wyeth, Mrs. Paul Knepper, Mr. David Hopkins, and Mr. E. F. Garvey.

The members of the Board of Education are elected by the citizens of St. Joseph for a period of six years. Two members are elected every two years. This plan provides for an experienced board at all times. Members of the St. Joseph Board of Education at the present time are: Mrs. D. W. Hopkins, Mr. Dwight L. Dannen, Mr. E. F. Garvey, Mr. W. Fairleigh Enright, Mrs. John Wyeth, and Mrs. Paul Knepper. The present members have served many years. The fact that they have been working together so long attests to their interests in the educational welfare of boys and girls. Their many excellent decisions these past years have resulted in St. Joseph being one of the best school systems in the Middle West.

Another interesting fact concerning the board is that each member was born, reared, and educated in St. Joseph, Missouri.

Mr. G. L. Blackwell, Superintendent of Schools

Mr. G. M. Coleman,

Assistant Superintendent in charge of Instruction.

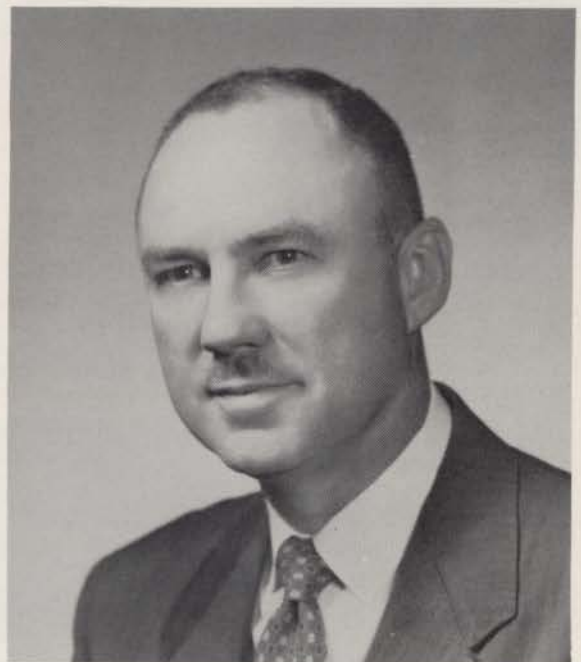

Dean Marion E. Gibbins pauses from his work in his office at Junior College.

Junior College is privileged to have a Dean such as Marion E. Gibbins who spends his time with the students guiding and aiding them in whatever ways he can. Through his counseling, many students are well on the way to their goal.

He has gained the respect, admiration, and confidence of both the students and faculty. He has proved himself capable of leading Junior College wisely and carrying out the responsibilities of his position as Dean.

Dean Gibbins has also proved himself capable to Missouri educators. This year he was accorded the honor of being elected president of the Missouri Association of Junior Colleges.

To a cheerleader the words "School Spirit" have a magic ring, that they work so hard for. They try to encourage pep, good sportsmanship and the enthusiastic support of our basketball team. Accompanied by the Pep Squad, they do this by a rebel yell, an abundance of energy and the split jump. The cheerleaders spend many hours perfecting their motions and working out new yells. Ask any cheerleader; they'll all agree, "It's well worth sore muscles and lost voices."
